By COMMITTEE ON BUSINESS AND LABOR

March 8

1 In line 2 of the printed bill, after "claims" insert "; amending ORS 656.005, 656.245, 656.250,  
2 656.252, 656.262, 656.268, 656.325, 656.340, 656.726, 657.170, 659A.043, 659A.046, 659A.049 and  
3 659A.063; and repealing section 33, chapter 811, Oregon Laws 2003".

4 Delete lines 4 through 7 and insert:

5 "**SECTION 1.** ORS 656.005, as amended by section 2, chapter 811, Oregon Laws 2003, is  
6 amended to read:

7 "656.005. (1) 'Average weekly wage' means the Oregon average weekly wage in covered em-  
8 ployment, as determined by the Employment Department, for the last quarter of the calendar year  
9 preceding the fiscal year in which the injury occurred.

10 "(2) 'Beneficiary' means an injured worker, and the husband, wife, child or dependent of a  
11 worker, who is entitled to receive payments under this chapter. 'Beneficiary' does not include:

12 "(a) A spouse of an injured worker living in a state of abandonment for more than one year at  
13 the time of the injury or subsequently. A spouse who has lived separate and apart from the worker  
14 for a period of two years and who has not during that time received or attempted by process of law  
15 to collect funds for support or maintenance is considered living in a state of abandonment.

16 "(b) A person who intentionally causes the compensable injury to or death of an injured worker.

17 "(3) 'Board' means the Workers' Compensation Board.

18 "(4) 'Carrier-insured employer' means an employer who provides workers' compensation cover-  
19 age with a guaranty contract insurer.

20 "(5) 'Child' includes a posthumous child, a child legally adopted prior to the injury, a child to-  
21 ward whom the worker stands in loco parentis, an illegitimate child and a stepchild, if such  
22 stepchild was, at the time of the injury, a member of the worker's family and substantially dependent  
23 upon the worker for support. An invalid dependent child is a child, for purposes of benefits, re-  
24 gardless of age, so long as the child was an invalid at the time of the accident and thereafter re-  
25 mains an invalid substantially dependent on the worker for support. For purposes of this chapter,  
26 an invalid dependent child is considered to be a child under 18 years of age.

27 "(6) 'Claim' means a written request for compensation from a subject worker or someone on the  
28 worker's behalf, or any compensable injury of which a subject employer has notice or knowledge.

29 "(7)(a) A 'compensable injury' is an accidental injury, or accidental injury to prosthetic appli-  
30 ances, arising out of and in the course of employment requiring medical services or resulting in  
31 disability or death; an injury is accidental if the result is an accident, whether or not due to acci-  
32 dental means, if it is established by medical evidence supported by objective findings, subject to the  
33 following limitations:

34 "(A) No injury or disease is compensable as a consequence of a compensable injury unless the  
35 compensable injury is the major contributing cause of the consequential condition.

1 “(B) If an otherwise compensable injury combines at any time with a preexisting condition to  
2 cause or prolong disability or a need for treatment, the combined condition is compensable only if,  
3 so long as and to the extent that the otherwise compensable injury is the major contributing cause  
4 of the disability of the combined condition or the major contributing cause of the need for treatment  
5 of the combined condition.

6 “(b) ‘Compensable injury’ does not include:

7 “(A) Injury to any active participant in assaults or combats which are not connected to the job  
8 assignment and which amount to a deviation from customary duties;

9 “(B) Injury incurred while engaging in or performing, or as the result of engaging in or per-  
10 forming, any recreational or social activities primarily for the worker’s personal pleasure; or

11 “(C) Injury the major contributing cause of which is demonstrated to be by a preponderance of  
12 the evidence the injured worker’s consumption of alcoholic beverages or the unlawful consumption  
13 of any controlled substance, unless the employer permitted, encouraged or had actual knowledge of  
14 such consumption.

15 “(c) A ‘disabling compensable injury’ is an injury which entitles the worker to compensation for  
16 disability or death. An injury is not disabling if no temporary benefits are due and payable, unless  
17 there is a reasonable expectation that permanent disability will result from the injury.

18 “(d) A ‘nondisabling compensable injury’ is any injury which requires medical services only.

19 “(8) ‘Compensation’ includes all benefits, including medical services, provided for a compensable  
20 injury to a subject worker or the worker’s beneficiaries by an insurer or self-insured employer pur-  
21 suant to this chapter.

22 “(9) ‘Department’ means the Department of Consumer and Business Services.

23 “(10) ‘Dependent’ means any of the following-named relatives of a worker whose death results  
24 from any injury: Father, mother, grandfather, grandmother, stepfather, stepmother, grandson,  
25 granddaughter, brother, sister, half sister, half brother, niece or nephew, who at the time of the  
26 accident, are dependent in whole or in part for their support upon the earnings of the worker.  
27 Unless otherwise provided by treaty, aliens not residing within the United States at the time of the  
28 accident other than father, mother, husband, wife or children are not included within the term ‘de-  
29 pendent.’

30 “(11) ‘Director’ means the Director of the Department of Consumer and Business Services.

31 “(12)(a) ‘Doctor’ or ‘physician’ means a person duly licensed to practice one or more of the  
32 healing arts in any country or in any state, territory or possession of the United States within the  
33 limits of the license of the licentiate.

34 “(b) Except as otherwise provided for workers subject to a managed care contract, ‘attending  
35 physician’ means a doctor or physician who is primarily responsible for the treatment of a worker’s  
36 compensable injury and who is:

37 “(A) A medical doctor or doctor of osteopathy licensed under ORS 677.100 to 677.228 by the  
38 Board of Medical Examiners for the State of Oregon or an oral and maxillofacial surgeon licensed  
39 by the Oregon Board of Dentistry or a similarly licensed doctor in any country or in any state,  
40 territory or possession of the United States; or

41 “(B) For a period of 30 days from the date of first visit on the initial claim or for 12 visits,  
42 whichever first occurs, a doctor or physician licensed by the State Board of Chiropractic Examiners  
43 for the State of Oregon or a similarly licensed doctor or physician in any country or in any state,  
44 territory or possession of the United States.

45 “(c) ‘Consulting physician’ means a doctor or physician who examines a worker or the worker’s

1 medical record to advise the attending physician **or nurse practitioner authorized to provide**  
2 **compensable medical services under ORS 656.245** regarding treatment of a worker's compensable  
3 injury.

4 "(13)(a) 'Employer' means any person, including receiver, administrator, executor or trustee, and  
5 the state, state agencies, counties, municipal corporations, school districts and other public corpo-  
6 rations or political subdivisions, who contracts to pay a remuneration for and secures the right to  
7 direct and control the services of any person.

8 "(b) Notwithstanding paragraph (a) of this subsection, for purposes of this chapter, the client  
9 of a temporary service provider is not the employer of temporary workers provided by the temporary  
10 service provider.

11 "(c) As used in paragraph (b) of this subsection, 'temporary service provider' has the meaning  
12 for that term provided in ORS 656.850.

13 "(14) 'Guaranty contract insurer' and 'insurer' mean the State Accident Insurance Fund Corpo-  
14 ration or an insurer authorized under ORS chapter 731 to transact workers' compensation insurance  
15 in this state or an assigned claims agent selected by the director under ORS 656.054.

16 "(15) 'Consumer and Business Services Fund' means the fund created by ORS 705.145.

17 "(16) 'Invalid' means one who is physically or mentally incapacitated from earning a livelihood.

18 "(17) 'Medically stationary' means that no further material improvement would reasonably be  
19 expected from medical treatment, or the passage of time.

20 "(18) 'Noncomplying employer' means a subject employer who has failed to comply with ORS  
21 656.017.

22 "(19) 'Objective findings' in support of medical evidence are verifiable indications of injury or  
23 disease that may include, but are not limited to, range of motion, atrophy, muscle strength and  
24 palpable muscle spasm. 'Objective findings' does not include physical findings or subjective re-  
25 sponses to physical examinations that are not reproducible, measurable or observable.

26 "(20) 'Palliative care' means medical service rendered to reduce or moderate temporarily the  
27 intensity of an otherwise stable medical condition, but does not include those medical services ren-  
28 dered to diagnose, heal or permanently alleviate or eliminate a medical condition.

29 "(21) 'Party' means a claimant for compensation, the employer of the injured worker at the time  
30 of injury and the insurer, if any, of such employer.

31 "(22) 'Payroll' means a record of wages payable to workers for their services and includes  
32 commissions, value of exchange labor and the reasonable value of board, rent, housing, lodging or  
33 similar advantage received from the employer. However, 'payroll' does not include overtime pay,  
34 vacation pay, bonus pay, tips, amounts payable under profit-sharing agreements or bonus payments  
35 to reward workers for safe working practices. Bonus pay is limited to payments which are not an-  
36 ticipated under the contract of employment and which are paid at the sole discretion of the em-  
37 ployer. The exclusion from payroll of bonus payments to reward workers for safe working practices  
38 is only for the purpose of calculations based on payroll to determine premium for workers' com-  
39 pensation insurance, and does not affect any other calculation or determination based on payroll for  
40 the purposes of this chapter.

41 "(23) 'Person' includes partnership, joint venture, association, limited liability company and  
42 corporation.

43 "(24)(a) 'Preexisting condition' means, for all industrial injury claims, any injury, disease, con-  
44 genital abnormality, personality disorder or similar condition that contributes to disability or need  
45 for treatment, provided that:

1 “(A) Except for claims in which a preexisting condition is arthritis or an arthritic condition, the  
2 worker has been diagnosed with such condition, or has obtained medical services for the symptoms  
3 of the condition regardless of diagnosis; and

4 “(B)(i) In claims for an initial injury or omitted condition, the diagnosis or treatment precedes  
5 the initial injury;

6 “(ii) In claims for a new medical condition, the diagnosis or treatment precedes the onset of the  
7 new medical condition; or

8 “(iii) In claims for a worsening pursuant to ORS 656.273 or 656.278, the diagnosis or treatment  
9 precedes the onset of the worsened condition.

10 “(b) ‘Preexisting condition’ means, for all occupational disease claims, any injury, disease, con-  
11 genital abnormality, personality disorder or similar condition that contributes to disability or need  
12 for treatment and that precedes the onset of the claimed occupational disease, or precedes a claim  
13 for worsening in such claims pursuant to ORS 656.273 or 656.278.

14 “(c) For the purposes of industrial injury claims, a condition does not contribute to disability  
15 or need for treatment if the condition merely renders the worker more susceptible to the injury.

16 “(25) ‘Self-insured employer’ means an employer or group of employers certified under ORS  
17 656.430 as meeting the qualifications set out by ORS 656.407.

18 “(26) ‘State Accident Insurance Fund Corporation’ and ‘corporation’ mean the State Accident  
19 Insurance Fund Corporation created under ORS 656.752.

20 “(27) ‘Subject employer’ means an employer who is subject to this chapter as provided by ORS  
21 656.023.

22 “(28) ‘Subject worker’ means a worker who is subject to this chapter as provided by ORS  
23 656.027.

