8 **SECTION 3.** ORS 40.460 is amended to read:

13 the stress of excitement caused by the event or condition.

14 (3) A statement of the declarant’s then existing state of mind, emotion, sensation or physical
15 condition, such as intent, plan, motive, design, mental feeling, pain or bodily health, but not includ-

21 (5) A memorandum or record concerning a matter about which a witness once had knowledge
22 but now has insufficient recollection to enable the witness to testify fully and accurately, shown to
23 have been made or adopted by the witness when the matter was fresh in the memory of the witness
24 and to reflect that knowledge correctly. If admitted, the memorandum or record may be read into
25 evidence but may not itself be received as an exhibit unless offered by an adverse party.

26 (6) A memorandum, report, record, or data compilation, in any form, of acts, events, conditions,
27 opinions, or diagnoses, made at or near the time by, or from information transmitted by, a person
28 with knowledge, if kept in the course of a regularly conducted business activity, and if it was the
29 regular practice of that business activity to make the memorandum, report, record, or data compi-
30 lation, all as shown by the testimony of the custodian or other qualified witness, unless the source
31 of information or the method of circumstances of preparation indicate lack of trustworthiness. The
32 term “business” as used in this subsection includes business, institution, association, profession, oc-
33 cupation, and calling of every kind, whether or not conducted for profit.

34 (7) Evidence that a matter is not included in the memoranda, reports, records, or data compila-

36 prove the nonoccurrence or nonexistence of the matter, if the matter was of a kind of which a
37 memorandum, report, record, or data compilation was regularly made and preserved, unless the
38 sources of information or other circumstances indicate lack of trustworthiness.

39 (8) Records, reports, statements, or data compilations, in any form, of public offices or agencies,
40 setting forth:

41 (a) The activities of the office or agency;

42 (b) Matters observed pursuant to duty imposed by law as to which matters there was a duty to

4 report thereof was made to a public office pursuant to requirements of law.

5 (10) To prove the absence of a record, report, statement, or data compilation, in any form, or
6 the nonoccurrence or nonexistence of a matter of which a record, report, statement, or data com-
7 pilation, in any form, was regularly made and preserved by a public office or agency, evidence in
8 the form of a certification in accordance with ORS 40.510, or testimony, that diligent search failed
9 to disclose the record, report, statement, or data compilation, or entry.

10 (11) Statements of births, marriages, divorces, deaths, legitimacy, ancestry, relationship by blood
11 or marriage, or other similar facts of personal or family history, contained in a regularly kept record
12 of a religious organization.

13 (12) A statement of fact contained in a certificate that the maker performed a marriage or other
14 ceremony or administered a sacrament, made by a member of the clergy, public official, or other

16 certified, and purporting to have been issued at the time of the act or within a reasonable time
17 thereafter.

18 (13) Statements of facts concerning personal or family history contained in family bibles,
19 genealogies, charts, engravings on rings, inscriptions on family portraits, engravings on urns, crypts,
20 or tombstones, or the like.

21 (14) The record of a document purporting to establish or affect an interest in property, as proof
22 of content of the original recorded document and its execution and delivery by each person by whom
23 it purports to have been executed, if the record is a record of a public office and an applicable
24 statute authorizes the recording of documents of that kind in that office.

25 (15) A statement contained in a document purporting to establish or affect an interest in prop-
26 erty if the matter stated was relevant to the purpose of the document, unless dealings with the
27 property since the document was made have been inconsistent with the truth of the statement or
28 the purport of the document.

29 (16) Statements in a document in existence 20 years or more the authenticity of which is es-
30 tablished.

31 (17) Market quotations, tabulations, lists, directories, or other published compilations, generally
32 used and relied upon by the public or by persons in particular occupations.

33 (18) (Reserved.)

34 (18a)(a) A complaint of sexual misconduct, complaint of abuse as defined in ORS 107.705 or
35 419B.005, complaint of abuse of an elderly person, as those terms are defined in ORS 124.050, or a
36 complaint relating to a violation of ORS 163.205 or 164.015 in which a person 65 years of age or
37 older is the victim, made by the witness after the commission of the alleged misconduct or abuse
38 at issue. Except as provided in paragraph (b) of this subsection, such evidence must be confined to
39 the fact that the complaint was made.

