

Greetings,

I am a landlord in the Salem area, and I am a member of the Salem Rental Housing Association. They have crafted a letter outlining the concerns of local landlords. If you haven't received it yet, you will soon. I share many of the concerns they have expressed. It is important for you to know that many of us are not large corporations that have more resources at their disposal during times of economic crises. At such, I hope you will take our concerns with as much gravity as you are affording to tenants. Otherwise, we may all go down with the ship.

Thank you for your understanding.
