House Bill 2118

Ordered by the House May 7
Including House Amendments dated March 13 and May 7

Ordered printed by the Speaker pursuant to House Rule 12.00A (5). Pre-session filed (at the request of Governor Theodore R. Kulongoski for Department of Environmental Quality)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Vests specific authority with Environmental Quality Commission to implement underground injection control program portion of federal Safe Drinking Water Act. Allows commission to adopt rules and schedule of fees. Establishes schedule of fees for subsurface injection of fluids. Allows commission by rule to exempt from permit requirements certain subsurface injections of fluids.

Creates Subsurface Injection Fluids Account. Continuously appropriates account moneys for payment of administrative expenses of underground injection control program.

[Provides that penalties recovered by Department of Environmental Quality for violation of rules adopted by commission in regard to underground injection control program be paid into Watershed Improvement Grant Fund.]

Declares emergency, effective on passage.
