26 *743.737 (7), (8), (10), (11) and (13).]*

31 “(a) Any portion of the premium or benefits is paid by a small employer or any eligible employee
32 is reimbursed, whether through wage adjustments or otherwise, by a small employer for any portion
33 of the health benefit plan premium; or

34 “(b) The health benefit plan is treated by the employer or any of the eligible employees as part
35 of a plan or program for the purposes of section 106, section 125 or section 162 of the Internal Re-

37 “(2) Except as provided in ORS 743.733 to 743.737, no law requiring the coverage or the offer

2 a small employer carrier shall not use health statements when offering small employer health benefit
3 plans and shall not use any other method to determine the actual or expected health status of eli-
4 gible enrollees. Nothing in this subsection shall prevent a carrier from using health statements or
5 other information after enrollment for the purpose of providing services or arranging for the pro-
6 vision of services under a health benefit plan.

7 “(5) Except in the case of a late enrollee and as otherwise provided in this section, a small

10 pected health status of any eligible employee.

11 “(6) A small employer carrier may provide different health benefit plans to different categories

13 employees in a manner that does not relate to the actual or expected health status of such em-
14 ployees or their dependents. **The categories must be based on bona fide employment-based**
15 **classifications that are consistent with the employer’s usual business practice.** Except as
16 provided in ORS 743.736 (10):

17 “(a) When a small employer carrier offers coverage to a small employer **with no more than**
18 **25 eligible employees**, the small employer carrier shall offer coverage to all eligible employees of
19 the small employer, without regard to the actual or expected health status of any eligible employee.

20 “(b) **When a small employer carrier offers coverage to a small employer with at least 26**
21 **but not more than 50 eligible employees, the small employer carrier may limit coverage to**
22 **the categories of employees that the small employer has established as eligible for coverage,**
23 **provided that the categories are based on bona fide employment-based classifications that**
24 **are consistent with the employer’s usual business practice.**

25 “[b)] (c) If the small employer elects to offer coverage to dependents of eligible employees, the
26 small employer carrier shall offer coverage to all dependents of eligible employees, without regard
27 to the actual or expected health status of any eligible dependent.

28 “**SECTION 6.** ORS 743.737 is amended to read:

29 “743.737. Health benefit plans covering small employers shall be subject to the following pro-
30 visions:

31 “(1) A preexisting conditions provision in a small employer health benefit plan shall apply only
32 to a condition for which medical advice, diagnosis, care or treatment was recommended or received
33 during the six-month period immediately preceding the enrollment date of an enrollee or late
34 enrollee. As used in this section, the enrollment date of an enrollee shall be the earlier of the ef-
35 fective date of coverage or the first day of any required group eligibility waiting period and the
36 enrollment date of a late enrollee shall be the effective date of coverage.

37 “(2) A preexisting conditions provision in a small employer health benefit plan shall terminate
38 its effect as follows:

39 “(a) For an enrollee, not later than the first of the following dates:

40 “(A) Six months following the enrollee’s effective date of coverage; or

41 “(B) Ten months following the start of any required group eligibility waiting period.

42 “(b) For a late enrollee, not later than 12 months following the late enrollee’s effective date of
43 coverage.

44 “(3) In applying a preexisting conditions provision to an enrollee or late enrollee, except as
45 provided in this subsection, all small employer health benefit plans shall reduce the duration of the

1 provision by an amount equal to the enrollee's or late enrollee's aggregate periods of creditable
2 coverage if the most recent period of creditable coverage is ongoing or ended within 63 days of the
3 enrollment date in the new small employer health benefit plan. The crediting of prior coverage in
4 accordance with this subsection shall be applied without regard to the specific benefits covered
5 during the prior period. This subsection does not preclude, within a small employer health benefit
6 plan, application of:

7 “(a) An affiliation period that does not exceed two months for an enrollee or three months for
8 a late enrollee; or

9 “(b) An exclusion period for specified covered services, as established by the Health Insurance
10 Reform Advisory Committee, applicable to all individuals enrolling for the first time in the small
11 employer health benefit plan.

