CHAPTER

AN ACT

Relating to workers' compensation; amending ORS 656.230, 656.245, 656.268, 656.304, 656.726 and 656.745.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 656.230 is amended to read:

656.230. (1) [*Where*] **When** a worker has been awarded compensation for permanent partial disability, [*and the award has become final by operation of law or waiver of the right to appeal its adequacy, the insurer shall upon the worker's application pay all or any part of the remaining unpaid award to the worker in a lump sum, unless the insurer disagrees with payment, in which case the insurer, within 14 days, will refer the matter to the Director of the Department of Consumer and Business Services to determine whether all or part of the lump sum should be paid. The director's decision shall be final and not subject to review. Any remaining balance shall be paid pursuant to ORS 656.216.*] **and the worker requests payment of all or part of the award in a lump sum payment, the insurer shall make the payment requested unless the:**

- (a) **Worker has not waived the right to appeal the adequacy of the award;**
- (b) **Award has not become final by operation of law;**
- (c) **Payment of compensation has been stayed pending a request for hearing or review under ORS 656.313; or**
- (d) **Worker is enrolled and actively engaged in training according to rules adopted pursuant to ORS 656.340 and 656.726.**

(2) Any unpaid balance of the award not paid in a lump sum payment shall be paid pursuant to ORS 656.216.

[~~(2)~~] **(3)** In all cases where the award for permanent partial disability does not exceed \$6,000, the insurer or the self-insured employer shall pay all of the award to the worker in a lump sum.

SECTION 2. ORS 656.245 is amended to read:

656.245. (1)(a) For every compensable injury, the insurer or the self-insured employer shall cause to be provided medical services for conditions caused in material part by the injury for such period as the nature of the injury or the process of the recovery requires, subject to the limitations in ORS 656.225, including such medical services as may be required after a determination of permanent disability. In addition, for consequential and combined conditions described in ORS 656.005 (7), the insurer or the self-insured employer shall cause to be provided only those medical services directed to medical conditions caused in major part by the injury.

(b) Compensable medical services shall include medical, surgical, hospital, nursing, ambulances and other related services, and drugs, medicine, crutches and prosthetic appliances, braces and supports and where necessary, physical restorative services. A pharmacist or dispensing physician shall dispense generic drugs to the worker in accordance with ORS 689.515. The duty to provide such medical services continues for the life of the worker.

(c) Notwithstanding any other provision of this chapter, medical services after the worker's condition is medically stationary are not compensable except for the following:

(A) Services provided to a worker who has been determined to be permanently and totally disabled.

(B) Prescription medications.

(C) Services necessary to administer prescription medication or monitor the administration of prescription medication.

(D) Prosthetic devices, braces and supports.

(E) Services necessary to monitor the status, replacement or repair of prosthetic devices, braces and supports.

(F) Services provided pursuant to an accepted claim for aggravation under ORS 656.273.

(G) Services provided pursuant to an order issued under ORS 656.278.

(H) Services that are necessary to diagnose the worker's condition.

(I) Life-preserving modalities similar to insulin therapy, dialysis and transfusions.

(J) With the approval of the insurer or self-insured employer, palliative care that the worker's attending physician referred to in ORS 656.005 (12)(b)(A) prescribes and that is necessary to enable the worker to continue current employment or a vocational training program. If the insurer or self-insured employer does not approve, the attending physician or the worker may request approval from the Director of the Department of Consumer and Business Services for such treatment. The director may order a medical review by a physician or panel of physicians pursuant to ORS 656.327 (3) to aid in the review of such treatment. The decision of the director is subject to review under ORS 656.704.

(K) With the approval of the director, curative care arising from a generally recognized, non-experimental advance in medical science since the worker's claim was closed that is highly likely to improve the worker's condition and that is otherwise justified by the circumstances of the claim. The decision of the director is subject to review under ORS 656.704.

(L) Curative care provided to a worker to stabilize a temporary and acute waxing and waning of symptoms of the worker's condition.

(d) When the medically stationary date in a disabling claim is established by the insurer or self-insured employer and is not based on the findings of the attending physician, the insurer or self-insured employer is responsible for reimbursement to affected medical service providers for otherwise compensable services rendered until the insurer or self-insured employer provides written notice to the attending physician of the worker's medically stationary status.

(e) Except for services provided under a managed care contract, out-of-pocket expense reimbursement to receive care from the attending physician or nurse practitioner authorized to provide compensable medical services under this section shall not exceed the amount required to seek care from an appropriate nurse practitioner or attending physician of the same specialty who is in a medical community geographically closer to the worker's home. For the purposes of this paragraph, all physicians and nurse practitioners within a metropolitan area are considered to be part of the same medical community.

(2)(a) The worker may choose an attending doctor, physician or nurse practitioner within the State of Oregon. The worker may choose the initial attending physician or nurse practitioner and may subsequently change attending physician or nurse practitioner two times without approval from the director. If the worker thereafter selects another attending physician or nurse practitioner, the insurer or self-insured employer may require the director's approval of the selection [*and, if requested, the director shall determine with the advice of one or more physicians, whether the selection by the worker shall be approved*]. The decision of the director is subject to review under ORS

656.704. The worker also may choose an attending doctor or physician in another country or in any state or territory or possession of the United States with the prior approval of the insurer or self-insured employer.

(b) A medical service provider who is not a member of a managed care organization is subject to the following provisions:

(A) A medical service provider who is not qualified to be an attending physician may provide compensable medical service to an injured worker for a period of 30 days from the date of injury or occupational disease or for 12 visits, whichever first occurs, without the authorization of an attending physician. Thereafter, medical service provided to an injured worker without the written authorization of an attending physician is not compensable.

(B) A medical service provider who is not an attending physician cannot authorize the payment of temporary disability compensation. Except as otherwise provided in this chapter, only the attending physician at the time of claim closure may make findings regarding the worker's impairment for the purpose of evaluating the worker's disability.

(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, a nurse practitioner licensed under ORS 678.375 to 678.390 may:

(i) Provide compensable medical services for 90 days from the date of the first visit on the claim;

(ii) Authorize the payment of temporary disability benefits for a period not to exceed 60 days from the date of the first visit on the initial claim; and

(iii) When an injured worker treating with a nurse practitioner authorized to provide compensable services under this section becomes medically stationary within the 90-day period in which the nurse practitioner is authorized to treat the injured worker, shall refer the injured worker to a physician qualified to be an attending physician as defined in ORS 656.005 for the purpose of making findings regarding the worker's impairment for the purpose of evaluating the worker's disability. If a worker returns to the nurse practitioner after initial claim closure for evaluation of a possible worsening of the worker's condition, the nurse practitioner shall refer the worker to an attending physician and the insurer shall compensate the nurse practitioner for the examination performed.

(3) Notwithstanding any other provision of this chapter, the director, by rule, upon the advice of the committee created by ORS 656.794 and upon the advice of the professional licensing boards of practitioners affected by the rule, may exclude from compensability any medical treatment the director finds to be unscientific, unproven, outmoded or experimental. The decision of the director is subject to review under ORS 656.704.

