CHAPTER

AN ACT

Relating to self-insurers for purposes of financial responsibility requirements; creating new provisions; amending ORS 30.135, 742.502, 742.504 and 806.130; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 806.130 is amended to read:

806.130. (1) To qualify as a self-insurer for purposes of financial responsibility requirements under ORS 806.060, a person must do all of the following:

[(1)] (a) Apply to the Department of Transportation and be issued by the department a certificate of self-insurance under ORS 806.140.

[(2)] (b) Either:

[(a)] (A) Establish to the satisfaction of the department that the person [*is possessed*] **possesses** and will continue to [*be possessed of*] **possess** the ability to pay and discharge judgments described under ORS 806.040 that might be obtained against the applicant; or

[(b)] (B) Be [*duly*] qualified under the laws of the State of Oregon or under an ordinance of a city of this state to act as a self-insurer and be acting as [*such*] **a self-insurer**.

[(3)] (c) Agree to **provide the same coverage and to** pay the same amounts with respect to an accident occurring while the certificate is in force that an insurer would be obligated to **provide and to** pay under a motor vehicle liability insurance policy, including **providing the coverage required under ORS 806.080 (1)(b) and** uninsured motorist coverage and liability coverage to at least the limits specified in ORS 806.070.

[(4)] (d) Have more than 25 motor vehicles including commercial buses registered in the person's name.

(2)(a) If an accident occurs while a certificate of self-insurance issued under ORS 806.140 is in force, the liability protection provided and the amounts paid under subsection (1)(c) of this section are secondary to any motor vehicle liability insurance or uninsured motorist coverage available to a customer of the self-insurer, an operator of the self-insured vehicle or an occupant of the self-insured vehicle unless otherwise agreed to by the self-insurer. A self-insurer is required to provide the minimum payments established under ORS 742.502 and 806.070 only when the motor vehicle liability insurance policy of a customer of the self-insurer or an operator of the self-insured vehicle does not provide the minimum required payments established in ORS 742.502 and 806.070.

(b) A self-insurer may recover from a customer of the self-insurer or an operator of the self-insured vehicle the amounts paid under subsection (1)(c) of this section.

(3) Nothing in this section requires a self-insurer to provide liability coverage when a person is operating the vehicle without permission of the self-insurer.

SECTION 2. ORS 742.502 is amended to read:

742.502. (1) Every motor vehicle liability policy insuring against loss suffered by any natural person resulting from liability imposed by law for bodily injury or death arising out of the ownership, maintenance or use of a motor vehicle shall provide in the policy or by indorsement on the policy uninsured motorist coverage when the policy is either:

(a) Issued for delivery in this state; or

(b) Issued or delivered by an insurer doing business in this state with respect to any motor vehicle then principally used or principally garaged in this state.

(2)(a) A motor vehicle bodily injury liability policy shall have the same limits for uninsured motorist coverage as for bodily injury liability coverage unless a named insured in writing elects lower limits. The insured may not elect limits lower than the amounts prescribed to meet the requirements of ORS 806.070 for bodily injury or death. Uninsured motorist coverage shall include underinsurance coverage for bodily injury or death caused by accident and arising out of the ownership, maintenance or use of a motor vehicle with motor vehicle liability insurance that provides recovery in an amount that is less than the insured's uninsured motorist coverage. Underinsurance **coverage** shall be equal to uninsured motorist coverage less the amount recovered from other motor vehicle liability insurance policies.

(b) If a named insured elects lower limits, the named insured shall sign a statement electing lower limits within 60 days of the time the named insured makes the election. The statement shall acknowledge that a named insured was offered uninsured motorist coverage with the limits equal to those for bodily injury liability. The statement shall contain a brief summary, which may not be construed as part of the insurance contract, of what uninsured and underinsured motorist coverages provide and shall state the price for coverage with limits equal to the named insured's bodily injury liability limits and the price for coverage with the lower limits requested by the named insured. The statement shall remain in force until rescinded in writing by a named insured or until the motor vehicle bodily injury liability limits are changed. The form of statement used to comply with this paragraph shall be approved by the Department of Consumer and Business Services.