12 “(4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to
13 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period
14 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall
15 not exceed 12 months.

16 “(5) Each small employer health benefit plan shall be renewable with respect to all eligible
17 enrollees at the option of the policyholder, small employer or contract holder except:

18 “(a) For nonpayment of the required premiums by the policyholder, small employer or contract
19 holder.

20 “(b) For fraud or misrepresentation of the policyholder, small employer or contract holder or,
21 with respect to coverage of individual enrollees, the enrollees or their representatives.

22 “(c) When the number of enrollees covered under the plan is less than the number or percentage
23 of enrollees required by participation requirements under the plan.

24 “(d) For noncompliance with the small employer carrier's employer contribution requirements
25 under the health benefit plan.

26 “(e) When the carrier discontinues offering or renewing, or offering and renewing, all of its
27 small employer health benefit plans in this state or in a specified service area within this state. In
28 order to discontinue plans under this paragraph, the carrier:

29 “(A) Must give notice of the decision to the Director of the Department of Consumer and Busi-
30 ness Services and to all policyholders covered by the plans;

31 “(B) May not cancel coverage under the plans for 180 days after the date of the notice required
32 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except
33 as provided in subparagraph (C) of this paragraph, in a specified service area;

34 “(C) May not cancel coverage under the plans for 90 days after the date of the notice required
35 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area
36 because of an inability to reach an agreement with the health care providers or organization of
37 health care providers to provide services under the plans within the service area; and

38 “(D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans
39 issued by the carrier in the small employer market in this state or in the specified service area.

40 “(f) When the carrier discontinues offering and renewing a small employer health benefit plan
41 in a specified service area within this state because of an inability to reach an agreement with the
42 health care providers or organization of health care providers to provide services under the plan
43 within the service area. In order to discontinue a plan under this paragraph, the carrier:

44 “(A) Must give notice to the director and to all policyholders covered by the plan;

45 “(B) May not cancel coverage under the plan for 90 days after the date of the notice required

1 under subparagraph (A) of this paragraph; and

2 “(C) Must offer in writing to each small employer covered by the plan, all other small employer
3 health benefit plans that the carrier offers in the specified service area. The carrier shall issue any
4 such plans pursuant to the provisions of ORS 743.733 to 743.737. The carrier shall offer the plans
5 at least 90 days prior to discontinuation.

6 “(g) When the carrier discontinues offering or renewing, or offering and renewing, a health
7 benefit plan for all small employers in this state or in a specified service area within this state,
8 other than a plan discontinued under paragraph (f) of this subsection. With respect to plans that are
9 being discontinued, the carrier must:

10 “(A) Offer in writing to each small employer covered by the plan, all health benefit plans that
11 the carrier offers in the specified service area.

12 “(B) Issue any such plans pursuant to the provisions of ORS 743.733 to 743.737.

13 “(C) Offer the plans at least 90 days prior to discontinuation.

14 “(D) Act uniformly without regard to the claims experience of the affected policyholders or the
15 health status of any current or prospective enrollee.

16 “(h) When the director orders the carrier to discontinue coverage in accordance with procedures
17 specified or approved by the director upon finding that the continuation of the coverage would:

18 “(A) Not be in the best interests of the enrollees; or

19 “(B) Impair the carrier’s ability to meet contractual obligations.

20 “(i) When, in the case of a small employer health benefit plan that delivers covered services
21 through a specified network of health care providers, there is no longer any enrollee who lives, re-
22 sides or works in the service area of the provider network.

23 “(j) When, in the case of a health benefit plan that is offered in the small employer market only
24 through one or more bona fide associations, the membership of an employer in the association ceases
25 and the termination of coverage is not related to the health status of any enrollee.

26 “(k) For misuse of a provider network provision. As used in this paragraph, ‘misuse of a provider
27 network provision’ means a disruptive, unruly or abusive action taken by an enrollee that threatens
28 the physical health or well-being of health care staff and seriously impairs the ability of the carrier
29 or its participating providers to provide services to an enrollee. An enrollee under this paragraph
30 retains the rights of an enrollee under ORS 743.804.