(4) Notwithstanding subsection (2)(a) of this section, when a self-insured employer or the insurer of an employer contracts with a managed care organization certified pursuant to ORS 656.260 for medical services required by this chapter to be provided to injured workers:

(a) Those workers who are subject to the contract shall receive medical services in the manner prescribed in the contract. Workers subject to the contract include those who are receiving medical treatment for an accepted compensable injury or occupational disease, regardless of the date of injury or medically stationary status, on or after the effective date of the contract. If the managed care organization determines that the change in provider would be medically detrimental to the worker, the worker shall not become subject to the contract until the worker is found to be medically stationary, the worker changes physicians or nurse practitioners, or the managed care organization determines that the change in provider is no longer medically detrimental, whichever event first occurs. A worker becomes subject to the contract upon the worker's receipt of actual notice of the worker's enrollment in the managed care organization, or upon the third day after the notice was sent by regular mail by the insurer or self-insured employer, whichever event first occurs. A worker shall not be subject to a contract after it expires or terminates without renewal. A worker may continue to treat with the attending physician or nurse practitioner authorized to provide compensable medical services under this section under an expired or terminated managed care organization contract if the physician or nurse practitioner agrees to comply with the rules, terms and conditions regarding services performed under any subsequent managed care organization con-

tract to which the worker is subject. A worker shall not be subject to a contract if the worker's primary residence is more than 100 miles outside the managed care organization's certified geographical area. Each such contract must comply with the certification standards provided in ORS 656.260. However, a worker may receive immediate emergency medical treatment that is compensable from a medical service provider who is not a member of the managed care organization. Insurers or self-insured employers who contract with a managed care organization for medical services shall give notice to the workers of eligible medical service providers and such other information regarding the contract and manner of receiving medical services as the director may prescribe. Notwithstanding any provision of law or rule to the contrary, a worker of a noncomplying employer is considered to be subject to a contract between the State Accident Insurance Fund Corporation as a processing agent or the assigned claims agent and a managed care organization.

(b)(A) For initial or aggravation claims filed after June 7, 1995, the insurer or self-insured employer may require an injured worker, on a case-by-case basis, immediately to receive medical services from the managed care organization.

(B) If the insurer or self-insured employer gives notice that the worker is required to receive treatment from the managed care organization, the insurer or self-insured employer must guarantee that any reasonable and necessary services so received, that are not otherwise covered by health insurance, will be paid as provided in ORS 656.248, even if the claim is denied, until the worker receives actual notice of the denial or until three days after the denial is mailed, whichever event first occurs. The worker may elect to receive care from a primary care physician or nurse practitioner authorized to provide compensable medical services under this section who agrees to the conditions of ORS 656.260 (4)(g). However, guarantee of payment is not required by the insurer or self-insured employer if this election is made.

(C) If the insurer or self-insured employer does not give notice that the worker is required to receive treatment from the managed care organization, the insurer or self-insured employer is under no obligation to pay for services received by the worker unless the claim is later accepted.

(D) If the claim is denied, the worker may receive medical services after the date of denial from sources other than the managed care organization until the denial is reversed. Reasonable and necessary medical services received from sources other than the managed care organization after the date of claim denial must be paid as provided in ORS 656.248 by the insurer or self-insured employer if the claim is finally determined to be compensable.

(5) Notwithstanding any other provision of this chapter, the director, by rule, shall authorize physician assistants licensed by the Board of Medical Examiners for the State of Oregon who practice in areas served by Type A or Type B rural hospitals described in ORS 442.470 to authorize the payment of temporary disability compensation for injured workers for a period not to exceed 30 days from the date of the first visit on the claim. In addition, the director, by rule, may authorize such assistants who practice in areas served by a Type C rural hospital described in ORS 442.470 to authorize such payment.

(6) A nurse practitioner licensed under ORS 678.375 to 678.390 who is not a member of the managed care organization, is authorized to provide the same level of services as a primary care physician as established by ORS 656.260 (4), if at the time the worker is enrolled in the managed care organization, the nurse practitioner maintains the worker's medical records and with whom the worker has a documented history of treatment, if that nurse practitioner agrees to refer the worker to the managed care organization for any specialized treatment, including physical therapy, to be furnished by another provider that the worker may require and if that nurse practitioner agrees to comply with all the rules, terms and conditions regarding services performed by the managed care organization.

(7) Subject to the provisions of ORS 656.704, if a claim for medical services is disapproved, the injured worker, insurer or self-insured employer may request administrative review by the director pursuant to ORS 656.260 or 656.327.

SECTION 3. ORS 656.245, as amended by section 4, chapter 811, Oregon Laws 2003, and section 4, chapter 26, Oregon Laws 2005, is amended to read:

656.245. (1)(a) For every compensable injury, the insurer or the self-insured employer shall cause to be provided medical services for conditions caused in material part by the injury for such period as the nature of the injury or the process of the recovery requires, subject to the limitations in ORS 656.225, including such medical services as may be required after a determination of permanent disability. In addition, for consequential and combined conditions described in ORS 656.005 (7), the insurer or the self-insured employer shall cause to be provided only those medical services directed to medical conditions caused in major part by the injury.

(b) Compensable medical services shall include medical, surgical, hospital, nursing, ambulances and other related services, and drugs, medicine, crutches and prosthetic appliances, braces and supports and where necessary, physical restorative services. A pharmacist or dispensing physician shall dispense generic drugs to the worker in accordance with ORS 689.515. The duty to provide such medical services continues for the life of the worker.

(c) Notwithstanding any other provision of this chapter, medical services after the worker's condition is medically stationary are not compensable except for the following:

(A) Services provided to a worker who has been determined to be permanently and totally disabled.

(B) Prescription medications.

(C) Services necessary to administer prescription medication or monitor the administration of prescription medication.

(D) Prosthetic devices, braces and supports.

(E) Services necessary to monitor the status, replacement or repair of prosthetic devices, braces and supports.

(F) Services provided pursuant to an accepted claim for aggravation under ORS 656.273.

(G) Services provided pursuant to an order issued under ORS 656.278.

(H) Services that are necessary to diagnose the worker's condition.

(I) Life-preserving modalities similar to insulin therapy, dialysis and transfusions.

(J) With the approval of the insurer or self-insured employer, palliative care that the worker's attending physician referred to in ORS 656.005 (12)(b)(A) prescribes and that is necessary to enable the worker to continue current employment or a vocational training program. If the insurer or self-insured employer does not approve, the attending physician or the worker may request approval from the Director of the Department of Consumer and Business Services for such treatment. The director may order a medical review by a physician or panel of physicians pursuant to ORS 656.327 (3) to aid in the review of such treatment. The decision of the director is subject to review under ORS 656.704.

(K) With the approval of the director, curative care arising from a generally recognized, non-experimental advance in medical science since the worker's claim was closed that is highly likely to improve the worker's condition and that is otherwise justified by the circumstances of the claim. The decision of the director is subject to review under ORS 656.704.

(L) Curative care provided to a worker to stabilize a temporary and acute waxing and waning of symptoms of the worker's condition.

(d) When the medically stationary date in a disabling claim is established by the insurer or self-insured employer and is not based on the findings of the attending physician, the insurer or self-insured employer is responsible for reimbursement to affected medical service providers for otherwise compensable services rendered until the insurer or self-insured employer provides written notice to the attending physician of the worker's medically stationary status.

(e) Except for services provided under a managed care contract, out-of-pocket expense reimbursement to receive care from the attending physician shall not exceed the amount required to seek care from an appropriate attending physician of the same specialty who is in a medical community geographically closer to the worker's home. For the purposes of this paragraph, all physicians within a metropolitan area are considered to be part of the same medical community.

(2)(a) The worker may choose an attending doctor or physician within the State of Oregon. The worker may choose the initial attending physician and may subsequently change attending physician

two times without approval from the director. If the worker thereafter selects another attending physician, the insurer or self-insured employer may require the director's approval of the selection [*and, if requested, the director shall determine with the advice of one or more physicians, whether the selection by the worker shall be approved*]. The decision of the director is subject to review under ORS 656.704. The worker also may choose an attending doctor or physician in another country or in any state or territory or possession of the United States with the prior approval of the insurer or self-insured employer.

(b) A medical service provider who is not a member of a managed care organization is subject to the following provisions:

(A) A medical service provider who is not qualified to be an attending physician may provide compensable medical service to an injured worker for a period of 30 days from the date of injury or occupational disease or for 12 visits, whichever first occurs, without the authorization of an attending physician. Thereafter, medical service provided to an injured worker without the written authorization of an attending physician is not compensable.

(B) A medical service provider who is not an attending physician cannot authorize the payment of temporary disability compensation. Except as otherwise provided in this chapter, only the attending physician at the time of claim closure may make findings regarding the worker's impairment for the purpose of evaluating the worker's disability.

