35 a termination of the tenancy pursuant to ORS 90.392, 90.398, 90.405 or 90.630.

36 (c) The tenancy consists of rented space for a manufactured dwelling or floating home  
37 as described in ORS 90.505, and the violation concerns:

38 (A) Disrepair or deterioration of the manufactured dwelling or floating home pursuant  
39 to ORS 90.632; or

40 (B) A failure to maintain the rented space, as provided by ORS 90.740 (2), (4)(b) and (4)(h).

41 (d) The termination is under ORS 90.396.

42 (e) The landlord accepts:

43 (A) A last month’s rent deposit collected at the beginning of the tenancy, regardless of  
44 whether the deposit covers a period beyond a termination date;

45 (B) Rent distributed pursuant to a court order releasing money paid into court as pro-

1 vided by ORS 90.370 (1); or

2 (C) Rent paid for a rent obligation not yet due and paid more than one rental period in  
3 advance.

4 (5) For a continuous or ongoing violation, the landlord's written warning notice under  
5 subsection (4)(b) of this section remains effective for 12 months and may be renewed with a  
6 new warning notice before the end of the 12 months.

7 (6) A landlord that must refund rent under this section shall make the refund to the  
8 tenant or other payer by personal delivery or first class mail. The refund may be in the form  
9 of the tenant's or other payer's check or in any other form of check or money.

10 **SECTION 28.** (1) If a notice of termination has been given by the landlord or the tenant,  
11 the following do not waive the right of the landlord to terminate on the notice and do not  
12 reinstate the tenancy:

13 (a) Except when the notice is a nonpayment of rent termination notice under ORS 90.394,  
14 the acceptance of rent if:

15 (A) The rent is prorated to the termination date specified in the notice; or

16 (B) The landlord refunds at least the unused balance of the rent prorated for the period  
17 beyond the termination date within 10 days after receiving the rent payment.

18 (b) Except if the termination is for cause under ORS 90.392, 90.398, 90.405, 90.630 or 90.632,  
19 the acceptance of rent for a rental period that extends beyond the termination date in the  
20 notice, if the landlord refunds at least the unused balance of the rent for the period beyond  
21 the termination date within 10 days after the end of the remedy or correction period de-  
22 scribed in the applicable notice.

23 (c) If the termination is for cause under ORS 90.392, 90.398, 90.405, 90.630 or 90.632 and  
24 proceedings have commenced under ORS 105.105 to 105.168 to recover possession of the  
25 premises based on the termination:

26 (A) The acceptance of rent for a period beyond the expiration of the notice of termination  
27 during which the tenant remains in possession if:

28 (i) The landlord notifies the tenant in writing in, or after the service of, the notice of  
29 termination for cause that the acceptance of rent while an action for possession is pending  
30 will not waive the right to terminate under the notice; and

31 (ii) The rent does not cover a period that extends beyond the date the rent payment is  
32 accepted.

33 (B) Service of a nonpayment of rent termination notice under ORS 90.394.

34 (2) The following do not waive the right of the landlord to terminate on a notice of ter-  
35 mination given by the landlord or the tenant and do not reinstate a tenancy:

36 (a) The acceptance of a last month's rent deposit collected at the beginning of the  
37 tenancy, whether or not the deposit covers a period beyond a termination date.

38 (b) The acceptance of rent distributed under a court order releasing money that was paid  
39 into the court as provided under ORS 90.370 (1).

40 (c) The acceptance of rent paid for a rent obligation not yet due and paid more than one  
41 rental period in advance.

42 (3) When a landlord must refund rent under this section, the refund shall be made to the  
43 tenant or other payer by personal delivery or first class mail and may be in the form of the  
44 tenant's or other payer's check or in any other form of check or money.

45 **SECTION 29.** (1) A tenant's duty regarding rent payments is to tender to the landlord

1 an offer of the full amount of rent owed within the time allowed by law and by the rental  
2 agreement provisions regarding payment. A landlord may refuse to accept a rent tender that  
3 is for less than the full amount of rent owed or that is untimely.

4 (2) A landlord may accept a partial payment of rent. The acceptance of a partial payment  
5 of rent in a manner consistent with subsection (3) of this section does not constitute a  
6 waiver under section 27 (2)(b) of this 2007 Act of the landlord's right to terminate the  
7 tenancy under ORS 90.394 for nonpayment of the balance of the rent owed.

8 (3) A landlord and tenant may by written agreement provide that monthly rent shall be  
9 paid in regular installments of less than a month pursuant to a schedule specified in the  
10 agreement. Installment rent payments described in this subsection are not partial payment  
11 of rent for purposes of this section.

12 (4) The acceptance of a partial payment of rent waives the right of the landlord to ter-  
13 minate the tenant's rental agreement under ORS 90.394 for nonpayment of rent unless:

14 (a)(A) The landlord accepted the partial payment of rent before the landlord gave a non-  
15 payment of rent termination notice under ORS 90.394 based on the tenant's agreement to  
16 pay the balance by a time certain and the tenant does not pay the balance of the rent as  
17 agreed;

18 (B) The landlord's notice of termination is served no earlier than it would have been  
19 permitted under ORS 90.394 had no rent been accepted; and

20 (C) The notice permits the tenant to avoid termination of the tenancy for nonpayment  
21 of rent by paying the balance within 72 hours or 144 hours, as the case may be, or by any  
22 date to which the parties agreed, whichever is later; or

23 (b) The landlord accepted a partial payment of rent after giving a nonpayment of rent  
24 termination notice under ORS 90.394 and entered into a written agreement with the tenant  
25 that the acceptance does not constitute waiver. The agreement may provide that the landlord  
26 may terminate the rental agreement and take possession as provided in ORS 105.105 to  
27 105.168 without serving a new notice under ORS 90.394 if the tenant fails to pay the balance  
28 of the rent by a time certain.

29 (5) Notwithstanding any acceptance of a partial payment of rent under subsection (4) of  
30 this section, the tenant continues to owe the landlord the unpaid balance of the rent.

31 **SECTION 30.** ORS 90.415 and 316.153 are repealed.

32 **SECTION 30a.** The repeal of ORS 316.153 by section 30 of this 2007 Act applies to tax  
33 years beginning on or after January 1, 2007.

34 **SECTION 31.** ORS 90.425 is amended to read:

35 90.425. (1) As used in this section:

36 (a) "Current market value" means the amount in cash, as determined by the county assessor,  
37 that could reasonably be expected to be paid for a manufactured dwelling or floating home by an  
38 informed buyer to an informed seller, each acting without compulsion in an arm's-length transaction  
39 occurring on the assessment date for the tax year or on the date of a subsequent reappraisal by the  
40 county assessor.

41 (b) "Dispose of the personal property" means that, if reasonably appropriate, the landlord may  
42 throw away the property or may give it without consideration to a nonprofit organization or to a  
43 person unrelated to the landlord. The landlord may not retain the property for personal use or  
44 benefit.

45 (c) "Goods" includes those goods left inside a recreational vehicle, manufactured dwelling or

1 floating home or left upon the rental space outside a recreational vehicle, manufactured dwelling  
2 or floating home, whether the recreational vehicle, dwelling or home is located inside or outside of  
3 a facility.

4 (d) "Lienholder" means any lienholder of an abandoned recreational vehicle, manufactured  
5 dwelling or floating home, if the lien is of record or the lienholder is actually known to the landlord.

6 (e) "Of record" means:

7 (A) For a recreational vehicle that is not a manufactured structure as defined in ORS 446.561,  
8 that a security interest has been properly recorded with the Department of Transportation pursuant  
9 to ORS 802.200 (1)(a)(A) and 803.097.

10 (B) For a manufactured dwelling or recreational vehicle that is a manufactured structure as  
11 defined in ORS 446.561, that a security interest has been properly recorded for the manufactured  
12 dwelling or recreational vehicle in the records of the Department of Consumer and Business Ser-  
13 vices pursuant to ORS 446.611 or on a certificate of title issued by the Department of Transportation  
14 prior to May 1, 2005.

15 (C) For a floating home, that a security interest has been properly recorded with the State  
16 Marine Board pursuant to ORS 830.740 to 830.755 for a home registered and titled with the board  
17 pursuant to ORS 830.715.

