 36 employer carrier for purposes of this section and ORS 743.736. A health benefit plan issued to an em-
 37 ployer described in this section, provided the employer does not otherwise qualify as a small employer
 38 in accordance with ORS 743.730, shall be considered a small employer health benefit plan for purposes
 39 of ORS 743.737, except that the plan or carrier shall not be required to comply with ORS 743.737 (7),
 40 (8), (10), (11) and (13).]

41 **SECTION 5.** ORS 743.734 is amended to read:

42 743.734. (1) Every group health benefit plan shall be subject to the provisions of ORS 743.733 to

 44 if any one of the following conditions is met:

45 (a) Any portion of the premium or benefits is paid by a small employer or any eligible employee

1 is reimbursed, whether through wage adjustments or otherwise, by a small employer for any portion
2 of the health benefit plan premium; or

4 of a plan or program for the purposes of section 106, section 125 or section 162 of the Internal Re-

6 (2) Except as provided in ORS 743.733 to 743.737, no law requiring the coverage or the offer of
7 coverage of a health care service or benefit applies to the basic health benefit plans offered or de-

12 respect to health care services or benefits; or

13 (b) Impose any restriction on the ability of a small employer carrier to negotiate with providers
14 regarding the level or method of reimbursing care or services provided under health benefit plans.

15 (4) Except to determine the application of a preexisting conditions provision for a late enrollee,
16 a small employer carrier shall not use health statements when offering small employer health benefit
17 plans and shall not use any other method to determine the actual or expected health status of eli-
18 gible enrollees. Nothing in this subsection shall prevent a carrier from using health statements or
19 other information after enrollment for the purpose of providing services or arranging for the pro-
20 vision of services under a health benefit plan.

21 (5) Except in the case of a late enrollee and as otherwise provided in this section, a small em-
22 ployer carrier shall not impose different terms or conditions on the coverage, premiums or contri-
23 butions of any eligible employee in a small employer group that are based on the actual or expected
24 health status of any eligible employee.

25 (6) A small employer carrier may provide different health benefit plans to different categories
26 of employees of a small employer when the employer has chosen to establish different categories of
27 employees in a manner that does not relate to the actual or expected health status of such em-
28 ployees or their dependents. **The categories must be based on bona fide employment-based**
29 **classifications that are consistent with the employer's usual business practice.** Except as
30 provided in ORS 743.736 (10):

31 (a) When a small employer carrier offers coverage to a small employer **with no more than 25**
32 **eligible employees**, the small employer carrier shall offer coverage to all eligible employees of the
33 small employer, without regard to the actual or expected health status of any eligible employee.

34 (b) **When a small employer carrier offers coverage to a small employer with at least 26**
35 **but not more than 50 eligible employees, the small employer carrier may limit coverage to**
36 **the categories of employees that the small employer has established as eligible for coverage,**
37 **provided that the categories are based on bona fide employment-based classifications that**
38 **are consistent with the employer's usual business practice.**

39 [(b)] (c) If the small employer elects to offer coverage to dependents of eligible employees, the
40 small employer carrier shall offer coverage to all dependents of eligible employees, without regard
41 to the actual or expected health status of any eligible dependent.

42 **SECTION 6.** ORS 743.737 is amended to read:

43 743.737. Health benefit plans covering small employers shall be subject to the following pro-
44 visions:

45 (1) A preexisting conditions provision in a small employer health benefit plan shall apply only

1 to a condition for which medical advice, diagnosis, care or treatment was recommended or received
2 during the six-month period immediately preceding the enrollment date of an enrollee or late
3 enrollee. As used in this section, the enrollment date of an enrollee shall be the earlier of the ef-
4 fective date of coverage or the first day of any required group eligibility waiting period and the
5 enrollment date of a late enrollee shall be the effective date of coverage.

6 (2) A preexisting conditions provision in a small employer health benefit plan shall terminate its
7 effect as follows:

8 (a) For an enrollee, not later than the first of the following dates:

9 (A) Six months following the enrollee's effective date of coverage; or

10 (B) Ten months following the start of any required group eligibility waiting period.

