Dear Chair Prozanski and committee members
I live in Portland in Lew Frederick's district. I am in support of this bill because it affects us all! There is no reason why I need to pass a test to get a drivers license but not have a background check when I am purchasing a gun from someone selling less than 25 guns.

I am a gun owner and I fully support the idea of having gun purchasers background checked every time. There is no reason any law abiding citizen would not consider this essential. Criminals should not be allowed to get guns.