18 (f) "Owner" means any owner of an abandoned recreational vehicle, manufactured dwelling or  
19 floating home, if different from the tenant and either of record or actually known to the landlord.

20 (g) "Personal property" means goods, vehicles and recreational vehicles and includes manufac-  
21 tured dwellings and floating homes not located in a facility. "Personal property" does not include  
22 manufactured dwellings and floating homes located in a facility and therefore subject to being  
23 stored, sold or disposed of as provided under ORS 90.675.

24 (2) A landlord may not store, sell or dispose of abandoned personal property except as provided  
25 by this section. This section governs the rights and obligations of landlords, tenants and any  
26 lienholders or owners in any personal property abandoned or left upon the premises by the tenant  
27 or any lienholder or owner in the following circumstances:

28 (a) The tenancy has ended by termination or expiration of a rental agreement or by  
29 relinquishment or abandonment of the premises and the landlord reasonably believes under all the  
30 circumstances that the tenant has left the personal property upon the premises with no intention  
31 of asserting any further claim to the premises or to the personal property;

32 (b) The tenant has been absent from the premises continuously for seven days after termination  
33 of a tenancy by a court order that has not been executed; or

34 (c) The landlord receives possession of the premises from the sheriff following restitution pur-  
35 suant to ORS 105.161.

36 (3) Prior to selling or disposing of the tenant's personal property under this section, the landlord  
37 must give a written notice to the tenant that must be:

38 (a) Personally delivered to the tenant; or

39 (b) Sent by first class mail addressed and mailed to the tenant at:

40 (A) The premises;

41 (B) Any post-office box held by the tenant and actually known to the landlord; and

42 (C) The most recent forwarding address if provided by the tenant or actually known to the  
43 landlord.

44 (4)(a) In addition to the notice required by subsection (3) of this section, in the case of an  
45 abandoned recreational vehicle, manufactured dwelling or floating home, a landlord shall also give

1 a copy of the notice described in subsection (3) of this section to:

2 (A) Any lienholder of the recreational vehicle, manufactured dwelling or floating home;

3 (B) Any owner of the recreational vehicle, manufactured dwelling or floating home;

4 (C) The tax collector of the county where the manufactured dwelling or floating home is located;

5 and

6 (D) The assessor of the county where the manufactured dwelling or floating home is located.

7 (b) The landlord shall give the notice copy required by this subsection by personal delivery or  
8 first class mail, except that for any lienholder, mail service must be both by first class mail and by  
9 certified mail with return receipt requested.

10 (c) A notice to lienholders under paragraph (a)(A) of this subsection must be sent to each  
11 lienholder at each address:

12 (A) Actually known to the landlord;

13 (B) Of record; and

14 (C) Provided to the landlord by the lienholder in a written notice that identifies the personal  
15 property subject to the lien and that was sent to the landlord by certified mail with return receipt  
16 requested within the preceding five years. The notice must identify the personal property by de-  
17 scribing the physical address of the property.

18 (5) The notice required under subsection (3) of this section must state that:

19 (a) The personal property left upon the premises is considered abandoned;

20 (b) The tenant or any lienholder or owner must contact the landlord by a specified date, as  
21 provided in subsection (6) of this section, to arrange for the removal of the abandoned personal  
22 property;

23 (c) The personal property is stored at a place of safekeeping, except that if the property includes  
24 a manufactured dwelling or floating home, the dwelling or home must be stored on the rented space;

25 (d) The tenant or any lienholder or owner, except as provided by subsection (18) of this section,  
26 may arrange for removal of the personal property by contacting the landlord at a described tele-  
27 phone number or address on or before the specified date;

28 (e) The landlord shall make the personal property available for removal by the tenant or any  
29 lienholder or owner, except as provided by subsection (18) of this section, by appointment at rea-  
30 sonable times;

31 (f) If the personal property is considered to be abandoned pursuant to subsection (2)(a) or (b)  
32 of this section, the landlord may require payment of removal and storage charges, as provided by  
33 subsection (7)(d) of this section, prior to releasing the personal property to the tenant or any  
34 lienholder or owner;

35 (g) If the personal property is considered to be abandoned pursuant to subsection (2)(c) of this  
36 section, the landlord may not require payment of storage charges prior to releasing the personal  
37 property;

38 (h) If the tenant or any lienholder or owner fails to contact the landlord by the specified date,  
39 or after that contact, fails to remove the personal property within 30 days for recreational vehicles,  
40 manufactured dwellings and floating homes or 15 days for all other personal property, the landlord  
41 may sell or dispose of the personal property. If the landlord reasonably believes that the personal  
42 property will be eligible for disposal pursuant to subsection (10)(b) of this section and the landlord  
43 intends to dispose of the property if the property is not claimed, the notice shall state that belief  
44 and intent; and

45 (i) If the personal property includes a recreational vehicle, manufactured dwelling or floating

1 home and if applicable, there is a lienholder or owner that has a right to claim the recreational  
2 vehicle, dwelling or home, except as provided by subsection (18) of this section.

3 (6) For purposes of subsection (5) of this section, the specified date by which a tenant, lienholder  
4 or owner must contact a landlord to arrange for the disposition of abandoned personal property is:

5 (a) For abandoned recreational vehicles, manufactured dwellings or floating homes, not less than  
6 45 days after personal delivery or mailing of the notice; or

7 (b) For all other abandoned personal property, not less than five days after personal delivery  
8 or eight days after mailing of the notice.

9 (7) After notifying the tenant as required by subsection (3) of this section, the landlord:

10 (a) Shall store any abandoned manufactured dwelling or floating home on the rented space and  
11 shall exercise reasonable care for the dwelling or home;

12 (b) Shall store all other abandoned personal property of the tenant, including goods left inside  
13 a recreational vehicle, manufactured dwelling or floating home or left upon the rented space outside  
14 a recreational vehicle, dwelling or home, in a place of safekeeping and shall exercise reasonable  
15 care for the personal property, except that the landlord may:

16 (A) Promptly dispose of rotting food; and

17 (B) Allow an animal control agency to remove any abandoned pets or livestock. If an animal  
18 control agency will not remove the abandoned pets or livestock, the landlord shall exercise reason-  
19 able care for the animals given all the circumstances, including the type and condition of the ani-  
20 mals, and may give the animals to an agency that is willing and able to care for the animals, such  
21 as a humane society or similar organization;

22 (c) Except for manufactured dwellings and floating homes, may store the abandoned personal  
23 property at the dwelling unit, move and store it elsewhere on the premises or move and store it at  
24 a commercial storage company or other place of safekeeping; and

25 (d) Is entitled to reasonable or actual storage charges and costs incidental to storage or dis-  
26 posal, including any cost of removal to a place of storage. In the case of an abandoned manufactured  
27 dwelling or floating home, the storage charge may be no greater than the monthly space rent last  
28 payable by the tenant.

29 (8) If a tenant, lienholder or owner, upon the receipt of the notice provided by subsection (3)  
30 or (4) of this section or otherwise, responds by actual notice to the landlord on or before the spec-  
31 ified date in the landlord's notice that the tenant, lienholder or owner intends to remove the per-  
32 sonal property from the premises or from the place of safekeeping, the landlord must make that  
33 personal property available for removal by the tenant, lienholder or owner by appointment at rea-  
34 sonable times during the 15 days or, in the case of a recreational vehicle, manufactured dwelling  
35 or floating home, 30 days following the date of the response, subject to subsection (18) of this sec-  
36 tion. If the personal property is considered to be abandoned pursuant to subsection (2)(a) or (b) of  
37 this section, but not pursuant to subsection (2)(c) of this section, the landlord may require payment  
38 of removal and storage charges, as provided in subsection (7)(d) of this section, prior to allowing the  
39 tenant, lienholder or owner to remove the personal property. Acceptance by a landlord of such  
40 payment does not operate to create or reinstate a tenancy or create a waiver pursuant to [ORS  
41 90.415] **section 27 or 29 of this 2007 Act.**

42 (9) Except as provided in subsections (18) to (20) of this section, if the tenant, lienholder or  
43 owner of a recreational vehicle, manufactured dwelling or floating home does not respond within the  
44 time provided by the landlord's notice, or the tenant, lienholder or owner does not remove the per-  
45 sonal property within the time required by subsection (8) of this section or by any date agreed to

1 with the landlord, whichever is later, the tenant's, lienholder's or owner's personal property is con-  
2 clusively presumed to be abandoned. The tenant and any lienholder or owner that have been given  
3 notice pursuant to subsection (3) or (4) of this section shall, except with regard to the distribution  
4 of sale proceeds pursuant to subsection (13) of this section, have no further right, title or interest  
5 to the personal property and may not claim or sell the property.