11 (b) For a late enrollee, not later than 12 months following the late enrollee's effective date of
12 coverage.

13 (3) In applying a preexisting conditions provision to an enrollee or late enrollee, except as pro-
14 vided in this subsection, all small employer health benefit plans shall reduce the duration of the
15 provision by an amount equal to the enrollee's or late enrollee's aggregate periods of creditable
16 coverage if the most recent period of creditable coverage is ongoing or ended within 63 days of the
17 enrollment date in the new small employer health benefit plan. The crediting of prior coverage in
18 accordance with this subsection shall be applied without regard to the specific benefits covered
19 during the prior period. This subsection does not preclude, within a small employer health benefit
20 plan, application of:

21 (a) An affiliation period that does not exceed two months for an enrollee or three months for a
22 late enrollee; or

23 (b) An exclusion period for specified covered services, as established by the Health Insurance
24 Reform Advisory Committee, applicable to all individuals enrolling for the first time in the small
25 employer health benefit plan.

26 (4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to
27 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period
28 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall
29 not exceed 12 months.

30 (5) Each small employer health benefit plan shall be renewable with respect to all eligible
31 enrollees at the option of the policyholder, small employer or contract holder except:

32 (a) For nonpayment of the required premiums by the policyholder, small employer or contract
33 holder.

34 (b) For fraud or misrepresentation of the policyholder, small employer or contract holder or,
35 with respect to coverage of individual enrollees, the enrollees or their representatives.

36 (c) When the number of enrollees covered under the plan is less than the number or percentage
37 of enrollees required by participation requirements under the plan.

38 (d) For noncompliance with the small employer carrier's employer contribution requirements
39 under the health benefit plan.

40 (e) When the carrier discontinues offering or renewing, or offering and renewing, all of its small
41 employer health benefit plans in this state or in a specified service area within this state. In order
42 to discontinue plans under this paragraph, the carrier:

43 (A) Must give notice of the decision to the Director of the Department of Consumer and Busi-
44 ness Services and to all policyholders covered by the plans;

45 (B) May not cancel coverage under the plans for 180 days after the date of the notice required

1 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except
2 as provided in subparagraph (C) of this paragraph, in a specified service area;

3 (C) May not cancel coverage under the plans for 90 days after the date of the notice required
4 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area
5 because of an inability to reach an agreement with the health care providers or organization of
6 health care providers to provide services under the plans within the service area; and

7 (D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans
8 issued by the carrier in the small employer market in this state or in the specified service area.

9 (f) When the carrier discontinues offering and renewing a small employer health benefit plan in
10 a specified service area within this state because of an inability to reach an agreement with the
11 health care providers or organization of health care providers to provide services under the plan
12 within the service area. In order to discontinue a plan under this paragraph, the carrier:

13 (A) Must give notice to the director and to all policyholders covered by the plan;

14 (B) May not cancel coverage under the plan for 90 days after the date of the notice required
15 under subparagraph (A) of this paragraph; and

16 (C) Must offer in writing to each small employer covered by the plan, all other small employer
17 health benefit plans that the carrier offers in the specified service area. The carrier shall issue any
18 such plans pursuant to the provisions of ORS 743.733 to 743.737. The carrier shall offer the plans
19 at least 90 days prior to discontinuation.

20 (g) When the carrier discontinues offering or renewing, or offering and renewing, a health ben-
21 efit plan for all small employers in this state or in a specified service area within this state, other
22 than a plan discontinued under paragraph (f) of this subsection. With respect to plans that are being
23 discontinued, the carrier must:

24 (A) Offer in writing to each small employer covered by the plan, all health benefit plans that
25 the carrier offers in the specified service area.

26 (B) Issue any such plans pursuant to the provisions of ORS 743.733 to 743.737.

27 (C) Offer the plans at least 90 days prior to discontinuation.

28 (D) Act uniformly without regard to the claims experience of the affected policyholders or the
29 health status of any current or prospective enrollee.

30 (h) When the director orders the carrier to discontinue coverage in accordance with procedures
31 specified or approved by the director upon finding that the continuation of the coverage would:

32 (A) Not be in the best interests of the enrollees; or

33 (B) Impair the carrier's ability to meet contractual obligations.

