29 ORS 419B.325. At the conclusion of the hearing, the court shall enter findings of fact if the decision
30 is to continue the child or ward in substitute care. Such findings shall specifically state:

31 (a) Why continued care is necessary as opposed to returning the child or ward home or taking
32 prompt action to secure another permanent placement; or

33 (b) The expected timetable for return or other permanent placement.

34 (3) In making the findings under subsection (2) of this section, the court shall consider the ef-
35 forts made to develop the concurrent case plan, including, but not limited to, **identification of ap-**
36 **propriate permanent placement options for the child or ward both inside and outside this**
37 **state and, if adoption is the concurrent case plan**, identification and selection of a suitable
38 adoptive placement for the child or ward *[when adoption is the concurrent case plan]*.

39 (4) In addition to findings of fact required by subsection (2) of this section, the court may order
40 the Department of Human Services to consider additional information in developing the case plan
41 or concurrent case plan.

45 419B.476. (1) A permanency hearing shall be conducted in the manner provided in ORS 418.312,

1 419B.310, 419B.812 to 419B.839 and 419B.908, except that the court may receive testimony and re-
2 ports as provided in ORS 419B.325.

3 (2) At a permanency hearing the court shall:

4 (a) If the case plan at the time of the hearing is to reunify the family, determine whether the
5 Department of Human Services has made reasonable efforts or, if the Indian Child Welfare Act ap-
6 plies, active efforts to make it possible for the ward to safely return home and whether the parent
7 has made sufficient progress to make it possible for the ward to safely return home. In making its
8 determination, the court shall consider the ward's health and safety the paramount concerns.

9 (b) If the case plan at the time of the hearing is something other than to reunify the family,
10 determine whether the department has made reasonable efforts to place the ward in a timely manner
11 in accordance with the plan, **including, if appropriate, reasonable efforts to place the ward**
12 **through an interstate placement**, and to complete the steps necessary to finalize the permanent
13 placement.

14 (c) **If the case plan at the time of the hearing is something other than to reunify the**
15 **family, determine whether the department has considered permanent placement options for**
16 **the ward, including, if appropriate, whether the department has considered both permanent**
17 **in-state placement options and permanent interstate placement options for the ward.**

18 (3)(a) In the circumstances described in paragraph (b) of this subsection, in addition to making
19 the determination required by subsection (2)(a) or (b) of this section, at a permanency hearing the
20 court shall review the comprehensive plan for the ward's transition to independent living and de-
21 termine and make findings as to:

22 (A) Whether the plan is adequate to ensure the ward's successful transition to independent liv-
23 ing;

24 (B) Whether the department has offered appropriate services pursuant to the plan; and

25 (C) Whether the department has involved the ward in the development of the plan.

26 (b) The requirements of paragraph (a) of this subsection apply when:

27 (A) The ward is 16 years of age or older; or

28 (B) The ward is 14 years of age or older and there is a comprehensive plan for the ward's
29 transition to independent living.

30 (4) At a permanency hearing the court may:

31 (a) If the case plan changed during the period since the last review by a local citizen review
32 board or court hearing and a plan to reunify the family was in effect for any part of that period,
33 determine whether the department has made reasonable efforts or, if the Indian Child Welfare Act
34 applies, active efforts to make it possible for the ward to safely return home. In making its deter-
35 mination, the court shall consider the ward's health and safety the paramount concerns;

36 (b) If the case plan changed during the period since the last review by a local citizen review
37 board or court hearing and a plan other than to reunify the family was in effect for any part of that
38 period, determine whether the department has made reasonable efforts to place the ward in a timely
39 manner in accordance with the plan, **including, if appropriate, placement of the ward through**
40 **an interstate placement**, and to complete the steps necessary to finalize the permanent placement;

41 (c) If the court determines that further efforts will make it possible for the ward to safely return
42 home within a reasonable time, order that the parents participate in specific services for a specific
43 period of time and make specific progress within that period of time;

44 (d) Determine the adequacy and compliance with the case plan and the case progress report;

45 (e) Review the efforts made by the department to develop the concurrent permanent plan, in-

1 cluding but not limited to[,] **identification of appropriate permanent in-state placement options**
2 **and appropriate permanent interstate placement options and, if adoption is the concurrent**
3 **case plan**, identification and selection of a suitable adoptive placement for the ward;

4 (f) Order the department to develop or expand the case plan or concurrent permanent plan and
5 provide a case progress report to the court and other parties within 10 days after the permanency
6 hearing;

7 (g) Order the department or agency to modify the care, placement and supervision of the ward;

8 (h) Order the local citizen review board to review the status of the ward prior to the next court
9 hearing; or

10 (i) Set another court hearing at a later date.

11 (5) The court shall enter an order within 20 days after the permanency hearing. In addition to
12 any determinations or orders the court may make under subsection (4) of this section, the order
13 shall include:

14 (a) The court's determination required under subsections (2) and (3) of this section, including a
15 brief description of the efforts the department has made with regard to the case plan in effect at the
16 time of the permanency hearing;

17 (b) The court's determination of the permanency plan for the ward that includes whether and,
18 if applicable, when:

19 (A) The ward will be returned to the parent;

20 (B) The ward will be placed for adoption, and a petition for termination of parental rights will
21 be filed;

22 (C) The ward will be referred for establishment of legal guardianship; or

23 (D) The ward will be placed in another planned permanent living arrangement;

24 (c) If the court determines that the permanency plan for the ward should be to return home
25 because further efforts will make it possible for the ward to safely return home within a reasonable
26 time, the court's determination of the services in which the parents are required to participate, the
27 progress the parents are required to make and the period of time within which the specified progress
28 must be made;

29 (d) If the court determines that the permanency plan for the ward should be adoption, the
30 court's determination of whether one of the circumstances in ORS 419B.498 (2) is applicable;

31 (e) If the court determines that the permanency plan for the ward should be establishment of a
32 legal guardianship or placement with a fit and willing relative, the court's determination of why
33 neither placement with parents nor adoption is appropriate;

34 (f) If the court determines that the permanency plan for the ward should be a planned permanent
35 living arrangement, the court's determination of a compelling reason, that must be documented by
36 the department, why it would not be in the best interests of the ward to be returned home, placed
37 for adoption, placed with a legal guardian or placed with a fit and willing relative;

38 (g) If the current placement is not expected to be permanent, the court's projected timetable for
39 return home or for placement in another planned permanent living arrangement. If the timetable set
40 forth by the court is not met, the department shall promptly notify the court and parties; [and]

41 (h) If an Indian child is involved, the tribal affiliation of the ward[.]; **and**

42 **(i) If the ward has been placed in an interstate placement, the court's determination of**
43 **whether the interstate placement continues to be appropriate and in the best interests of the**
44 **ward.**

45 (6) If an Indian child is involved, the court shall follow the placement preference established by

1 the Indian Child Welfare Act.

2 (7) Any final decision of the court made pursuant to the permanency hearing is appealable under
3 ORS 419A.200. On appeal of a final decision of the court under this subsection, the court's finding,
4 if any, under ORS 419B.340 (5) that the department is not required to make reasonable efforts to
5 make it possible for the ward to safely return home is an interlocutory order to which a party may
6 assign error.

7 **SECTION 9.** ORS 419B.875 is amended to read:

8 419B.875. (1)(a) Parties to proceedings in the juvenile court under ORS 419B.100 and 419B.500