(3) Notwithstanding any other provision of this chapter, the director, by rule, upon the advice of the committee created by ORS 656.794 and upon the advice of the professional licensing boards of practitioners affected by the rule, may exclude from compensability any medical treatment the director finds to be unscientific, unproven, outmoded or experimental. The decision of the director is subject to review under ORS 656.704.

(4) Notwithstanding subsection (2)(a) of this section, when a self-insured employer or the insurer of an employer contracts with a managed care organization certified pursuant to ORS 656.260 for medical services required by this chapter to be provided to injured workers:

(a) Those workers who are subject to the contract shall receive medical services in the manner prescribed in the contract. Workers subject to the contract include those who are receiving medical treatment for an accepted compensable injury or occupational disease, regardless of the date of injury or medically stationary status, on or after the effective date of the contract. If the managed care organization determines that the change in provider would be medically detrimental to the worker, the worker shall not become subject to the contract until the worker is found to be medically stationary, the worker changes physicians or the managed care organization determines that the change in provider is no longer medically detrimental, whichever event first occurs. A worker becomes subject to the contract upon the worker's receipt of actual notice of the worker's enrollment in the managed care organization, or upon the third day after the notice was sent by regular mail by the insurer or self-insured employer, whichever event first occurs. A worker shall not be subject to a contract after it expires or terminates without renewal. A worker may continue to treat with the attending physician under an expired or terminated managed care organization contract if the physician agrees to comply with the rules, terms and conditions regarding services performed under any subsequent managed care organization contract to which the worker is subject. A worker shall not be subject to a contract if the worker's primary residence is more than 100 miles outside the managed care organization's certified geographical area. Each such contract must comply with the certification standards provided in ORS 656.260. However, a worker may receive immediate emergency medical treatment that is compensable from a medical service provider who is not a member of the managed care organization. Insurers or self-insured employers who contract with a managed care organization for medical services shall give notice to the workers of eligible medical service providers and such other information regarding the contract and manner of receiving medical services as the director may prescribe. Notwithstanding any provision of law or rule to the contrary, a worker of a noncomplying employer is considered to be subject to a contract between the State Accident Insurance Fund Corporation as a processing agent or the assigned claims agent and a managed care organization.

(b)(A) For initial or aggravation claims filed after June 7, 1995, the insurer or self-insured employer may require an injured worker, on a case-by-case basis, immediately to receive medical services from the managed care organization.

(B) If the insurer or self-insured employer gives notice that the worker is required to receive treatment from the managed care organization, the insurer or self-insured employer must guarantee that any reasonable and necessary services so received, that are not otherwise covered by health insurance, will be paid as provided in ORS 656.248, even if the claim is denied, until the worker receives actual notice of the denial or until three days after the denial is mailed, whichever event first occurs. The worker may elect to receive care from a primary care physician who agrees to the conditions of ORS 656.260 (4)(g). However, guarantee of payment is not required by the insurer or self-insured employer if this election is made.

(C) If the insurer or self-insured employer does not give notice that the worker is required to receive treatment from the managed care organization, the insurer or self-insured employer is under no obligation to pay for services received by the worker unless the claim is later accepted.

(D) If the claim is denied, the worker may receive medical services after the date of denial from sources other than the managed care organization until the denial is reversed. Reasonable and necessary medical services received from sources other than the managed care organization after the date of claim denial must be paid as provided in ORS 656.248 by the insurer or self-insured employer if the claim is finally determined to be compensable.

(5) Notwithstanding any other provision of this chapter, the director, by rule, shall authorize nurse practitioners certified by the Oregon State Board of Nursing and physician assistants licensed by the Board of Medical Examiners for the State of Oregon who practice in areas served by Type A or Type B rural hospitals described in ORS 442.470 to authorize the payment of temporary disability compensation for injured workers for a period not to exceed 30 days from the date of the first visit on the claim. In addition, the director, by rule, may authorize such practitioners and assistants who practice in areas served by a Type C rural hospital described in ORS 442.470 to authorize such payment.

(6) Subject to the provisions of ORS 656.704, if a claim for medical services is disapproved, the injured worker, insurer or self-insured employer may request administrative review by the director pursuant to ORS 656.260 or 656.327.

SECTION 4. ORS 656.268 is amended to read:

656.268. (1) One purpose of this chapter is to restore the injured worker as soon as possible and as near as possible to a condition of self support and maintenance as an able-bodied worker. The insurer or self-insured employer shall close the worker's claim, as prescribed by the Director of the Department of Consumer and Business Services, and determine the extent of the worker's permanent disability, provided the worker is not enrolled and actively engaged in training according to rules adopted by the director pursuant to ORS 656.340 and 656.726, when:

(a) The worker has become medically stationary and there is sufficient information to determine permanent disability;

(b) The accepted injury is no longer the major contributing cause of the worker's combined or consequential condition or conditions pursuant to ORS 656.005 (7). When the claim is closed because the accepted injury is no longer the major contributing cause of the worker's combined or consequential condition or conditions, and there is sufficient information to determine permanent disability, the likely permanent disability that would have been due to the current accepted condition shall be estimated;

(c) Without the approval of the attending physician or nurse practitioner authorized to provide compensable medical services under ORS 656.245, the worker fails to seek medical treatment for a period of 30 days or the worker fails to attend a closing examination, unless the worker affirmatively establishes that such failure is attributable to reasons beyond the worker's control; or

(d) An insurer or self-insured employer finds that a worker who has been receiving permanent total disability benefits has materially improved and is capable of regularly performing work at a gainful and suitable occupation.

(2) If the worker is enrolled and actively engaged in training according to rules adopted pursuant to ORS 656.340 and 656.726, the temporary disability compensation shall be proportionately reduced by any sums earned during the training.

(3) A copy of all medical reports and reports of vocational rehabilitation agencies or counselors shall be furnished to the worker, if requested by the worker.

(4) Temporary total disability benefits shall continue until whichever of the following events first occurs:

(a) The worker returns to regular or modified employment;

(b) The attending physician or nurse practitioner who has authorized temporary disability benefits for the worker under ORS 656.245 advises the worker and documents in writing that the worker is released to return to regular employment;

(c) The attending physician or nurse practitioner who has authorized temporary disability benefits for the worker under ORS 656.245 advises the worker and documents in writing that the worker is released to return to modified employment, such employment is offered in writing to the worker and the worker fails to begin such employment. However, an offer of modified employment may be refused by the worker without the termination of temporary total disability benefits if the offer:

(A) Requires a commute that is beyond the physical capacity of the worker according to the worker's attending physician or the nurse practitioner who may authorize temporary disability under ORS 656.245;

(B) Is at a work site more than 50 miles one way from where the worker was injured unless the site is less than 50 miles from the worker's residence or the intent of the parties at the time of hire or as established by the pattern of employment prior to the injury was that the employer had multiple or mobile work sites and the worker could be assigned to any such site;

(C) Is not with the employer at injury;

(D) Is not at a work site of the employer at injury;

(E) Is not consistent with the existing written shift change policy or is not consistent with common practice of the employer at injury or aggravation; or

(F) Is not consistent with an existing shift change provision of an applicable collective bargaining agreement; or

(d) Any other event that causes temporary disability benefits to be lawfully suspended, withheld or terminated under ORS 656.262 (4) or other provisions of this chapter.

(5)(a) Findings by the insurer or self-insured employer regarding the extent of the worker's disability in closure of the claim shall be pursuant to the standards prescribed by the director. The insurer or self-insured employer shall issue a notice of closure of such a claim to the worker, to the worker's attorney if the worker is represented, and to the director. The notice must inform:

(A) The parties, in boldfaced type, of the proper manner in which to proceed if they are dissatisfied with the terms of the notice;

(B) The worker of the amount of any further compensation, including permanent disability compensation to be awarded; of the duration of temporary total or temporary partial disability compensation; of the right of the worker to request reconsideration by the director under this section within 60 days of the date of the notice of claim closure; of the right of the insurer or self-insured employer to request reconsideration by the director under this section within seven days of the date of the notice of claim closure; of the aggravation rights; and of such other information as the director may require; and

(C) Any beneficiaries of death benefits to which they may be entitled pursuant to ORS 656.204 and 656.208.