24 “(29) ‘Wages’ means the money rate at which the service rendered is recompensed under the  
25 contract of hiring in force at the time of the accident, including reasonable value of board, rent,  
26 housing, lodging or similar advantage received from the employer, and includes the amount of tips  
27 required to be reported by the employer pursuant to section 6053 of the Internal Revenue Code of  
28 1954, as amended, and the regulations promulgated pursuant thereto, or the amount of actual tips  
29 reported, whichever amount is greater. The State Accident Insurance Fund Corporation may estab-  
30 lish assumed minimum and maximum wages, in conformity with recognized insurance principles, at  
31 which any worker shall be carried upon the payroll of the employer for the purpose of determining  
32 the premium of the employer.

33 “(30) ‘Worker’ means any person, including a minor whether lawfully or unlawfully employed,  
34 who engages to furnish services for a remuneration, subject to the direction and control of an em-  
35 ployer and includes salaried, elected and appointed officials of the state, state agencies, counties,  
36 cities, school districts and other public corporations, but does not include any person whose services  
37 are performed as an inmate or ward of a state institution or as part of the eligibility requirements  
38 for a general or public assistance grant. For the purpose of determining entitlement to temporary  
39 disability benefits or permanent total disability benefits under this chapter, ‘worker’ does not include  
40 a person who has withdrawn from the workforce during the period for which such benefits are  
41 sought.

42 “(31) ‘Independent contractor’ has the meaning for that term provided in ORS 670.600.

43 “**SECTION 2.** ORS 656.245, as amended by section 4, chapter 811, Oregon Laws 2003, and sec-  
44 tion 4, chapter 26, Oregon Laws 2005, is amended to read:

45 “656.245. (1)(a) For every compensable injury, the insurer or the self-insured employer shall

1 cause to be provided medical services for conditions caused in material part by the injury for such  
2 period as the nature of the injury or the process of the recovery requires, subject to the limitations  
3 in ORS 656.225, including such medical services as may be required after a determination of per-  
4 manent disability. In addition, for consequential and combined conditions described in ORS 656.005  
5 (7), the insurer or the self-insured employer shall cause to be provided only those medical services  
6 directed to medical conditions caused in major part by the injury.

7 “(b) Compensable medical services shall include medical, surgical, hospital, nursing, ambulances  
8 and other related services, and drugs, medicine, crutches and prosthetic appliances, braces and  
9 supports and where necessary, physical restorative services. A pharmacist or dispensing physician  
10 shall dispense generic drugs to the worker in accordance with ORS 689.515. The duty to provide  
11 such medical services continues for the life of the worker.

12 “(c) Notwithstanding any other provision of this chapter, medical services after the worker’s  
13 condition is medically stationary are not compensable except for the following:

14 “(A) Services provided to a worker who has been determined to be permanently and totally  
15 disabled.

16 “(B) Prescription medications.

17 “(C) Services necessary to administer prescription medication or monitor the administration of  
18 prescription medication.

19 “(D) Prosthetic devices, braces and supports.

20 “(E) Services necessary to monitor the status, replacement or repair of prosthetic devices,  
21 braces and supports.

22 “(F) Services provided pursuant to an accepted claim for aggravation under ORS 656.273.

23 “(G) Services provided pursuant to an order issued under ORS 656.278.

24 “(H) Services that are necessary to diagnose the worker’s condition.

25 “(I) Life-preserving modalities similar to insulin therapy, dialysis and transfusions.

26 “(J) With the approval of the insurer or self-insured employer, palliative care that the worker’s  
27 attending physician referred to in ORS 656.005 (12)(b)(A) prescribes and that is necessary to enable  
28 the worker to continue current employment or a vocational training program. If the insurer or  
29 self-insured employer does not approve, the attending physician or the worker may request approval  
30 from the Director of the Department of Consumer and Business Services for such treatment. The  
31 director may order a medical review by a physician or panel of physicians pursuant to ORS 656.327  
32 (3) to aid in the review of such treatment. The decision of the director is subject to review under  
33 ORS 656.704.

34 “(K) With the approval of the director, curative care arising from a generally recognized, non-  
35 experimental advance in medical science since the worker’s claim was closed that is highly likely  
36 to improve the worker’s condition and that is otherwise justified by the circumstances of the claim.  
37 The decision of the director is subject to review under ORS 656.704.

38 “(L) Curative care provided to a worker to stabilize a temporary and acute waxing and waning  
39 of symptoms of the worker’s condition.

40 “(d) When the medically stationary date in a disabling claim is established by the insurer or  
41 self-insured employer and is not based on the findings of the attending physician, the insurer or  
42 self-insured employer is responsible for reimbursement to affected medical service providers for  
43 otherwise compensable services rendered until the insurer or self-insured employer provides written  
44 notice to the attending physician of the worker’s medically stationary status.

45 “(e) Except for services provided under a managed care contract, out-of-pocket expense re-

1 imbursement to receive care from the attending physician **or nurse practitioner authorized to**  
2 **provide compensable medical services under this section** shall not exceed the amount required  
3 to seek care from an appropriate **nurse practitioner or** attending physician of the same specialty  
4 who is in a medical community geographically closer to the worker's home. For the purposes of this  
5 paragraph, all physicians **and nurse practitioners** within a metropolitan area are considered to be  
6 part of the same medical community.

7 “(2)(a) The worker may choose an attending doctor, [or] physician **or nurse practitioner** within  
8 the State of Oregon. The worker may choose the initial attending physician **or nurse practitioner**  
9 and may subsequently change attending physician **or nurse practitioner** two times without ap-  
10 proval from the director. If the worker thereafter selects another attending physician **or nurse**  
11 **practitioner**, the insurer or self-insured employer may require the director's approval of the se-  
12 lection and, if requested, the director shall determine with the advice of one or more physicians,  
13 whether the selection by the worker shall be approved. The decision of the director is subject to  
14 review under ORS 656.704. The worker also may choose an attending doctor or physician in another  
15 country or in any state or territory or possession of the United States with the prior approval of  
16 the insurer or self-insured employer.

17 “(b) A medical service provider who is not a member of a managed care organization is subject  
18 to the following provisions:

19 “(A) A medical service provider who is not qualified to be an attending physician may provide  
20 compensable medical service to an injured worker for a period of 30 days from the date of injury  
21 or occupational disease or for 12 visits, whichever first occurs, without the authorization of an at-  
22 tending physician. Thereafter, medical service provided to an injured worker without the written  
23 authorization of an attending physician is not compensable.

24 “(B) A medical service provider who is not an attending physician cannot authorize the payment  
25 of temporary disability compensation. Except as otherwise provided in this chapter, only the at-  
26 tending physician at the time of claim closure may make findings regarding the worker's impairment  
27 for the purpose of evaluating the worker's disability.

28 “(C) **Notwithstanding subparagraphs (A) and (B) of this paragraph, a nurse practitioner**  
29 **licensed under ORS 678.375 to 678.390 may:**

30 “(i) **Provide compensable medical services for 90 days from the date of the first visit on**  
31 **the claim;**

32 “(ii) **Authorize the payment of temporary disability benefits for a period not to exceed**  
33 **60 days from the date of the first visit on the initial claim; and**

34 “(iii) **When an injured worker treating with a nurse practitioner authorized to provide**  
35 **compensable services under this section becomes medically stationary within the 90-day pe-**  
36 **riod in which the nurse practitioner is authorized to treat the injured worker, shall refer the**  
37 **injured worker to a physician qualified to be an attending physician as defined in ORS 656.005**  
38 **for the purpose of making findings regarding the worker's impairment for the purpose of**  
39 **evaluating the worker's disability. If a worker returns to the nurse practitioner after initial**  
40 **claim closure for evaluation of a possible worsening of the worker's condition, the nurse**  
41 **practitioner shall refer the worker to an attending physician and the insurer shall compen-**  
42 **sate the nurse practitioner for the examination performed.**

43 “(3) Notwithstanding any other provision of this chapter, the director, by rule, upon the advice  
44 of the committee created by ORS 656.794 and upon the advice of the professional licensing boards  
45 of practitioners affected by the rule, may exclude from compensability any medical treatment the

1 director finds to be unscientific, unproven, outmoded or experimental. The decision of the director  
2 is subject to review under ORS 656.704.

3 “(4) Notwithstanding subsection (2)(a) of this section, when a self-insured employer or the  
4 insurer of an employer contracts with a managed care organization certified pursuant to ORS  
5 656.260 for medical services required by this chapter to be provided to injured workers:

6 “(a) Those workers who are subject to the contract shall receive medical services in the manner  
7 prescribed in the contract. Workers subject to the contract include those who are receiving medical  
8 treatment for an accepted compensable injury or occupational disease, regardless of the date of in-  
9 jury or medically stationary status, on or after the effective date of the contract. If the managed  
10 care organization determines that the change in provider would be medically detrimental to the  
11 worker, the worker shall not become subject to the contract until the worker is found to be med-  
12 ically stationary, the worker changes physicians **or nurse practitioners**, or the managed care or-  
13 ganization determines that the change in provider is no longer medically detrimental, whichever  
14 event first occurs. A worker becomes subject to the contract upon the worker’s receipt of actual  
15 notice of the worker’s enrollment in the managed care organization, or upon the third day after the  
16 notice was sent by regular mail by the insurer or self-insured employer, whichever event first oc-  
17 curs. A worker shall not be subject to a contract after it expires or terminates without renewal. A  
18 worker may continue to treat with the attending physician **or nurse practitioner authorized to**  
19 **provide compensable medical services under this section** under an expired or terminated man-  
20 aged care organization contract if the physician **or nurse practitioner** agrees to comply with the  
21 rules, terms and conditions regarding services performed under any subsequent managed care or-  
22 ganization contract to which the worker is subject. A worker shall not be subject to a contract if  
23 the worker’s primary residence is more than 100 miles outside the managed care organization’s  
24 certified geographical area. Each such contract must comply with the certification standards pro-  
25 vided in ORS 656.260. However, a worker may receive immediate emergency medical treatment that  
26 is compensable from a medical service provider who is not a member of the managed care organ-  
27 ization. Insurers or self-insured employers who contract with a managed care organization for med-  
28 ical services shall give notice to the workers of eligible medical service providers and such other  
29 information regarding the contract and manner of receiving medical services as the director may  
30 prescribe. Notwithstanding any provision of law or rule to the contrary, a worker of a noncomplying  
31 employer is considered to be subject to a contract between the State Accident Insurance Fund  
32 Corporation as a processing agent or the assigned claims agent and a managed care organization.

33 “(b)(A) For initial or aggravation claims filed after June 7, 1995, the insurer or self-insured em-  
34 ployer may require an injured worker, on a case-by-case basis, immediately to receive medical ser-  
35 vices from the managed care organization.

36 “(B) If the insurer or self-insured employer gives notice that the worker is required to receive  
37 treatment from the managed care organization, the insurer or self-insured employer must guarantee  
38 that any reasonable and necessary services so received, that are not otherwise covered by health  
39 insurance, will be paid as provided in ORS 656.248, even if the claim is denied, until the worker  
40 receives actual notice of the denial or until three days after the denial is mailed, whichever event  
41 first occurs. The worker may elect to receive care from a primary care physician **or nurse practi-**  
42 **tioner authorized to provide compensable medical services under this section** who agrees to  
43 the conditions of ORS 656.260 (4)(g). However, guarantee of payment is not required by the insurer  
44 or self-insured employer if this election is made.

45 “(C) If the insurer or self-insured employer does not give notice that the worker is required to

1 receive treatment from the managed care organization, the insurer or self-insured employer is under  
2 no obligation to pay for services received by the worker unless the claim is later accepted.