40 (b) A statement made by a person concerning an act of abuse as defined in ORS 107.705 or
41 419B.005, a statement made by a person concerning an act of abuse of an elderly person, as those
42 terms are defined in ORS 124.050, or a statement made by a person concerning a violation of ORS
43 163.205 or 164.015 in which a person 65 years of age or older is the victim, is not excluded by ORS
44 40.455 if the declarant either testifies at the proceeding and is subject to cross-examination, or is
45 unavailable as a witness but was chronologically or mentally under 12 years of age when the

1 statement was made or was 65 years of age or older when the statement was made. However, if a
2 declarant is unavailable, the statement may be admitted in evidence only if the proponent estab-
3 lishes that the time, content and circumstances of the statement provide indicia of reliability, and
4 in a criminal trial that there is corroborative evidence of the act of abuse and of the alleged
5 perpetrator's opportunity to participate in the conduct and that the statement possesses indicia of
6 reliability as is constitutionally required to be admitted. No statement may be admitted under this
7 paragraph unless the proponent of the statement makes known to the adverse party the proponent's
8 intention to offer the statement and the particulars of the statement no later than 15 days before
9 trial, except for good cause shown. For purposes of this paragraph, in addition to those situations
10 described in ORS 40.465 (1), the declarant shall be considered "unavailable" if the declarant has a
11 substantial lack of memory of the subject matter of the statement, is presently incompetent to tes-
12 tify, is unable to communicate about the abuse or sexual conduct because of fear or other similar
13 reason or is substantially likely, as established by expert testimony, to suffer lasting severe emo-
14 tional trauma from testifying. Unless otherwise agreed by the parties, the court shall examine the
15 declarant in chambers and on the record or outside the presence of the jury and on the record. The
16 examination shall be conducted immediately prior to the commencement of the trial in the presence
17 of the attorney and the legal guardian or other suitable person as designated by the court. If the
18 declarant is found to be unavailable, the court shall then determine the admissibility of the evidence.
19 The determinations shall be appealable under ORS 138.060 (1)(c) or (2)(a). The purpose of the ex-
20 amination shall be to aid the court in making its findings regarding the availability of the declarant
21 as a witness and the reliability of the statement of the declarant. In determining whether a state-
22 ment possesses indicia of reliability under this paragraph, the court may consider, but is not limited
23 to, the following factors:

24 (A) The personal knowledge of the declarant of the event;

25 (B) The age and maturity of the declarant or extent of disability if the declarant is a person
26 with developmental disabilities;

27 (C) Certainty that the statement was made, including the credibility of the person testifying
28 about the statement and any motive the person may have to falsify or distort the statement;

29 (D) Any apparent motive the declarant may have to falsify or distort the event, including bias,
30 corruption or coercion;

31 (E) The timing of the statement of the declarant;

32 (F) Whether more than one person heard the statement;

33 (G) Whether the declarant was suffering pain or distress when making the statement;

34 (H) Whether the declarant's young age or disability makes it unlikely that the declarant fabri-
35 cated a statement that represents a graphic, detailed account beyond the knowledge and experience
36 of the declarant;

37 (I) Whether the statement has internal consistency or coherence and uses terminology appro-
38 priate to the declarant's age or to the extent of the declarant's disability if the declarant is a person
39 with developmental disabilities;

40 (J) Whether the statement is spontaneous or directly responsive to questions; and

41 (K) Whether the statement was elicited by leading questions.

42 (c) This subsection applies to all civil, criminal and juvenile proceedings.

43 (d) This subsection applies to a child declarant, a declarant who is an elderly person as defined
44 in ORS 124.050 or an adult declarant with developmental disabilities. For the purposes of this sub-
45 section, "developmental disabilities" means any disability attributable to mental retardation, autism,

1 cerebral palsy, epilepsy or other disabling neurological condition that requires training or support
2 similar to that required by persons with mental retardation, if either of the following apply:

3 (A) The disability originates before the person attains 22 years of age, or if the disability is at-
4 tributable to mental retardation the condition is manifested before the person attains 18 years of
5 age, the disability can be expected to continue indefinitely, and the disability constitutes a sub-
6 stantial handicap to the ability of the person to function in society.

7 (B) The disability results in a significant subaverage general intellectual functioning with con-
8 current deficits in adaptive behavior that are manifested during the developmental period.

9 (19) Reputation among members of a person's family by blood, adoption or marriage, or among
10 a person's associates, or in the community, concerning a person's birth, adoption, marriage, divorce,
11 death, legitimacy, relationship by blood or adoption or marriage, ancestry, or other similar fact of
12 a person's personal or family history.

13 (20) Reputation in a community, arising before the controversy, as to boundaries of or customs
14 affecting lands in the community, and reputation as to events of general history important to the
15 community or state or nation in which located.

16 (21) Reputation of a person's character among associates of the person or in the community.

17 (22) Evidence of a final judgment, entered after a trial or upon a plea of guilty, but not upon a
18 plea of no contest, adjudging a person guilty of a crime other than a traffic offense, to prove any
19 fact essential to sustain the judgment, but not including, when offered by the government in a
20 criminal prosecution for purposes other than impeachment, judgments against persons other than the
21 accused. The pendency of an appeal may be shown but does not affect admissibility.

22 (23) Judgments as proof of matters of personal, family or general history, or boundaries, essen-
23 tial to the judgment, if the same would be provable by evidence of reputation.