(b) If the insurer or self-insured employer has not issued a notice of closure, the worker may request closure. Within 10 days of receipt of a written request from the worker, the insurer or self-insured employer shall issue a notice of closure if the requirements of this section have been met or a notice of refusal to close if the requirements of this section have not been met. A notice of refusal to close shall advise the worker of the decision not to close; of the right of the worker to request a hearing pursuant to ORS 656.283 within 60 days of the date of the notice of refusal to

close the claim; of the right to be represented by an attorney; and of such other information as the director may require.

(c) If a worker, insurer or self-insured employer objects to the notice of closure, the objecting party first must request reconsideration by the director under this section. A worker's request for reconsideration must be made within 60 days of the date of the notice of closure. A request for reconsideration by an insurer or self-insured employer may be based only on disagreement with the findings used to rate impairment and must be made within seven days of the date of the notice of closure.

(d) If an insurer or self-insured employer has closed a claim or refused to close a claim pursuant to this section, if the correctness of that notice of closure or refusal to close is at issue in a hearing on the claim and if a finding is made at the hearing that the notice of closure or refusal to close was not reasonable, a penalty shall be assessed against the insurer or self-insured employer and paid to the worker in an amount equal to 25 percent of all compensation determined to be then due the claimant.

(e) If, upon reconsideration of a claim closed by an insurer or self-insured employer, the director orders an increase by 25 percent or more of the amount of compensation to be paid to the worker for permanent disability and the worker is found upon reconsideration to be at least 20 percent permanently disabled, a penalty shall be assessed against the insurer or self-insured employer and paid to the worker in an amount equal to 25 percent of all compensation determined to be then due the claimant. If the increase in compensation results from information that the insurer or self-insured employer demonstrates the insurer or self-insured employer could not reasonably have known at the time of claim closure, from new information obtained through a medical arbiter examination or from *[the adoption of a temporary emergency rule]* **a determination order issued by the director that addresses the extent of the worker's permanent disability that is not based on the standards adopted pursuant to ORS 656.726 (4)(f)**, the penalty shall not be assessed.

(6)(a) Notwithstanding any other provision of law, only one reconsideration proceeding may be held on each notice of closure. At the reconsideration proceeding:

(A) A deposition arranged by the worker, limited to the testimony and cross-examination of the worker about the worker's condition at the time of claim closure, shall become part of the reconsideration record. The deposition must be conducted subject to the opportunity for cross-examination by the insurer or self-insured employer and in accordance with rules adopted by the director. The cost of the court reporter and one original of the transcript of the deposition for the Department of Consumer and Business Services and one copy of the transcript of the deposition for each party shall be paid by the insurer or self-insured employer. The reconsideration proceeding may not be postponed to receive a deposition taken under this subparagraph. A deposition taken in accordance with this subparagraph may be received as evidence at a hearing even if the deposition is not prepared in time for use in the reconsideration proceeding.

(B) Pursuant to rules adopted by the director, the worker or the insurer or self-insured employer may correct information in the record that is erroneous and may submit any medical evidence that should have been but was not submitted by the attending physician or nurse practitioner authorized to provide compensable medical services under ORS 656.245 at the time of claim closure.

(C) If the director determines that a claim was not closed in accordance with subsection (1) of this section, the director may rescind the closure.

(b) If necessary, the director may require additional medical or other information with respect to the claims and may postpone the reconsideration for not more than 60 additional calendar days.

(c) In any reconsideration proceeding under this section in which the worker was represented by an attorney, the director shall order the insurer or self-insured employer to pay to the attorney, out of the additional compensation awarded, an amount equal to 10 percent of any additional compensation awarded to the worker.

(d) The reconsideration proceeding shall be completed within 18 working days from the date the reconsideration proceeding begins, and shall be performed by a special evaluation appellate unit within the department. The deadline of 18 working days may be postponed by an additional 60 cal-

endar days if within the 18 working days the department mails notice of review by a medical arbiter. If an order on reconsideration has not been mailed on or before 18 working days from the date the reconsideration proceeding begins, or within 18 working days plus the additional 60 calendar days where a notice for medical arbiter review was timely mailed or the director postponed the reconsideration pursuant to paragraph (b) of this subsection, or within such additional time as provided in subsection (7) of this section when reconsideration is postponed further because the worker has failed to cooperate in the medical arbiter examination, reconsideration shall be deemed denied and any further proceedings shall occur as though an order on reconsideration affirming the notice of closure was mailed on the date the order was due to issue.

(e) The period for completing the reconsideration proceeding described in paragraph (d) of this subsection begins upon receipt by the director of a worker's request for reconsideration pursuant to subsection (5)(c) of this section. If the insurer or self-insured employer requests reconsideration, the period for reconsideration begins upon the earlier of the date of the request for reconsideration by the worker, the date of receipt of a waiver from the worker of the right to request reconsideration or the date of expiration of the right of the worker to request reconsideration. If a party elects not to file a separate request for reconsideration, the party does not waive the right to fully participate in the reconsideration proceeding, including the right to proceed with the reconsideration if the initiating party withdraws the request for reconsideration.

(f) Any medical arbiter report may be received as evidence at a hearing even if the report is not prepared in time for use in the reconsideration proceeding.

(g) If any party objects to the reconsideration order, the party may request a hearing under ORS 656.283 within 30 days from the date of the reconsideration order.

(7)(a) If the basis for objection to a notice of closure issued under this section is disagreement with the impairment used in rating of the worker's disability, the director shall refer the claim to a medical arbiter appointed by the director.

(b) If neither party requests a medical arbiter and the director determines that insufficient medical information is available to determine disability, the director may refer the claim to a medical arbiter appointed by the director.

(c) At the request of either of the parties, a panel of three medical arbiters shall be appointed.

(d) The arbiter, or panel of medical arbiters, shall be chosen from among a list of physicians qualified to be attending physicians referred to in ORS 656.005 (12)(b)(A) who were selected by the director in consultation with the Board of Medical Examiners for the State of Oregon and the committee referred to in ORS 656.790.

(e)(A) The medical arbiter or panel of medical arbiters may examine the worker and perform such tests as may be reasonable and necessary to establish the worker's impairment.

(B) If the director determines that the worker failed to attend the examination without good cause or failed to cooperate with the medical arbiter, or panel of medical arbiters, the director shall postpone the reconsideration proceedings for up to 60 days from the date of the determination that the worker failed to attend or cooperate, and shall suspend all disability benefits resulting from this or any prior opening of the claim until such time as the worker attends and cooperates with the examination or the request for reconsideration is withdrawn. Any additional evidence regarding good cause must be submitted prior to the conclusion of the 60-day postponement period.

(C) At the conclusion of the 60-day postponement period, if the worker has not attended and cooperated with a medical arbiter examination or established good cause, there shall be no further opportunity for the worker to attend a medical arbiter examination for this claim closure. The reconsideration record shall be closed, and the director shall issue an order on reconsideration based upon the existing record.

(D) All disability benefits suspended pursuant to this subsection, including all disability benefits awarded in the order on reconsideration, or by an Administrative Law Judge, the Workers' Compensation Board or upon court review, shall not be due and payable to the worker.

(f) The costs of examination and review by the medical arbiter or panel of medical arbiters shall be paid by the insurer or self-insured employer.

(g) The findings of the medical arbiter or panel of medical arbiters shall be submitted to the director for reconsideration of the notice of closure.

(h) After reconsideration, no subsequent medical evidence of the worker's impairment is admissible before the director, the Workers' Compensation Board or the courts for purposes of making findings of impairment on the claim closure.

