

Dear Co-Chairs Holvey,

As a VERY small local business owner, I am writing today to share the impacts the current COVID-19 health crisis is having on my business, my employees and my family.

These are hard times for all of us. I encourage you to support our business community as we deal with the astonishing economic disruption that has accompanied this health crisis. We have been impacted so severely the recouping of this will be astronomical. My tiny family owned flowershop Has been in our community for 32 years. We are the third local family who has owned this business. It has been through recessions and almost didn't recover from 2008 But it did! I am so saddened to think that this will be the last of this heart warming flowershop. Please I ask you to help all small businesses. Even the sole proprietorship types. Thank you for listening!

Sincerely,

Selena Ross
