Subject: Relief for landlords
Date: Sunday, March 22, 2020 9:12:42 PM

I provide housing for people who have bad credit history, criminal charges, and other related issues that would make it hard for them to find any other place other than a bridge to live. This latest epidemic it's absolutely tragic for the people I help house. Without financial assistance I may not be able to keep my housing available for these people. I implore you to find a way to help landlords as much as you help renters. Just as they cannot be evicted for nonpayment for 90 days something very similar should be set in place for landlords.