(i)(A) When the basis for objection to a notice of closure issued under this section is a disagreement with the impairment used in rating the worker's disability, and the director determines that the worker is not medically stationary at the time of the reconsideration or that the closure was not made pursuant to this section, the director is not required to appoint a medical arbiter prior to the completion of the reconsideration proceeding.

(B) If the worker's condition has substantially changed since the notice of closure, upon the consent of all the parties to the claim, the director shall postpone the proceeding until the worker's condition is appropriate for claim closure under subsection (1) of this section.

(8) No hearing shall be held on any issue that was not raised and preserved before the director at reconsideration. However, issues arising out of the reconsideration order may be addressed and resolved at hearing.

(9) If, after the notice of closure issued pursuant to this section, the worker becomes enrolled and actively engaged in training according to rules adopted pursuant to ORS 656.340 and 656.726, any permanent disability payments due for work disability under the closure shall be suspended, and the worker shall receive temporary disability compensation and any permanent disability payments due for impairment while the worker is enrolled and actively engaged in the training. When the worker ceases to be enrolled and actively engaged in the training, the insurer or self-insured employer shall again close the claim pursuant to this section if the worker is medically stationary or if the worker's accepted injury is no longer the major contributing cause of the worker's combined or consequential condition or conditions pursuant to ORS 656.005 (7). The closure shall include the duration of temporary total or temporary partial disability compensation. Permanent disability compensation shall be redetermined for work disability only. If the worker has returned to work or the worker's attending physician has released the worker to return to regular or modified employment, the insurer or self-insured employer shall again close the claim. This notice of closure may be appealed only in the same manner as are other notices of closure under this section.

(10) If the attending physician or nurse practitioner authorized to provide compensable medical services under ORS 656.245 has approved the worker's return to work and there is a labor dispute in progress at the place of employment, the worker may refuse to return to that employment without loss of reemployment rights or any vocational assistance provided by this chapter.

(11) Any notice of closure made under this section may include necessary adjustments in compensation paid or payable prior to the notice of closure, including disallowance of permanent disability payments prematurely made, crediting temporary disability payments against current or future permanent or temporary disability awards or payments and requiring the payment of temporary disability payments which were payable but not paid.

(12) An insurer or self-insured employer may take a credit or offset of previously paid workers' compensation benefits or payments against any further workers' compensation benefits or payments due a worker from that insurer or self-insured employer when the worker admits to having obtained the previously paid benefits or payments through fraud, or a civil judgment or criminal conviction is entered against the worker for having obtained the previously paid benefits through fraud. Benefits or payments obtained through fraud by a worker shall not be included in any data used for ratemaking or individual employer rating or dividend calculations by a guaranty contract insurer, a rating organization licensed pursuant to ORS chapter 737, the State Accident Insurance Fund Corporation or the director.

(13)(a) An insurer or self-insured employer may offset any compensation payable to the worker to recover an overpayment from a claim with the same insurer or self-insured employer. When overpayments are recovered from temporary disability or permanent total disability benefits, the

amount recovered from each payment shall not exceed 25 percent of the payment, without prior authorization from the worker.

(b) An insurer or self-insured employer may suspend and offset any compensation payable to the beneficiary of the worker, and recover an overpayment of permanent total disability benefits caused by the failure of the worker's beneficiaries to notify the insurer or self-insured employer about the death of the worker.

(14) Conditions that are direct medical sequelae to the original accepted condition shall be included in rating permanent disability of the claim unless they have been specifically denied.

SECTION 5. ORS 656.268, as amended by section 8, chapter 657, Oregon Laws 2003, section 12, chapter 811, Oregon Laws 2003, section 2, chapter 221, Oregon Laws 2005, section 4, chapter 461, Oregon Laws 2005, and section 2, chapter 569, Oregon Laws 2005, is amended to read:

656.268. (1) One purpose of this chapter is to restore the injured worker as soon as possible and as near as possible to a condition of self support and maintenance as an able-bodied worker. The insurer or self-insured employer shall close the worker's claim, as prescribed by the Director of the Department of Consumer and Business Services, and determine the extent of the worker's permanent disability, provided the worker is not enrolled and actively engaged in training according to rules adopted by the director pursuant to ORS 656.340 and 656.726, when:

(a) The worker has become medically stationary and there is sufficient information to determine permanent impairment;

(b) The accepted injury is no longer the major contributing cause of the worker's combined or consequential condition or conditions pursuant to ORS 656.005 (7). When the claim is closed because the accepted injury is no longer the major contributing cause of the worker's combined or consequential condition or conditions, and there is sufficient information to determine permanent impairment, the likely impairment and adaptability that would have been due to the current accepted condition shall be estimated;

(c) Without the approval of the attending physician, the worker fails to seek medical treatment for a period of 30 days or the worker fails to attend a closing examination, unless the worker affirmatively establishes that such failure is attributable to reasons beyond the worker's control; or

(d) An insurer or self-insured employer finds that a worker who has been receiving permanent total disability benefits has materially improved and is capable of regularly performing work at a gainful and suitable occupation.

(2) If the worker is enrolled and actively engaged in training according to rules adopted pursuant to ORS 656.340 and 656.726, the temporary disability compensation shall be proportionately reduced by any sums earned during the training.

(3) A copy of all medical reports and reports of vocational rehabilitation agencies or counselors shall be furnished to the worker, if requested by the worker.

(4) Temporary total disability benefits shall continue until whichever of the following events first occurs:

(a) The worker returns to regular or modified employment;

(b) The attending physician advises the worker and documents in writing that the worker is released to return to regular employment;

(c) The attending physician advises the worker and documents in writing that the worker is released to return to modified employment, such employment is offered in writing to the worker and the worker fails to begin such employment. However, an offer of modified employment may be refused by the worker without the termination of temporary total disability benefits if the offer:

(A) Requires a commute that is beyond the physical capacity of the worker according to the worker's attending physician;

(B) Is at a work site more than 50 miles one way from where the worker was injured unless the site is less than 50 miles from the worker's residence or the intent of the parties at the time of hire or as established by the pattern of employment prior to the injury was that the employer had multiple or mobile work sites and the worker could be assigned to any such site;

(C) Is not with the employer at injury;

- (D) Is not at a work site of the employer at injury;
- (E) Is not consistent with the existing written shift change policy or is not consistent with common practice of the employer at injury or aggravation; or
- (F) Is not consistent with an existing shift change provision of an applicable collective bargaining agreement; or

(d) Any other event that causes temporary disability benefits to be lawfully suspended, withheld or terminated under ORS 656.262 (4) or other provisions of this chapter.

(5)(a) Findings by the insurer or self-insured employer regarding the extent of the worker's disability in closure of the claim shall be pursuant to the standards prescribed by the director. The insurer or self-insured employer shall issue a notice of closure of such a claim to the worker, to the worker's attorney if the worker is represented, and to the director. The notice must inform:

(A) The parties, in boldfaced type, of the proper manner in which to proceed if they are dissatisfied with the terms of the notice;

(B) The worker of the amount of any further compensation, including permanent disability compensation to be awarded; of the duration of temporary total or temporary partial disability compensation; of the right of the worker to request reconsideration by the director under this section within 60 days of the date of the notice of claim closure; of the right of the insurer or self-insured employer to request reconsideration by the director under this section within seven days of the date of the notice of claim closure; of the aggravation rights; and of such other information as the director may require; and

(C) Any beneficiaries of death benefits to which they may be entitled pursuant to ORS 656.204 and 656.208.

(b) If the insurer or self-insured employer has not issued a notice of closure, the worker may request closure. Within 10 days of receipt of a written request from the worker, the insurer or self-insured employer shall issue a notice of closure if the requirements of this section have been met or a notice of refusal to close if the requirements of this section have not been met. A notice of refusal to close shall advise the worker of the decision not to close; of the right of the worker to request a hearing pursuant to ORS 656.283 within 60 days of the date of the notice of refusal to close the claim; of the right to be represented by an attorney; and of such other information as the director may require.