34 (i) When, in the case of a small employer health benefit plan that delivers covered services
35 through a specified network of health care providers, there is no longer any enrollee who lives, re-
36 sides or works in the service area of the provider network.

37 (j) When, in the case of a health benefit plan that is offered in the small employer market only
38 through one or more bona fide associations, the membership of an employer in the association ceases
39 and the termination of coverage is not related to the health status of any enrollee.

40 (k) For misuse of a provider network provision. As used in this paragraph, "misuse of a provider
41 network provision" means a disruptive, unruly or abusive action taken by an enrollee that threatens
42 the physical health or well-being of health care staff and seriously impairs the ability of the carrier
43 or its participating providers to provide services to an enrollee. An enrollee under this paragraph
44 retains the rights of an enrollee under ORS 743.804.

45 (L) A small employer carrier may modify a small employer health benefit plan at the time of

1 coverage renewal. The modification is not a discontinuation of the plan under paragraphs (e) and (g)
2 of this subsection.

3 (6) Notwithstanding any provision of subsection (5) of this section to the contrary, any small
4 employer carrier health benefit plan subject to the provisions of ORS 743.733 to 743.737 may be
5 rescinded by a small employer carrier for fraud, material misrepresentation or concealment by a
6 small employer and the coverage of an enrollee may be rescinded for fraud, material misrepresen-
7 tation or concealment by the enrollee.

8 (7) A small employer carrier may continue to enforce reasonable employer participation and
9 contribution requirements on small employers applying for coverage. However, participation and
10 contribution requirements shall be applied uniformly among all small employer groups with the same
11 number of eligible employees applying for coverage or receiving coverage from the small employer
12 carrier. In determining minimum participation requirements, a carrier shall count only those em-
13 ployees who are not covered by an existing group health benefit plan, Medicaid, Medicare,
14 CHAMPUS, Indian Health Service or a publicly sponsored or subsidized health plan, including but
15 not limited to the Oregon Health Plan.

16 (8) Premium rates for small employer health benefit plans [*subject to ORS 743.733 to 743.737*]
17 shall be subject to the following provisions:

18 (a) Each small employer carrier issuing health benefit plans to small employers must file its
19 geographic average rate for a rating period with the director [*on or before March 15 of each year*]
20 **at least once every 12 months.**

21 (b)(A) The premium rates charged during a rating period for health benefit plans issued to small
22 employers may not vary from the geographic average rate by more than **50 percent on or after the**
23 **operative date specified in section 10 of this 2007 Act, except as provided in subparagraph (D)**
24 **of this paragraph.** [*the following:*]

25 [*(i) 33 percent on or after October 1, 1999; and*]

26 [*(ii) 43 percent on or after July 1, 2004.*]

27 (B) The variations in premium rates described in subparagraph (A) of this paragraph shall be
28 based solely on [*differences in the ages of participating employees, except that the premium rate may*
29 *be adjusted to reflect the provision of benefits not required to be covered by the basic health benefit*
30 *plan and differences in family composition. In addition:*]

31 [*(i) A small employer carrier shall apply uniformly the carrier's schedule of age adjustments for*
32 *small employer groups as approved by the director; and*]

33 [*(ii) Except as otherwise provided in this section, the premium rate established for a health benefit*
34 *plan by a small employer carrier shall apply uniformly to all employees of the small employer enrolled*
35 *in that plan.*] **the factors specified in subparagraph (C) of this paragraph. A small employer**
36 **carrier may elect which of the factors specified in subparagraph (C) of this paragraph apply**
37 **to premium rates for small employers. The factors that are based on contributions or par-**
38 **ticipation may vary with the size of the employer. All other factors must be applied in the**
39 **same actuarially sound way to all small employers.**

40 (C) The variations in premium rates described in subparagraph (A) of this paragraph may
41 be based on one or more of the following factors:

42 (i) The ages of enrolled employees and their dependents;

43 (ii) The level at which the small employer contributes to the premiums payable for en-
44 rolled employees and their dependents;

45 (iii) The level at which eligible employees participate in the health benefit plan;

1 (iv) The level at which enrolled employees and their dependents engage in tobacco use;

2 (v) The level at which enrolled employees and their dependents engage in health pro-
3 motion, disease prevention or wellness programs;

4 (vi) The period of time during which a small employer retains uninterrupted coverage in
5 force with the same small employer carrier; and

6 (vii) Adjustments to reflect the provision of benefits not required to be covered by the
7 basic health benefit plan and differences in family composition.