3 “(D) If the claim is denied, the worker may receive medical services after the date of denial from  
4 sources other than the managed care organization until the denial is reversed. Reasonable and  
5 necessary medical services received from sources other than the managed care organization after  
6 the date of claim denial must be paid as provided in ORS 656.248 by the insurer or self-insured em-  
7 ployer if the claim is finally determined to be compensable.

8 “(5) Notwithstanding any other provision of this chapter, the director, by rule, shall authorize  
9 [*nurse practitioners certified by the Oregon State Board of Nursing and*] physician assistants licensed  
10 by the Board of Medical Examiners for the State of Oregon who practice in areas served by Type  
11 A or Type B rural hospitals described in ORS 442.470 to authorize the payment of temporary disa-  
12 bility compensation for injured workers for a period not to exceed 30 days from the date of the first  
13 visit on the claim. In addition, the director, by rule, may authorize such [*practitioners and*] assistants  
14 who practice in areas served by a Type C rural hospital described in ORS 442.470 to authorize such  
15 payment.

16 “(6) **A nurse practitioner licensed under ORS 678.375 to 678.390 who is not a member of**  
17 **the managed care organization, is authorized to provide the same level of services as a pri-**  
18 **mary care physician as established by ORS 656.260 (4), if at the time the worker is enrolled**  
19 **in the managed care organization, the nurse practitioner maintains the worker’s medical**  
20 **records and with whom the worker has a documented history of treatment, if that nurse**  
21 **practitioner agrees to refer the worker to the managed care organization for any specialized**  
22 **treatment, including physical therapy, to be furnished by another provider that the worker**  
23 **may require and if that nurse practitioner agrees to comply with all the rules, terms and**  
24 **conditions regarding services performed by the managed care organization.**

25 “[6] (7) Subject to the provisions of ORS 656.704, if a claim for medical services is disapproved,  
26 the injured worker, insurer or self-insured employer may request administrative review by the di-  
27 rector pursuant to ORS 656.260 or 656.327.

28 “**SECTION 3.** ORS 656.250, as amended by section 6, chapter 811, Oregon Laws 2003, is  
29 amended to read:

30 “656.250. A physical therapist shall not provide compensable services to injured workers gov-  
31 erned by this chapter except as allowed by a governing managed care organization contract or as  
32 authorized by the worker’s attending physician **or nurse practitioner authorized to provide**  
33 **compensable medical services under ORS 656.245.**

34 “**SECTION 4.** ORS 656.252, as amended by section 8, chapter 811, Oregon Laws 2003, is  
35 amended to read:

36 “656.252. (1) In order to ensure the prompt and correct reporting and payment of compensation  
37 in compensable injuries, the Director of the Department of Consumer and Business Services shall  
38 make rules governing audits of medical service bills and reports by attending and consulting physi-  
39 cians and other personnel of all medical information relevant to the determination of a claim to the  
40 injured worker’s representative, the worker’s employer, the employer’s insurer and the Department  
41 of Consumer and Business Services. Such rules shall include, but not necessarily be limited to:

42 “(a) Requiring attending physicians **and nurse practitioners authorized to provide**  
43 **compensable medical services under ORS 656.245** to make the insurer or self-insured employer  
44 a first report of injury within 72 hours after the first service rendered.

45 “(b) Requiring attending physicians **and nurse practitioners authorized to provide**

1 **compensable medical services under ORS 656.245** to submit follow-up reports within specified  
2 time limits or upon the request of an interested party.

3 “(c) Requiring examining physicians **and nurse practitioners authorized to provide**  
4 **compensable medical services under ORS 656.245** to submit their reports, and to whom, within  
5 a specified time.

6 “(d) Such other reporting requirements as the director may deem necessary to insure that pay-  
7 ments of compensation be prompt and that all interested parties be given information necessary to  
8 the prompt determination of claims.

9 “(e) Requiring insurers and self-insured employers to audit billings for all medical services, in-  
10 cluding hospital services.

11 “(2) The attending physician **or nurse practitioner authorized to provide compensable**  
12 **medical services under ORS 656.245** shall do the following:

13 “(a) Cooperate with the insurer or self-insured employer to expedite diagnostic and treatment  
14 procedures and with efforts to return injured workers to appropriate work.

15 “(b) Advise the insurer or self-insured employer of the anticipated date for release of the injured  
16 worker to return to employment, the anticipated date that the worker will be medically stationary,  
17 and the next appointment date. Except when the attending physician **or nurse practitioner au-**  
18 **thorized to provide compensable medical services under ORS 656.245** has previously indicated  
19 that temporary disability will not exceed 14 days, the insurer or self-insured employer may request  
20 a medical report every 15 days, and the attending physician **or nurse practitioner** shall forward  
21 such reports.

22 “(c) Advise the insurer or self-insured employer within five days of the date the injured worker  
23 is released to return to work. Under no circumstances shall the physician **or nurse practitioner**  
24 **authorized to provide compensable medical services under ORS 656.245** notify the insurer or  
25 employer of the worker’s release to return to work without notifying the worker at the same time.

26 “(d) After a claim has been closed, advise the insurer or self-insured employer within five days  
27 after the treatment is resumed or the reopening of a claim is recommended. The attending physician  
28 under this paragraph need not be the same attending physician who released the worker when the  
29 claim was closed.

30 “(3) In promulgating the rules regarding medical reporting the director may consult and confer  
31 with physicians and members of medical associations and societies.

32 “(4) No person who reports medical information to a person referred to in subsection (1) of this  
33 section, in accordance with department rules, shall incur any legal liability for the disclosure of  
34 such information.

35 “(5) Whenever an injured worker changes attending physicians **or nurse practitioners au-**  
36 **thorized to provide compensable medical services under ORS 656.245**, the newly selected at-  
37 tending physician **or nurse practitioner** shall so notify the responsible insurer or self-insured  
38 employer not later than five days after the date of the change or the date of first treatment. Every  
39 attending physician **or nurse practitioner authorized to provide compensable medical services**  
40 **under ORS 656.245** who refers a worker to a consulting physician promptly shall notify the re-  
41 sponsible insurer or self-insured employer of the referral.

42 “(6) A provider of medical services, including hospital services, that submits a billing to the  
43 insurer or self-insured employer shall also submit a copy of the billing to the worker for whom the  
44 service was performed after receipt from the injured worker of a written request for such a copy.

45 “**SECTION 5.** ORS 656.262, as amended by section 10, chapter 811, Oregon Laws 2003, section

1 10, chapter 26, Oregon Laws 2005, section 2, chapter 511, Oregon Laws 2005, and section 3, chapter  
2 588, Oregon Laws 2005, is amended to read:

3 “656.262. (1) Processing of claims and providing compensation for a worker shall be the respon-  
4 sibility of the insurer or self-insured employer. All employers shall assist their insurers in processing  
5 claims as required in this chapter.

6 “(2) The compensation due under this chapter shall be paid periodically, promptly and directly  
7 to the person entitled thereto upon the employer’s receiving notice or knowledge of a claim, except  
8 where the right to compensation is denied by the insurer or self-insured employer.

9 “(3)(a) Employers shall, immediately and not later than five days after notice or knowledge of  
10 any claims or accidents which may result in a compensable injury claim, report the same to their  
11 insurer. The report shall include:

12 “(A) The date, time, cause and nature of the accident and injuries.

13 “(B) Whether the accident arose out of and in the course of employment.

14 “(C) Whether the employer recommends or opposes acceptance of the claim, and the reasons  
15 therefor.

16 “(D) The name and address of any health insurance provider for the injured worker.

17 “(E) Any other details the insurer may require.

18 “(b) Failure to so report subjects the offending employer to a charge for reimbursing the insurer  
19 for any penalty the insurer is required to pay under subsection (11) of this section because of such  
20 failure. As used in this subsection, ‘health insurance’ has the meaning for that term provided in ORS  
21 731.162.

22 “(4)(a) The first installment of temporary disability compensation shall be paid no later than the  
23 14th day after the subject employer has notice or knowledge of the claim, if the attending physician  
24 **or nurse practitioner authorized to provide compensable medical services under ORS 656.245**  
25 authorizes the payment of temporary disability compensation. Thereafter, temporary disability com-  
26 pensation shall be paid at least once each two weeks, except where the Director of the Department  
27 of Consumer and Business Services determines that payment in installments should be made at some  
28 other interval. The director may by rule convert monthly benefit schedules to weekly or other pe-  
29 riodic schedules.

30 “(b) Notwithstanding any other provision of this chapter, if a self-insured employer pays to an  
31 injured worker who becomes disabled the same wage at the same pay interval that the worker re-  
32 ceived at the time of injury, such payment shall be deemed timely payment of temporary disability  
33 payments pursuant to ORS 656.210 and 656.212 during the time the wage payments are made.

34 “(c) Notwithstanding any other provision of this chapter, when the holder of a public office is  
35 injured in the course and scope of that public office, full official salary paid to the holder of that  
36 public office shall be deemed timely payment of temporary disability payments pursuant to ORS  
37 656.210 and 656.212 during the time the wage payments are made. As used in this subsection, ‘public  
38 office’ has the meaning for that term provided in ORS 260.005.

39 “(d) Temporary disability compensation is not due and payable for any period of time for which  
40 the insurer or self-insured employer has requested from the worker’s attending physician **or nurse**  
41 **practitioner authorized to provide compensable medical services under ORS 656.245** verifica-  
42 tion of the worker’s inability to work resulting from the claimed injury or disease and the physician  
43 **or nurse practitioner** cannot verify the worker’s inability to work, unless the worker has been  
44 unable to receive treatment for reasons beyond the worker’s control.

45 “(e) If a worker fails to appear at an appointment with the worker’s attending physician **or**

1 **nurse practitioner authorized to provide compensable medical services under ORS 656.245**, the  
2 insurer or self-insured employer shall notify the worker by certified mail that temporary disability  
3 benefits may be suspended after the worker fails to appear at a rescheduled appointment. If the  
4 worker fails to appear at a rescheduled appointment, the insurer or self-insured employer may sus-  
5 pend payment of temporary disability benefits to the worker until the worker appears at a subse-  
6 quent rescheduled appointment.

7 “(f) If the insurer or self-insured employer has requested and failed to receive from the worker’s  
8 attending physician **or nurse practitioner authorized to provide compensable medical services**  
9 **under ORS 656.245** verification of the worker’s inability to work resulting from the claimed injury  
10 or disease, medical services provided by the attending physician **or nurse practitioner** are not  
11 compensable until the attending physician **or nurse practitioner** submits such verification.

12 “(g) Temporary disability compensation is not due and payable pursuant to ORS 656.268 after  
13 the worker’s attending physician **or nurse practitioner authorized to provide compensable**  
14 **medical services under ORS 656.245** ceases to authorize temporary disability or for any period of  
15 time not authorized by the attending physician **or nurse practitioner**. No authorization of tempo-  
16 rary disability compensation by the attending physician **or nurse practitioner** under ORS 656.268  
17 shall be effective to retroactively authorize the payment of temporary disability more than 14 days  
18 prior to its issuance.

