2 (a) Methods by which an owner may avoid multiple payments for the same materials and labor;

3 (b) The right to file a claim against a licensed contractor with the [*Construction Contractors*]  
4 board and, when appropriate, to be reimbursed from the contractor's bond filed under ORS chapter  
5 701; and

6 (c) The right to receive, upon written request therefor, a statement of the reasonable value of  
7 materials, equipment, services or labor provided from the persons providing the materials, equip-

11 Owner" adopted by the [*Construction Contractors*] board under this section to:

12 (A) The first purchaser of residential property constructed by the contractor and sold before or

22 which the aggregate contract price exceeds \$1,000. If the price of a home improvement contract was  
23 initially less than \$1,000, but during the course of the performance of the contract exceeds that  
24 amount, the original contractor shall mail or otherwise deliver the "Information Notice to Owner"  
25 not later than five days after the contractor knows or should reasonably know that the contract  
26 price will exceed \$1,000.

27 [(4)] (5) An "Information Notice to Owner" need not be sent when the owner is a contractor  
28 licensed with the [*Construction Contractors*] board under ORS chapter 701.

29 [(5)] (6) Notwithstanding ORS 87.010 **and 87.030**, if an original contractor does not [*provide*]  
30 **deliver** an owner or agent with an "Information Notice to Owner" as required under subsections (2)  
31 [*and (3)*] **to (4)** of this section, the original contractor may not claim any lien created under ORS  
32 87.010 upon any improvement, lot or parcel of land of the owner for labor, services or materials  
33 supplied under the residential construction or improvement contract for which the **original con-**  
34 **tractor failed to deliver the required** "Information Notice to Owner" [*was not provided*].

35 [(6)] (7) If an original contractor does not [*provide an owner or agent with*] **deliver** an "Infor-  
36 mation Notice to Owner" **to an owner or agent** as required under subsection (2) of this section, the  
37 [*Construction Contractors*] board may suspend the license of the original contractor for any period  
38 of time that the board considers appropriate or impose a civil penalty of not more than \$5,000 upon  
39 the original contractor as provided in ORS 701.992.

41 (a) "Residential construction or improvement" means the original construction of residential

4 **SECTION 17.** ORS 701.055 is amended to read:

5 701.055. (1) A person may not undertake, offer to undertake or submit a bid to do work as a  
6 contractor unless that person has a current, valid license issued by the Construction Contractors  
7 Board. A partnership, corporation or joint venture may not undertake, offer to undertake or submit  
8 a bid to do work as a contractor unless that partnership, corporation or joint venture is licensed  
9 under this chapter. A partnership or joint venture is licensed for the purpose of offering to under-  
10 take work as a contractor on a structure if any of the partners or joint venturers whose name ap-  
11 pears in the business name of the partnership or joint venture is licensed under this chapter.

12 (2) A licensed partnership or corporation shall notify the board immediately upon any change  
13 in licensed partners or corporate officers. If a partnership no longer has a licensed partner, the  
14 partnership may not conduct activities that require a license under this chapter.

15 (3) A city, county or the State of Oregon may not issue a building permit to any person required  
16 to be licensed under this chapter that does not have a current, valid license. A county, city or state  
17 agency that requires the issuance of a permit as a condition precedent to construction, alteration,  
18 improvement, demolition, movement or repair of any building or structure or the appurtenances to  
19 the structure shall, as a condition for issuing the permit, require that the applicant for a permit file  
20 a written statement, subscribed by the applicant. The statement must affirm that the applicant is  
21 licensed under this chapter, give the license number and state that the license is in full force and  
22 effect, or, if the applicant is exempt from licensing under this chapter, list the basis for the ex-  
23 emption. The city, county or state agency shall list the contractor's license number on the permit  
24 obtained by that contractor.

25 (4) If the applicant for a building permit is exempt from licensure under ORS 701.010 (6), the  
26 city, county or state shall supply the applicant with an Information Notice to Property Owners  
27 About Construction Responsibilities. The city, county or state may not issue a building permit for  
28 a residential structure to the applicant until the applicant signs a statement in substantially the  
29 following form:

30 \_\_\_\_\_

31  
32 (a) I have read and understand the Information Notice to Property Owners About Construction  
33 Responsibilities; and

34 (b) I own, reside in or will reside in the completed dwelling. My general contractor is  
35 \_\_\_\_\_, Construction Contractors Board license no. \_\_\_\_\_, license expiration date  
36 \_\_\_\_\_. I will instruct my general contractor that all subcontractors who work on this  
37 dwelling must be licensed with the Construction Contractors Board; or

38 (c) I am performing work on property I own, a residence that I reside in or a residence that I  
39 will reside in.