8 (D)(i) The premium rates determined in accordance with this paragraph may be further
9 adjusted by a small employer carrier to reflect the expected claims experience of a small
10 employer, but the extent of this adjustment may not exceed five percent of the annual pre-
11 mium rate otherwise payable by the small employer. The adjustment under this subpara-
12 graph may not be cumulative from year to year.

13 (ii) Except for small employers with 25 or fewer employees, the premium rates adjusted
14 under this subparagraph are not subject to the provisions of subparagraph (A) of this para-
15 graph.

16 (E) A small employer carrier shall apply the carrier's schedule of premium rate vari-
17 ations as approved by the Director of the Department of Consumer and Business Services
18 and in accordance with this paragraph. Except as otherwise provided in this section, the
19 premium rate established for a health benefit plan by a small employer carrier shall apply
20 uniformly to all employees of the small employer enrolled in that plan.

21 (c) Except as provided in paragraph (b) of this subsection, the variation in premium rates
22 between different small employer health benefit plans offered by a small employer carrier must be
23 based solely on objective differences in plan design or coverage and must not include differences
24 based on the risk characteristics of groups assumed to select a particular health benefit plan.

25 (d) A small employer carrier may not increase the rates of a health benefit plan issued to a
26 small employer more than once in a 12-month period. Annual rate increases shall be effective on the
27 plan anniversary date of the health benefit plan issued to a small employer. The percentage increase
28 in the premium rate charged to a small employer for a new rating period may not exceed the sum
29 of the following:

30 (A) The percentage change in the geographic average rate measured from the first day of the
31 prior rating period to the first day of the new period; and

32 (B) Any adjustment attributable to changes in age, except an additional adjustment may be made
33 to reflect the provision of benefits not required to be covered by the basic health benefit plan and
34 differences in family composition.

35 (e) Premium rates for health benefit plans shall comply with the requirements of this section.

36 (f) A small employer carrier may apply a participation credit of five percent to the rates deter-
37 mined under paragraph (b) of this subsection for a small employer if all eligible employees enroll in
38 the health benefit plan. If a carrier applies a participation credit under this paragraph, the carrier
39 must apply the credit to each small employer that qualifies.

40 (9) In connection with the offering for sale of any health benefit plan to a small employer, each
41 small employer carrier shall make a reasonable disclosure as part of its solicitation and sales ma-
42 terials of:

43 (a) The full array of health benefit plans that are offered to small employers by the carrier;

44 (b) The authority of the carrier to adjust rates, and the extent to which the carrier will consider
45 age, family composition and geographic factors in establishing and adjusting rates;

1 (c) Provisions relating to renewability of policies and contracts; and

2 (d) Provisions affecting any preexisting conditions provision.

3 (10)(a) Each small employer carrier shall maintain at its principal place of business a complete
4 and detailed description of its rating practices and renewal underwriting practices, including infor-
5 mation and documentation that demonstrate that its rating methods and practices are based upon
6 commonly accepted actuarial practices and are in accordance with sound actuarial principles.

7 (b) Each small employer carrier shall file with the director [*annually on or before March 15*] **at**
8 **least once every 12 months** an actuarial certification that the carrier is in compliance with ORS
9 743.733 to 743.737 and that the rating methods of the small employer carrier are actuarially sound.
10 Each such certification shall be in a uniform form and manner and shall contain such information
11 as specified by the director. A copy of such certification shall be retained by the small employer
12 carrier at its principal place of business.

13 (c) A small employer carrier shall make the information and documentation described in para-
14 graph (a) of this subsection available to the director upon request. Except in cases of violations of
15 ORS 743.733 to 743.737, the information shall be considered proprietary and trade secret information
16 and shall not be subject to disclosure by the director to persons outside the Department of Con-
17 sumer and Business Services except as agreed to by the small employer carrier or as ordered by a
18 court of competent jurisdiction.

