On Behalf Of: Mr Oregon OPPOSES SB 1552
Committee: Senate Committee On Education
Measure: SB1552

I OPPOSE [SB 1552].

"Establishes a youth advisory council." This has been tried before and it failed as it should fail now.

[SB 1552] is objectionable due to being burdensome and oppressive in its' construction and cost.

The \$300K to be allocated to [SB 1552] is just the beginning of an unsustainable boondoggle.