(c) If a worker, insurer or self-insured employer objects to the notice of closure, the objecting party first must request reconsideration by the director under this section. A worker's request for reconsideration must be made within 60 days of the date of the notice of closure. A request for reconsideration by an insurer or self-insured employer may be based only on disagreement with the findings used to rate impairment and must be made within seven days of the date of the notice of closure.

(d) If an insurer or self-insured employer has closed a claim or refused to close a claim pursuant to this section, if the correctness of that notice of closure or refusal to close is at issue in a hearing on the claim and if a finding is made at the hearing that the notice of closure or refusal to close was not reasonable, a penalty shall be assessed against the insurer or self-insured employer and paid to the worker in an amount equal to 25 percent of all compensation determined to be then due the claimant.

(e) If, upon reconsideration of a claim closed by an insurer or self-insured employer, the director orders an increase by 25 percent or more of the amount of compensation to be paid to the worker for either a scheduled or unscheduled permanent disability and the worker is found upon reconsideration to be at least 20 percent permanently disabled, a penalty shall be assessed against the insurer or self-insured employer and paid to the worker in an amount equal to 25 percent of all compensation determined to be then due the claimant. If the increase in compensation results from information that the insurer or self-insured employer demonstrates the insurer or self-insured employer could not reasonably have known at the time of claim closure, from new information obtained through a medical arbiter examination or from *[the adoption of a temporary emergency rule]* **a determination order issued by the director that addresses the extent of the worker's perma-**

ment disability that is not based on the standards adopted pursuant to ORS 656.726 (4)(f), the penalty shall not be assessed.

(6)(a) Notwithstanding any other provision of law, only one reconsideration proceeding may be held on each notice of closure. At the reconsideration proceeding:

(A) A deposition arranged by the worker, limited to the testimony and cross-examination of the worker about the worker's condition at the time of claim closure, shall become part of the reconsideration record. The deposition must be conducted subject to the opportunity for cross-examination by the insurer or self-insured employer and in accordance with rules adopted by the director. The cost of the court reporter and one original of the transcript of the deposition for the Department of Consumer and Business Services and one copy of the transcript of the deposition for each party shall be paid by the insurer or self-insured employer. The reconsideration proceeding may not be postponed to receive a deposition taken under this subparagraph. A deposition taken in accordance with this subparagraph may be received as evidence at a hearing even if the deposition is not prepared in time for use in the reconsideration proceeding.

(B) Pursuant to rules adopted by the director, the worker or the insurer or self-insured employer may correct information in the record that is erroneous and may submit any medical evidence that should have been but was not submitted by the attending physician at the time of claim closure.

(C) If the director determines that a claim was not closed in accordance with subsection (1) of this section, the director may rescind the closure.

(b) If necessary, the director may require additional medical or other information with respect to the claims and may postpone the reconsideration for not more than 60 additional calendar days.

(c) In any reconsideration proceeding under this section in which the worker was represented by an attorney, the director shall order the insurer or self-insured employer to pay to the attorney, out of the additional compensation awarded, an amount equal to 10 percent of any additional compensation awarded to the worker.

(d) The reconsideration proceeding shall be completed within 18 working days from the date the reconsideration proceeding begins, and shall be performed by a special evaluation appellate unit within the department. The deadline of 18 working days may be postponed by an additional 60 calendar days if within the 18 working days the department mails notice of review by a medical arbiter. If an order on reconsideration has not been mailed on or before 18 working days from the date the reconsideration proceeding begins, or within 18 working days plus the additional 60 calendar days where a notice for medical arbiter review was timely mailed or the director postponed the reconsideration pursuant to paragraph (b) of this subsection, or within such additional time as provided in subsection (7) of this section when reconsideration is postponed further because the worker has failed to cooperate in the medical arbiter examination, reconsideration shall be deemed denied and any further proceedings shall occur as though an order on reconsideration affirming the notice of closure was mailed on the date the order was due to issue.

(e) The period for completing the reconsideration proceeding described in paragraph (d) of this subsection begins upon receipt by the director of a worker's request for reconsideration pursuant to subsection (5)(c) of this section. If the insurer or self-insured employer requests reconsideration, the period for reconsideration begins upon the earlier of the date of the request for reconsideration by the worker, the date of receipt of a waiver from the worker of the right to request reconsideration or the date of expiration of the right of the worker to request reconsideration. If a party elects not to file a separate request for reconsideration, the party does not waive the right to fully participate in the reconsideration proceeding, including the right to proceed with the reconsideration if the initiating party withdraws the request for reconsideration.

(f) Any medical arbiter report may be received as evidence at a hearing even if the report is not prepared in time for use in the reconsideration proceeding.

(g) If any party objects to the reconsideration order, the party may request a hearing under ORS 656.283 within 30 days from the date of the reconsideration order.

(7)(a) If the basis for objection to a notice of closure issued under this section is disagreement with the impairment used in rating of the worker's disability, the director shall refer the claim to a medical arbiter appointed by the director.

(b) If neither party requests a medical arbiter and the director determines that insufficient medical information is available to determine disability, the director may refer the claim to a medical arbiter appointed by the director.

(c) At the request of either of the parties, a panel of three medical arbiters shall be appointed.

(d) The arbiter, or panel of medical arbiters, shall be chosen from among a list of physicians qualified to be attending physicians referred to in ORS 656.005 (12)(b)(A) who were selected by the director in consultation with the Board of Medical Examiners for the State of Oregon and the committee referred to in ORS 656.790.

(e)(A) The medical arbiter or panel of medical arbiters may examine the worker and perform such tests as may be reasonable and necessary to establish the worker's impairment.

(B) If the director determines that the worker failed to attend the examination without good cause or failed to cooperate with the medical arbiter, or panel of medical arbiters, the director shall postpone the reconsideration proceedings for up to 60 days from the date of the determination that the worker failed to attend or cooperate, and shall suspend all disability benefits resulting from this or any prior opening of the claim until such time as the worker attends and cooperates with the examination or the request for reconsideration is withdrawn. Any additional evidence regarding good cause must be submitted prior to the conclusion of the 60-day postponement period.

(C) At the conclusion of the 60-day postponement period, if the worker has not attended and cooperated with a medical arbiter examination or established good cause, there shall be no further opportunity for the worker to attend a medical arbiter examination for this claim closure. The reconsideration record shall be closed, and the director shall issue an order on reconsideration based upon the existing record.

(D) All disability benefits suspended pursuant to this subsection, including all disability benefits awarded in the order on reconsideration, or by an Administrative Law Judge, the Workers' Compensation Board or upon court review, shall not be due and payable to the worker.

(f) The costs of examination and review by the medical arbiter or panel of medical arbiters shall be paid by the insurer or self-insured employer.

(g) The findings of the medical arbiter or panel of medical arbiters shall be submitted to the director for reconsideration of the notice of closure.

(h) After reconsideration, no subsequent medical evidence of the worker's impairment is admissible before the director, the Workers' Compensation Board or the courts for purposes of making findings of impairment on the claim closure.

(i)(A) When the basis for objection to a notice of closure issued under this section is a disagreement with the impairment used in rating the worker's disability, and the director determines that the worker is not medically stationary at the time of the reconsideration or that the closure was not made pursuant to this section, the director is not required to appoint a medical arbiter prior to the completion of the reconsideration proceeding.

(B) If the worker's condition has substantially changed since the notice of closure, upon the consent of all the parties to the claim, the director shall postpone the proceeding until the worker's condition is appropriate for claim closure under subsection (1) of this section.

(8) No hearing shall be held on any issue that was not raised and preserved before the director at reconsideration. However, issues arising out of the reconsideration order may be addressed and resolved at hearing.