40 (d) I will be my own general contractor and, if I hire subcontractors, I will hire only subcon-  
41 tractors licensed with the Construction Contractors Board.

42 (e) If I change my mind and do hire a general contractor, I will contract with a general con-  
43 tractor who is licensed with the Construction Contractors Board and I will immediately notify the  
44 office issuing this building permit of the name of the general contractor \_\_\_\_\_.

(5) The board shall adopt by rule a form entitled "Information Notice to Property Owners About Construction Responsibilities" that shall describe, in nontechnical language and in a clear and coherent manner using words in their common and everyday meaning, the responsibilities property owners are undertaking by acting as their own general contractor and the problems that could develop. The responsibilities described in the form shall include, but not be limited to:

(a) Compliance with state and federal laws regarding Social Security tax, income tax and unemployment tax.

(b) Workers' compensation insurance on workers.

(c) Liability and property damage insurance.

(6) The board shall develop and furnish to city, county and state building permit offices, at no cost to the offices, the Information Notice to Property Owners About Construction Responsibilities and the statement to be signed by the permit applicant.

(7) A city or county that requires a business license for engaging in a business subject to regulation under this chapter shall require that the licensee or applicant for issuance or renewal of the business license file, or have on file, with the city or county, a signed statement that the licensee or applicant is licensed under this chapter.

(8) It is prima facie evidence of doing business as a contractor if a person for that person's own use performs, employs others to perform, or for compensation and with the intent to sell the structure, arranges to have performed any work described in ORS 701.005 (3) if within any 36-month period that person offers for sale two or more newly built structures on which that work was performed.

(9) Licensure under this chapter is prima facie evidence that the licensee conducts a separate, independent business.

(10) The provisions of this chapter are exclusive and a city, county or other political subdivision may not require or issue any registrations, licenses or surety bonds, nor charge any fee for the regulatory or surety registration of any contractor licensed with the board. This subsection does not limit or abridge the authority of any city or county to:

(a) License and levy and collect a general and nondiscriminatory license fee levied upon all businesses or upon business conducted by any firm within the city or county;

(b) Require a contractor to pay a fee, post a bond or require insurance when the city, county or political subdivision is contracting for the service of the contractor; or

(c) Regulate a contractor that is not required to be licensed under this chapter.

(11)(a) A contractor shall maintain a list that includes the following information about all subcontractors or other contractors performing work on a project for that contractor:

(A) Names and addresses.

(B) License numbers.

(b) The contractor must deliver the list referred to in paragraph (a) of this subsection to the board within 72 hours after a board request made during reasonable working hours.

(12) A contractor may not hire any subcontractor or other contractor to perform work unless the subcontractor or contractor is licensed under this chapter or exempt from licensure under ORS 701.010.

*[(13) A consumer notification form designed to specifically inform a property owner what the property owner should do to protect themselves in a residential repair, remodel or construction project shall be prepared by the board and provided at no cost to all licensed contractors. The contractor shall*

1 *deliver the form to the property owner when the contractor submits a bid or proposal for work on a*  
2 *residential structure. The form shall include an explanation of the meaning of licensure, including a*  
3 *statement that licensure is not an endorsement of a contractor's work, and an explanation of the bond*  
4 *and insurance levels required of contractors for the benefit of property owners. The form must not be*  
5 *larger than one side of a sheet of paper that is 8-1/2 inches by 11 inches. The contractor may reproduce*  
6 *the form on the contractor's bid proposal.]*

7 [(14) A contractor may not perform work subject to this section for an owner of a residential  
8 structure without a written contract if the aggregate contract price exceeds \$2,000. If the price of a  
9 contract was initially less than \$2,000, but during the course of performance the contract exceeds that  
10 amount, the contractor shall mail or otherwise deliver a written contract to the owner not later than  
11 five days after the contractor knows or should reasonably know that the contract price will exceed  
12 \$2,000. Failure to have a written contract will not void the contract.]

13 [(15)] (13) Except as provided in ORS 671.540, a contractor that is not licensed under ORS  
14 671.560 shall hire a person licensed under ORS 671.560 to perform landscaping work.

