Subject: SB 1530: STRONG CLIMATE ACTION TESTIMONY
Date: Saturday, January 25, 2020 7:09:02 AM

Dear Chair Dembrow, Vice Chair Olsen and Members of the Senate Interim Committee on Environment and Natural Resources,

My name is Louise Ferrell, I'm a longtime Oregonian and I live in Corvallis.

We should leave the world better than we found it, not trash it.

I have improved the insulation on my house. I hang our laundry instead of using the dryer. I plan my car trips carefully to cut my use of gasoline. I wear warm clothes instead of turning up the heat. I stopped eating red meat. But what I do personally will be nothing if we do not have strong climate legislation.

Thank you for your years of work on the critical issue of the climate emergency.

Hang in there.

Louise Ferrell