19 “(h) The worker’s disability may be authorized only by a person described in ORS 656.005  
20 (12)(b)(B) or 656.245 [(5)] for the period of time permitted by those sections. The insurer or self-  
21 insured employer may unilaterally suspend payment of temporary disability benefits to the worker  
22 at the expiration of the period until temporary disability is reauthorized by an attending physician  
23 **or nurse practitioner authorized to provide compensable medical services under ORS**  
24 **656.245**.

25 “(i) The insurer or self-insured employer may unilaterally suspend payment of all compensation  
26 to a worker enrolled in a managed care organization if the worker continues to seek care from an  
27 attending physician **or nurse practitioner authorized to provide compensable medical services**  
28 **under ORS 656.245** that is not authorized by the managed care organization more than seven days  
29 after the mailing of notice by the insurer or self-insured employer.

30 “(5) Payment of compensation under subsection (4) of this section or payment, in amounts not  
31 to exceed \$1,500 per claim, for medical services for nondisabling claims, may be made by the subject  
32 employer if the employer so chooses. The making of such payments does not constitute a waiver or  
33 transfer of the insurer’s duty to determine entitlement to benefits. If the employer chooses to make  
34 such payment, the employer shall report the injury to the insurer in the same manner that other  
35 injuries are reported. However, an insurer shall not modify an employer’s experience rating or  
36 otherwise make charges against the employer for any medical expenses paid by the employer pur-  
37 suant to this subsection.

38 “(6)(a) Written notice of acceptance or denial of the claim shall be furnished to the claimant by  
39 the insurer or self-insured employer within 60 days after the employer has notice or knowledge of  
40 the claim. Once the claim is accepted, the insurer or self-insured employer shall not revoke accept-  
41 ance except as provided in this section. The insurer or self-insured employer may revoke acceptance  
42 and issue a denial at any time when the denial is for fraud, misrepresentation or other illegal ac-  
43 tivity by the worker. If the worker requests a hearing on any revocation of acceptance and denial  
44 alleging fraud, misrepresentation or other illegal activity, the insurer or self-insured employer has  
45 the burden of proving, by a preponderance of the evidence, such fraud, misrepresentation or other

1 illegal activity. Upon such proof, the worker then has the burden of proving, by a preponderance  
2 of the evidence, the compensability of the claim. If the insurer or self-insured employer accepts a  
3 claim in good faith, in a case not involving fraud, misrepresentation or other illegal activity by the  
4 worker, and later obtains evidence that the claim is not compensable or evidence that the insurer  
5 or self-insured employer is not responsible for the claim, the insurer or self-insured employer may  
6 revoke the claim acceptance and issue a formal notice of claim denial, if such revocation of ac-  
7 ceptance and denial is issued no later than two years after the date of the initial acceptance. If the  
8 worker requests a hearing on such revocation of acceptance and denial, the insurer or self-insured  
9 employer must prove, by a preponderance of the evidence, that the claim is not compensable or that  
10 the insurer or self-insured employer is not responsible for the claim. Notwithstanding any other  
11 provision of this chapter, if a denial of a previously accepted claim is set aside by an Administrative  
12 Law Judge, the Workers' Compensation Board or the court, temporary total disability benefits are  
13 payable from the date any such benefits were terminated under the denial. Except as provided in  
14 ORS 656.247, pending acceptance or denial of a claim, compensation payable to a claimant does not  
15 include the costs of medical benefits or burial expenses. The insurer shall also furnish the employer  
16 a copy of the notice of acceptance.

17       “(b) The notice of acceptance shall:

18           “(A) Specify what conditions are compensable.

19           “(B) Advise the claimant whether the claim is considered disabling or nondisabling.

20           “(C) Inform the claimant of the Expedited Claim Service and of the hearing and aggravation  
21 rights concerning nondisabling injuries, including the right to object to a decision that the injury  
22 of the claimant is nondisabling by requesting reclassification pursuant to ORS 656.277.

23           “(D) Inform the claimant of employment reinstatement rights and responsibilities under ORS  
24 chapter 659A.

25           “(E) Inform the claimant of assistance available to employers and workers from the Reemploy-  
26 ment Assistance Program under ORS 656.622.

27           “(F) Be modified by the insurer or self-insured employer from time to time as medical or other  
28 information changes a previously issued notice of acceptance.

29       “(c) An insurer's or self-insured employer's acceptance of a combined or consequential condition  
30 under ORS 656.005 (7), whether voluntary or as a result of a judgment or order, shall not preclude  
31 the insurer or self-insured employer from later denying the combined or consequential condition if  
32 the otherwise compensable injury ceases to be the major contributing cause of the combined or  
33 consequential condition.

34       “(d) An injured worker who believes that a condition has been incorrectly omitted from a notice  
35 of acceptance, or that the notice is otherwise deficient, first must communicate in writing to the  
36 insurer or self-insured employer the worker's objections to the notice pursuant to ORS 656.267. The  
37 insurer or self-insured employer has 60 days from receipt of the communication from the worker to  
38 revise the notice or to make other written clarification in response. A worker who fails to comply  
39 with the communication requirements of this paragraph or ORS 656.267 may not allege at any  
40 hearing or other proceeding on the claim a de facto denial of a condition based on information in  
41 the notice of acceptance from the insurer or self-insured employer. Notwithstanding any other pro-  
42 vision of this chapter, the worker may initiate objection to the notice of acceptance at any time.

43       “(7)(a) After claim acceptance, written notice of acceptance or denial of claims for aggravation  
44 or new medical or omitted condition claims properly initiated pursuant to ORS 656.267 shall be  
45 furnished to the claimant by the insurer or self-insured employer within 60 days after the insurer

1 or self-insured employer receives written notice of such claims. A worker who fails to comply with  
2 the communication requirements of subsection (6) of this section or ORS 656.267 may not allege at  
3 any hearing or other proceeding on the claim a de facto denial of a condition based on information  
4 in the notice of acceptance from the insurer or self-insured employer.

5 “(b) Once a worker’s claim has been accepted, the insurer or self-insured employer must issue  
6 a written denial to the worker when the accepted injury is no longer the major contributing cause  
7 of the worker’s combined condition before the claim may be closed.

8 “(c) When an insurer or self-insured employer determines that the claim qualifies for claim clo-  
9 sure, the insurer or self-insured employer shall issue at claim closure an updated notice of accept-  
10 ance that specifies which conditions are compensable. The procedures specified in subsection (6)(d)  
11 of this section apply to this notice. Any objection to the updated notice or appeal of denied condi-  
12 tions shall not delay claim closure pursuant to ORS 656.268. If a condition is found compensable  
13 after claim closure, the insurer or self-insured employer shall reopen the claim for processing re-  
14 garding that condition.

15 “(8) The assigned claims agent in processing claims under ORS 656.054 shall send notice of ac-  
16 ceptance or denial to the noncomplying employer.

17 “(9) If an insurer or any other duly authorized agent of the employer for such purpose, on record  
18 with the Director of the Department of Consumer and Business Services denies a claim for com-  
19 pensation, written notice of such denial, stating the reason for the denial, and informing the worker  
20 of the Expedited Claim Service and of hearing rights under ORS 656.283, shall be given to the  
21 claimant. A copy of the notice of denial shall be mailed to the director and to the employer by the  
22 insurer. The worker may request a hearing pursuant to ORS 656.319.

23 “(10) Merely paying or providing compensation shall not be considered acceptance of a claim  
24 or an admission of liability, nor shall mere acceptance of such compensation be considered a waiver  
25 of the right to question the amount thereof. Payment of permanent disability benefits pursuant to a  
26 notice of closure, reconsideration order or litigation order, or the failure to appeal or seek review  
27 of such an order or notice of closure, shall not preclude an insurer or self-insured employer from  
28 subsequently contesting the compensability of the condition rated therein, unless the condition has  
29 been formally accepted.

30 “(11)(a) If the insurer or self-insured employer unreasonably delays or unreasonably refuses to  
31 pay compensation, or unreasonably delays acceptance or denial of a claim, the insurer or self-  
32 insured employer shall be liable for an additional amount up to 25 percent of the amounts then due  
33 plus any attorney fees assessed under this section. The fees assessed by the director, an Adminis-  
34 trative Law Judge, the board or the court under this section shall be proportionate to the benefit  
35 to the injured worker. The board shall adopt rules for establishing the amount of the attorney fee,  
36 giving primary consideration to the results achieved and to the time devoted to the case. An attor-  
37 ney fee awarded pursuant to this subsection may not exceed \$2,000 absent a showing of extraor-  
38 dinary circumstances. Notwithstanding any other provision of this chapter, the director shall have  
39 exclusive jurisdiction over proceedings regarding solely the assessment and payment of the addi-  
40 tional amount and attorney fees described in this subsection. The action of the director and the re-  
41 view of the action taken by the director shall be subject to review under ORS 656.704.

42 “(b) When the director does not have exclusive jurisdiction over proceedings regarding the as-  
43 sessment and payment of the additional amount and attorney fees described in this subsection, the  
44 provisions of this subsection shall apply in the other proceeding.

45 “(12) The insurer may authorize an employer to pay compensation to injured workers and shall

1 reimburse employers for compensation so paid.

2 “(13) Injured workers have the duty to cooperate and assist the insurer or self-insured employer  
3 in the investigation of claims for compensation. Injured workers shall submit to and shall fully co-  
4 operate with personal and telephonic interviews and other formal or informal information gathering  
5 techniques. Injured workers who are represented by an attorney shall have the right to have the  
6 attorney present during any personal or telephonic interview or deposition. However, if the attorney  
7 is not willing or available to participate in an interview at a time reasonably chosen by the insurer  
8 or self-insured employer within 14 days of the request for interview and the insurer or self-insured  
9 employer has cause to believe that the attorney’s unwillingness or unavailability is unreasonable  
10 and is preventing the worker from complying within 14 days of the request for interview, the insurer  
11 or self-insured employer shall notify the director. If the director determines that the attorney’s un-  
12 willingness or unavailability is unreasonable, the director shall assess a civil penalty against the  
13 attorney of not more than \$1,000.

14 “(14) If the director finds that a worker fails to reasonably cooperate with an investigation in-  
15 volving an initial claim to establish a compensable injury or an aggravation claim to reopen the  
16 claim for a worsened condition, the director shall suspend all or part of the payment of compen-  
17 sation after notice to the worker. If the worker does not cooperate for an additional 30 days after  
18 the notice, the insurer or self-insured employer may deny the claim because of the worker’s failure  
19 to cooperate. The obligation of the insurer or self-insured employer to accept or deny the claim  
20 within 60 days is suspended during the time of the worker’s noncooperation. After such a denial, the  
21 worker shall not be granted a hearing or other proceeding under this chapter on the merits of the  
22 claim unless the worker first requests and establishes at an expedited hearing under ORS 656.291  
23 that the worker fully and completely cooperated with the investigation, that the worker failed to  
24 cooperate for reasons beyond the worker’s control or that the investigative demands were unrea-  
25 sonable. If the Administrative Law Judge finds that the worker has not fully cooperated, the Ad-  
26 ministrative Law Judge shall affirm the denial, and the worker’s claim for injury shall remain  
27 denied. If the Administrative Law Judge finds that the worker has cooperated, or that the investi-  
28 gative demands were unreasonable, the Administrative Law Judge shall set aside the denial, order  
29 the reinstatement of interim compensation if appropriate and remand the claim to the insurer or  
30 self-insured employer to accept or deny the claim.