31 “(L) A small employer carrier may modify a small employer health benefit plan at the time of
32 coverage renewal. The modification is not a discontinuation of the plan under paragraphs (e) and (g)
33 of this subsection.

34 “(6) Notwithstanding any provision of subsection (5) of this section to the contrary, any small
35 employer carrier health benefit plan subject to the provisions of ORS 743.733 to 743.737 may be
36 rescinded by a small employer carrier for fraud, material misrepresentation or concealment by a
37 small employer and the coverage of an enrollee may be rescinded for fraud, material misrepresen-
38 tation or concealment by the enrollee.

39 “(7) A small employer carrier may continue to enforce reasonable employer participation and
40 contribution requirements on small employers applying for coverage. However, participation and
41 contribution requirements shall be applied uniformly among all small employer groups with the same
42 number of eligible employees applying for coverage or receiving coverage from the small employer
43 carrier. In determining minimum participation requirements, a carrier shall count only those em-
44 ployees who are not covered by an existing group health benefit plan, Medicaid, Medicare,
45 CHAMPUS, Indian Health Service or a publicly sponsored or subsidized health plan, including but

1 not limited to the Oregon Health Plan.

2 “(8) Premium rates for small employer health benefit plans [*subject to ORS 743.733 to 743.737*]
3 shall be subject to the following provisions:

4 “(a) Each small employer carrier issuing health benefit plans to small employers must file its

12 “[*ii*] **43 percent on or after July 1, 2004.**]

13 “(B) The variations in premium rates described in subparagraph (A) of this paragraph shall be
14 based solely on [*differences in the ages of participating employees, except that the premium rate may*
15 *be adjusted to reflect the provision of benefits not required to be covered by the basic health benefit*

20 **plan by a small employer carrier shall apply uniformly to all employees of the small employer enrolled**
21 **in that plan.] the factors specified in subparagraph (C) of this paragraph. A small employer**
22 **carrier may elect which of the factors specified in subparagraph (C) of this paragraph apply**
23 **to premium rates for small employers. The factors that are based on contributions or par-**
24 **ticipation may vary with the size of the employer. All other factors must be applied in the**
25 **same actuarially sound way to all small employers.**

26 “(C) **The variations in premium rates described in subparagraph (A) of this paragraph**
27 **may be based on one or more of the following factors:**

28 “(i) **The ages of enrolled employees and their dependents;**

29 “(ii) **The level at which the small employer contributes to the premiums payable for en-**
30 **rolled employees and their dependents;**

31 “(iii) **The level at which eligible employees participate in the health benefit plan;**

32 “(iv) **The level at which enrolled employees and their dependents engage in tobacco use;**

38 **basic health benefit plan and differences in family composition.**

39 “(D)(i) **The premium rates determined in accordance with this paragraph may be further**
40 **adjusted by a small employer carrier to reflect the expected claims experience of a small**
41 **employer, but the extent of this adjustment may not exceed five percent of the annual pre-**
42 **mium rate otherwise payable by the small employer. The adjustment under this subpara-**
43 **graph may not be cumulative from year to year.**

44 “(ii) **Except for small employers with 25 or fewer employees, the premium rates adjusted**
45 **under this subparagraph are not subject to the provisions of subparagraph (A) of this para-**

1 **graph.**

2 **“(E) A small employer carrier shall apply the carrier’s schedule of premium rate vari-**
3 **ations as approved by the Director of the Department of Consumer and Business Services**
4 **and in accordance with this paragraph. Except as otherwise provided in this section, the**
5 **premium rate established for a health benefit plan by a small employer carrier shall apply**
6 **uniformly to all employees of the small employer enrolled in that plan.**

7 **“(c) Except as provided in paragraph (b) of this subsection,** the variation in premium rates
8 between different small employer health benefit plans offered by a small employer carrier must be
9 based solely on objective differences in plan design or coverage and must not include differences
10 based on the risk characteristics of groups assumed to select a particular health benefit plan.

