Declares emergency, effective July 1, 2007.

A BILL FOR AN ACT

Relating to health safety net; amending ORS 323.455; appropriating money; and declaring an emergency.

Whereas the economic well-being and health status of rural Oregonians will improve only with the creation and support of a clearly defined and sustainable rural health safety net; and

Whereas the general decline of rural economies, the aging of the rural population, the difficulty in recruiting and retaining physicians and other health care providers, aging hospital physical plants and a high rate of uninsured persons indicates a pending crisis in Oregon; and

Whereas the three major factors for maintaining a viable rural health safety net are adequate prehospital emergency care, access to primary care providers and modernization of older rural hospitals; now, therefore,

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 323.455 is amended to read:

(1) All moneys received by the Department of Revenue from the tax imposed by ORS 323.030 (1) shall be paid over to the State Treasurer to be held in a suspense account established under ORS 293.445. Amounts necessary to pay the expenses incurred by the Department of Revenue and to reimburse the Oregon State Police and the Department of Justice for the administration and enforcement of ORS 323.005 to 323.482 are continuously appropriated to the Department of Revenue from the suspense account.