31 “(15) In accordance with ORS 656.283 (4), the Administrative Law Judge assigned a request for  
32 hearing for a claim for compensation involving more than one potentially responsible employer or  
33 insurer may specify what is required of an injured worker to reasonably cooperate with the inves-  
34 tigation of the claim as required by subsection (13) of this section.

35 “**SECTION 6.** ORS 656.268, as amended by section 8, chapter 657, Oregon Laws 2003, section  
36 12, chapter 811, Oregon Laws 2003, section 2, chapter 221, Oregon Laws 2005, section 4, chapter 461,  
37 Oregon Laws 2005, and section 2, chapter 569, Oregon Laws 2005, is amended to read:

38 “656.268. (1) One purpose of this chapter is to restore the injured worker as soon as possible  
39 and as near as possible to a condition of self support and maintenance as an able-bodied worker.  
40 The insurer or self-insured employer shall close the worker’s claim, as prescribed by the Director  
41 of the Department of Consumer and Business Services, and determine the extent of the worker’s  
42 permanent disability, provided the worker is not enrolled and actively engaged in training according  
43 to rules adopted by the director pursuant to ORS 656.340 and 656.726, when:

44 “(a) The worker has become medically stationary and there is sufficient information to deter-  
45 mine permanent impairment;

1 “(b) The accepted injury is no longer the major contributing cause of the worker’s combined or  
2 consequential condition or conditions pursuant to ORS 656.005 (7). When the claim is closed because  
3 the accepted injury is no longer the major contributing cause of the worker’s combined or conse-  
4 quential condition or conditions, and there is sufficient information to determine permanent impair-  
5 ment, the likely impairment and adaptability that would have been due to the current accepted  
6 condition shall be estimated;

7 “(c) Without the approval of the attending physician **or nurse practitioner authorized to**  
8 **provide compensable medical services under ORS 656.245**, the worker fails to seek medical  
9 treatment for a period of 30 days or the worker fails to attend a closing examination, unless the  
10 worker affirmatively establishes that such failure is attributable to reasons beyond the worker’s  
11 control; or

12 “(d) An insurer or self-insured employer finds that a worker who has been receiving permanent  
13 total disability benefits has materially improved and is capable of regularly performing work at a  
14 gainful and suitable occupation.

15 “(2) If the worker is enrolled and actively engaged in training according to rules adopted pur-  
16 suant to ORS 656.340 and 656.726, the temporary disability compensation shall be proportionately  
17 reduced by any sums earned during the training.

18 “(3) A copy of all medical reports and reports of vocational rehabilitation agencies or counselors  
19 shall be furnished to the worker, if requested by the worker.

20 “(4) Temporary total disability benefits shall continue until whichever of the following events  
21 first occurs:

22 “(a) The worker returns to regular or modified employment;

23 “(b) The attending physician **or nurse practitioner who has authorized temporary disability**  
24 **benefits for the worker under ORS 656.245** advises the worker and documents in writing that the  
25 worker is released to return to regular employment;

26 “(c) The attending physician **or nurse practitioner who has authorized temporary disability**  
27 **benefits for the worker under ORS 656.245** advises the worker and documents in writing that the  
28 worker is released to return to modified employment, such employment is offered in writing to the  
29 worker and the worker fails to begin such employment. However, an offer of modified employment  
30 may be refused by the worker without the termination of temporary total disability benefits if the  
31 offer:

32 “(A) Requires a commute that is beyond the physical capacity of the worker according to the  
33 worker’s attending physician **or the nurse practitioner who may authorize temporary disability**  
34 **under ORS 656.245**;

35 “(B) Is at a work site more than 50 miles one way from where the worker was injured unless  
36 the site is less than 50 miles from the worker’s residence or the intent of the parties at the time  
37 of hire or as established by the pattern of employment prior to the injury was that the employer had  
38 multiple or mobile work sites and the worker could be assigned to any such site;

39 “(C) Is not with the employer at injury;

40 “(D) Is not at a work site of the employer at injury;

41 “(E) Is not consistent with the existing written shift change policy or is not consistent with  
42 common practice of the employer at injury or aggravation; or

43 “(F) Is not consistent with an existing shift change provision of an applicable collective bar-  
44 gaining agreement; or

45 “(d) Any other event that causes temporary disability benefits to be lawfully suspended, withheld

1 or terminated under ORS 656.262 (4) or other provisions of this chapter.

2 “(5)(a) Findings by the insurer or self-insured employer regarding the extent of the worker’s  
3 disability in closure of the claim shall be pursuant to the standards prescribed by the director. The  
4 insurer or self-insured employer shall issue a notice of closure of such a claim to the worker, to the  
5 worker’s attorney if the worker is represented, and to the director. The notice must inform:

6 “(A) The parties, in boldfaced type, of the proper manner in which to proceed if they are dis-  
7 satisfied with the terms of the notice;

8 “(B) The worker of the amount of any further compensation, including permanent disability  
9 compensation to be awarded; of the duration of temporary total or temporary partial disability  
10 compensation; of the right of the worker to request reconsideration by the director under this sec-  
11 tion within 60 days of the date of the notice of claim closure; of the right of the insurer or self-  
12 insured employer to request reconsideration by the director under this section within seven days  
13 of the date of the notice of claim closure; of the aggravation rights; and of such other information  
14 as the director may require; and

15 “(C) Any beneficiaries of death benefits to which they may be entitled pursuant to ORS 656.204  
16 and 656.208.

17 “(b) If the insurer or self-insured employer has not issued a notice of closure, the worker may  
18 request closure. Within 10 days of receipt of a written request from the worker, the insurer or  
19 self-insured employer shall issue a notice of closure if the requirements of this section have been  
20 met or a notice of refusal to close if the requirements of this section have not been met. A notice  
21 of refusal to close shall advise the worker of the decision not to close; of the right of the worker  
22 to request a hearing pursuant to ORS 656.283 within 60 days of the date of the notice of refusal to  
23 close the claim; of the right to be represented by an attorney; and of such other information as the  
24 director may require.

25 “(c) If a worker, insurer or self-insured employer objects to the notice of closure, the objecting  
26 party first must request reconsideration by the director under this section. A worker’s request for  
27 reconsideration must be made within 60 days of the date of the notice of closure. A request for re-  
28 consideration by an insurer or self-insured employer may be based only on disagreement with the  
29 findings used to rate impairment and must be made within seven days of the date of the notice of  
30 closure.

31 “(d) If an insurer or self-insured employer has closed a claim or refused to close a claim pursu-  
32 ant to this section, if the correctness of that notice of closure or refusal to close is at issue in a  
33 hearing on the claim and if a finding is made at the hearing that the notice of closure or refusal to  
34 close was not reasonable, a penalty shall be assessed against the insurer or self-insured employer  
35 and paid to the worker in an amount equal to 25 percent of all compensation determined to be then  
36 due the claimant.

37 “(e) If, upon reconsideration of a claim closed by an insurer or self-insured employer, the di-  
38 rector orders an increase by 25 percent or more of the amount of compensation to be paid to the  
39 worker for either a scheduled or unscheduled permanent disability and the worker is found upon  
40 reconsideration to be at least 20 percent permanently disabled, a penalty shall be assessed against  
41 the insurer or self-insured employer and paid to the worker in an amount equal to 25 percent of all  
42 compensation determined to be then due the claimant. If the increase in compensation results from  
43 information that the insurer or self-insured employer demonstrates the insurer or self-insured em-  
44 ployer could not reasonably have known at the time of claim closure, from new information obtained  
45 through a medical arbiter examination or from the adoption of a temporary emergency rule, the

1 penalty shall not be assessed.

2 “(6)(a) Notwithstanding any other provision of law, only one reconsideration proceeding may be  
3 held on each notice of closure. At the reconsideration proceeding:

4 “(A) A deposition arranged by the worker, limited to the testimony and cross-examination of the  
5 worker about the worker’s condition at the time of claim closure, shall become part of the recon-  
6 sideration record. The deposition must be conducted subject to the opportunity for cross-examination  
7 by the insurer or self-insured employer and in accordance with rules adopted by the director. The  
8 cost of the court reporter and one original of the transcript of the deposition for the Department  
9 of Consumer and Business Services and one copy of the transcript of the deposition for each party  
10 shall be paid by the insurer or self-insured employer. The reconsideration proceeding may not be  
11 postponed to receive a deposition taken under this subparagraph. A deposition taken in accordance  
12 with this subparagraph may be received as evidence at a hearing even if the deposition is not pre-  
13 pared in time for use in the reconsideration proceeding.

14 “(B) Pursuant to rules adopted by the director, the worker or the insurer or self-insured em-  
15 ployer may correct information in the record that is erroneous and may submit any medical evidence  
16 that should have been but was not submitted by the attending physician **or nurse practitioner**  
17 **authorized to provide compensable medical services under ORS 656.245** at the time of claim  
18 closure.

19 “(C) If the director determines that a claim was not closed in accordance with subsection (1)  
20 of this section, the director may rescind the closure.

21 “(b) If necessary, the director may require additional medical or other information with respect  
22 to the claims and may postpone the reconsideration for not more than 60 additional calendar days.

23 “(c) In any reconsideration proceeding under this section in which the worker was represented  
24 by an attorney, the director shall order the insurer or self-insured employer to pay to the attorney,  
25 out of the additional compensation awarded, an amount equal to 10 percent of any additional com-  
26 pensation awarded to the worker.

27 “(d) The reconsideration proceeding shall be completed within 18 working days from the date  
28 the reconsideration proceeding begins, and shall be performed by a special evaluation appellate unit  
29 within the department. The deadline of 18 working days may be postponed by an additional 60 cal-  
30 endar days if within the 18 working days the department mails notice of review by a medical arbiter.  
31 If an order on reconsideration has not been mailed on or before 18 working days from the date the  
32 reconsideration proceeding begins, or within 18 working days plus the additional 60 calendar days  
33 where a notice for medical arbiter review was timely mailed or the director postponed the recon-  
34 sideration pursuant to paragraph (b) of this subsection, or within such additional time as provided  
35 in subsection (7) of this section when reconsideration is postponed further because the worker has  
36 failed to cooperate in the medical arbiter examination, reconsideration shall be deemed denied and  
37 any further proceedings shall occur as though an order on reconsideration affirming the notice of  
38 closure was mailed on the date the order was due to issue.

39 “(e) The period for completing the reconsideration proceeding described in paragraph (d) of this  
40 subsection begins upon receipt by the director of a worker’s request for reconsideration pursuant  
41 to subsection (5)(c) of this section. If the insurer or self-insured employer requests reconsideration,  
42 the period for reconsideration begins upon the earlier of the date of the request for reconsideration  
43 by the worker, the date of receipt of a waiver from the worker of the right to request reconsider-  
44 ation or the date of expiration of the right of the worker to request reconsideration. If a party elects  
45 not to file a separate request for reconsideration, the party does not waive the right to fully par-

1 ticipate in the reconsideration proceeding, including the right to proceed with the reconsideration  
2 if the initiating party withdraws the request for reconsideration.

3 “(f) Any medical arbiter report may be received as evidence at a hearing even if the report is  
4 not prepared in time for use in the reconsideration proceeding.

5 “(g) If any party objects to the reconsideration order, the party may request a hearing under  
6 ORS 656.283 within 30 days from the date of the reconsideration order.