19 (11) A small employer carrier shall not provide any financial or other incentive to any insurance
20 producer that would encourage the insurance producer to market and sell health benefit plans of the
21 carrier to small employer groups based on a small employer group's anticipated claims experience.

22 (12) For purposes of this section, the date a small employer health benefit plan is continued shall
23 be the anniversary date of the first issuance of the health benefit plan.

24 (13) A small employer carrier must include a provision that offers coverage to all eligible em-
25 ployees and to all dependents to the extent the employer chooses to offer coverage to dependents.

26 (14) All small employer health benefit plans shall contain special enrollment periods during
27 which eligible employees and dependents may enroll for coverage, as provided in 42 U.S.C. 300gg
28 as amended and in effect on July 1, 1997.

29 **SECTION 7.** ORS 743.737, as amended by section 6, chapter 599, Oregon Laws 2003, is amended
30 to read:

31 743.737. Health benefit plans covering small employers shall be subject to the following pro-
32 visions:

33 (1) A preexisting conditions provision in a small employer health benefit plan shall apply only
34 to a condition for which medical advice, diagnosis, care or treatment was recommended or received
35 during the six-month period immediately preceding the enrollment date of an enrollee or late
36 enrollee. As used in this section, the enrollment date of an enrollee shall be the earlier of the ef-
37 fective date of coverage or the first day of any required group eligibility waiting period and the
38 enrollment date of a late enrollee shall be the effective date of coverage.

39 (2) A preexisting conditions provision in a small employer health benefit plan shall terminate its
40 effect as follows:

41 (a) For an enrollee, not later than the first of the following dates:

42 (A) Six months following the enrollee's effective date of coverage; or

43 (B) Ten months following the start of any required group eligibility waiting period.

44 (b) For a late enrollee, not later than 12 months following the late enrollee's effective date of
45 coverage.

1 (3) In applying a preexisting conditions provision to an enrollee or late enrollee, except as pro-
2 vided in this subsection, all small employer health benefit plans shall reduce the duration of the
3 provision by an amount equal to the enrollee's or late enrollee's aggregate periods of creditable
4 coverage if the most recent period of creditable coverage is ongoing or ended within 63 days of the
5 enrollment date in the new small employer health benefit plan. The crediting of prior coverage in
6 accordance with this subsection shall be applied without regard to the specific benefits covered
7 during the prior period. This subsection does not preclude, within a small employer health benefit
8 plan, application of:

9 (a) An affiliation period that does not exceed two months for an enrollee or three months for a
10 late enrollee; or

11 (b) An exclusion period for specified covered services, as established by the Health Insurance
12 Reform Advisory Committee, applicable to all individuals enrolling for the first time in the small
13 employer health benefit plan.

14 (4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to
15 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period
16 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall
17 not exceed 12 months.

18 (5) Each small employer health benefit plan shall be renewable with respect to all eligible
19 enrollees at the option of the policyholder, small employer or contract holder except:

20 (a) For nonpayment of the required premiums by the policyholder, small employer or contract
21 holder.

22 (b) For fraud or misrepresentation of the policyholder, small employer or contract holder or,
23 with respect to coverage of individual enrollees, the enrollees or their representatives.

24 (c) When the number of enrollees covered under the plan is less than the number or percentage
25 of enrollees required by participation requirements under the plan.

26 (d) For noncompliance with the small employer carrier's employer contribution requirements
27 under the health benefit plan.

28 (e) When the carrier discontinues offering or renewing, or offering and renewing, all of its small
29 employer health benefit plans in this state or in a specified service area within this state. In order
30 to discontinue plans under this paragraph, the carrier:

31 (A) Must give notice of the decision to the Director of the Department of Consumer and Busi-
32 ness Services and to all policyholders covered by the plans;

33 (B) May not cancel coverage under the plans for 180 days after the date of the notice required
34 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except
35 as provided in subparagraph (C) of this paragraph, in a specified service area;

36 (C) May not cancel coverage under the plans for 90 days after the date of the notice required
37 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area
38 because of an inability to reach an agreement with the health care providers or organization of
39 health care providers to provide services under the plans within the service area; and

40 (D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans
41 issued by the carrier in the small employer market in this state or in the specified service area.