11 **“(d) A small employer carrier may not increase the rates of a health benefit plan issued to a**
12 **small employer more than once in a 12-month period. Annual rate increases shall be effective on the**
13 **plan anniversary date of the health benefit plan issued to a small employer. The percentage increase**
14 **in the premium rate charged to a small employer for a new rating period may not exceed the sum**

17 **prior rating period to the first day of the new period; and**

18 **“(B) Any adjustment attributable to changes in age, except an additional adjustment may be**
19 **made to reflect the provision of benefits not required to be covered by the basic health benefit plan**
20 **and differences in family composition.**

21 **“(e) Premium rates for health benefit plans shall comply with the requirements of this section.**

22 **“(f) A small employer carrier may apply a participation credit of five percent to the rates de-**
23 **termined under paragraph (b) of this subsection for a small employer if all eligible employees enroll**

25 **must apply the credit to each small employer that qualifies.**

26 **“(9) In connection with the offering for sale of any health benefit plan to a small employer, each**
27 **small employer carrier shall make a reasonable disclosure as part of its solicitation and sales ma-**

38 **“(b) Each small employer carrier shall file with the director [*annually on or before March 15*]**
39 **at least once every 12 months** an actuarial certification that the carrier is in compliance with
40 ORS 743.733 to 743.737 and that the rating methods of the small employer carrier are actuarially
41 sound. Each such certification shall be in a uniform form and manner and shall contain such infor-
42 mation as specified by the director. A copy of such certification shall be retained by the small em-
43 ployer carrier at its principal place of business.

44 **“(c) A small employer carrier shall make the information and documentation described in para-**
45 **graph (a) of this subsection available to the director upon request. Except in cases of violations of**

4 court of competent jurisdiction.

5 “(11) A small employer carrier shall not provide any financial or other incentive to any insur-

7 of the carrier to small employer groups based on a small employer group’s anticipated claims expe-
8 rience.

9 “(12) For purposes of this section, the date a small employer health benefit plan is continued
10 shall be the anniversary date of the first issuance of the health benefit plan.

11 “(13) A small employer carrier must include a provision that offers coverage to all eligible em-

13 “(14) All small employer health benefit plans shall contain special enrollment periods during
14 which eligible employees and dependents may enroll for coverage, as provided in 42 U.S.C. 300gg
15 as amended and in effect on July 1, 1997.

16 “**SECTION 7.** ORS 743.737, as amended by section 6, chapter 599, Oregon Laws 2003, is
17 amended to read:

18 “743.737. Health benefit plans covering small employers shall be subject to the following pro-
19 visions:

20 “(1) A preexisting conditions provision in a small employer health benefit plan shall apply only
21 to a condition for which medical advice, diagnosis, care or treatment was recommended or received
22 during the six-month period immediately preceding the enrollment date of an enrollee or late
23 enrollee. As used in this section, the enrollment date of an enrollee shall be the earlier of the ef-
24 fective date of coverage or the first day of any required group eligibility waiting period and the
25 enrollment date of a late enrollee shall be the effective date of coverage.

26 “(2) A preexisting conditions provision in a small employer health benefit plan shall terminate
27 its effect as follows:

28 “(a) For an enrollee, not later than the first of the following dates:

29 “(A) Six months following the enrollee’s effective date of coverage; or

30 “(B) Ten months following the start of any required group eligibility waiting period.

31 “(b) For a late enrollee, not later than 12 months following the late enrollee’s effective date of
32 coverage.

33 “(3) In applying a preexisting conditions provision to an enrollee or late enrollee, except as
34 provided in this subsection, all small employer health benefit plans shall reduce the duration of the
35 provision by an amount equal to the enrollee’s or late enrollee’s aggregate periods of creditable
36 coverage if the most recent period of creditable coverage is ongoing or ended within 63 days of the
37 enrollment date in the new small employer health benefit plan. The crediting of prior coverage in
38 accordance with this subsection shall be applied without regard to the specific benefits covered
39 during the prior period. This subsection does not preclude, within a small employer health benefit
40 plan, application of:

41 “(a) An affiliation period that does not exceed two months for an enrollee or three months for
42 a late enrollee; or

43 “(b) An exclusion period for specified covered services, as established by the Health Insurance
44 Reform Advisory Committee, applicable to all individuals enrolling for the first time in the small
45 employer health benefit plan.