(c) A statement electing lower limits need not be signed when vehicles are either added to or subtracted from a policy or when the policy is amended, renewed, modified or replaced by the same company or group of companies under common ownership or control unless the liability limits of the policy are changed.

(3) The insurer issuing *[such]* **the** policy may offer one or more options of uninsured motorist coverage larger than the amounts prescribed to meet the requirements of ORS 806.070 and in excess of the limits provided under the policy for motor vehicle bodily injury liability insurance. Offers of uninsured motorist coverage shall include underinsurance coverage for bodily injury or death caused by accident and arising out of the ownership, maintenance or use of a motor vehicle with motor vehicle liability insurance that provides recovery in an amount that is less than the insured's uninsured motorist coverage. Underinsurance **coverage** shall be equal to uninsured motorist coverage less the amount recovered from other motor vehicle liability insurance policies.

(4) Underinsurance coverage is subject to ORS 742.504 and 742.542.

(5) Uninsured motorist coverage and underinsurance coverage shall provide coverage for bodily injury or death when:

(a) The limits for uninsured motorist coverage of the insured equal the limits of the liability policy of the person whose fault caused the bodily injury or death; and

(b) The amount of liability insurance recovered is less than the limits for uninsured motorist coverage of the insured.

(6) Uninsured motorist coverage and underinsurance coverage shall provide coverage for bodily injury or death if the amount recovered from a self-insurer is less than the limits for uninsured motorist coverage of the insured.

[(6)] (7) As used in this section and except as otherwise provided in this subsection, “amount recovered from other motor vehicle liability insurance policies” means the proceeds of liability insurance recovered by or on behalf of the injured party. Proceeds recovered on behalf of the injured party include proceeds received by the injured party’s insurer as reimbursement for personal injury protection benefits provided to the injured person, proceeds received by the medical providers of the injured person and proceeds received as attorney fees on the claim of the injured person. Where applicable liability insurance policy limits are exhausted upon payment, settlement or judgment by division among two or more injured persons, “amount recovered from other motor vehicle liability insurance policies” means the proceeds that are recovered by or on behalf of the injured person but does not include any proceeds of that liability policy received by other injured persons.

SECTION 3. ORS 742.504 is amended to read:

742.504. Every policy required to provide the coverage specified in ORS 742.502 shall provide uninsured motorist coverage that in each instance is no less favorable in any respect to the insured or the beneficiary than if the following provisions were set forth in the policy. However, nothing contained in this section requires the insurer to reproduce in the policy the particular language of any of the following provisions:

(1)(a) The insurer will pay all sums that the insured, the heirs or the legal representative of the insured is legally entitled to recover as general and special damages from the owner or operator of an uninsured vehicle because of bodily injury sustained by the insured caused by accident and arising out of the ownership, maintenance or use of the uninsured vehicle. Determination as to whether the insured, the insured’s heirs or the insured’s legal representative is legally entitled to recover such damages, and if so, the amount thereof, shall be made by agreement between the insured and the insurer, or, in the event of disagreement, may be determined by arbitration as provided in subsection (10) of this section.

(b) No judgment against any person or organization alleged to be legally responsible for bodily injury, except for proceedings instituted against the insurer as provided in this policy, shall be conclusive, as between the insured and the insurer, on the issues of liability of the person or organization or of the amount of damages to which the insured is legally entitled.

(2) As used in this policy:

(a) “Bodily injury” means bodily injury, sickness or disease, including death resulting therefrom.

(b) “Hit-and-run vehicle” means a vehicle that causes bodily injury to an insured arising out of physical contact of the vehicle with the insured or with a vehicle the insured is occupying at the time of the accident, provided:

(A) The identity of either the operator or the owner of the hit-and-run vehicle cannot be ascertained;

(B) The insured or someone on behalf of the insured reported the accident within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent department in the state where the accident occurred, and filed with the insurer within 30 days thereafter a statement under oath that the insured or the legal representative of the insured has a cause or causes of action arising out of the accident for damages against a person or persons whose identities are unascertainable, and setting forth the facts in support thereof; and

(C) At the insurer’s request, the insured or the legal representative of the insured makes available for inspection the vehicle the insured was occupying at the time of the accident.