6 (10) If the personal property is presumed to be abandoned under subsection (9) of this section,  
7 the landlord then may:

8 (a) Sell the personal property at a public or private sale, provided that prior to the sale of a  
9 recreational vehicle, manufactured dwelling or floating home:

10 (A) The landlord may seek to transfer ownership of record of the personal property by comply-  
11 ing with the requirements of the appropriate state agency; and

12 (B) The landlord shall:

13 (i) Place a notice in a newspaper of general circulation in the county in which the recreational  
14 vehicle, manufactured dwelling or floating home is located. The notice shall state:

15 (I) That the recreational vehicle, manufactured dwelling or floating home is abandoned;

16 (II) The tenant's and owner's name, if of record or actually known to the landlord;

17 (III) The address and any space number where the recreational vehicle, manufactured dwelling  
18 or floating home is located, and any plate, registration or other identification number for a recre-  
19 ational vehicle or floating home noted on the certificate of title, if actually known to the landlord;

20 (IV) Whether the sale is by private bidding or public auction;

21 (V) Whether the landlord is accepting sealed bids and, if so, the last date on which bids will be  
22 accepted; and

23 (VI) The name and telephone number of the person to contact to inspect the recreational vehi-  
24 cle, manufactured dwelling or floating home;

25 (ii) At a reasonable time prior to the sale, give a copy of the notice required by sub-  
26 subparagraph (i) of this subparagraph to the tenant and to any lienholder and owner, by personal  
27 delivery or first class mail, except that for any lienholder, mail service must be by first class mail  
28 with certificate of mailing;

29 (iii) Obtain an affidavit of publication from the newspaper to show that the notice required un-  
30 der sub-subparagraph (i) of this subparagraph ran in the newspaper at least one day in each of two  
31 consecutive weeks prior to the date scheduled for the sale or the last date bids will be accepted;  
32 and

33 (iv) Obtain written proof from the county that all property taxes and assessments on the manu-  
34 factured dwelling or floating home have been paid or, if not paid, that the county has authorized the  
35 sale, with the sale proceeds to be distributed pursuant to subsection (13) of this section;

36 (b) Destroy or otherwise dispose of the personal property if the landlord determines that:

37 (A) For a manufactured dwelling or floating home, the current market value of the property is  
38 \$8,000 or less as determined by the county assessor; or

39 (B) For all other personal property, the reasonable current fair market value is \$500 or less or  
40 so low that the cost of storage and conducting a public sale probably exceeds the amount that would  
41 be realized from the sale; or

42 (c) Consistent with paragraphs (a) and (b) of this subsection, sell certain items and destroy or  
43 otherwise dispose of the remaining personal property.

44 (11)(a) A public or private sale authorized by this section must:

45 (A) For a recreational vehicle, manufactured dwelling or floating home, be conducted consistent

1 with the terms listed in subsection (10)(a)(B)(i) of this section. Every aspect of the sale including the  
2 method, manner, time, place and terms must be commercially reasonable; or

3 (B) For all other personal property, be conducted under the provisions of ORS 79.0610.

4 (b) If there is no buyer at a sale of a manufactured dwelling or floating home, the personal  
5 property is considered to be worth \$8,000 or less, regardless of current market value, and the land-  
6 lord shall destroy or otherwise dispose of the personal property.

7 (12) Notwithstanding ORS 446.155 (1) and (2), unless a landlord intentionally misrepresents the  
8 condition of a manufactured dwelling or floating home, the landlord is not liable for the condition  
9 of the dwelling or home to:

10 (a) A buyer of the dwelling or home at a sale pursuant to subsection (10)(a) of this section, with  
11 or without consideration; or

12 (b) A person or nonprofit organization to whom the landlord gives the dwelling or home pursu-  
13 ant to subsection (1)(b), (10)(b) or (11)(b) of this section.

14 (13)(a) The landlord may deduct from the proceeds of the sale:

15 (A) The reasonable or actual cost of notice, storage and sale; and

16 (B) Unpaid rent.

17 (b) If the sale was of a manufactured dwelling or floating home, after deducting the amounts  
18 listed in paragraph (a) of this subsection, the landlord shall remit the remaining proceeds, if any, to  
19 the county tax collector to the extent of any unpaid property taxes and assessments owed on the  
20 dwelling or home.

21 (c) If the sale was of a recreational vehicle, manufactured dwelling or floating home, after de-  
22 ducting the amounts listed in paragraphs (a) and (b) of this subsection, if applicable, the landlord  
23 shall remit the remaining proceeds, if any, to any lienholder to the extent of any unpaid balance  
24 owed on the lien on the recreational vehicle, dwelling or home.

25 (d) After deducting the amounts listed in paragraphs (a), (b) and (c) of this subsection, if appli-  
26 cable, the landlord shall remit to the tenant or owner the remaining proceeds, if any, together with  
27 an itemized accounting.

28 (e) If the tenant or owner cannot after due diligence be found, the landlord shall deposit the  
29 remaining proceeds with the county treasurer of the county in which the sale occurred. If not  
30 claimed within three years, the deposited proceeds revert to the general fund of the county and are  
31 available for general purposes.

32 (14) The county tax collector shall cancel all unpaid property taxes and assessments owed on  
33 a manufactured dwelling or floating home, as provided under ORS 311.790, only under one of the  
34 following circumstances:

35 (a) The landlord disposes of the manufactured dwelling or floating home after a determination  
36 described in subsection (10)(b) of this section.

37 (b) There is no buyer of the manufactured dwelling or floating home at a sale described under  
38 subsection (11) of this section.

39 (c)(A) There is a buyer of the manufactured dwelling or floating home at a sale described under  
40 subsection (11) of this section;

41 (B) The current market value of the manufactured dwelling or floating home is \$8,000 or less;  
42 and

43 (C) The proceeds of the sale are insufficient to satisfy the unpaid property taxes and assessments  
44 owed on the dwelling or home after distribution of the proceeds pursuant to subsection (13) of this  
45 section.

1 (d)(A) The landlord buys the manufactured dwelling or floating home at a sale described under  
2 subsection (11) of this section;

3 (B) The current market value of the manufactured dwelling or floating home is more than \$8,000;

4 (C) The proceeds of the sale are insufficient to satisfy the unpaid property taxes and assessments  
5 owed on the manufactured dwelling or floating home after distribution of the proceeds pursuant to  
6 subsection (13) of this section; and

7 (D) The landlord disposes of the manufactured dwelling or floating home.

8 (15) The landlord is not responsible for any loss to the tenant, lienholder or owner resulting  
9 from storage of personal property in compliance with this section unless the loss was caused by the  
10 landlord's deliberate or negligent act. In the event of a deliberate and malicious violation, the  
11 landlord is liable for twice the actual damages sustained by the tenant, lienholder or owner.

12 (16) Complete compliance in good faith with this section shall constitute a complete defense in  
13 any action brought by a tenant, lienholder or owner against a landlord for loss or damage to such  
14 personal property disposed of pursuant to this section.

15 (17) If a landlord does not comply with this section:

16 (a) The tenant is relieved of any liability for damage to the premises caused by conduct that  
17 was not deliberate, intentional or grossly negligent and for unpaid rent and may recover from the  
18 landlord up to twice the actual damages sustained by the tenant;

19 (b) A lienholder or owner aggrieved by the noncompliance may recover from the landlord the  
20 actual damages sustained by the lienholder or owner. ORS 90.255 does not authorize an award of  
21 attorney fees to the prevailing party in any action arising under this paragraph; and

22 (c) A county tax collector aggrieved by the noncompliance may recover from the landlord the  
23 actual damages sustained by the tax collector, if the noncompliance is part of an effort by the  
24 landlord to defraud the tax collector. ORS 90.255 does not authorize an award of attorney fees to  
25 the prevailing party in any action arising under this paragraph.