15 **SECTION 18. ORS 701.590 is repealed.**

16  
17 **INSURANCE**

18  
19 **SECTION 19.** ORS 701.105 is amended to read:

20 701.105. (1) Except as provided in subsection (2) of this section, a contractor who possesses a  
21 license as required under this chapter shall have in effect public liability, personal injury and  
22 property damage insurance covering the work of the contractor that is subject to this chapter, **in-**  
23 **cluding the covering of liability for products and completed operations according to the terms**  
24 **of the policy and subject to applicable policy exclusions,** for an amount not less than:

- 25 (a) \$500,000 for a general contractor or licensed developer.  
26 (b) \$300,000 for a residential-only specialty contractor.  
27 (c) \$500,000 for all other specialty contractors.  
28 (d) \$100,000 for a limited contractor.  
29 (e) \$300,000 for an inspector.

30 (2) The Construction Contractors Board by rule, in consultation with the Department of Con-  
31 sumer and Business Services, may allow a general or specialty contractor that is a residential-only  
32 contractor to provide an alternative form of security approved by the board instead of procuring a  
33 public liability, personal injury and property damage insurance policy. The board may approve an  
34 alternative form of security if the board determines that the alternative form of security provides  
35 protection to the public equivalent to the protection provided by an insurance policy in the amounts  
36 otherwise applicable to the residential-only contractor under subsection (1) of this section. A  
37 board-approved alternative form of security may consist of a combination of financial resources.

38 (3) A residential-only contractor who provides a board-approved alternative form of security  
39 under subsection (2) of this section is considered for purposes of this chapter to have obtained in-  
40 surance described in subsection (1) of this section. This subsection does not subject to regulation  
41 as an insurer a person who issues all or part of an alternative form of security, unless the alterna-  
42 tive form of security otherwise qualifies as an insurance product.

43 (4) The contractor shall provide satisfactory evidence to the board at the time of licensure and  
44 renewal that the insurance policy or board-approved alternative form of security required by this  
45 section has been procured and is in effect.

1 of this section unless a higher amount is required by a board condition or rule described in sub-  
2 section (7) or (8) of this section. The board may allow a licensee to obtain, instead of a new bond,  
3 a certification that the surety remains liable for the full penal sum of the bond, notwithstanding  
4 payment by the surety on the claim.

5 (7) If the amount the licensee must pay against the bond under this section exceeds the amount  
6 of the bond, the board shall suspend the contractor's license until the amount owed is paid. The  
7 board, as a condition of ending the suspension, may require a contractor requesting reinstatement  
8 of a license to file a bond of an amount up to five times as much as the amount required ordinarily  
9 of a licensee under this section.

10 (8) The board by rule may establish conditions for applicants or persons licensed under this  
11 chapter under which the applicant or licensee must file a bond of an amount up to five times as  
12 much as the amount required ordinarily of an applicant or licensee under this section. The board  
13 may reduce the amount of bond it would otherwise require if the contractor demonstrates satisfac-  
14 tory completion of approved elective classes on dispute resolution and prevention, basic accounting  
15 and record keeping or such other classes as the board may prescribe.

16 (9) The bond required under this section is for the exclusive purpose of payment of final orders  
17 and arbitration awards of the board in accordance with this chapter.

18 (10) Upon determination under ORS 701.145 or 701.146 of a claim against a contractor who holds  
19 a bond required under this section, the board shall notify the surety on the bond of the final order  
20 in a manner determined by the board by rule. The notification shall include a list of all claims upon  
21 which a final order has been issued.

22 (11) A suit or action may not be commenced against a surety on a bond required under this  
23 section until 30 days after the date that the surety is notified by the board under ORS 701.150 that  
24 payment is due on the claim.

25 (12) In any action against a surety on a bond under this section that is based on the failure of  
26 the surety to pay a claim or on the denial of a claim by the surety, the court may award:

27 (a) Costs;

28 (b) Reasonable attorney fees to the prevailing party as part of the costs; and

29 (c) Twice the amount of any damages that the board ordered the surety to pay on the claim, if  
30 the surety arbitrarily and capriciously refused to pay upon order of the board.

3 part thereof. "Contractor" includes general contractors, residential-only contractors and specialty  
4 contractors as defined in this section.

7 part, whenever the sum of all contracts on any single property, including materials and labor, ex-  
8 ceeds an amount established by rule by the board. "General contractor" does not include specialty