(c) “Insured,” when unqualified and when applied to uninsured motorist coverage, means:

(A) The named insured as stated in the policy and any person designated as named insured in the schedule and, while residents of the same household, the spouse of any named insured and relatives of either, provided that neither the relative nor the spouse is the owner of a vehicle not described in the policy and that, if the named insured as stated in the policy is other than an individual or husband and wife who are residents of the same household, the named insured shall be only a person so designated in the schedule;

(B) Any child residing in the household of the named insured if the insured has performed the duties of a parent to the child by rearing the child as the insured's own although the child is not related to the insured by blood, marriage or adoption; and

(C) Any other person while occupying an insured vehicle, provided the actual use thereof is with the permission of the named insured.

(d) "Insured vehicle," except as provided in paragraph (e) of this provision, means:

(A) The vehicle described in the policy or a newly acquired or substitute vehicle, as each of those terms is defined in the public liability coverage of the policy, insured under the public liability provisions of the policy; or

(B) A nonowned vehicle operated by the named insured or spouse if a resident of the same household, provided that the actual use thereof is with the permission of the owner of the vehicle and the vehicle is not owned by nor furnished for the regular or frequent use of the insured or any member of the same household.

(e) "Insured vehicle" does not include a trailer of any type unless the trailer is a described vehicle in the policy.

(f) "Occupying" means in or upon or entering into or alighting from.

(g) "Phantom vehicle" means a vehicle that causes bodily injury to an insured arising out of a motor vehicle accident that is caused by a vehicle that has no physical contact with the insured or the vehicle the insured is occupying at the time of the accident, provided:

(A) The identity of either the operator or the owner of the phantom vehicle cannot be ascertained;

(B) The facts of the accident can be corroborated by competent evidence other than the testimony of the insured or any person having an uninsured motorist claim resulting from the accident; and

(C) The insured or someone on behalf of the insured reported the accident within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent department in the state where the accident occurred, and filed with the insurer within 30 days thereafter a statement under oath that the insured or the legal representative of the insured has a cause or causes of action arising out of the accident for damages against a person or persons whose identities are unascertainable, and setting forth the facts in support thereof.

(h) "State" includes the District of Columbia, a territory or possession of the United States and a province of Canada.

(i) "Stolen vehicle" means an insured vehicle that causes bodily injury to the insured arising out of a motor vehicle accident if:

(A) The vehicle is operated without the consent of the insured;

(B) The operator of the vehicle does not have collectible motor vehicle bodily injury liability insurance;

(C) The insured or someone on behalf of the insured reported the accident within 72 hours to a police, peace or judicial officer or to the equivalent department in the state where the accident occurred; and

(D) The insured or someone on behalf of the insured cooperates with the appropriate law enforcement agency in the prosecution of the theft of the vehicle.

(j) "Uninsured vehicle," except as provided in paragraph (k) of this provision, means:

(A) A vehicle with respect to the ownership, maintenance or use of which there is no collectible motor vehicle bodily injury liability insurance, in at least the amounts or limits prescribed for bodily injury or death under ORS 806.070 applicable at the time of the accident with respect to any person or organization legally responsible for the use of the vehicle, or with respect to which there is collectible bodily injury liability insurance applicable at the time of the accident but the insurance company writing the insurance denies coverage or the company writing the insurance becomes voluntarily or involuntarily declared bankrupt or for which a receiver is appointed or becomes insolvent. It shall be a disputable presumption that a vehicle is uninsured in the event the insured and the insurer, after reasonable efforts, fail to discover within 90 days from the date of the accident,

the existence of a valid and collectible motor vehicle bodily injury liability insurance applicable at the time of the accident.

(B) A hit-and-run vehicle.

(C) A phantom vehicle.

(D) A stolen vehicle.

(E) A vehicle that is owned or operated by a self-insurer:

(i) That is not in compliance with ORS 806.130 (1)(c); or

(ii) That provides recovery to an insured in an amount that is less than the limits for uninsured motorist coverage of the insured.

