- Children health care costs, and health care costs in general.
- Federal Poverty line
- Illegal immigration and proof of citizenship.
- Federally mandated requirements, and Social Security number requirements.
- Large amount of money to DHS.
- Smoking Reduction by education verses price increase.

EFFECT OF COMMITTEE AMENDMENTS: Allows for the definition of who is responsible for the tax.

BACKGROUND:

The resolution will constitutionally instate a tax increase on tobacco of 84.5 cents and 30% of whole price on the other tobacco products. This amount is on top what exists in statutes today at the rate of \$1.18 for cigarettes and 65% for other tobacco products. This constitutional amendment will be dedicated to the healthy Kids program and other health, prevention and education programs. The dedication necessities that a different method of distribution need to be adopted. This new method is defined in SB 3. Thus, the companion bill takes affect only if SJR 4 passes.