(9) If, after the notice of closure issued pursuant to this section, the worker becomes enrolled and actively engaged in training according to rules adopted pursuant to ORS 656.340 and 656.726, any permanent disability payments due under the closure shall be suspended, and the worker shall receive temporary disability compensation while the worker is enrolled and actively engaged in the training. When the worker ceases to be enrolled and actively engaged in the training, the insurer or self-insured employer shall again close the claim pursuant to this section if the worker is med-

ically stationary or if the worker's accepted injury is no longer the major contributing cause of the worker's combined or consequential condition or conditions pursuant to ORS 656.005 (7). The closure shall include the duration of temporary total or temporary partial disability compensation. Permanent disability compensation shall be redetermined for unscheduled disability only. If the worker has returned to work or the worker's attending physician has released the worker to return to regular or modified employment, the insurer or self-insured employer shall again close the claim. This notice of closure may be appealed only in the same manner as are other notices of closure under this section.

(10) If the attending physician has approved the worker's return to work and there is a labor dispute in progress at the place of employment, the worker may refuse to return to that employment without loss of reemployment rights or any vocational assistance provided by this chapter.

(11) Any notice of closure made under this section may include necessary adjustments in compensation paid or payable prior to the notice of closure, including disallowance of permanent disability payments prematurely made, crediting temporary disability payments against current or future permanent or temporary disability awards or payments and requiring the payment of temporary disability payments which were payable but not paid.

(12) An insurer or self-insured employer may take a credit or offset of previously paid workers' compensation benefits or payments against any further workers' compensation benefits or payments due a worker from that insurer or self-insured employer when the worker admits to having obtained the previously paid benefits or payments through fraud, or a civil judgment or criminal conviction is entered against the worker for having obtained the previously paid benefits through fraud. Benefits or payments obtained through fraud by a worker shall not be included in any data used for ratemaking or individual employer rating or dividend calculations by a guaranty contract insurer, a rating organization licensed pursuant to ORS chapter 737, the State Accident Insurance Fund Corporation or the director.

(13)(a) An insurer or self-insured employer may offset any compensation payable to the worker to recover an overpayment from a claim with the same insurer or self-insured employer. When overpayments are recovered from temporary disability or permanent total disability benefits, the amount recovered from each payment shall not exceed 25 percent of the payment, without prior authorization from the worker.

(b) An insurer or self-insured employer may suspend and offset any compensation payable to the beneficiary of the worker, and recover an overpayment of permanent total disability benefits caused by the failure of the worker's beneficiaries to notify the insurer or self-insured employer about the death of the worker.

(14) Conditions that are direct medical sequelae to the original accepted condition shall be included in rating permanent disability of the claim unless they have been specifically denied.

SECTION 6. ORS 656.304 is amended to read:

656.304. A claimant may accept and cash any check given in payment of any award or compensation without affecting the right to a hearing, except that the right of hearing on any award shall be waived by acceptance of a lump sum award by a claimant where such lump sum award was granted *[on]* **as a result of** the claimant's own *[application]* **request** under ORS 656.230. This section shall not be construed as a waiver of the necessity of complying with ORS 656.283 to 656.298.

SECTION 7. ORS 656.726 is amended to read:

656.726. (1) The Workers' Compensation Board in its name and the Director of the Department of Consumer and Business Services in the director's name as director may sue and be sued, and each shall have a seal.

(2) The board hereby is charged with reviewing appealed orders of Administrative Law Judges in controversies concerning a claim arising under this chapter, exercising own motion jurisdiction under this chapter and providing such policy advice as the director may request, and providing such other review functions as may be prescribed by law. To that end any of its members or assistants authorized thereto by the members shall have power to:

(a) Hold sessions at any place within the state.

(b) Administer oaths.

(c) Issue and serve by the board's representatives, or by any sheriff, subpoenas for the attendance of witnesses and the production of papers, contracts, books, accounts, documents and testimony before any hearing under ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter.

(d) Generally provide for the taking of testimony and for the recording of proceedings.

(3) The board chairperson is hereby charged with the administration of and responsibility for the Hearings Division.

(4) The director hereby is charged with duties of administration, regulation and enforcement of ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter. To that end the director may:

(a) Make and declare all rules and issue orders which are reasonably required in the performance of the director's duties. Unless otherwise specified by law, all reports, claims or other documents shall be deemed timely provided to the director or board if mailed by regular mail or delivered within the time required by law. Notwithstanding any other provision of this chapter, the director may adopt rules to allow for the electronic transmission and filing of reports, claims or other documents required to be filed under this chapter. Notwithstanding ORS 183.310 to 183.410, if a matter comes before the director that is not addressed by rule and the director finds that adoption of a rule to accommodate the matter would be inefficient, unreasonable or unnecessarily burdensome to the public, the director may resolve the matter by issuing an order, subject to review under ORS 656.704. Such order shall not have precedential effect as to any other situation.

(b) Hold sessions at any place within the state.

(c) Administer oaths.

(d) Issue and serve by representatives of the director, or by any sheriff, subpoenas for the attendance of witnesses and the production of papers, contracts, books, accounts, documents and testimony in any inquiry, investigation, proceeding or rulemaking hearing conducted by the director or the director's representatives. The director may require the attendance and testimony of employers, their officers and representatives in any inquiry under this chapter, and the production by employers of books, records, papers and documents without the payment or tender of witness fees on account of such attendance.

(e) Generally provide for the taking of testimony and for the recording of such proceedings.

(f) Provide standards for the evaluation of disabilities. The following provisions apply to the standards:

(A) The criterion for evaluation of permanent impairment under ORS 656.214 is the loss of use or function of a body part or system due to the compensable industrial injury or occupational disease. Permanent impairment is expressed as a percentage of the whole person. The impairment value may not exceed 100 percent of the whole person.

(B) Impairment is established by a preponderance of medical evidence based upon objective findings.

(C) The criterion for evaluation of work disability under ORS 656.214 is permanent impairment as modified by the factors of age, education and adaptability to perform a given job.

(D) When, upon reconsideration of a notice of closure pursuant to ORS 656.268, it is found that the worker's disability is not addressed by the standards adopted pursuant to this paragraph, notwithstanding ORS 656.268, the director shall *[stay further proceedings on the reconsideration of the claim and shall adopt temporary rules amending the standards to accommodate]*, **in the order on reconsideration, determine the extent of permanent disability that addresses** the worker's impairment.

(E) Notwithstanding any other provision of this section, only impairment benefits shall be awarded under ORS 656.214 if the worker has been released to regular work by the attending physician or nurse practitioner authorized to provide compensable medical services under ORS 656.245 or has returned to regular work at the job held at the time of injury.

(g) Prescribe procedural rules for and conduct hearings, investigations and other proceedings pursuant to ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter regarding all matters other than those specifically allocated to the board or the Hearings Division.

(h) Participate fully in any proceeding before the Hearings Division, board or Court of Appeals in which the director determines that the proceeding involves a matter that affects or could affect the discharge of the director's duties of administration, regulation and enforcement of ORS 654.001 to 654.295 and 654.750 to 654.780 and this chapter.

(5) The board may make and declare all rules which are reasonably required in the performance of its duties, including but not limited to rules of practice and procedure in connection with hearing and review proceedings and exercising its authority under ORS 656.278. The board shall adopt standards governing the format and timing of the evidence. The standards shall be uniformly followed by all Administrative Law Judges and practitioners. The rules may provide for informal pre-hearing conferences in order to expedite claim adjudication, amicably dispose of controversies, if possible, narrow issues and simplify the method of proof at hearings. The rules shall specify who may appear with parties at prehearing conferences and hearings.

(6) The director and the board chairperson may incur such expenses as they respectively determine are reasonably necessary to perform their authorized functions.

(7) The director, the board chairperson and the State Accident Insurance Fund Corporation shall have the right, not subject to review, to contract for the exchange of, or payment for, such services between them as will reduce the overall cost of administering this chapter.