(k) "Uninsured vehicle" does not include:

(A) An insured vehicle, unless the vehicle is a stolen vehicle;

(B) **Except as provided in paragraph (j)(E) of this subsection**, a vehicle that is owned or operated by a self-insurer within the meaning of any motor vehicle financial responsibility law, motor carrier law or any similar law;

(C) A vehicle that is owned by the United States of America, Canada, a state, a political subdivision of any such government or an agency of any such government;

(D) A land motor vehicle or trailer, if operated on rails or crawler-treads or while located for use as a residence or premises and not as a vehicle;

(E) A farm-type tractor or equipment designed for use principally off public roads, except while actually upon public roads; or

(F) A vehicle owned by or furnished for the regular or frequent use of the insured or any member of the household of the insured.

(L) "Vehicle" means every device in, upon or by which any person or property is or may be transported or drawn upon a public highway, but does not include devices moved by human power or used exclusively upon stationary rails or tracks.

(3) This coverage applies only to accidents that occur on and after the effective date of the policy, during the policy period and within the United States of America, its territories or possessions, or Canada.

(4)(a) This coverage does not apply to bodily injury of an insured with respect to which the insured or the legal representative of the insured shall, without the written consent of the insurer, make any settlement with or prosecute to judgment any action against any person or organization who may be legally liable therefor.

(b) This coverage does not apply to bodily injury to an insured while occupying a vehicle, other than an insured vehicle, owned by, or furnished for the regular use of, the named insured or any relative resident in the same household, or through being struck by the vehicle.

(c) This coverage does not apply so as to inure directly or indirectly to the benefit of any workers' compensation carrier, any person or organization qualifying as a self-insurer under any workers' compensation or disability benefits law or any similar law or the State Accident Insurance Fund Corporation.

(d) This coverage does not apply with respect to underinsured motorist benefits unless:

(A) The limits of liability under any bodily injury liability insurance applicable at the time of the accident regarding the injured person have been exhausted by payment of judgments or settlements to the injured person or other injured persons;

(B) The described limits have been offered in settlement, the insurer has refused consent under paragraph (a) of this subsection and the insured protects the insurer's right of subrogation to the claim against the tortfeasor;

(C) The insured gives credit to the insurer for the unrealized portion of the described liability limits as if the full limits had been received if less than the described limits have been offered in settlement, and the insurer has consented under paragraph (a) of this subsection; or

(D) The insured gives credit to the insurer for the unrealized portion of the described liability limits as if the full limits had been received if less than the described limits have been offered in

settlement and, if the insurer has refused consent under paragraph (a) of this subsection, the insured protects the insurer's right of subrogation to the claim against the tortfeasor.

(e) When seeking consent under paragraph (a) or (d) of this subsection, the insured shall allow the insurer a reasonable time in which to collect and evaluate information related to consent to the proposed offer of settlement. The insured shall provide promptly to the insurer any information that is reasonably requested by the insurer and that is within the custody and control of the insured. Consent will be presumed to be given if the insurer does not respond within a reasonable time. For purposes of this paragraph, a "reasonable time" is no more than 30 days from the insurer's receipt of a written request for consent, unless the insured and the insurer agree otherwise.

(5)(a) As soon as practicable, the insured or other person making claim shall give to the insurer written proof of claim, under oath if required, including full particulars of the nature and extent of the injuries, treatment and other details entering into the determination of the amount payable hereunder. The insured and every other person making claim hereunder shall submit to examinations under oath by any person named by the insurer and subscribe the same, as often as may reasonably be required. Proof of claim shall be made upon forms furnished by the insurer unless the insurer fails to furnish the forms within 15 days after receiving notice of claim.

(b) Upon reasonable request of and at the expense of the insurer, the injured person shall submit to physical examinations by physicians selected by the insurer and shall, upon each request from the insurer, execute authorization to enable the insurer to obtain medical reports and copies of records.

(6) If, before the insurer makes payment of loss hereunder, the insured or the legal representative of the insured institutes any legal action for bodily injury against any person or organization legally responsible for the use of a vehicle involved in the accident, a copy of the summons and complaint or other process served in connection with the legal action shall be forwarded immediately to the insurer by the insured or the legal representative of the insured.