1 “(4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to
2 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period
3 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall
4 not exceed 12 months.

5 “(5) Each small employer health benefit plan shall be renewable with respect to all eligible
6 enrollees at the option of the policyholder, small employer or contract holder except:

7 “(a) For nonpayment of the required premiums by the policyholder, small employer or contract
8 holder.

9 “(b) For fraud or misrepresentation of the policyholder, small employer or contract holder or,
10 with respect to coverage of individual enrollees, the enrollees or their representatives.

11 “(c) When the number of enrollees covered under the plan is less than the number or percentage
12 of enrollees required by participation requirements under the plan.

13 “(d) For noncompliance with the small employer carrier’s employer contribution requirements
14 under the health benefit plan.

15 “(e) When the carrier discontinues offering or renewing, or offering and renewing, all of its
16 small employer health benefit plans in this state or in a specified service area within this state. In
17 order to discontinue plans under this paragraph, the carrier:

18 “(A) Must give notice of the decision to the Director of the Department of Consumer and Busi-
19 ness Services and to all policyholders covered by the plans;

20 “(B) May not cancel coverage under the plans for 180 days after the date of the notice required
21 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except
22 as provided in subparagraph (C) of this paragraph, in a specified service area;

23 “(C) May not cancel coverage under the plans for 90 days after the date of the notice required
24 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area
25 because of an inability to reach an agreement with the health care providers or organization of
26 health care providers to provide services under the plans within the service area; and

27 “(D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans
28 issued by the carrier in the small employer market in this state or in the specified service area.

29 “(f) When the carrier discontinues offering and renewing a small employer health benefit plan
30 in a specified service area within this state because of an inability to reach an agreement with the
31 health care providers or organization of health care providers to provide services under the plan
32 within the service area. In order to discontinue a plan under this paragraph, the carrier:

33 “(A) Must give notice to the director and to all policyholders covered by the plan;

34 “(B) May not cancel coverage under the plan for 90 days after the date of the notice required
35 under subparagraph (A) of this paragraph; and

36 “(C) Must offer in writing to each small employer covered by the plan, all other small employer
37 health benefit plans that the carrier offers in the specified service area. The carrier shall issue any
38 such plans pursuant to the provisions of ORS 743.733 to 743.737. The carrier shall offer the plans
39 at least 90 days prior to discontinuation.

40 “(g) When the carrier discontinues offering or renewing, or offering and renewing, a health
41 benefit plan for all small employers in this state or in a specified service area within this state,
42 other than a plan discontinued under paragraph (f) of this subsection. With respect to plans that are
43 being discontinued, the carrier must:

44 “(A) Offer in writing to each small employer covered by the plan, all health benefit plans that
45 the carrier offers in the specified service area.