(8) The director shall have lien and enforcement powers regarding assessments to be paid by subject employers in the same manner and to the same extent as is provided for lien and enforcement of collection of premiums and assessments by the corporation under ORS 656.552 to 656.566.

(9) The director shall have the same powers regarding inspection of books, records and payrolls of employers as are granted the corporation under ORS 656.758. The director may disclose information obtained from such inspections to the Director of the Department of Revenue to the extent the Director of the Department of Revenue requires such information to determine that a person complies with the revenue and tax laws of this state and to the Director of the Employment Department to the extent the Director of the Employment Department requires such information to determine that a person complies with ORS chapter 657.

(10) The director shall collect hours-worked data information in addition to total payroll for workers engaged in various jobs in the construction industry classifications described in the job classification portion of the Workers' Compensation and Employers Liability Manual and the Oregon Special Rules Section published by the National Council on Compensation Insurance. The information shall be collected in the form and format necessary for the National Council on Compensation Insurance to analyze premium equity.

SECTION 8. ORS 656.726, as amended by section 4, chapter 657, Oregon Laws 2003, section 18, chapter 811, Oregon Laws 2003, section 17, chapter 26, Oregon Laws 2005, and section 2a, chapter 653, Oregon Laws 2005, is amended to read:

656.726. (1) The Workers' Compensation Board in its name and the Director of the Department of Consumer and Business Services in the director's name as director may sue and be sued, and each shall have a seal.

(2) The board hereby is charged with reviewing appealed orders of Administrative Law Judges in controversies concerning a claim arising under this chapter, exercising own motion jurisdiction under this chapter and providing such policy advice as the director may request, and providing such other review functions as may be prescribed by law. To that end any of its members or assistants authorized thereto by the members shall have power to:

(a) Hold sessions at any place within the state.

(b) Administer oaths.

(c) Issue and serve by the board's representatives, or by any sheriff, subpoenas for the attendance of witnesses and the production of papers, contracts, books, accounts, documents and testimony before any hearing under ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter.

(d) Generally provide for the taking of testimony and for the recording of proceedings.

(3) The board chairperson is hereby charged with the administration of and responsibility for the Hearings Division.

(4) The director hereby is charged with duties of administration, regulation and enforcement of ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter. To that end the director may:

(a) Make and declare all rules and issue orders which are reasonably required in the performance of the director's duties. Unless otherwise specified by law, all reports, claims or other documents shall be deemed timely provided to the director or board if mailed by regular mail or delivered within the time required by law. Notwithstanding any other provision of this chapter, the director may adopt rules to allow for the electronic transmission and filing of reports, claims or other documents required to be filed under this chapter. Notwithstanding ORS 183.310 to 183.410, if a matter comes before the director that is not addressed by rule and the director finds that adoption of a rule to accommodate the matter would be inefficient, unreasonable or unnecessarily burdensome to the public, the director may resolve the matter by issuing an order, subject to review under ORS 656.704. Such order shall not have precedential effect as to any other situation.

(b) Hold sessions at any place within the state.

(c) Administer oaths.

(d) Issue and serve by representatives of the director, or by any sheriff, subpoenas for the attendance of witnesses and the production of papers, contracts, books, accounts, documents and testimony in any inquiry, investigation, proceeding or rulemaking hearing conducted by the director or the director's representatives. The director may require the attendance and testimony of employers, their officers and representatives in any inquiry under this chapter, and the production by employers of books, records, papers and documents without the payment or tender of witness fees on account of such attendance.

(e) Generally provide for the taking of testimony and for the recording of such proceedings.

(f) Provide standards for the evaluation of disabilities. The following provisions apply to the standards:

(A) The criteria for evaluation of disabilities under ORS 656.214 (5) shall be permanent impairment due to the industrial injury as modified by the factors of age, education and adaptability to perform a given job.

(B) Impairment is established by a preponderance of medical evidence based upon objective findings.

(C) When, upon reconsideration of a notice of closure pursuant to ORS 656.268, it is found that the worker's disability is not addressed by the standards adopted pursuant to this paragraph, notwithstanding ORS 656.268, the director shall *[stay further proceedings on the reconsideration of the claim and shall adopt temporary rules amending the standards to accommodate]*, **in the order on reconsideration, determine the extent of permanent disability that addresses** the worker's impairment.

(D) Notwithstanding any other provision of this section, impairment is the only factor to be considered in evaluation of the worker's disability under ORS 656.214 (5) if:

(i) The worker returns to regular work at the job held at the time of injury;

(ii) The attending physician releases the worker to regular work at the job held at the time of injury and the job is available but the worker fails or refuses to return to that job; or

(iii) The attending physician releases the worker to regular work at the job held at the time of injury but the worker's employment is terminated for cause unrelated to the injury.

(g) Prescribe procedural rules for and conduct hearings, investigations and other proceedings pursuant to ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter regarding all matters other than those specifically allocated to the board or the Hearings Division.

(h) Participate fully in any proceeding before the Hearings Division, board or Court of Appeals in which the director determines that the proceeding involves a matter that affects or could affect the discharge of the director's duties of administration, regulation and enforcement of ORS 654.001 to 654.295 and 654.750 to 654.780 and this chapter.

(5) The board may make and declare all rules which are reasonably required in the performance of its duties, including but not limited to rules of practice and procedure in connection with hearing and review proceedings and exercising its authority under ORS 656.278. The board shall adopt

standards governing the format and timing of the evidence. The standards shall be uniformly followed by all Administrative Law Judges and practitioners. The rules may provide for informal prehearing conferences in order to expedite claim adjudication, amicably dispose of controversies, if possible, narrow issues and simplify the method of proof at hearings. The rules shall specify who may appear with parties at prehearing conferences and hearings.

(6) The director and the board chairperson may incur such expenses as they respectively determine are reasonably necessary to perform their authorized functions.

(7) The director, the board chairperson and the State Accident Insurance Fund Corporation shall have the right, not subject to review, to contract for the exchange of, or payment for, such services between them as will reduce the overall cost of administering this chapter.

(8) The director shall have lien and enforcement powers regarding assessments to be paid by subject employers in the same manner and to the same extent as is provided for lien and enforcement of collection of premiums and assessments by the corporation under ORS 656.552 to 656.566.

(9) The director shall have the same powers regarding inspection of books, records and payrolls of employers as are granted the corporation under ORS 656.758. The director may disclose information obtained from such inspections to the Director of the Department of Revenue to the extent the Director of the Department of Revenue requires such information to determine that a person complies with the revenue and tax laws of this state and to the Director of the Employment Department to the extent the Director of the Employment Department requires such information to determine that a person complies with ORS chapter 657.

(10) The director shall collect hours-worked data information in addition to total payroll for workers engaged in various jobs in the construction industry classifications described in the job classification portion of the Workers' Compensation and Employers Liability Manual and the Oregon Special Rules Section published by the National Council on Compensation Insurance. The information shall be collected in the form and format necessary for the National Council on Compensation Insurance to analyze premium equity.

SECTION 9. ORS 656.745 is amended to read:

656.745. (1) The Director of the Department of Consumer and Business Services shall assess a civil penalty against an employer or insurer who intentionally or repeatedly induces claimants for compensation to fail to report accidental injuries, causes employees to collect accidental injury claims as off-the-job injury claims, persuades claimants to accept less than the compensation due or makes it necessary for claimants to resort to proceedings against the employer to secure compensation due.

(2) The director may assess a civil penalty against an employer, [or] insurer [who] **or managed care organization that:**

(a) Fails to pay assessments or other payments due to the director under this chapter and is in default; or

(b) Fails to comply with statutes, rules or orders of the director regarding reports or other requirements necessary to carry out the purposes of this chapter.

(3) A civil penalty shall be not more than \$2,000 for each violation or \$10,000 in the aggregate for all violations within any three-month period. Each violation, or each day a violation continues, shall be considered a separate violation.

(4) ORS 656.735 (4) to (6) and 656.740 also apply to orders and penalties assessed under this section.