7 “(7)(a) If the basis for objection to a notice of closure issued under this section is disagreement  
8 with the impairment used in rating of the worker’s disability, the director shall refer the claim to  
9 a medical arbiter appointed by the director.

10 “(b) If neither party requests a medical arbiter and the director determines that insufficient  
11 medical information is available to determine disability, the director may refer the claim to a med-  
12 ical arbiter appointed by the director.

13 “(c) At the request of either of the parties, a panel of three medical arbiters shall be appointed.

14 “(d) The arbiter, or panel of medical arbiters, shall be chosen from among a list of physicians  
15 qualified to be attending physicians referred to in ORS 656.005 (12)(b)(A) who were selected by the  
16 director in consultation with the Board of Medical Examiners for the State of Oregon and the  
17 committee referred to in ORS 656.790.

18 “(e)(A) The medical arbiter or panel of medical arbiters may examine the worker and perform  
19 such tests as may be reasonable and necessary to establish the worker’s impairment.

20 “(B) If the director determines that the worker failed to attend the examination without good  
21 cause or failed to cooperate with the medical arbiter, or panel of medical arbiters, the director shall  
22 postpone the reconsideration proceedings for up to 60 days from the date of the determination that  
23 the worker failed to attend or cooperate, and shall suspend all disability benefits resulting from this  
24 or any prior opening of the claim until such time as the worker attends and cooperates with the  
25 examination or the request for reconsideration is withdrawn. Any additional evidence regarding  
26 good cause must be submitted prior to the conclusion of the 60-day postponement period.

27 “(C) At the conclusion of the 60-day postponement period, if the worker has not attended and  
28 cooperated with a medical arbiter examination or established good cause, there shall be no further  
29 opportunity for the worker to attend a medical arbiter examination for this claim closure. The re-  
30 consideration record shall be closed, and the director shall issue an order on reconsideration based  
31 upon the existing record.

32 “(D) All disability benefits suspended pursuant to this subsection, including all disability benefits  
33 awarded in the order on reconsideration, or by an Administrative Law Judge, the Workers’ Com-  
34 pensation Board or upon court review, shall not be due and payable to the worker.

35 “(f) The costs of examination and review by the medical arbiter or panel of medical arbiters  
36 shall be paid by the insurer or self-insured employer.

37 “(g) The findings of the medical arbiter or panel of medical arbiters shall be submitted to the  
38 director for reconsideration of the notice of closure.

39 “(h) After reconsideration, no subsequent medical evidence of the worker’s impairment is ad-  
40 missible before the director, the Workers’ Compensation Board or the courts for purposes of making  
41 findings of impairment on the claim closure.

42 “(i)(A) When the basis for objection to a notice of closure issued under this section is a disa-  
43 greement with the impairment used in rating the worker’s disability, and the director determines  
44 that the worker is not medically stationary at the time of the reconsideration or that the closure  
45 was not made pursuant to this section, the director is not required to appoint a medical arbiter prior

1 to the completion of the reconsideration proceeding.

2 “(B) If the worker’s condition has substantially changed since the notice of closure, upon the  
3 consent of all the parties to the claim, the director shall postpone the proceeding until the worker’s  
4 condition is appropriate for claim closure under subsection (1) of this section.

5 “(8) No hearing shall be held on any issue that was not raised and preserved before the director  
6 at reconsideration. However, issues arising out of the reconsideration order may be addressed and  
7 resolved at hearing.

8 “(9) If, after the notice of closure issued pursuant to this section, the worker becomes enrolled  
9 and actively engaged in training according to rules adopted pursuant to ORS 656.340 and 656.726,  
10 any permanent disability payments due under the closure shall be suspended, and the worker shall  
11 receive temporary disability compensation while the worker is enrolled and actively engaged in the  
12 training. When the worker ceases to be enrolled and actively engaged in the training, the insurer  
13 or self-insured employer shall again close the claim pursuant to this section if the worker is med-  
14 ically stationary or if the worker’s accepted injury is no longer the major contributing cause of the  
15 worker’s combined or consequential condition or conditions pursuant to ORS 656.005 (7). The closure  
16 shall include the duration of temporary total or temporary partial disability compensation. Perma-  
17 nent disability compensation shall be redetermined for unscheduled disability only. If the worker has  
18 returned to work or the worker’s attending physician has released the worker to return to regular  
19 or modified employment, the insurer or self-insured employer shall again close the claim. This notice  
20 of closure may be appealed only in the same manner as are other notices of closure under this  
21 section.

22 “(10) If the attending physician **or nurse practitioner authorized to provide compensable**  
23 **medical services under ORS 656.245** has approved the worker’s return to work and there is a labor  
24 dispute in progress at the place of employment, the worker may refuse to return to that employment  
25 without loss of reemployment rights or any vocational assistance provided by this chapter.

26 “(11) Any notice of closure made under this section may include necessary adjustments in com-  
27 pensation paid or payable prior to the notice of closure, including disallowance of permanent disa-  
28 bility payments prematurely made, crediting temporary disability payments against current or future  
29 permanent or temporary disability awards or payments and requiring the payment of temporary  
30 disability payments which were payable but not paid.

31 “(12) An insurer or self-insured employer may take a credit or offset of previously paid workers’  
32 compensation benefits or payments against any further workers’ compensation benefits or payments  
33 due a worker from that insurer or self-insured employer when the worker admits to having obtained  
34 the previously paid benefits or payments through fraud, or a civil judgment or criminal conviction  
35 is entered against the worker for having obtained the previously paid benefits through fraud. Bene-  
36 fits or payments obtained through fraud by a worker shall not be included in any data used for  
37 ratemaking or individual employer rating or dividend calculations by a guaranty contract insurer,  
38 a rating organization licensed pursuant to ORS chapter 737, the State Accident Insurance Fund  
39 Corporation or the director.

40 “(13)(a) An insurer or self-insured employer may offset any compensation payable to the worker  
41 to recover an overpayment from a claim with the same insurer or self-insured employer. When  
42 overpayments are recovered from temporary disability or permanent total disability benefits, the  
43 amount recovered from each payment shall not exceed 25 percent of the payment, without prior  
44 authorization from the worker.

45 “(b) An insurer or self-insured employer may suspend and offset any compensation payable to

1 the beneficiary of the worker, and recover an overpayment of permanent total disability benefits  
2 caused by the failure of the worker's beneficiaries to notify the insurer or self-insured employer  
3 about the death of the worker.

4 "(14) Conditions that are direct medical sequelae to the original accepted condition shall be in-  
5 cluded in rating permanent disability of the claim unless they have been specifically denied.

6 "**SECTION 7.** ORS 656.325, as amended by section 12, chapter 657, Oregon Laws 2003, section  
7 14, chapter 811, Oregon Laws 2003, and section 2, chapter 675, Oregon Laws 2005, is amended to  
8 read:

9 "656.325. (1)(a) Any worker entitled to receive compensation under this chapter is required, if  
10 requested by the Director of the Department of Consumer and Business Services, the insurer or  
11 self-insured employer, to submit to a medical examination at a time reasonably convenient for the  
12 worker as may be provided by the rules of the director. No more than three independent medical  
13 examinations may be requested except after notification to and authorization by the director. If the  
14 worker refuses to submit to any such examination, or obstructs the same, the rights of the worker  
15 to compensation shall be suspended with the consent of the director until the examination has taken  
16 place, and no compensation shall be payable during or for account of such period. The provisions  
17 of this paragraph are subject to the limitations on medical examinations provided in ORS 656.268.

18 "(b) When a worker is requested by the director, the insurer or self-insured employer to attend  
19 an independent medical examination, the examination must be conducted by a physician selected  
20 from a list of qualified physicians established by the director under ORS 656.328.

21 "(c) The director shall adopt rules applicable to independent medical examinations conducted  
22 pursuant to paragraph (a) of this subsection that:

23 "(A) Provide a worker the opportunity to request review by the director of the reasonableness  
24 of the location selected for an independent **medical** examination. Upon receipt of the request for  
25 review, the director shall conduct an expedited review of the location selected for the independent  
26 medical examination and issue an order on the reasonableness of the location of the examination.  
27 The director shall determine if there is substantial evidence for the objection to the location for the  
28 independent medical examination based on a conclusion that the required travel is medically  
29 contraindicated or other good cause establishing that the required travel is unreasonable. The de-  
30 terminations of the director about the location of independent medical examinations are not subject  
31 to review.

32 "(B) Impose a monetary penalty against a worker who fails to attend an independent medical  
33 examination without prior notification or without justification for not attending the examination. A  
34 penalty imposed under this subparagraph may be imposed only on a worker who is not receiving  
35 temporary disability benefits under ORS 656.210 or 656.212. An insurer or self-insured employer may  
36 offset any future compensation payable to the worker to recover any penalty imposed under this  
37 subparagraph from a claim with the same insurer or self-insured employer. When a penalty is re-  
38 covered from temporary disability or permanent total disability benefits, the amount recovered from  
39 each payment may not exceed 25 percent of the benefit payment without prior authorization from  
40 the worker.

41 "(C) Impose a sanction against a medical service provider that unreasonably fails to provide in  
42 a timely manner diagnostic records required for an independent medical examination.

43 "(d) Notwithstanding ORS 656.262 (6), if the director determines that the location selected for  
44 an independent medical examination is unreasonable, the insurer or self-insured employer shall ac-  
45 cept or deny the claim within 90 days after the employer has notice or knowledge of the claim.

1 “(e) If the worker has made a timely request for a hearing on a denial of compensability as re-  
2 quired by ORS 656.319 (1)(a) that is based on one or more reports of examinations conducted pur-  
3 suant to paragraph (a) of this subsection and the worker’s attending physician **or nurse**  
4 **practitioner authorized to provide compensable medical services under ORS 656.245** does not  
5 concur with the report or reports, the worker may request an examination to be conducted by a  
6 physician selected by the director from the list described in ORS 656.328. The cost of the examina-  
7 tion and the examination report shall be paid by the insurer or self-insured employer.

8 “(f) The insurer or self-insured employer shall pay the costs of the medical examination and re-  
9 lated services which are reasonably necessary to allow the worker to submit to any examination  
10 requested under this section. As used in this paragraph, ‘related services’ includes, but is not limited  
11 to, child care, travel, meals, lodging and an amount equivalent to the worker’s net lost wages for  
12 the period during which the worker is absent if the worker does not receive benefits pursuant to  
13 ORS 656.210 (4) during the period of absence. A claim for ‘related services’ described in this para-  
14 graph shall be made in the manner prescribed by the director.

15 “(g) A worker who objects to the location of an independent medical examination must request  
16 review by the director under paragraph (c)(A) of this subsection within six business days of the date  
17 the notice of the independent medical examination was mailed.

18 “(2) For any period of time during which any worker commits insanitary or injurious practices  
19 which tend to either imperil or retard recovery of the worker, or refuses to submit to such medical  
20 or surgical treatment as is reasonably essential to promote recovery, or fails to participate in a  
21 program of physical rehabilitation, the right of the worker to compensation shall be suspended with  
22 the consent of the director and no payment shall be made for such period. The period during which  
23 such worker would otherwise be entitled to compensation may be reduced with the consent of the  
24 director to such an extent as the disability has been increased by such refusal.

