

Dear Co-Chairs Holvey,

As a business owner, I am writing today to share the impacts the current COVID-19 health crisis is having on my business, my private contractors businesses and my family.

These are hard times for all of us. I encourage you to support our business community as we deal with the astonishing economic disruption that has accompanied this health crisis. We have been asked to close down, or minimize business greatly, but we haven't been given any assurances that we are going to be helped during this crisis.

Sincerely,

Cat Tomlin
