Measure Description:

Allows public charter school to implement weighted lottery that favors historically underserved students when number of applications for enrollment exceeds capacity of program, class, grade level or building.

Government Unit(s) Affected:

School Districts, Department of Education (ODE)

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