25 “(3) A worker who has received an award for unscheduled permanent total or unscheduled par-  
26 tial disability should be encouraged to make a reasonable effort to reduce the disability; and the  
27 award shall be subject to periodic examination and adjustment in conformity with ORS 656.268.

28 “(4) When the employer of an injured worker, or the employer’s insurer determines that the in-  
29 jured worker has failed to follow medical advice from the attending physician **or nurse practitioner**  
30 **authorized to provide compensable medical services under ORS 656.245** or has failed to partic-  
31 ipate in or complete physical restoration or vocational rehabilitation programs prescribed for the  
32 worker pursuant to this chapter, the employer or insurer may petition the director for reduction of  
33 any benefits awarded the worker. Notwithstanding any other provision of this chapter, if the direc-  
34 tor finds that the worker has failed to accept treatment as provided in this subsection, the director  
35 may reduce any benefits awarded the worker by such amount as the director considers appropriate.

36 “(5)(a) Except as provided by ORS 656.268 (4)(c) and (10), an insurer or self-insured employer  
37 shall cease making payments pursuant to ORS 656.210 and shall commence making payment of such  
38 amounts as are due pursuant to ORS 656.212 when an injured worker refuses wage earning em-  
39 ployment prior to claim determination and the worker’s attending physician **or nurse practitioner**  
40 **authorized to provide compensable medical services under ORS 656.245**, after being notified by  
41 the employer of the specific duties to be performed by the injured worker, agrees that the injured  
42 worker is capable of performing the employment offered.

43 “(b) If the worker has been terminated for violation of work rules or other disciplinary reasons,  
44 the insurer or self-insured employer shall cease payments pursuant to ORS 656.210 and commence  
45 payments pursuant to ORS 656.212 when the attending physician **or nurse practitioner authorized**

1 **to provide compensable medical services under ORS 656.245** approves employment in a modified  
2 job that would have been offered to the worker if the worker had remained employed, provided that  
3 the employer has a written policy of offering modified work to injured workers.

4 “(c) If the worker is a person present in the United States in violation of federal immigration  
5 laws, the insurer or self-insured employer shall cease payments pursuant to ORS 656.210 and com-  
6 mence payments pursuant to ORS 656.212 when the attending physician **or nurse practitioner au-**  
7 **thorized to provide compensable medical services under ORS 656.245** approves employment in  
8 a modified job whether or not such a job is available.

9 “(6) Any party may request a hearing on any dispute under this section pursuant to ORS  
10 656.283.

11 “**SECTION 8.** ORS 656.340, as amended by section 16, chapter 811, Oregon Laws 2003, is  
12 amended to read:

13 “656.340. (1)(a) The insurer or self-insured employer shall cause vocational assistance to be  
14 provided to an injured worker who is eligible for assistance in returning to work.

15 “(b) For this purpose the insurer or self-insured employer shall contact a worker with a claim  
16 for a disabling compensable injury or claim for aggravation for evaluation of the worker’s eligibility  
17 for vocational assistance within five days of:

18 “(A) Having knowledge of the worker’s likely eligibility for vocational assistance, from a medical  
19 or investigation report, notification from the worker, or otherwise; or

20 “(B) The time the worker is medically stationary, if the worker has not returned to the worker’s  
21 regular employment or other suitable employment with the employer at the time of injury or ag-  
22 gravation and the worker is not receiving vocational assistance.

23 “(c) Eligibility may be redetermined by the insurer or self-insured employer upon receipt of new  
24 information that would change the eligibility determination.

25 “(2) Contact under subsection (1) of this section shall include informing the worker about re-  
26 employment rights, the responsibility of the worker to request reemployment, and wage subsidy and  
27 job site modification assistance and the provisions of the preferred worker program pursuant to  
28 rules adopted by the Director of the Department of Consumer and Business Services.

29 “(3) Within five days after notification that the attending physician **or nurse practitioner au-**  
30 **thorized to provide compensable medical services under ORS 656.245** has released a worker to  
31 return to work, the insurer or self-insured employer shall inform the worker about the opportunity  
32 to seek reemployment or reinstatement under ORS 659A.043 and 659A.046. The insurer shall inform  
33 the employer of the worker’s reemployment rights, wage subsidy and the job site modification as-  
34 sistance and the provisions of the preferred worker program.

35 “(4) As soon as possible, and not more than 30 days after the contact required by subsection (1)  
36 of this section, the insurer or self-insured employer shall cause an individual certified by the direc-  
37 tor to provide vocational assistance to determine whether the worker is eligible for vocational as-  
38 sistance. The insurer or self-insured employer shall notify the worker of the decision regarding the  
39 worker’s eligibility for vocational assistance. If the insurer or self-insured employer decides that the  
40 worker is not eligible, the worker may apply to the director for review of the decision as provided  
41 in ORS 656.283 (2). A worker determined ineligible upon evaluation under subsection (1)(b)(B) of this  
42 section, or because the worker’s eligibility has fully and finally expired under standards prescribed  
43 by the director, may not be found eligible thereafter unless that eligibility determination is rejected  
44 by the director under ORS 656.283 (2) or the worker’s condition worsens so as to constitute an ag-  
45 gravation claim under ORS 656.273. A worker is not entitled to vocational assistance benefits when

1 possible eligibility for such benefits arises from a worsening of the worker's condition that occurs  
2 after the expiration of the worker's aggravation rights under ORS 656.273.

3       “(5) The objectives of vocational assistance are to return the worker to employment which is  
4 as close as possible to the worker's regular employment at a wage as close as possible to the weekly  
5 wage currently being paid for employment which was the worker's regular employment even though  
6 the wage available following employment may be less than the wage prescribed by subsection (6)  
7 of this section. As used in this subsection and subsection (6) of this section, ‘regular employment’  
8 means the employment the worker held at the time of the injury or the claim for aggravation under  
9 ORS 656.273, whichever gave rise to the potential eligibility for vocational assistance; or, for a  
10 worker not employed at the time of the aggravation, the employment the worker held on the last  
11 day of work prior to the aggravation.

12       “(6)(a) A worker is eligible for vocational assistance if the worker will not be able to return to  
13 the previous employment or to any other available and suitable employment with the employer at  
14 the time of injury or aggravation, and the worker has a substantial handicap to employment.

15       “(b) As used in this subsection:

16       “(A) A ‘substantial handicap to employment’ exists when the worker, because of the injury or  
17 aggravation, lacks the necessary physical capacities, knowledge, skills and abilities to be employed  
18 in suitable employment.

19       “(B) ‘Suitable employment’ means:

20       “(i) Employment of the kind for which the worker has the necessary physical capacity, knowl-  
21 edge, skills and abilities;

22       “(ii) Employment that is located where the worker customarily worked or is within reasonable  
23 commuting distance of the worker's residence; and

24       “(iii) Employment that produces a weekly wage within 20 percent of that currently being paid  
25 for employment that was the worker's regular employment as defined in subsection (5) of this sec-  
26 tion. The director shall adopt rules providing methods of calculating the weekly wage currently be-  
27 ing paid for the worker's regular employment for use in determining eligibility and for providing  
28 assistance to eligible workers. If the worker's regular employment was seasonal or temporary, the  
29 worker's wage shall be averaged based on a combination of the worker's earned income and any  
30 unemployment insurance payments. Only earned income evidenced by verifiable documentation such  
31 as federal or state tax returns shall be used in the calculation. Earned income does not include  
32 fringe benefits or reimbursement of the worker's employment expenses.

33       “(7) Vocational evaluation, help in directly obtaining employment and training shall be available  
34 under conditions prescribed by the director. The director may establish other conditions for pro-  
35 viding vocational assistance, including those relating to the worker's availability for assistance,  
36 participation in previous assistance programs connected with the same claim and the nature and  
37 extent of assistance that may be provided. Such conditions shall give preference to direct employ-  
38 ment assistance over training.

39       “(8) An insurer or self-insured employer may utilize its own staff or may engage any other in-  
40 dividual certified by the director to perform the vocational evaluation required by subsection (4) of  
41 this section.

42       “(9) The director shall adopt rules providing:

43       “(a) Standards for and methods of certifying individuals and authorizing vocational assistance  
44 providers qualified by education, training, experience and plan of operation to provide vocational  
45 assistance to injured workers;

1 “(b) Conditions and procedures under which the certification of an individual or the authori-  
2 zation of a vocational assistance provider to provide vocational assistance services may be sus-  
3 pended or revoked for failure to maintain compliance with the certification or authorization  
4 standards;

5 “(c) Standards for the nature and extent of services a worker may receive, for plans for return  
6 to work and for determining when the worker has returned to work; and

7 “(d) Procedures, schedules and conditions relating to the payment for services performed by a  
8 vocational assistance provider, which shall be based on payment for specific services performed and  
9 not fees for services performed on an hourly basis. Fee schedules shall reflect a reasonable rate for  
10 direct worker purchases and for all vocational assistance providers and shall be the same within  
11 suitable geographic areas.

12 “(10) Insurers and self-insured employers shall maintain records and make reports to the direc-  
13 tor of vocational assistance actions at such times and in such manner as the director may prescribe.  
14 Such requirements shall be for the purpose of assisting the Department of Consumer and Business  
15 Services in monitoring compliance with this section to insure that workers receive timely and ap-  
16 propriate vocational assistance. The director shall minimize to the greatest extent possible the  
17 number, extent and kinds of reports required. The director shall compile a list of the organizations  
18 or agencies authorized to provide vocational assistance. A current list shall be distributed by the  
19 director to all insurers and self-insured employers. The insurer shall send the list to each worker  
20 with the notice of eligibility.

21 “(11) When a worker is eligible to receive vocational assistance, the worker and the insurer or  
22 self-insured employer shall attempt to agree on the choice of a vocational assistance provider. If the  
23 worker agrees, the insurer or self-insured employer may utilize its own staff to provide vocational  
24 assistance. If they are unable to agree on a vocational assistance provider, the insurer or self-  
25 insured employer shall notify the director and the director shall select a provider. Any change in  
26 the choice of vocational assistance provider is subject to the approval of the director.

27 “(12) Notwithstanding ORS 656.268, a worker actively engaged in training may receive tempo-  
28 rary disability compensation for a maximum of 16 months, subject to extension to 21 months by or-  
29 der of the director for good cause shown. The costs related to vocational assistance training  
30 programs may be paid for periods longer than 21 months, but in no event may temporary disability  
31 benefits be paid for a period longer than 21 months.

32 “(13) As used in this section, ‘vocational assistance provider’ means a public or private organ-  
33 ization or agency which provides vocational assistance to injured workers.

34 “(14)(a) Determination of eligibility for vocational assistance does not entitle all workers to the  
35 same type or extent of assistance.

36 “(b) Training shall not be provided to an eligible worker solely because the worker cannot ob-  
37 tain employment, otherwise suitable, that will produce the wage prescribed in subsection (6) of this  
38 section unless such training will enable the worker to find employment which will produce a wage  
39 significantly closer to that prescribed in subsection (6) of this section.

40 “(c) Nothing in this section shall be interpreted to expand the availability of training under this  
41 section.