26 (18) In the case of an abandoned recreational vehicle, manufactured dwelling or floating home,  
27 the provisions of this section regarding the rights and responsibilities of a tenant to the abandoned  
28 vehicle, dwelling or home also apply to any lienholder except that the lienholder may not sell or  
29 remove the vehicle, dwelling or home unless:

30 (a) The lienholder has foreclosed its lien on the recreational vehicle, manufactured dwelling or  
31 floating home;

32 (b) The tenant or a personal representative or designated person described in subsection (20)  
33 of this section has waived all rights under this section pursuant to subsection (25) of this section;  
34 or

35 (c) The notice and response periods provided by subsections (6) and (8) of this section have ex-  
36 pired.

37 (19)(a) In the case of an abandoned manufactured dwelling or floating home but not including  
38 a dwelling or home abandoned following a termination pursuant to ORS 90.429 and except as pro-  
39 vided by subsection (20)(d) and (e) of this section, if a lienholder makes a timely response to a notice  
40 of abandoned personal property pursuant to subsections (6) and (8) of this section and so requests,  
41 a landlord shall enter into a written storage agreement with the lienholder providing that the  
42 dwelling or home may not be sold or disposed of by the landlord for up to 12 months. A storage  
43 agreement entitles the lienholder to store the personal property on the previously rented space  
44 during the term of the agreement, but does not entitle anyone to occupy the personal property.

45 (b) The lienholder's right to a storage agreement arises upon the failure of the tenant, owner

1 or, in the case of a deceased tenant, the personal representative, designated person, heir or devisee  
2 to remove or sell the dwelling or home within the allotted time.

3 (c) To exercise the right to a storage agreement under this subsection, in addition to contacting  
4 the landlord with a timely response as described in paragraph (a) of this subsection, the lienholder  
5 must enter into the proposed storage agreement within 60 days after the landlord gives a copy of  
6 the agreement to the lienholder. The landlord shall give a copy of the proposed storage agreement  
7 to the lienholder in the same manner as provided by subsection (4)(b) of this section. The landlord  
8 may include a copy of the proposed storage agreement with the notice of abandoned property re-  
9 quired by subsection (4) of this section. A lienholder enters into a storage agreement by signing a  
10 copy of the agreement provided by the landlord and personally delivering or mailing the signed copy  
11 to the landlord within the 60-day period.

12 (d) The storage agreement may require, in addition to other provisions agreed to by the landlord  
13 and the lienholder, that:

14 (A) The lienholder make timely periodic payment of all storage charges, as described in sub-  
15 section (7)(d) of this section, accruing from the commencement of the 45-day period described in  
16 subsection (6) of this section. A storage charge may include a utility or service charge, as described  
17 in ORS 90.532, if limited to charges for electricity, water, sewer service and natural gas and if in-  
18 cidental to the storage of personal property. A storage charge may not be due more frequently than  
19 monthly;

20 (B) The lienholder pay a late charge or fee for failure to pay a storage charge by the date re-  
21 quired in the agreement, if the amount of the late charge is no greater than for late charges de-  
22 scribed in the rental agreement between the landlord and the tenant; and

23 (C) The lienholder maintain the personal property and the space on which the personal property  
24 is stored in a manner consistent with the rights and obligations described in the rental agreement  
25 between the landlord and the tenant.

26 (e) During the term of an agreement described under this subsection, the lienholder has the right  
27 to remove or sell the property, subject to the provisions of the lien. Selling the property includes a  
28 sale to a purchaser who wishes to leave the dwelling or home on the rented space and become a  
29 tenant, subject to any conditions previously agreed to by the landlord and tenant regarding the  
30 landlord's approval of a purchaser or, if there was no such agreement, any reasonable conditions  
31 by the landlord regarding approval of any purchaser who wishes to leave the dwelling or home on  
32 the rented space and become a tenant. The landlord also may condition approval for occupancy of  
33 any purchaser of the property upon payment of all unpaid storage charges and maintenance costs.

34 (f)(A) If the lienholder violates the storage agreement, the landlord may terminate the agreement  
35 by giving at least 90 days' written notice to the lienholder stating facts sufficient to notify the  
36 lienholder of the reason for the termination. Unless the lienholder corrects the violation within the  
37 notice period, the agreement terminates as provided and the landlord may sell or dispose of the  
38 dwelling or home without further notice to the lienholder.

39 (B) After a landlord gives a termination notice pursuant to subparagraph (A) of this paragraph  
40 for failure of the lienholder to pay a storage charge and the lienholder corrects the violation, if the  
41 lienholder again violates the storage agreement by failing to pay a subsequent storage charge, the  
42 landlord may terminate the agreement by giving at least 30 days' written notice to the lienholder  
43 stating facts sufficient to notify the lienholder of the reason for termination. Unless the lienholder  
44 corrects the violation within the notice period, the agreement terminates as provided and the land-  
45 lord may sell or dispose of the property without further notice to the lienholder.

1 (C) A lienholder may terminate a storage agreement at any time upon at least 14 days' written  
2 notice to the landlord and may remove the property from the rented space if the lienholder has paid  
3 all storage charges and other charges as provided in the agreement.

4 (g) Upon the failure of a lienholder to enter into a storage agreement as provided by this sub-  
5 section or upon termination of an agreement, unless the parties otherwise agree or the lienholder  
6 has sold or removed the manufactured dwelling or floating home, the landlord may sell or dispose  
7 of the property pursuant to this section without further notice to the lienholder.

8 (20) If the personal property consists of an abandoned manufactured dwelling or floating home  
9 and is considered abandoned as a result of the death of a tenant who was the only tenant and who  
10 owned the dwelling or home, this section applies, except as follows:

11 (a) Any personal representative named in a will or appointed by a court to act for the deceased  
12 tenant or any person designated in writing by the tenant to be contacted by the landlord in the  
13 event of the tenant's death has the same rights and responsibilities regarding the abandoned dwell-  
14 ing or home as a tenant.

15 (b) The notice required by subsection (3) of this section must be:

16 (A) Sent by first class mail to the deceased tenant at the premises; and

17 (B) Personally delivered or sent by first class mail to any personal representative or designated  
18 person if actually known to the landlord.

19 (c) The notice described in subsection (5) of this section must refer to any personal represen-  
20 tative or designated person, instead of the deceased tenant, and must incorporate the provisions of  
21 this subsection.

22 (d) If a personal representative, designated person or other person entitled to possession of the  
23 property, such as an heir or devisee, responds by actual notice to a landlord within the 45-day period  
24 provided by subsection (6) of this section and so requests, the landlord shall enter into a written  
25 storage agreement with the representative or person providing that the dwelling or home may not  
26 be sold or disposed of by the landlord for up to 90 days or until conclusion of any probate pro-  
27 ceedings, whichever is later. A storage agreement entitles the representative or person to store the  
28 personal property on the previously rented space during the term of the agreement, but does not  
29 entitle anyone to occupy the personal property. If such an agreement is entered, the landlord may  
30 not enter a similar agreement with a lienholder pursuant to subsection (19) of this section until the  
31 agreement with the personal representative or designated person ends.

32 (e) If a personal representative or other person requests that a landlord enter into a storage  
33 agreement, subsection (19)(c), (d) and (f)(C) of this section applies, with the representative or person  
34 having the rights and responsibilities of a lienholder with regard to the storage agreement.

35 (f) During the term of an agreement described under paragraph (d) of this subsection, the rep-  
36 resentative or person has the right to remove or sell the dwelling or home, including a sale to a  
37 purchaser or a transfer to an heir or devisee where the purchaser, heir or devisee wishes to leave  
38 the dwelling or home on the rented space and become a tenant, subject to any conditions previously  
39 agreed to by the landlord and tenant regarding the landlord's approval for occupancy of a purchaser,  
40 heir or devisee or, if there was no such agreement, any reasonable conditions by the landlord re-  
41 garding approval for occupancy of any purchaser, heir or devisee who wishes to leave the dwelling  
42 or home on the rented space and become a tenant. The landlord also may condition approval for  
43 occupancy of any purchaser, heir or devisee of the dwelling or home upon payment of all unpaid  
44 storage charges and maintenance costs.

