Dear Members of the Committee:

Here we go again! Do the sponsors of this bill realize that we rejected RCV via Measure 117 just a few short months ago? The disrespect and disdain that some members of the Legislature have for the citizens of Oregon is really stomach-churning. The rejection of 117 wasn't just a "no," it was a "hell no!" So again, the Portland-centric Democrat cabal deigns to tighten their grip on power - by any means necessary! If NAV and Independent voters want more candidate choice, let the join a party! It might actually be a better idea (not my idea) to eliminate primaries altogether - let the parties select the candidates.

Please send HB 3166 to the trash where it belongs. Thanks.