42 “(15) A physical capacities evaluation shall be performed in conjunction with vocational assist-  
43 ance or determination of eligibility for such assistance at the request of the insurer or self-insured  
44 employer or worker. Such request shall be made to the attending physician **or nurse practitioner**  
45 **authorized to provide compensable medical services under ORS 656.245.** The attending physi-

1 cian **or nurse practitioner**, within 20 days of the request, shall perform a physical capacities  
2 evaluation or refer the worker for such evaluation or advise the insurer or self-insured employer  
3 and the worker in writing that the injured worker is incapable of participating in a physical ca-  
4 pacities evaluation.

5 “**SECTION 9.** ORS 656.726, as amended by section 4, chapter 657, Oregon Laws 2003, section  
6 18, chapter 811, Oregon Laws 2003, section 17, chapter 26, Oregon Laws 2005, and section 2a,  
7 chapter 653, Oregon Laws 2005, is amended to read:

8 “656.726. (1) The Workers’ Compensation Board in its name and the Director of the Department  
9 of Consumer and Business Services in the director’s name as director may sue and be sued, and each  
10 shall have a seal.

11 “(2) The board hereby is charged with reviewing appealed orders of Administrative Law Judges  
12 in controversies concerning a claim arising under this chapter, exercising own motion jurisdiction  
13 under this chapter and providing such policy advice as the director may request, and providing such  
14 other review functions as may be prescribed by law. To that end any of its members or assistants  
15 authorized thereto by the members shall have power to:

16 “(a) Hold sessions at any place within the state.

17 “(b) Administer oaths.

18 “(c) Issue and serve by the board’s representatives, or by any sheriff, subpoenas for the attend-  
19 ance of witnesses and the production of papers, contracts, books, accounts, documents and testimony  
20 before any hearing under ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter.

21 “(d) Generally provide for the taking of testimony and for the recording of proceedings.

22 “(3) The board chairperson is hereby charged with the administration of and responsibility for  
23 the Hearings Division.

24 “(4) The director hereby is charged with duties of administration, regulation and enforcement  
25 of ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter. To that end the director may:

26 “(a) Make and declare all rules and issue orders which are reasonably required in the perform-  
27 ance of the director’s duties. Unless otherwise specified by law, all reports, claims or other docu-  
28 ments shall be deemed timely provided to the director or board if mailed by regular mail or  
29 delivered within the time required by law. Notwithstanding any other provision of this chapter, the  
30 director may adopt rules to allow for the electronic transmission and filing of reports, claims or  
31 other documents required to be filed under this chapter. Notwithstanding ORS 183.310 to 183.410,  
32 if a matter comes before the director that is not addressed by rule and the director finds that  
33 adoption of a rule to accommodate the matter would be inefficient, unreasonable or unnecessarily  
34 burdensome to the public, the director may resolve the matter by issuing an order, subject to review  
35 under ORS 656.704. Such order shall not have precedential effect as to any other situation.

36 “(b) Hold sessions at any place within the state.

37 “(c) Administer oaths.

38 “(d) Issue and serve by representatives of the director, or by any sheriff, subpoenas for the at-  
39 tendance of witnesses and the production of papers, contracts, books, accounts, documents and tes-  
40 timony in any inquiry, investigation, proceeding or rulemaking hearing conducted by the director  
41 or the director’s representatives. The director may require the attendance and testimony of em-  
42 ployers, their officers and representatives in any inquiry under this chapter, and the production by  
43 employers of books, records, papers and documents without the payment or tender of witness fees  
44 on account of such attendance.

45 “(e) Generally provide for the taking of testimony and for the recording of such proceedings.

1 “(f) Provide standards for the evaluation of disabilities. The following provisions apply to the  
2 standards:

3 “(A) The criteria for evaluation of disabilities under ORS 656.214 (5) shall be permanent  
4 impairment due to the industrial injury as modified by the factors of age, education and adaptability  
5 to perform a given job.

6 “(B) Impairment is established by a preponderance of medical evidence based upon objective  
7 findings.

8 “(C) When, upon reconsideration of a notice of closure pursuant to ORS 656.268, it is found that  
9 the worker’s disability is not addressed by the standards adopted pursuant to this paragraph,  
10 notwithstanding ORS 656.268, the director shall stay further proceedings on the reconsideration of  
11 the claim and shall adopt temporary rules amending the standards to accommodate the worker’s  
12 impairment.

13 “(D) Notwithstanding any other provision of this section, impairment is the only factor to be  
14 considered in evaluation of the worker’s disability under ORS 656.214 (5) if:

15 “(i) The worker returns to regular work at the job held at the time of injury;

16 “(ii) The attending physician **or nurse practitioner authorized to provide compensable**  
17 **medical services under ORS 656.245** releases the worker to regular work at the job held at the  
18 time of injury and the job is available but the worker fails or refuses to return to that job; or

19 “(iii) The attending physician **or nurse practitioner authorized to provide compensable**  
20 **medical services under ORS 656.245** releases the worker to regular work at the job held at the  
21 time of injury but the worker’s employment is terminated for cause unrelated to the injury.

22 “(g) Prescribe procedural rules for and conduct hearings, investigations and other proceedings  
23 pursuant to ORS 654.001 to 654.295, 654.750 to 654.780 and this chapter regarding all matters other  
24 than those specifically allocated to the board or the Hearings Division.

25 “(h) Participate fully in any proceeding before the Hearings Division, board or Court of Appeals  
26 in which the director determines that the proceeding involves a matter that affects or could affect  
27 the discharge of the director’s duties of administration, regulation and enforcement of ORS 654.001  
28 to 654.295 and 654.750 to 654.780 and this chapter.

29 “(5) The board may make and declare all rules which are reasonably required in the perform-  
30 ance of its duties, including but not limited to rules of practice and procedure in connection with  
31 hearing and review proceedings and exercising its authority under ORS 656.278. The board shall  
32 adopt standards governing the format and timing of the evidence. The standards shall be uniformly  
33 followed by all Administrative Law Judges and practitioners. The rules may provide for informal  
34 prehearing conferences in order to expedite claim adjudication, amicably dispose of controversies,  
35 if possible, narrow issues and simplify the method of proof at hearings. The rules shall specify who  
36 may appear with parties at prehearing conferences and hearings.

37 “(6) The director and the board chairperson may incur such expenses as they respectively de-  
38 termine are reasonably necessary to perform their authorized functions.

39 “(7) The director, the board chairperson and the State Accident Insurance Fund Corporation  
40 shall have the right, not subject to review, to contract for the exchange of, or payment for, such  
41 services between them as will reduce the overall cost of administering this chapter.

42 “(8) The director shall have lien and enforcement powers regarding assessments to be paid by  
43 subject employers in the same manner and to the same extent as is provided for lien and enforce-  
44 ment of collection of premiums and assessments by the corporation under ORS 656.552 to 656.566.

45 “(9) The director shall have the same powers regarding inspection of books, records and payrolls

1 of employers as are granted the corporation under ORS 656.758. The director may disclose infor-  
2 mation obtained from such inspections to the Director of the Department of Revenue to the extent  
3 the Director of the Department of Revenue requires such information to determine that a person  
4 complies with the revenue and tax laws of this state and to the Director of the Employment De-  
5 partment to the extent the Director of the Employment Department requires such information to  
6 determine that a person complies with ORS chapter 657.

7 “(10) The director shall collect hours-worked data information in addition to total payroll for  
8 workers engaged in various jobs in the construction industry classifications described in the job  
9 classification portion of the Workers’ Compensation and Employers Liability Manual and the Oregon  
10 Special Rules Section published by the National Council on Compensation Insurance. The informa-  
11 tion shall be collected in the form and format necessary for the National Council on Compensation  
12 Insurance to analyze premium equity.

13 “**SECTION 10.** ORS 657.170, as amended by section 20, chapter 811, Oregon Laws 2003, and  
14 section 6, chapter 218, Oregon Laws 2005, is amended to read:

15 “657.170. (1) If the Director of the Employment Department finds that during the base year of  
16 the individual any individual has been incapable of work during the greater part of any calendar  
17 quarter, such base year shall be extended a calendar quarter. Except as provided in subsection (2)  
18 of this section, no such extension of an individual’s base year shall exceed four calendar quarters.

19 “(2) If the director finds that during and prior to the individual’s base year the individual has  
20 had a period of temporary total disability caused by illness or injury and has received compensation  
21 under ORS chapter 656 for a period of temporary total disability during the greater part of any  
22 calendar quarter, the individual’s base year shall be extended as many calendar quarters as neces-  
23 sary to establish a valid claim, up to a maximum of four calendar quarters prior to the quarter in  
24 which the illness or injury occurred, if the individual:

25 “(a) Files a claim for benefits not later than the fourth calendar week of unemployment follow-  
26 ing whichever is the latest of the following dates:

27 “(A) The date the individual is released to return to work by the attending physician, as defined  
28 in ORS chapter 656, **or a nurse practitioner authorized to provide compensable medical ser-**

40 worker’s employer to the worker’s former position of employment upon demand for such rein-

42 duties of such position. A worker’s former position is available even if that position has been filled  
43 by a replacement while the injured worker was absent. If the former position is not available, the  
44 worker shall be reinstated in any other existing position that is vacant and suitable. A certificate  
45 by the attending physician **or a nurse practitioner authorized to provide compensable medical**

14 "(C) The worker accepts suitable employment with another employer after becoming medically

16 amended to read:

17 “659A.049. The rights of reinstatement afforded by ORS 659A.043 and 659A.046 shall not be

19 release to such employment by the worker’s attending physician **or a nurse practitioner author-  
20 ized to provide compensable medical services under ORS 656.245.**

21 “**SECTION 14.** ORS 659A.063, as amended by section 28, chapter 811, Oregon Laws 2003, is  
22 amended to read:

25 premium that includes the contribution due from the state under the applicable benefit plan, subject  
26 to any premium contribution due from the worker that the worker paid before the occurrence of the  
27 injury or illness. If the premium increases or decreases, the State of Oregon and worker contribu-

34 “(b) The worker returns to work for the State of Oregon, after a period of continued coverage  
35 under this section, and satisfies any probationary or minimum work requirement to be eligible for  
36 group health benefits;

37 “(c) The worker takes full or part-time employment with another employer that is comparable  
38 in terms of the number of hours per week the worker was employed with the State of Oregon or the  
39 worker retires;

40 “(d) Twelve months have elapsed since the date the State of Oregon received notice that the  
41 worker filed a workers’ compensation claim pursuant to ORS chapter 656;

43 656.319 or the Workers’ Compensation Board or a workers’ compensation hearings referee or a court  
44 issues an order finding the claim is not compensable;

45 “(f) The worker does not pay the required premium or portion thereof in a timely manner in

1 accordance with the terms and conditions under this section;

14 “(3) The State of Oregon shall notify the worker of the provisions of ORS 659A.060 to 659A.069,  
15 and of the remedies available for breaches of ORS 659A.060 to 659A.069, within a reasonable time  
16 after the State of Oregon receives notice that the worker will be absent from work as a result of

18 656. The notice from the State of Oregon shall include the terms and conditions of the continuation  
19 of health benefits and what events will terminate the coverage.

20 “(4) If the worker fails to make timely payment of any premium contribution owing, the State  
21 of Oregon shall notify the worker of impending cancellation of the health benefits and provide the  
22 worker with 30 days to pay the required premium prior to canceling the policy.

23 “(5) It is an unlawful employment practice for the State of Oregon to discriminate against a
