Analysis: This measure appropriates $2.5 million General Fund to the Higher Education Coordinating Commission for distribution to the University of Oregon for the purpose of the Oregon Research Schools Network (ORSN). The ORSN is a partnership between the University of Oregon's College of Education and high schools. Faculty members from the University work with teachers and administrators to develop data-driven, research-based practices to improve graduation rates and student performance, with a focus on professional development and dual credit initiatives.