45 (g) If the representative or person violates the storage agreement, the landlord may terminate

1 the agreement by giving at least 30 days' written notice to the representative or person stating facts  
2 sufficient to notify the representative or person of the reason for the termination. Unless the rep-  
3 resentative or person corrects the violation within the notice period, the agreement terminates as  
4 provided and the landlord may sell or dispose of the dwelling or home without further notice to the  
5 representative or person.

6 (h) Upon the failure of a representative or person to enter into a storage agreement as provided  
7 by this subsection or upon termination of an agreement, unless the parties otherwise agree or the  
8 representative or person has sold or removed the manufactured dwelling or floating home, the  
9 landlord may sell or dispose of the property pursuant to this section without further notice to the  
10 representative or person.

11 (21) If a governmental agency determines that the condition of a manufactured dwelling, floating  
12 home or recreational vehicle abandoned under this section constitutes an extreme health or safety  
13 hazard under state or local law and the agency determines that the hazard endangers others in the  
14 immediate vicinity and requires quick removal of the property, the landlord may sell or dispose of  
15 the property pursuant to this subsection. The landlord shall comply with all provisions of this sec-  
16 tion, except as follows:

17 (a) The date provided in subsection (6) of this section by which a tenant, lienholder, owner,  
18 personal representative or designated person must contact a landlord to arrange for the disposition  
19 of the property must be not less than 15 days after personal delivery or mailing of the notice re-  
20 quired by subsection (3) of this section.

21 (b) The date provided in subsections (8) and (9) of this section by which a tenant, lienholder,  
22 owner, personal representative or designated person must remove the property must be not less than  
23 seven days after the tenant, lienholder, owner, personal representative or designated person contacts  
24 the landlord.

25 (c) The notice required by subsection (3) of this section must be as provided in subsection (5)  
26 of this section, except that:

27 (A) The dates and deadlines in the notice for contacting the landlord and removing the property  
28 must be consistent with this subsection;

29 (B) The notice must state that a governmental agency has determined that the property consti-  
30 tutes an extreme health or safety hazard and must be removed quickly; and

31 (C) The landlord shall attach a copy of the agency's determination to the notice.

32 (d) If the tenant, a lienholder, owner, personal representative or designated person does not re-  
33 move the property within the time allowed, the landlord or a buyer at a sale by the landlord under  
34 subsection (11) of this section shall promptly remove the property from the facility.

35 (e) A landlord is not required to enter into a storage agreement with a lienholder, owner, per-  
36 sonal representative or designated person pursuant to subsection (19) of this section.

37 (22)(a) If an official or agency referred to in ORS 453.876 notifies the landlord that the official  
38 or agency has determined that all or part of the premises is unfit for use as a result of the presence  
39 of an illegal drug manufacturing site involving methamphetamine, and the landlord complies with  
40 this subsection, the landlord is not required to comply with subsections (1) to (21) and (23) to (26)  
41 of this section with regard to personal property left on the portion of the premises that the official  
42 or agency has determined to be unfit for use.

43 (b) Upon receiving notice from an official or agency determining the premises to be unfit for use,  
44 the landlord shall promptly give written notice to the tenant as provided in subsection (3) of this  
45 section. The landlord shall also attach a copy of the notice in a secure manner to the main entrance

1 of the dwelling unit. The notice to the tenant shall include a copy of the official's or agency's notice  
2 and state:

3 (A) That the premises, or a portion of the premises, has been determined by an official or agency  
4 to be unfit for use due to contamination from the manufacture of methamphetamine and that as a  
5 result subsections (1) to (21) and (23) to (26) of this section do not apply to personal property left  
6 on any portion of the premises determined to be unfit for use;

7 (B) That the landlord has hired, or will hire, a contractor to assess the level of contamination  
8 of the site and to decontaminate the site;

9 (C) That upon hiring the contractor, the landlord will provide to the tenant the name, address  
10 and telephone number of the contractor; and

11 (D) That the tenant may contact the contractor to determine whether any of the tenant's per-  
12 sonal property may be removed from the premises or may be decontaminated at the tenant's expense  
13 and then removed.

14 (c) To the extent consistent with rules of the Department of Human Services, the contractor  
15 may release personal property to the tenant.

16 (d) If the contractor and the department determine that the premises or the tenant's personal  
17 property is not unfit for use, upon notification by the department of the determination, the landlord  
18 shall comply with subsections (1) to (21) and (23) to (26) of this section for any personal property left  
19 on the premises.

20 (e) Except as provided in paragraph (d) of this subsection, the landlord is not responsible for  
21 storing or returning any personal property left on the portion of the premises that is unfit for use.

22 (23) In the case of an abandoned recreational vehicle, manufactured dwelling or floating home  
23 that is owned by someone other than the tenant, the provisions of this section regarding the rights  
24 and responsibilities of a tenant to the abandoned vehicle, dwelling or home also apply to that owner,  
25 with regard only to the vehicle, dwelling or home, and not to any goods left inside or outside the  
26 vehicle, dwelling or home.

27 (24) In the case of an abandoned motor vehicle, the procedure authorized by ORS 98.830 and  
28 98.835 for removal of abandoned motor vehicles from private property may be used by a landlord  
29 as an alternative to the procedures required in this section.

30 (25)(a) A landlord may sell or dispose of a tenant's abandoned personal property without com-  
31 plying with subsections (1) to (24) and (26) of this section if, after termination of the tenancy or no  
32 more than seven days prior to the termination of the tenancy, the following parties so agree in a  
33 writing entered into in good faith:

34 (A) The landlord;

35 (B) The tenant, or for an abandonment as the result of the death of a tenant who was the only  
36 tenant, the personal representative, designated person or other person entitled to possession of the  
37 personal property, such as an heir or devisee, as described in subsection (20) of this section; and

38 (C) In the case of a manufactured dwelling, floating home or recreational vehicle, any owner and  
39 any lienholder.

40 (b) A landlord may not, as part of a rental agreement, require a tenant, a personal represen-  
41 tative, a designated person or any lienholder or owner to waive any right provided by this section.

42 (26) Until personal property is conclusively presumed to be abandoned under subsection (9) of  
43 this section, a landlord does not have a lien pursuant to ORS 87.152 for storing the personal prop-  
44 erty.

45 **SECTION 32.** ORS 90.630 is amended to read:

1 90.630. (1) Except as provided in subsection (4) of this section, the landlord may terminate a  
2 rental agreement that is a month-to-month or fixed term tenancy for space for a manufactured  
3 dwelling or floating home by giving to the tenant not less than 30 days' notice in writing before the  
4 date designated in the notice for termination if the tenant:

5 (a) Violates a law or ordinance related to the tenant's conduct as a tenant, including but not  
6 limited to a material noncompliance with ORS 90.740;

7 (b) Violates a rule or rental agreement provision related to the tenant's conduct as a tenant and  
8 imposed as a condition of occupancy, including but not limited to a material noncompliance with a  
9 rental agreement regarding a program of recovery in drug and alcohol free housing; *[or]*

10 **(c) Is determined to be a predatory sex offender under ORS 181.585 to 181.587; or**

11 *[(c)]* **(d) Fails to pay a:**

13 (B) Fee pursuant to ORS 90.302; or

14 (C) Utility or service charge pursuant to ORS 90.534 or 90.536.

15 (2) A violation making a tenant subject to termination under subsection (1) of this section in-  
16 cludes a tenant's failure to maintain the space as required by law, ordinance, rental agreement or  
17 rule, but does not include the physical condition of the dwelling or home. Termination of a rental  
18 agreement based upon the physical condition of a dwelling or home shall only be as provided in ORS  
19 90.632.

20 (3) The notice required by subsection (1) of this section shall state facts sufficient to notify the  
21 tenant of the reasons for termination of the tenancy and state that the tenant may avoid termination  
22 by correcting the violation as provided in subsection (4) of this section.

23 (4) The tenant may avoid termination of the tenancy by correcting the violation within the  
24 30-day period specified in subsection (1) of this section. However, if substantially the same act or  
25 omission that constituted a prior violation of which notice was given recurs within six months after  
26 the date of the notice, the landlord may terminate the tenancy upon at least 20 days' written notice  
27 specifying the violation and the date of termination of the tenancy.

