3 identification number]. The permittee shall attach the [applicable] permit plate to the **outdoor ad-**  
4 **vertising** sign so [as to be] **the plate is** visible from the adjacent state highway. The absence of a  
5 permit plate or failure to renew the permit annually is prima facie evidence that the **outdoor ad-**  
6 **vertising** sign does not comply with ORS 377.700 to 377.840.

7 (13) Except as otherwise provided in ORS 377.712 and 377.765 **and section 3 of this 2007 Act**,  
8 no permits shall be issued for the erection of any new outdoor advertising sign after [June 12,  
9 1975] **the effective date of this 2007 Act**.

10 (14) The director may establish more than one class or type of **outdoor advertising** sign permit  
11 as necessary or desirable to carry out ORS 377.700 to 377.840.

13 **ORS chapter 183.**

14 **SECTION 10.** ORS 377.735 is amended to read:

24 for longer than 60 days in a calendar year;

25 (D) No person receives compensation **or anything of value as defined by the Department of**  
26 **Transportation by rule** for displaying the sign; and

27 (E) The sign complies with ORS 377.720.

28 [(c) On-premises signs.]

29 (2) The Department of Transportation may adopt rules that, for good cause shown, allow a per-  
30 son displaying a temporary sign to obtain a variance from the restrictions in subsection (1)(b) of this  
31 section. The department shall not consider the content of the sign in deciding whether to allow a  
32 variance.

33 (3) The department shall adopt rules for the approval and preservation of historic signs. Rules  
34 adopted under this subsection may not be based on or allow consideration of the content of the

45 (a) A length of 48 feet;

(b) A height, excluding foundation and supports, of 14 feet; or

(c) A sign area of 825 square feet.

(2) In determining the dimensions of [a] **an outdoor advertising** sign or sign area under this section:

(b) The limitations apply **separately** to each side of a back-to-back sign.

(c) The size limitations apply **separately** to each sign forming a V-type sign.

(d) The size limitations apply separately to each of the [three] display surfaces on a tri-vision sign.

**(3) A nonconforming outdoor advertising sign in existence on the effective date of this 2007 Act may continue to exceed the size limitations established in this section until the sign is reconstructed or relocated, at which time the sign must comply with subsection (1) of this section.**

 36 is readily identified and located, the director shall notify the owner that the sign is in violation of  
 37 ORS 377.700 to 377.840 and that the owner has 30 days from the date of the notice within which to  
 38 make the sign comply, to remove the sign or to request a hearing before the director within the time

14 (5)(a) The director shall, after removing a sign in accordance with subsection (2) of this section,  
15 place [*it*] **the sign** in storage for 30 days while the director makes a further effort to find its owner.

16 (b) If the owner cannot be found within [*that time*] **30 days**, the director may, without incurring
