Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3166

I strongly support this measure. It is actually ridiculous that an independent, unaligned citizen in Oregon can't vote in any election that is publicly funded. It is time to have elections that serve all Oregon citizen's and not just those whose political affiliation starts with a D or R! If any party wants closed elections, let them pay for them ... if these are publicly funded elections then any registered voter should be able to vote!!