(7)(a) The limit of liability stated in the declarations as applicable to "each person" is the limit of the insurer's liability for all damages because of bodily injury sustained by one person as the result of any one accident and, subject to the above provision respecting each person, the limit of liability stated in the declarations as applicable to "each accident" is the total limit of the company's liability for all damages because of bodily injury sustained by two or more persons as the result of any one accident.

(b) Any payment made under this coverage to or for an insured shall be applied in reduction of any amount that the insured may be entitled to recover from any person who is an insured under the bodily injury liability coverage of this policy.

(c) Any amount payable under the terms of this coverage because of bodily injury sustained in an accident by a person who is an insured under this coverage shall be reduced by:

(A) All sums paid on account of the bodily injury by or on behalf of the owner or operator of the uninsured vehicle and by or on behalf of any other person or organization jointly or severally liable together with the owner or operator for the bodily injury, including all sums paid under the bodily injury liability coverage of the policy; and

(B) The amount paid and the present value of all amounts payable on account of the bodily injury under any workers' compensation law, disability benefits law or any similar law.

(d) Any amount payable under the terms of this coverage because of bodily injury sustained in an accident by a person who is an insured under this coverage shall be reduced by the credit given to the insurer pursuant to subsection (4)(d)(C) or (D) of this section.

(e) The amount payable under the terms of this coverage may not be reduced by the amount of liability proceeds offered, described in subsection (4)(d)(B) or (D) of this section, that has not been paid to the injured person. If liability proceeds have been offered and not paid, the amount payable under the terms of the coverage shall include the amount of liability limits offered but not accepted due to the insurer's refusal to consent. The insured shall cooperate so as to permit the insurer to proceed by subrogation or assignment to prosecute the claim against the uninsured motorist.

(8) No action shall lie against the insurer unless, as a condition precedent thereto, the insured or the legal representative of the insured has fully complied with all the terms of this policy.

(9)(a) With respect to bodily injury to an insured:

(A) While occupying a vehicle owned by a named insured under this coverage, the insurance under this coverage is primary.

(B) While occupying a vehicle not owned by a named insured under this coverage, the insurance under this coverage shall apply only as excess insurance over any primary insurance available to the occupant that is similar to this coverage, and this excess insurance shall then apply only in the amount by which the applicable limit of liability of this excess coverage exceeds the sum of the applicable limits of liability of all primary insurance available to the occupant.

(b) If an insured is an insured under other primary or excess insurance available to the insured that is similar to this coverage, then the insured's damages are deemed not to exceed the higher of the applicable limits of liability of **this insurance** or the additional primary or excess insurance available to the insured, and the insurer is not liable under this coverage for a greater proportion of the insured's damages than the applicable limit of liability of this coverage bears to the sum of the applicable limits of liability of this insurance and other primary or excess insurance available to the insured.

(c) With respect to bodily injury to an insured while occupying any motor vehicle used as a public or livery conveyance, the insurance under this coverage shall apply only as excess insurance over any other insurance available to the insured that is similar to this coverage, and this insurance shall then apply only in the amount by which the applicable limit of liability of this coverage exceeds the sum of the applicable limits of liability of all other insurance.

(10) If any person making claim hereunder and the insurer do not agree that the person is legally entitled to recover damages from the owner or operator of an uninsured vehicle because of bodily injury to the insured, or do not agree as to the amount of payment that may be owing under this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time of the dispute to settle the matter by arbitration, the arbitration shall take place under the arbitration laws of the State of Oregon or, if the parties agree, according to any other procedure. Any judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration proceeding do not exceed \$100 and that all other costs of arbitration are borne by the insurer. "Costs" as used in this provision does not include attorney fees or expenses incurred in the production of evidence or witnesses or the making of transcripts of the arbitration proceedings. The person and the insurer each agree to consider themselves bound and to be bound by any award made by the arbitrators pursuant to this coverage in the event of such election. At the election of the insured, the arbitration shall be held:

(a) In the county and state of residence of the insured;

(b) In the county and state where the insured's cause of action against the uninsured motorist arose; or

(c) At any other place mutually agreed upon by the insured and the insurer.