42 (f) When the carrier discontinues offering and renewing a small employer health benefit plan in
43 a specified service area within this state because of an inability to reach an agreement with the
44 health care providers or organization of health care providers to provide services under the plan
45 within the service area. In order to discontinue a plan under this paragraph, the carrier:

1 (A) Must give notice to the director and to all policyholders covered by the plan;

2 (B) May not cancel coverage under the plan for 90 days after the date of the notice required
3 under subparagraph (A) of this paragraph; and

4 (C) Must offer in writing to each small employer covered by the plan, all other small employer
5 health benefit plans that the carrier offers in the specified service area. The carrier shall issue any
6 such plans pursuant to the provisions of ORS 743.733 to 743.737. The carrier shall offer the plans
7 at least 90 days prior to discontinuation.

8 (g) When the carrier discontinues offering or renewing, or offering and renewing, a health ben-
9 efit plan for all small employers in this state or in a specified service area within this state, other
10 than a plan discontinued under paragraph (f) of this subsection. With respect to plans that are being
11 discontinued, the carrier must:

12 (A) Offer in writing to each small employer covered by the plan, all health benefit plans that
13 the carrier offers in the specified service area.

14 (B) Issue any such plans pursuant to the provisions of ORS 743.733 to 743.737.

15 (C) Offer the plans at least 90 days prior to discontinuation.

16 (D) Act uniformly without regard to the claims experience of the affected policyholders or the
17 health status of any current or prospective enrollee.

18 (h) When the director orders the carrier to discontinue coverage in accordance with procedures
19 specified or approved by the director upon finding that the continuation of the coverage would:

20 (A) Not be in the best interests of the enrollees; or

21 (B) Impair the carrier's ability to meet contractual obligations.

22 (i) When, in the case of a small employer health benefit plan that delivers covered services
23 through a specified network of health care providers, there is no longer any enrollee who lives, re-
24 sides or works in the service area of the provider network.

25 (j) When, in the case of a health benefit plan that is offered in the small employer market only
26 through one or more bona fide associations, the membership of an employer in the association ceases
27 and the termination of coverage is not related to the health status of any enrollee.

28 (k) For misuse of a provider network provision. As used in this paragraph, "misuse of a provider
29 network provision" means a disruptive, unruly or abusive action taken by an enrollee that threatens
30 the physical health or well-being of health care staff and seriously impairs the ability of the carrier
31 or its participating providers to provide services to an enrollee. An enrollee under this paragraph
32 retains the rights of an enrollee under ORS 743.804.

33 (L) A small employer carrier may modify a small employer health benefit plan at the time of
34 coverage renewal. The modification is not a discontinuation of the plan under paragraphs (e) and (g)
35 of this subsection.

36 (6) Notwithstanding any provision of subsection (5) of this section to the contrary, any small
37 employer carrier health benefit plan subject to the provisions of ORS 743.733 to 743.737 may be
38 rescinded by a small employer carrier for fraud, material misrepresentation or concealment by a
39 small employer and the coverage of an enrollee may be rescinded for fraud, material misrepresen-
40 tation or concealment by the enrollee.

41 (7) A small employer carrier may continue to enforce reasonable employer participation and
42 contribution requirements on small employers applying for coverage. However, participation and
43 contribution requirements shall be applied uniformly among all small employer groups with the same
44 number of eligible employees applying for coverage or receiving coverage from the small employer
45 carrier. In determining minimum participation requirements, a carrier shall count only those em-

1 ployees who are not covered by an existing group health benefit plan, Medicaid, Medicare,
2 CHAMPUS, Indian Health Service or a publicly sponsored or subsidized health plan, including but
3 not limited to the Oregon Health Plan.

