

Dear Co-Chairs Holvey and Roblan,

As a business owner: Rosewood Vintage Rentals, I am writing today to share the impacts the current COVID-19 health crisis is having on my business, my employees and my family. We are a small vintage furniture rental company that caters to the wedding industry in the Rogue Valley. We have had several cancellations along with postponements. We usually have a lot of inquiries at this time of year. Right now everyone is holding off on planning anything. This has had a devastating impact financially to our business.

These are hard times for all of us. I encourage you to support our business community as we deal with the astonishing economic disruption that has accompanied this health crisis.

Sincerely,

Lisa Discoe
