Dear Senator,
I strongly object to any legislation that would limit or erode my rights under the Oregon Constitution to be free from unreasonable searches and seizures. SB 13, in conjunction with SJR 3, would do just that. I urge you to oppose those measures in committee and in every step of the process.

There is no reason to believe that stopping drivers who have done nothing to cause suspicion is a productive use of scarce police resources. Police manning roadblocks are NOT out on the road watching for impaired drivers. They ARE stopping lots of people who have done nothing wrong and questioning them.

Regards,

Veronica Jensen