4 (8) Premium rates for small employer health benefit plans [*subject to ORS 743.733 to 743.737*]
5 shall be subject to the following provisions:

6 (a) Each small employer carrier issuing health benefit plans to small employers must file its
7 geographic average rate for a rating period with the director [*on or before March 15 of each year.*]
8 **at least once every 12 months.**

9 (b)(A) The premium rates charged during a rating period for health benefit plans issued to small
10 employers may not vary from the geographic average rate by more than **50 percent on or after the**
11 **operative date specified in section 10 of this 2007 Act, except as provided in subparagraph (D)**
12 **of this paragraph.** [*the following:*]

13 [*(i) 50 percent on October 1, 1996; and*]

14 [*(ii) 33 percent on October 1, 1999.*]

15 (B) The variations in premium rates described in subparagraph (A) of this paragraph shall be
16 based solely on [*differences in the ages of participating employees, except that the premium rate may*
17 *be adjusted to reflect the provision of benefits not required to be covered by the basic health benefit*
18 *plan and differences in family composition. In addition:*]

19 [*(i) A small employer carrier shall apply uniformly the carrier's schedule of age adjustments for*
20 *small employer groups as approved by the director; and*]

21 [*(ii) Except as otherwise provided in this section, the premium rate established for a health benefit*
22 *plan by a small employer carrier shall apply uniformly to all employees of the small employer enrolled*
23 *in that plan.*] **the factors specified in subparagraph (C) of this paragraph. A small employer**
24 **carrier may elect which of the factors specified in subparagraph (C) of this paragraph apply**
25 **to premium rates for small employers. The factors that are based on contributions or par-**
26 **ticipation may vary with the size of the employer. All other factors must be applied in the**
27 **same actuarially sound way to all small employers.**

28 (C) The variations in premium rates described in subparagraph (A) of this paragraph may
29 be based on one or more of the following factors:

30 (i) The ages of enrolled employees and their dependents;

31 (ii) The level at which the small employer contributes to the premiums payable for en-
32 rolled employees and their dependents;

33 (iii) The level at which eligible employees participate in the health benefit plan;

34 (iv) The level at which enrolled employees and their dependents engage in tobacco use;

35 (v) The level at which enrolled employees and their dependents engage in health pro-
36 motion, disease prevention or wellness programs;

37 (vi) The period of time during which a small employer retains uninterrupted coverage in
38 force with the same small employer carrier; and

39 (vii) Adjustments to reflect the provision of benefits not required to be covered by the
40 basic health benefit plan and differences in family composition.

41 (D)(i) The premium rates determined in accordance with this paragraph may be further
42 adjusted by a small employer carrier to reflect the expected claims experience of a small
43 employer, but the extent of this adjustment may not exceed five percent of the annual pre-
44 mium rate otherwise payable by the small employer. The adjustment under this subpara-
45 graph may not be cumulative from year to year.

1 (ii) Except for small employers with 25 or fewer employees, the premium rates adjusted
 2 under this subparagraph are not subject to the provisions of subparagraph (A) of this para-
 3 graph.

4 (E) A small employer carrier shall apply the carrier's schedule of premium rate vari-
 5 ations as approved by the Director of the Department of Consumer and Business Services
 6 and in accordance with this paragraph. Except as otherwise provided in this section, the
 7 premium rate established for a health benefit plan by a small employer carrier shall apply
 8 uniformly to all employees of the small employer enrolled in that plan.

9 (c) Except as provided in paragraph (b) of this subsection, the variation in premium rates
 10 between different small employer health benefit plans offered by a small employer carrier must be
 11 based solely on objective differences in plan design or coverage and must not include differences
 12 based on the risk characteristics of groups assumed to select a particular health benefit plan.

13 (d) A small employer carrier may not increase the rates of a health benefit plan issued to a
 14 small employer more than once in a 12-month period. Annual rate increases shall be effective on the
 15 plan anniversary date of the health benefit plan issued to a small employer. The percentage increase
 16 in the premium rate charged to a small employer for a new rating period may not exceed the sum
 17 of the following:

18 (A) The percentage change in the geographic average rate measured from the first day of the
 19 prior rating period to the first day of the new period; and

20 (B) Any adjustment attributable to changes in age, except an additional adjustment may be made
 21 to reflect the provision of benefits not required to be covered by the basic health benefit plan and
 22 differences in family composition.