1 “(B) Issue any such plans pursuant to the provisions of ORS 743.733 to 743.737.
2 “(C) Offer the plans at least 90 days prior to discontinuation.
3 “(D) Act uniformly without regard to the claims experience of the affected policyholders or the
4 health status of any current or prospective enrollee.
5 “(h) When the director orders the carrier to discontinue coverage in accordance with procedures
6 specified or approved by the director upon finding that the continuation of the coverage would:
7 “(A) Not be in the best interests of the enrollees; or
8 “(B) Impair the carrier’s ability to meet contractual obligations.
9 “(i) When, in the case of a small employer health benefit plan that delivers covered services
10 through a specified network of health care providers, there is no longer any enrollee who lives, re-
11 sides or works in the service area of the provider network.
12 “(j) When, in the case of a health benefit plan that is offered in the small employer market only
13 through one or more bona fide associations, the membership of an employer in the association ceases
14 and the termination of coverage is not related to the health status of any enrollee.
15 “(k) For misuse of a provider network provision. As used in this paragraph, ‘misuse of a provider
16 network provision’ means a disruptive, unruly or abusive action taken by an enrollee that threatens
17 the physical health or well-being of health care staff and seriously impairs the ability of the carrier
18 or its participating providers to provide services to an enrollee. An enrollee under this paragraph
19 retains the rights of an enrollee under ORS 743.804.
20 “(L) A small employer carrier may modify a small employer health benefit plan at the time of
21 coverage renewal. The modification is not a discontinuation of the plan under paragraphs (e) and (g)
22 of this subsection.
23 “(6) Notwithstanding any provision of subsection (5) of this section to the contrary, any small
24 employer carrier health benefit plan subject to the provisions of ORS 743.733 to 743.737 may be
25 rescinded by a small employer carrier for fraud, material misrepresentation or concealment by a
26 small employer and the coverage of an enrollee may be rescinded for fraud, material misrepresen-
27 tation or concealment by the enrollee.
28 “(7) A small employer carrier may continue to enforce reasonable employer participation and
29 contribution requirements on small employers applying for coverage. However, participation and
30 contribution requirements shall be applied uniformly among all small employer groups with the same
31 number of eligible employees applying for coverage or receiving coverage from the small employer
32 carrier. In determining minimum participation requirements, a carrier shall count only those em-
33 ployees who are not covered by an existing group health benefit plan, Medicaid, Medicare,
34 CHAMPUS, Indian Health Service or a publicly sponsored or subsidized health plan, including but
35 not limited to the Oregon Health Plan.
36 “(8) Premium rates for small employer health benefit plans [*subject to ORS 743.733 to 743.737*]
37 shall be subject to the following provisions:
38 “(a) Each small employer carrier issuing health benefit plans to small employers must file its
39 geographic average rate for a rating period with the director [*on or before March 15 of each year.*]
40 **at least once every 12 months.**
41 “(b)(A) The premium rates charged during a rating period for health benefit plans issued to
42 small employers may not vary from the geographic average rate by more than **50 percent on or**
43 **after the operative date specified in section 10 of this 2007 Act, except as provided in sub-**
44 **paragraph (D) of this paragraph.** [*the following:*]
45 “[*i*] 50 percent on October 1, 1996; and]

1 “(ii) 33 percent on October 1, 1999.]

2 “(B) The variations in premium rates described in subparagraph (A) of this paragraph shall be
3 based solely on [*differences in the ages of participating employees, except that the premium rate may*
4 *be adjusted to reflect the provision of benefits not required to be covered by the basic health benefit*
5 *plan and differences in family composition. In addition.*]

6 “(i) A small employer carrier shall apply uniformly the carrier’s schedule of age adjustments for
7 small employer groups as approved by the director; and]

8 “(ii) Except as otherwise provided in this section, the premium rate established for a health benefit
9 plan by a small employer carrier shall apply uniformly to all employees of the small employer enrolled
10 in that plan.] **the factors specified in subparagraph (C) of this paragraph. A small employer**
11 **carrier may elect which of the factors specified in subparagraph (C) of this paragraph apply**
12 **to premium rates for small employers. The factors that are based on contributions or par-**
13 **ticipation may vary with the size of the employer. All other factors must be applied in the**
14 **same actuarially sound way to all small employers.**

15 “(C) The variations in premium rates described in subparagraph (A) of this paragraph
16 may be based on one or more of the following factors:

17 “(i) The ages of enrolled employees and their dependents;

18 “(ii) The level at which the small employer contributes to the premiums payable for en-
19 rolled employees and their dependents;

20 “(iii) The level at which eligible employees participate in the health benefit plan;

21 “(iv) The level at which enrolled employees and their dependents engage in tobacco use;

22 “(v) The level at which enrolled employees and their dependents engage in health pro-
23 motion, disease prevention or wellness programs;

24 “(vi) The period of time during which a small employer retains uninterrupted coverage
25 in force with the same small employer carrier; and

26 “(vii) Adjustments to reflect the provision of benefits not required to be covered by the
27 basic health benefit plan and differences in family composition.

28 “(D)(i) The premium rates determined in accordance with this paragraph may be further
29 adjusted by a small employer carrier to reflect the expected claims experience of a small
30 employer, but the extent of this adjustment may not exceed five percent of the annual pre-
31 mium rate otherwise payable by the small employer. The adjustment under this subpara-
32 graph may not be cumulative from year to year.

