10 worker, who is entitled to receive payments under this chapter. "Beneficiary" does not include:

11 (a) A spouse of an injured worker living in a state of abandonment for more than one year at  
12 the time of the injury or subsequently. A spouse who has lived separate and apart from the worker  
13 for a period of two years and who has not during that time received or attempted by process of law

27 worker's behalf, or any compensable injury of which a subject employer has notice or knowledge.

29 ances, arising out of and in the course of employment requiring medical services or resulting in  
30 disability or death; an injury is accidental if the result is an accident, whether or not due to acci-

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.

1 following limitations:

2 (A) No injury or disease is compensable as a consequence of a compensable injury unless the  
3 compensable injury is the major contributing cause of the consequential condition.

4 (B) If an otherwise compensable injury combines at any time with a preexisting condition to  
5 cause or prolong disability or a need for treatment, the combined condition is compensable only if,  
6 so long as and to the extent that the otherwise compensable injury is the major contributing cause  
7 of the disability of the combined condition or the major contributing cause of the need for treatment  
8 of the combined condition.

9 (b) "Compensable injury" does not include:

10 (A) Injury to any active participant in assaults or combats which are not connected to the job  
11 assignment and which amount to a deviation from customary duties;

12 (B) Injury incurred while engaging in or performing, or as the result of engaging in or per-  
13 forming, any recreational or social activities primarily for the worker's personal pleasure; or

14 (C) Injury the major contributing cause of which is demonstrated to be by a preponderance of  
15 the evidence the injured worker's consumption of alcoholic beverages or the unlawful consumption  
16 of any controlled substance, unless the employer permitted, encouraged or had actual knowledge of  
17 such consumption.

18 (c) A "disabling compensable injury" is an injury which entitles the worker to compensation for  
19 disability or death. An injury is not disabling if no temporary benefits are due and payable, unless  
20 there is a reasonable expectation that permanent disability will result from the injury.

21 (d) A "nondisabling compensable injury" is any injury which requires medical services only.

22 (8) "Compensation" includes all benefits, including medical services, provided for a compensable  
23 injury to a subject worker or the worker's beneficiaries by an insurer or self-insured employer pur-

28 granddaughter, brother, sister, half sister, half brother, niece or nephew, who at the time of the  
29 accident, are dependent in whole or in part for their support upon the earnings of the worker.

34 (12)(a) "Doctor" or "physician" means a person duly licensed to practice one or more of the

41 Board of Medical Examiners for the State of Oregon or an oral and maxillofacial surgeon licensed  
42 by the Oregon Board of Dentistry or a similarly licensed doctor in any country or in any state,  
43 territory or possession of the United States; or

6 injury.

7 (13)(a) "Employer" means any person, including receiver, administrator, executor or trustee, and  
8 the state, state agencies, counties, municipal corporations, school districts and other public corpo-  
9 rations or political subdivisions, who contracts to pay a remuneration for and secures the right to  
10 direct and control the services of any person.

11 (b) Notwithstanding paragraph (a) of this subsection, for purposes of this chapter, the client of  
12 a temporary service provider is not the employer of temporary workers provided by the temporary  
13 service provider.

28 sponses to physical examinations that are not reproducible, measurable or observable.

29 (20) "Palliative care" means medical service rendered to reduce or moderate temporarily the

37 vacation pay, bonus pay, tips, amounts payable under profit-sharing agreements or bonus payments  
38 to reward workers for safe working practices. Bonus pay is limited to payments which are not an-  
39 ticipated under the contract of employment and which are paid at the sole discretion of the em-  
40 ployer. The exclusion from payroll of bonus payments to reward workers for safe working practices  
41 is only for the purpose of calculations based on payroll to determine premium for workers' com-  
42 pensation insurance, and does not affect any other calculation or determination based on payroll for  
43 the purposes of this chapter.

44 (23) "Person" includes partnership, joint venture, association, limited liability company and  
45 corporation.

1 (24)(a) "Preexisting condition" means, for all industrial injury claims, any injury, disease, con-

3 for treatment, provided that:

4 (A) Except for claims in which a preexisting condition is arthritis or an arthritic condition, the  
5 worker has been diagnosed with such condition, or has obtained medical services for the symptoms  
6 of the condition regardless of diagnosis; and

7 (B)(i) In claims for an initial injury or omitted condition, the diagnosis or treatment precedes  
8 the initial injury;

9 (ii) In claims for a new medical condition, the diagnosis or treatment precedes the onset of the  
10 new medical condition; or

11 (iii) In claims for a worsening pursuant to ORS 656.273 or 656.278, the diagnosis or treatment  
12 precedes the onset of the worsened condition.

13 (b) "Preexisting condition" means, for all occupational disease claims, any injury, disease, con-  
14 genital abnormality, personality disorder or similar condition that contributes to disability or need  
15 for treatment and that precedes the onset of the claimed occupational disease, or precedes a claim  
16 for worsening in such claims pursuant to ORS 656.273 or 656.278.

17 (c) For the purposes of industrial injury claims, a condition does not contribute to disability or  
18 need for treatment if the condition merely renders the worker more susceptible to the injury.

19 (25) "Self-insured employer" means an employer or group of employers certified under ORS  
20 656.430 as meeting the qualifications set out by ORS 656.407.

30 required to be reported by the employer pursuant to section 6053 of the Internal Revenue Code of  
31 1954, as amended, and the regulations promulgated pursuant thereto, or the amount of actual tips  
32 reported, whichever amount is greater. The State Accident Insurance Fund Corporation may estab-  
33 lish assumed minimum and maximum wages, in conformity with recognized insurance principles, at  
34 which any worker shall be carried upon the payroll of the employer for the purpose of determining  
35 the premium of the employer.

36 (30) "Worker" means any person, including a minor whether lawfully or unlawfully employed,  
37 who engages to furnish services for a remuneration, subject to the direction and control of an em-

39 cities, school districts and other public corporations, but does not include any person whose services  
40 are performed as an inmate or ward of a state institution or as part of the eligibility requirements  
41 for a general or public assistance grant. For the purpose of determining entitlement to temporary

 9 the time of the injury or subsequently. A spouse who has lived separate and apart from the worker