28 **(5) Notwithstanding subsection (3) or (4) of this section, a tenant who is given a notice**  
29 **of termination under subsection (1)(c) of this section does not have a right to correct the**  
30 **violation. A notice given to a tenant under subsection (1)(c) of this section must state that**  
31 **the tenant does not have a right to avoid the termination.**

2  
3       [(8)(a) *A landlord may not increase the rent for the purpose of offsetting the payments required under this section.*]

4  
5       [(b) *There shall be no increase in the rent after a notice of termination is given pursuant to this section.*]

6  
7       [(9) (6) This section does not limit a landlord's right to terminate a tenancy for nonpayment of rent under ORS 90.394 or for other cause under ORS 90.380 (5)(b), 90.396, 90.398 or 90.632 by complying with ORS 105.105 to 105.168.

8  
9  
10       [(10) (7) A tenancy terminates on the date designated in the notice and without regard to the expiration of the period for which, by the terms of the rental agreement, rents are to be paid. Unless otherwise agreed, rent is uniformly apportionable from day to day.

11  
12  
13       [(11) *Nothing in subsection (5) of this section shall prevent a landlord from relocating a floating home to another comparable space in the same facility or another facility owned by the same owner in the same city if the landlord desires or is required to make repairs, to remodel or to modify the tenant's original space.*]

14  
15  
16  
17       [(12)(a) (8) Notwithstanding any other provision of this section or ORS [90.392,] 90.394, 90.396 or 90.398, the landlord may terminate the rental agreement for space for a manufactured dwelling or floating home because of repeated late payment of rent by giving the tenant not less than 30 days' notice in writing before the date designated in that notice for termination and may take possession as provided in ORS 105.105 to 105.168 if:

18  
19  
20  
21  
22       [(A) (a) The tenant has not paid the monthly rent prior to the eighth day of the rental period as described in ORS 90.394 (2)(a) or the fifth day of the rental period as described in ORS 90.394 (2)(b) in at least three of the preceding 12 months and the landlord has given the tenant a [notice for] nonpayment of rent **termination notice** pursuant to ORS 90.394 (2) during each of those three instances of nonpayment;

23  
24  
25  
26  
27       [(B) (b) The landlord warns the tenant of the risk of a 30-day notice for termination with no right to correct the cause, upon the occurrence of a third [notice for] nonpayment of rent **termination notice** within a 12-month period. The warning must be contained in at least two [notices for] nonpayment of rent **termination notices** that precede the third notice within a 12-month period or in separate written notices that are given concurrent with, or a reasonable time after, each of the two [notices for] nonpayment of rent **termination notices**; and

28  
29  
30  
31  
32       [(C) (c) The 30-day notice of termination states facts sufficient to notify the tenant of the cause for termination of the tenancy and is given to the tenant concurrent with or after the third or a subsequent [notice for] nonpayment of rent **termination notice**.

33  
34  
35  
36       [(b) (9) Notwithstanding subsection [(2)] (4) of this section, a tenant who receives a 30-day notice of termination pursuant to [this] subsection (8) of this section does not have a right to correct the cause for the notice.

37  
38  
39       [(c) (10) The landlord may give a copy of the notice required by [paragraph (a) of this] subsection (8) of this section to any lienholder of the manufactured dwelling or floating home by first class mail with certificate of mailing or by any other method allowed by ORS 90.150 (2) and (3). A landlord is not liable to a tenant for any damages incurred by the tenant as a result of the landlord giving a copy of the notice in good faith to a lienholder. A lienholder's rights and obligations regarding an abandoned manufactured dwelling or floating home shall be as provided under ORS 90.675.

**SECTION 32a.** ORS 90.260 is amended to read:

90.260. (1) A landlord may impose a late charge or fee, however designated, only if:

(a) The rent payment is not received by the fourth day of the weekly or monthly rental period for which rent is payable; and

(b) There exists a written rental agreement that specifies:

(A) The tenant's obligation to pay a late charge on delinquent rent payments;

(B) The type and amount of the late charge, as described in subsection (2) of this section; and

(C) The date on which rent payments are due and the date or day on which late charges become due.

(2) The amount of any late charge may not exceed:

(a) A reasonable flat amount, charged once per rental period. "Reasonable amount" means the customary amount charged by landlords for that rental market;

(b) A reasonable amount, charged on a per-day basis, beginning on the fifth day of the rental period for which rent is delinquent. This daily charge may accrue every day thereafter until the rent, not including any late charge, is paid in full, through that rental period only. The per-day charge may not exceed six percent of the amount described in paragraph (a) of this subsection; or

(c) Five percent of the periodic rent payment amount, charged once for each succeeding five-day period, or portion thereof, for which the rent payment is delinquent, beginning on the fifth day of that rental period and continuing and accumulating until that rent payment, not including any late charge, is paid in full, through that rental period only.

(3) In periodic tenancies, a landlord may change the type or amount of late charge by giving 30 days' written notice to the tenant.

(4) A landlord may not deduct a previously imposed late charge from a current or subsequent rental period rent payment, thereby making that rent payment delinquent for imposition of a new or additional late charge or for termination of the tenancy for nonpayment under ORS 90.394.

(5) A landlord may charge simple interest on an unpaid late charge at the rate allowed for judgments pursuant to ORS 82.010 (2) and accruing from the date the late charge is imposed.

(6) Nonpayment of a late charge alone is not grounds for termination of a rental agreement for nonpayment of rent under ORS 90.394, but is grounds for termination of a rental agreement for cause under ORS 90.392 or 90.630 (1). A landlord may note the imposition of a late charge on a [notice of] nonpayment of rent **termination notice** under ORS 90.394, so long as the notice states or otherwise makes clear that the tenant may cure the nonpayment notice by paying only the delinquent rent, not including any late charge, within the allotted time.

(7) A late charge includes an increase or decrease in the regularly charged periodic rent payment imposed because a tenant does or does not pay that rent by a certain date.

**SECTION 33.** ORS 90.632 is amended to read:

90.632. (1) A landlord may terminate a month-to-month or fixed term rental agreement and require the tenant to remove a manufactured dwelling or floating home from a facility, due to the physical condition of the manufactured dwelling or floating home, only by complying with this section and ORS 105.105 to 105.168. A termination shall include removal of the dwelling or home.

(2) A landlord may not require removal of a manufactured dwelling or floating home, or consider a dwelling or home to be in disrepair or deteriorated, because of the age, size, style or original construction material of the dwelling or home or because the dwelling or home was built prior to adoption of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5403), in compliance with the standards of that Act in effect at that time or in compliance

1 with the state building code as defined in ORS 455.010.

2 (3) Except as provided in subsection (5) of this section, if the tenant's dwelling or home is in  
3 disrepair or is deteriorated, a landlord may terminate a rental agreement and require the removal  
4 of a dwelling or home by giving to the tenant not less than 30 days' written notice before the date  
5 designated in the notice for termination.

6 (4) The notice required by subsection (3) of this section must:

7 (a) State facts sufficient to notify the tenant of the causes or reasons for termination of the  
8 tenancy and removal of the dwelling or home;

9 (b) State that the tenant can avoid termination and removal by correcting the cause for termi-  
10 nation and removal within the notice period;

11 (c) Describe what is required to correct the cause for termination;

12 (d) Describe the tenant's right to give the landlord a written notice of correction, where to give  
13 the notice and the deadline for giving the notice in order to ensure a response by the landlord, all  
14 as provided by subsection (6) of this section; and

15 (e) Describe the tenant's right to have the termination and correction period extended as pro-  
16 vided by subsection (7) of this section.

17 (5) The tenant may avoid termination of the tenancy by correcting the cause within the period  
18 specified. However, if substantially the same condition that constituted a prior cause for termination  
19 of which notice was given recurs within 12 months after the date of the notice, the landlord may  
20 terminate the tenancy and require the removal of the dwelling or home upon at least 30 days'  
21 written notice specifying the violation and the date of termination of the tenancy.

22 (6) During the termination notice or extension period, the tenant may give the landlord written  
23 notice that the tenant has corrected the cause for termination. Within a reasonable time after the  
24 tenant's notice of correction, the landlord shall respond to the tenant in writing, stating whether the  
25 landlord agrees that the cause has been corrected. If the tenant's notice of correction is given at  
26 least 14 days prior to the end of the termination notice or extension period, failure by the landlord  
27 to respond as required by this subsection is a defense to a termination based upon the landlord's  
28 notice for termination.