23 (e) Premium rates for health benefit plans shall comply with the requirements of this section.

24 (9) In connection with the offering for sale of any health benefit plan to a small employer, each
 25 small employer carrier shall make a reasonable disclosure as part of its solicitation and sales ma-
 26 terials of:

27 (a) The full array of health benefit plans that are offered to small employers by the carrier;

28 (b) The authority of the carrier to adjust rates, and the extent to which the carrier will consider
 29 age, family composition and geographic factors in establishing and adjusting rates;

30 (c) Provisions relating to renewability of policies and contracts; and

31 (d) Provisions affecting any preexisting conditions provision.

32 (10)(a) Each small employer carrier shall maintain at its principal place of business a complete
 33 and detailed description of its rating practices and renewal underwriting practices, including infor-
 34 mation and documentation that demonstrate that its rating methods and practices are based upon
 35 commonly accepted actuarial practices and are in accordance with sound actuarial principles.

36 (b) Each small employer carrier shall file with the director [*annually on or before March 15*] at
 37 **least once every 12 months** an actuarial certification that the carrier is in compliance with ORS
 38 743.733 to 743.737 and that the rating methods of the small employer carrier are actuarially sound.
 39 Each such certification shall be in a uniform form and manner and shall contain such information
 40 as specified by the director. A copy of such certification shall be retained by the small employer
 41 carrier at its principal place of business.

42 (c) A small employer carrier shall make the information and documentation described in para-
 43 graph (a) of this subsection available to the director upon request. Except in cases of violations of
 44 ORS 743.733 to 743.737, the information shall be considered proprietary and trade secret information
 45 and shall not be subject to disclosure by the director to persons outside the Department of Con-

1 sumer and Business Services except as agreed to by the small employer carrier or as ordered by a
2 court of competent jurisdiction.

3 (11) A small employer carrier shall not provide any financial or other incentive to any insurance
4 producer that would encourage the insurance producer to market and sell health benefit plans of the
5 carrier to small employer groups based on a small employer group's anticipated claims experience.

6 (12) For purposes of this section, the date a small employer health benefit plan is continued shall
7 be the anniversary date of the first issuance of the health benefit plan.

8 (13) A small employer carrier must include a provision that offers coverage to all eligible em-
9 ployees and to all dependents to the extent the employer chooses to offer coverage to dependents.

10 (14) All small employer health benefit plans shall contain special enrollment periods during
11 which eligible employees and dependents may enroll for coverage, as provided in 42 U.S.C. 300gg
12 as amended and in effect on July 1, 1997.

13 **SECTION 8. (1) The Director of the Department of Consumer and Business Services may**
14 **take any action before the operative date specified in section 10 of this 2007 Act to enable**
15 **the director to exercise, on and after the operative date specified in section 10 of this 2007**
16 **Act, the duties, functions and powers conferred on the director by section 3 of this 2007 Act**
17 **and the amendments to ORS 743.730, 743.733, 743.734 and 743.737 by sections 1 and 4 to 7 of**
18 **this 2007 Act.**

19 **(2) The director shall adopt rules prior to the operative date specified in section 10 of this**
20 **2007 Act to phase in the amendments to ORS 743.737 by sections 6 and 7 of this 2007 Act over**
21 **a three-year period beginning on the operative date specified in section 10 of this 2007 Act.**

22 **SECTION 9. Section 3 of this 2007 Act and the amendments to ORS 743.730, 743.733,**
23 **743.734 and 743.737 by sections 1 and 4 to 7 of this 2007 Act apply to any policy or certificate**
24 **of insurance issued or renewed on or after the operative date specified in section 10 of this**
25 **2007 Act.**

26 **SECTION 10. Except as provided in section 8 of this 2007 Act, section 3 of this 2007 Act**
27 **and the amendments to ORS 743.730, 743.733, 743.734 and 743.737 by sections 1 and 4 to 7 of**
28 **this 2007 Act become operative on January 1, 2008.**

29 **SECTION 11. This 2007 Act being necessary for the immediate preservation of the public**
30 **peace, health and safety, an emergency is declared to exist, and this 2007 Act takes effect**
31 **on its passage.**

32
