(6) If the director makes a correction under this section that has the effect of increasing the assessment to which the correction relates, except where the correction is made to correct a value changed on appeal, the department shall treat the correction as an addition of omitted property for purposes of giving the notice required under section 9 of this 2007 Act.

**SECTION 8.** (1) If the Director of the Department of Revenue determines that any real or personal property that is assessable by the Department of Revenue under ORS 308.505 to 308.665 has not been assessed on the assessment roll for the year in which the roll was last certified or on the roll for any prior year that does not exceed five years prior to the year for which the last roll was certified under ORS 308.635, the department shall give the notice prescribed in section 9 of this 2007 Act to the person or company in whose name the omitted property is to be assessed.

**SECTION 10.** (1) If the person or company that is notified under section 9 of this 2007 Act does not appear before the Department of Revenue or appears but fails to show cause as to why the assessment should not be made, the Director of the Department of Revenue shall proceed to correct each certified assessment roll from which the property was omitted, but may not correct a roll for a year that exceeds five years prior to the year for which the last roll was certified.