(11) In the event of payment to any person under this coverage:

(a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of the person against any uninsured motorist legally responsible for the bodily injury because of which payment is made;

(b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the person shall have against such other uninsured person or organization because of the damages that are the subject of claim made under this coverage, but only to the extent that the claim is made or paid herein;

(c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one or more of whom is uninsured, the insured shall have the election to receive from the insurer any payment to which the insured would be entitled under this coverage by reason of the act or acts of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with legal action against any or all persons claimed to be liable to the insured for the injuries. If the insured elects to receive payment from the insurer under this coverage, then the insured shall hold

in trust for the benefit of the insurer all rights of recovery the insured shall have against any other person, firm or organization because of the damages that are the subject of claim made under this coverage, but only to the extent of the actual payment made by the insurer;

(d) The person shall do whatever is proper to secure and shall do nothing after loss to prejudice such rights;

(e) If requested in writing by the insurer, the person shall take, through any representative not in conflict in interest with the person, designated by the insurer, such action as may be necessary or appropriate to recover payment as damages from such other uninsured person or organization, such action to be taken in the name of the person, but only to the extent of the payment made hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for expenses, costs and attorney fees incurred by the insurer in connection therewith; and

(f) The person shall execute and deliver to the insurer any instruments and papers as may be appropriate to secure the rights and obligations of the person and the insurer established by this provision.

(12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured under this coverage unless within two years from the date of the accident:

(A) Agreement as to the amount due under the policy has been concluded;

(B) The insured or the insurer has formally instituted arbitration proceedings;

(C) The insured has filed an action against the insurer; or

(D) Suit for bodily injury has been filed against the uninsured motorist and, within two years from the date of settlement or final judgment against the uninsured motorist, the insured has formally instituted arbitration proceedings or filed an action against the insurer.

(b) For purposes of this subsection:

(A) "Date of settlement" means the date on which a written settlement agreement or release is signed by an insured or, in the absence of these documents, the date on which the insured or the attorney for the insured receives payment of any sum required by the settlement agreement. An advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for purposes of the time limitation in this subsection.

(B) "Final judgment" means a judgment that has become final by lapse of time for appeal or by entry in an appellate court of an appellate judgment.

SECTION 4. ORS 30.135 is amended to read:

30.135. (1) Subject to the provisions of this section, a person that lends, rents, donates use of, makes available for test drive or otherwise provides a motor vehicle, as defined in ORS 801.360, to another person is not liable for any injury, death or damage that arises out of the use of that motor vehicle by the other person, unless the person providing the motor vehicle is negligent in maintaining the motor vehicle or in providing the motor vehicle and the injury, death or damage results from that negligence.

(2) The limitation on liability provided by this section applies only if the person providing the motor vehicle is engaged in the business of selling, renting, leasing or repairing motor vehicles and the motor vehicle is provided to another person in the course of that business.

(3) The limitation on liability provided by this section applies only if there is a written agreement between the person providing the motor vehicle and the person receiving the motor vehicle, and the agreement specifically indicates that the person receiving the motor vehicle is liable for any injury, death or damage arising out of the use of the motor vehicle. The limitation on liability provided by this section applies to injury, death or damage suffered during the period specified in the written agreement, or until the return of the motor vehicle, whichever is later.

(4) The limitation on liability provided by this section applies without regard to whether the motor vehicle is provided for consideration or is provided without charge.

(5) Nothing in this section affects the liability of a manufacturer, distributor, seller or lessor of a product under the provisions of ORS 30.900 to 30.920.

(6) Nothing in this section increases, reduces or relates to those obligations that a self-insurer may choose to undertake pursuant to ORS 806.130. Nothing in ORS 806.130 increases, reduces or relates to the limitations of this section.

SECTION 5. The amendments to ORS 742.502 and 742.504 by sections 2 and 3 of this 2007 Act apply to motor vehicle liability policies issued or renewed on or after the effective date of this 2007 Act.

SECTION 6. This 2007 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2007 Act takes effect on its passage.
