74th Oregon Legislative Assembly  
2007 Regular Session  
Legislative Revenue Office

<b>Bill Number:</b>	<b>HB 2745-A</b>
<b>Revenue Area:</b>	Lottery
<b>Economist:</b>	Mazen Malik
<b>Date:</b>	04/16/07

## Measure Description:

Declares findings of the legislative assembly on economic benefit of services provided by the Oregon state police. Allocates 5% of unallocated lottery funds from the Economic Development Fund for Oregon State Police patrol services.

## Revenue Impact:

\$ Millions	2007-09 Biennium	2009-11 Biennium
State Lottery Fund 5% of unallocated	(32.6)	(34.3)

These amounts would have otherwise been available for allocation by the legislature.

## Impact Explanation:

The lottery funds are restricted to be used for certain constitutionally defined purposes. Economic Development, Education, Parks and bonds receive fixed percentages from the lottery proceeds. Oregon State police will be receiving \$65 million under this bill as an economic development activity function that is eligible under the constitutional dedications. The amendment dedicates 5% of lottery funds to the patrol services. This percentage amounts to about \$32.6 million in the 2007-09 biennium.