33 “(ii) Except for small employers with 25 or fewer employees, the premium rates adjusted
34 under this subparagraph are not subject to the provisions of subparagraph (A) of this para-
35 graph.

36 “(E) A small employer carrier shall apply the carrier’s schedule of premium rate vari-
37 ations as approved by the Director of the Department of Consumer and Business Services
38 and in accordance with this paragraph. Except as otherwise provided in this section, the
39 premium rate established for a health benefit plan by a small employer carrier shall apply
40 uniformly to all employees of the small employer enrolled in that plan.

41 “(c) Except as provided in paragraph (b) of this subsection, the variation in premium rates
42 between different small employer health benefit plans offered by a small employer carrier must be
43 based solely on objective differences in plan design or coverage and must not include differences
44 based on the risk characteristics of groups assumed to select a particular health benefit plan.

45 “(d) A small employer carrier may not increase the rates of a health benefit plan issued to a

1 small employer more than once in a 12-month period. Annual rate increases shall be effective on the
2 plan anniversary date of the health benefit plan issued to a small employer. The percentage increase
3 in the premium rate charged to a small employer for a new rating period may not exceed the sum
4 of the following:

5 “(A) The percentage change in the geographic average rate measured from the first day of the
6 prior rating period to the first day of the new period; and

7 “(B) Any adjustment attributable to changes in age, except an additional adjustment may be
8 made to reflect the provision of benefits not required to be covered by the basic health benefit plan
9 and differences in family composition.

10 “(e) Premium rates for health benefit plans shall comply with the requirements of this section.

11 “(9) In connection with the offering for sale of any health benefit plan to a small employer, each
12 small employer carrier shall make a reasonable disclosure as part of its solicitation and sales ma-
13 terials of:

14 “(a) The full array of health benefit plans that are offered to small employers by the carrier;

15 “(b) The authority of the carrier to adjust rates, and the extent to which the carrier will con-
16 sider age, family composition and geographic factors in establishing and adjusting rates;

17 “(c) Provisions relating to renewability of policies and contracts; and

18 “(d) Provisions affecting any preexisting conditions provision.

19 “(10)(a) Each small employer carrier shall maintain at its principal place of business a complete
20 and detailed description of its rating practices and renewal underwriting practices, including infor-
21 mation and documentation that demonstrate that its rating methods and practices are based upon
22 commonly accepted actuarial practices and are in accordance with sound actuarial principles.

23 “(b) Each small employer carrier shall file with the director [*annually on or before March 15*]
24 **at least once every 12 months** an actuarial certification that the carrier is in compliance with
25 ORS 743.733 to 743.737 and that the rating methods of the small employer carrier are actuarially
26 sound. Each such certification shall be in a uniform form and manner and shall contain such infor-
27 mation as specified by the director. A copy of such certification shall be retained by the small em-
28 ployer carrier at its principal place of business.

29 “(c) A small employer carrier shall make the information and documentation described in para-
30 graph (a) of this subsection available to the director upon request. Except in cases of violations of
31 ORS 743.733 to 743.737, the information shall be considered proprietary and trade secret information
32 and shall not be subject to disclosure by the director to persons outside the Department of Con-
33 sumer and Business Services except as agreed to by the small employer carrier or as ordered by a
34 court of competent jurisdiction.

35 “(11) A small employer carrier shall not provide any financial or other incentive to any insur-
36 ance producer that would encourage the insurance producer to market and sell health benefit plans
37 of the carrier to small employer groups based on a small employer group’s anticipated claims expe-
38 rience.

39 “(12) For purposes of this section, the date a small employer health benefit plan is continued
40 shall be the anniversary date of the first issuance of the health benefit plan.

41 “(13) A small employer carrier must include a provision that offers coverage to all eligible em-
42 ployees and to all dependents to the extent the employer chooses to offer coverage to dependents.

43 “(14) All small employer health benefit plans shall contain special enrollment periods during
44 which eligible employees and dependents may enroll for coverage, as provided in 42 U.S.C. 300gg
45 as amended and in effect on July 1, 1997.