24 (24) Notwithstanding the limits contained in subsection (18a) of this section, in any proceeding
25 in which a child under 12 years of age at the time of trial, or a person with developmental disabili-
26 ties as described in subsection (18a)(d) of this section, may be called as a witness to testify con-
27 cerning an act of abuse, as defined in ORS 419B.005, or sexual conduct performed with or on the
28 child or person with developmental disabilities by another, the testimony of the child or person with
29 developmental disabilities taken by contemporaneous examination and cross-examination in another
30 place under the supervision of the trial judge and communicated to the courtroom by closed-circuit
31 television or other audiovisual means. Testimony will be allowed as provided in this subsection only
32 if the court finds that there is a substantial likelihood, established by expert testimony, that the
33 child or person with developmental disabilities will suffer severe emotional or psychological harm
34 if required to testify in open court. If the court makes such a finding, the court, on motion of a
35 party, the child, the person with developmental disabilities or the court in a civil proceeding, or on
36 motion of the district attorney, the child or the person with developmental disabilities in a criminal
37 or juvenile proceeding, may order that the testimony of the child or the person with developmental
38 disabilities be taken as described in this subsection. Only the judge, the attorneys for the parties,
39 the parties, individuals necessary to operate the equipment and any individual the court finds would
40 contribute to the welfare and well-being of the child or person with developmental disabilities may
41 be present during the testimony of the child or person with developmental disabilities.

42 (25)(a) Any document containing data prepared or recorded by the Oregon State Police pursuant
43 to ORS 813.160 (1)(b)(C) or (E)], or pursuant to ORS 475.235 (4),] if the document is produced by data
44 retrieval from the Law Enforcement Data System or other computer system maintained and operated
45 by the Oregon State Police, and the person retrieving the data attests that the information was re-

1 retrieved directly from the system and that the document accurately reflects the data retrieved.

2 (b) Any document containing data prepared or recorded by the Oregon State Police that is
3 produced by data retrieval from the Law Enforcement Data System or other computer system
4 maintained and operated by the Oregon State Police and that is electronically transmitted through
5 public or private computer networks under an electronic signature adopted by the Oregon State
6 Police if the person receiving the data attests that the document accurately reflects the data re-
7 ceived.

8 (c) Notwithstanding any statute or rule to the contrary, in any criminal case in which docu-
9 ments are introduced under the provisions of this subsection, the defendant may subpoena the [*an-*
10 *alyst, as defined in ORS 475.235 (6), or other*] person that generated or keeps the original document
11 for the purpose of testifying at the preliminary hearing and trial of the issue. Except as provided
12 in ORS 44.550 to 44.566, no charge shall be made to the defendant for the appearance of the [*analyst*
13 *or other*] person.

14 (26)(a) A statement that purports to narrate, describe, report or explain an incident of domestic
15 violence, as defined in ORS 135.230, made by a victim of the domestic violence within 24 hours after
16 the incident occurred, if the statement:

17 (A) Was recorded, either electronically or in writing, or was made to a peace officer as defined
18 in ORS 161.015, corrections officer, youth correction officer, parole and probation officer, emergency
19 medical technician or firefighter; and

20 (B) Has sufficient indicia of reliability.

21 (b) In determining whether a statement has sufficient indicia of reliability under paragraph (a)
22 of this subsection, the court shall consider all circumstances surrounding the statement. The court
23 may consider, but is not limited to, the following factors in determining whether a statement has
24 sufficient indicia of reliability:

25 (A) The personal knowledge of the declarant.

26 (B) Whether the statement is corroborated by evidence other than statements that are subject
27 to admission only pursuant to this subsection.

28 (C) The timing of the statement.

29 (D) Whether the statement was elicited by leading questions.

30 (E) Subsequent statements made by the declarant. Recantation by a declarant is not sufficient
31 reason for denying admission of a statement under this subsection in the absence of other factors
32 indicating unreliability.

33 (27) A report prepared by a forensic scientist that contains the results of a presumptive test
34 conducted by the forensic scientist as described in ORS 475.235, if the forensic scientist attests that
35 the report accurately reflects the results of the presumptive test.

36 (28)(a) A statement not specifically covered by any of the foregoing exceptions but having
37 equivalent circumstantial guarantees of trustworthiness, if the court determines that:

38 (A) The statement is relevant;

39 (B) The statement is more probative on the point for which it is offered than any other evidence
40 that the proponent can procure through reasonable efforts; and

41 (C) The general purposes of the Oregon Evidence Code and the interests of justice will best be
42 served by admission of the statement into evidence.

43 (b) A statement may not be admitted under this subsection unless the proponent of it makes
44 known to the adverse party the intention to offer the statement and the particulars of it, including
45 the name and address of the declarant, sufficiently in advance of the trial or hearing, or as soon as

1 practicable after it becomes apparent that such statement is probative of the issues at hand, to
2 provide the adverse party with a fair opportunity to prepare to meet it.

3 **SECTION 4.** ORS 40.510 is amended to read:

4 40.510. (1) Extrinsic evidence of authenticity as a condition precedent to admissibility is not
5 required with respect to the following:
