To the Joint Special Committee on Coronavirus Response:

I was laid off on Monday, along with the rest of my team of door-to-door canvassers for a local water quality non-profit.

I ask that subsidies for rent be offered to those whose income has been reduced or eliminated, that the unpaid waiting period for unemployment be waived, and that OHP, SNAP and unemployment insurance benefits be extended in duration for the entire pandemic quarantine period.

Thank you for your time, dedication, and consideration for low-income individuals affected by the coronavirus crisis.

Sincerely,

Emily Zetkulić