29 (7) Except when the disrepair or deterioration creates a risk of imminent and serious harm to  
30 other dwellings, homes or persons within the facility, the 30-day period provided for the tenant to  
31 correct the cause for termination and removal shall be extended by at least:

32 (a) An additional 60 days if:

33 (A) The necessary correction involves exterior painting, roof repair, concrete pouring or similar  
34 work and the weather prevents that work during a substantial portion of the 30-day period; or

35 (B) The nature or extent of the correction work is such that it cannot reasonably be completed  
36 within 30 days because of factors such as the amount of work necessary, the type and complexity  
37 of the work and the availability of necessary repair persons; or

38 (b) An additional six months if the disrepair or deterioration has existed for more than the  
39 preceding 12 months with the landlord's knowledge or acceptance as described in [ORS 90.415 (1)]  
40 **section 27 of this 2007 Act.**

41 (8) In order to have the period for correction extended as provided in subsection (7) of this  
42 section, a tenant must give the landlord written notice describing the necessity for an extension in  
43 order to complete the correction work. The notice must be given a reasonable amount of time prior  
44 to the end of the notice for termination period.

45 (9) A tenancy terminates on the date designated in the notice and without regard to the expi-

1 ration of the period for which, by the terms of the rental agreement, rents are to be paid. Unless  
2 otherwise agreed, rent is uniformly apportionable from day to day.

3 (10) This section does not limit a landlord's right to terminate a tenancy for nonpayment of rent  
4 under ORS 90.394 or for other cause under ORS 90.380 (5)(b), 90.396, 90.398 or 90.630 by complying  
5 with ORS 105.105 to 105.168.

6 (11) A landlord may give a copy of the notice for termination required by this section to any  
7 lienholder of the dwelling or home, by first class mail with certificate of mailing or by any other  
8 method allowed by ORS 90.150 (2) and (3). A landlord is not liable to a tenant for any damages in-  
9 curred by the tenant as a result of the landlord giving a copy of the notice in good faith to a  
10 lienholder.

11 (12) When a tenant has been given a notice for termination pursuant to this section and has  
12 subsequently abandoned the dwelling or home as described in ORS 90.675, any lienholder shall have  
13 the same rights as provided by ORS 90.675, including the right to correct the cause of the notice,  
14 within the 90-day period provided by ORS 90.675 (19) notwithstanding the expiration of the notice  
15 period provided by this section for the tenant to correct the cause.

16 **SECTION 34.** ORS 90.675 is amended to read:

17 90.675. (1) As used in this section:

18 (a) "Current market value" means the amount in cash, as determined by the county assessor,  
19 that could reasonably be expected to be paid for personal property by an informed buyer to an in-  
20 formed seller, each acting without compulsion in an arm's-length transaction occurring on the as-  
21 sessment date for the tax year or on the date of a subsequent reappraisal by the county assessor.

22 (b) "Dispose of the personal property" means that, if reasonably appropriate, the landlord may  
23 throw away the property or may give it without consideration to a nonprofit organization or to a  
24 person unrelated to the landlord. The landlord may not retain the property for personal use or  
25 benefit.

26 (c) "Lienholder" means any lienholder of abandoned personal property, if the lien is of record  
27 or the lienholder is actually known to the landlord.

28 (d) "Of record" means:

29 (A) For a manufactured dwelling, that a security interest has been properly recorded in the re-  
30 cords of the Department of Consumer and Business Services pursuant to ORS 446.611 or on a cer-  
31 tificate of title issued by the Department of Transportation prior to May 1, 2005.

32 (B) For a floating home, that a security interest has been properly recorded with the State  
33 Marine Board pursuant to ORS 830.740 to 830.755 for a home registered and titled with the board  
34 pursuant to ORS 830.715.

35 (e) "Personal property" means only a manufactured dwelling or floating home located in a fa-  
36 cility and subject to ORS 90.505 to 90.840. "Personal property" does not include goods left inside a  
37 manufactured dwelling or floating home or left upon a rented space and subject to disposition under  
38 ORS 90.425.

39 (2) A landlord may not store, sell or dispose of abandoned personal property except as provided  
40 by this section. This section governs the rights and obligations of landlords, tenants and any  
41 lienholders in any personal property abandoned or left upon the premises by the tenant or any  
42 lienholder in the following circumstances:

43 (a) The tenancy has ended by termination or expiration of a rental agreement or by  
44 relinquishment or abandonment of the premises and the landlord reasonably believes under all the  
45 circumstances that the tenant has left the personal property upon the premises with no intention

1 of asserting any further claim to the premises or to the personal property;

2 (b) The tenant has been absent from the premises continuously for seven days after termination  
3 of a tenancy by a court order that has not been executed; or

4 (c) The landlord receives possession of the premises from the sheriff following restitution pur-  
5 suant to ORS 105.161.

6 (3) Prior to selling or disposing of the tenant's personal property under this section, the landlord  
7 must give a written notice to the tenant that must be:

8 (a) Personally delivered to the tenant; or

9 (b) Sent by first class mail addressed and mailed to the tenant at:

10 (A) The premises;

11 (B) Any post-office box held by the tenant and actually known to the landlord; and

12 (C) The most recent forwarding address if provided by the tenant or actually known to the  
13 landlord.

14 (4)(a) A landlord shall also give a copy of the notice described in subsection (3) of this section  
15 to:

16 (A) Any lienholder of the personal property;

17 (B) The tax collector of the county where the personal property is located; and

18 (C) The assessor of the county where the personal property is located.

19 (b) The landlord shall give the notice copy required by this subsection by personal delivery or  
20 first class mail, except that for any lienholder, mail service must be both by first class mail and by  
21 certified mail with return receipt requested.

22 (c) A notice to lienholders under paragraph (a)(A) of this subsection must be sent to each  
23 lienholder at each address:

24 (A) Actually known to the landlord;

25 (B) Of record; and

26 (C) Provided to the landlord by the lienholder in a written notice that identifies the personal  
27 property subject to the lien and that was sent to the landlord by certified mail with return receipt  
28 requested within the preceding five years. The notice must identify the personal property by de-  
29 scribing the physical address of the property.

30 (5) The notice required under subsection (3) of this section must state that:

31 (a) The personal property left upon the premises is considered abandoned;

32 (b) The tenant or any lienholder must contact the landlord by a specified date, as provided in  
33 subsection (6) of this section, to arrange for the removal of the abandoned personal property;

34 (c) The personal property is stored on the rented space;

35 (d) The tenant or any lienholder, except as provided by subsection (18) of this section, may ar-  
36 range for removal of the personal property by contacting the landlord at a described telephone  
37 number or address on or before the specified date;

38 (e) The landlord shall make the personal property available for removal by the tenant or any  
39 lienholder, except as provided by subsection (18) of this section, by appointment at reasonable times;

40 (f) If the personal property is considered to be abandoned pursuant to subsection (2)(a) or (b)  
41 of this section, the landlord may require payment of storage charges, as provided by subsection (7)(b)  
42 of this section, prior to releasing the personal property to the tenant or any lienholder;

43 (g) If the personal property is considered to be abandoned pursuant to subsection (2)(c) of this  
44 section, the landlord may not require payment of storage charges prior to releasing the personal  
45 property;

1 (h) If the tenant or any lienholder fails to contact the landlord by the specified date or fails to  
2 remove the personal property within 30 days after that contact, the landlord may sell or dispose of  
3 the personal property. If the landlord reasonably believes the county assessor will determine that  
4 the current market value of the personal property is \$8,000 or less, and the landlord intends to  
5 dispose of the property if the property is not claimed, the notice shall state that belief and intent;  
6 and

7 (i) If applicable, there is a lienholder that has a right to claim the personal property, except as  
8 provided by subsection (18) of this section.

9 (6) For purposes of subsection (5) of this section, the specified date by which a tenant or  
10 lienholder must contact a landlord to arrange for the disposition of abandoned personal property  
11 must be not less than 45 days after personal delivery or mailing of the notice.

