Dear Chair Prozanski and Committee Members,

My name is Hilary Lord and I live in Eugene, OR. I support Senate Bills 347, 700, 699 and 796. It is time that we take a common sense approach to gun control in our state. While I would like even stricter regulations than the ones proposed, I feel that they are a good start to making Oregon a safer place for its residents.

Thank you for your time.
