Subject: new gun control laws
Date: Monday, April 08, 2013 10:57:56 AM

I am currently enlisted in the US Army. I grew up in Klamath Falls, and when I retire from the military I had every intention of doing my best to find suitable employment in my home state.
If any of the new gun control laws being discussed end up passing I will have to seriously reconsider my plan to retire in what I believe is the best state in the union.
Sincerely,
Thomas A Loder
