Dear Chair Prozanski and Committee Members:

My name is Polly McGraw and I live in Northeast Portland. I'm writing to strongly urge you to support Bills 700 & 347 for the safety of all Oregonians, including our precious children. Since gun shows have been the source of unrecorded, unmonitored sales of weapons to anyone with the money to pay for them, they undoubtedly have led to the misuse of weapons in the hands of people who shouldn't have access to them. This needs to end NOW. Common sense demands this!

And, GUNS DO NOT BELONG IN SCHOOLS!! School districts should have the authority to prohibit guns to be brought into the buildings under any circumstances. Oregon families have the right to expect that their children are safe at school.

Thank you,
Polly McGraw
