Measure Description:

Requires student to demonstrate proficiency in civics in order to receive high school diploma.

Government Unit(s) Affected:

Department of Education (ODE), School Districts, Secretary of State (SOS)

Summary of Fiscal Impact:

Costs related to the measure are indeterminate at this time - See explanatory analysis.

Summary of Expenditure Impact:

See Analysis.

Analysis: This measure creates a 0.50 credit requirement for civic education.

School districts anticipate an indeterminate fiscal impact due to some districts currently offer civics and those districts that don't will need to develop the coursework. The number of districts that will need to develop the curriculum is unknown and therefore indeterminate.

The Oregon Department of Education and the Secretary of State do not anticipate a fiscal impact due to the provisions of the measure.