12 (7) After notifying the tenant as required by subsection (3) of this section, the landlord:

13 (a) Shall store the abandoned personal property of the tenant on the rented space and shall ex-  
14 ercise reasonable care for the personal property; and

15 (b) Is entitled to reasonable or actual storage charges and costs incidental to storage or dis-  
16 posal. The storage charge may be no greater than the monthly space rent last payable by the tenant.

17 (8) If a tenant or lienholder, upon the receipt of the notice provided by subsection (3) or (4) of  
18 this section or otherwise, responds by actual notice to the landlord on or before the specified date  
19 in the landlord's notice that the tenant or lienholder intends to remove the personal property from  
20 the premises, the landlord must make that personal property available for removal by the tenant or  
21 lienholder by appointment at reasonable times during the 30 days following the date of the response,  
22 subject to subsection (18) of this section. If the personal property is considered to be abandoned  
23 pursuant to subsection (2)(a) or (b) of this section, but not pursuant to subsection (2)(c) of this sec-  
24 tion, the landlord may require payment of storage charges, as provided in subsection (7)(b) of this  
25 section, prior to allowing the tenant or lienholder to remove the personal property. Acceptance by  
26 a landlord of such payment does not operate to create or reinstate a tenancy or create a waiver  
27 pursuant to *[ORS 90.415]* **section 27 or 29 of this 2007 Act.**

28 (9) Except as provided in subsections (18) to (20) of this section, if the tenant or lienholder does  
29 not respond within the time provided by the landlord's notice, or the tenant or lienholder does not  
30 remove the personal property within 30 days after responding to the landlord or by any date agreed  
31 to with the landlord, whichever is later, the personal property is conclusively presumed to be  
32 abandoned. The tenant and any lienholder that have been given notice pursuant to subsection (3)  
33 or (4) of this section shall, except with regard to the distribution of sale proceeds pursuant to sub-  
34 section (13) of this section, have no further right, title or interest to the personal property and may  
35 not claim or sell the property.

36 (10) If the personal property is presumed to be abandoned under subsection (9) of this section,  
37 the landlord then may:

38 (a) Sell the personal property at a public or private sale, provided that prior to the sale:

39 (A) The landlord may seek to transfer ownership of record of the personal property by comply-  
40 ing with the requirements of the appropriate state agency; and

41 (B) The landlord shall:

42 (i) Place a notice in a newspaper of general circulation in the county in which the personal  
43 property is located. The notice shall state:

44 (I) That the personal property is abandoned;

45 (II) The tenant's name;

1 (III) The address and any space number where the personal property is located, and any plate,  
2 registration or other identification number for a floating home noted on the title, if actually known  
3 to the landlord;

4 (IV) Whether the sale is by private bidding or public auction;

5 (V) Whether the landlord is accepting sealed bids and, if so, the last date on which bids will be  
6 accepted; and

7 (VI) The name and telephone number of the person to contact to inspect the personal property;

8 (ii) At a reasonable time prior to the sale, give a copy of the notice required by sub-  
9 subparagraph (i) of this subparagraph to the tenant and to any lienholder, by personal delivery or  
10 first class mail, except that for any lienholder, mail service must be by first class mail with certif-  
11 icate of mailing;

12 (iii) Obtain an affidavit of publication from the newspaper to show that the notice required un-  
13 der sub-subparagraph (i) of this subparagraph ran in the newspaper at least one day in each of two  
14 consecutive weeks prior to the date scheduled for the sale or the last date bids will be accepted;  
15 and

16 (iv) Obtain written proof from the county that all property taxes and assessments on the per-  
17 sonal property have been paid or, if not paid, that the county has authorized the sale, with the sale  
18 proceeds to be distributed pursuant to subsection (13) of this section; or

19 (b) Destroy or otherwise dispose of the personal property if the landlord determines from the  
20 county assessor that the current market value of the property is \$8,000 or less.

21 (11)(a) A public or private sale authorized by this section must be conducted consistent with the  
22 terms listed in subsection (10)(a)(B)(i) of this section. Every aspect of the sale including the method,  
23 manner, time, place and terms must be commercially reasonable.

24 (b) If there is no buyer at a sale described under paragraph (a) of this subsection, the personal  
25 property is considered to be worth \$8,000 or less, regardless of current market value, and the land-  
26 lord shall destroy or otherwise dispose of the personal property.

27 (12) Notwithstanding ORS 446.155 (1) and (2), unless a landlord intentionally misrepresents the  
28 condition of personal property, the landlord is not liable for the condition of the personal property  
29 to:

30 (a) A buyer of the personal property at a sale pursuant to subsection (10)(a) of this section, with  
31 or without consideration; or

32 (b) A person or nonprofit organization to whom the landlord gives the personal property pursu-  
33 ant to subsection (1)(b), (10)(b) or (11)(b) of this section.

34 (13)(a) The landlord may deduct from the proceeds of the sale:

35 (A) The reasonable or actual cost of notice, storage and sale; and

36 (B) Unpaid rent.

37 (b) After deducting the amounts listed in paragraph (a) of this subsection, the landlord shall  
38 remit the remaining proceeds, if any, to the county tax collector to the extent of any unpaid prop-  
39 erty taxes and assessments owed on the dwelling or home.

40 (c) After deducting the amounts listed in paragraphs (a) and (b) of this subsection, if applicable,  
41 the landlord shall remit the remaining proceeds, if any, to any lienholder to the extent of any unpaid  
42 balance owed on the lien on the personal property.

43 (d) After deducting the amounts listed in paragraphs (a), (b) and (c) of this subsection, if appli-  
44 cable, the landlord shall remit to the tenant the remaining proceeds, if any, together with an item-  
45 ized accounting.

1 (e) If the tenant cannot after due diligence be found, the landlord shall deposit the remaining  
2 proceeds with the county treasurer of the county in which the sale occurred. If not claimed within  
3 three years, the deposited proceeds revert to the general fund of the county and are available for  
4 general purposes.

5 (14) The county tax collector shall cancel all unpaid property taxes and assessments as provided  
6 under ORS 311.790 only under one of the following circumstances:

7 (a) The landlord disposes of the personal property after a determination described in subsection  
8 (10)(b) of this section.

9 (b) There is no buyer of the personal property at a sale described under subsection (11) of this  
10 section.

11 (c)(A) There is a buyer of the personal property at a sale described under subsection (11) of this  
12 section;

13 (B) The current market value of the personal property is \$8,000 or less; and

14 (C) The proceeds of the sale are insufficient to satisfy the unpaid property taxes and assessments  
15 owed on the personal property after distribution of the proceeds pursuant to subsection (13) of this  
16 section.

17 (d)(A) The landlord buys the personal property at a sale described under subsection (11) of this  
18 section;

19 (B) The current market value of the personal property is more than \$8,000;

20 (C) The proceeds of the sale are insufficient to satisfy the unpaid property taxes and assessments  
21 owed on the personal property after distribution of the proceeds pursuant to subsection (13) of this  
22 section; and

23 (D) The landlord disposes of the personal property.

24 (15) The landlord is not responsible for any loss to the tenant or lienholder resulting from  
25 storage of personal property in compliance with this section unless the loss was caused by the  
26 landlord's deliberate or negligent act. In the event of a deliberate and malicious violation, the  
27 landlord is liable for twice the actual damages sustained by the tenant or lienholder.

28 (16) Complete compliance in good faith with this section shall constitute a complete defense in  
29 any action brought by a tenant or lienholder against a landlord for loss or damage to such personal  
30 property disposed of pursuant to this section.

31 (17) If a landlord does not comply with this section:

32 (a) The tenant is relieved of any liability for damage to the premises caused by conduct that  
33 was not deliberate, intentional or grossly negligent and for unpaid rent and may recover from the  
34 landlord up to twice the actual damages sustained by the tenant;

35 (b) A lienholder aggrieved by the noncompliance may recover from the landlord the actual  
36 damages sustained by the lienholder. ORS 90.255 does not authorize an award of attorney fees to  
37 the prevailing party in any action arising under this paragraph; and

38 (c) A county tax collector aggrieved by the noncompliance may recover from the landlord the  
39 actual damages sustained by the tax collector, if the noncompliance is part of an effort by the  
40 landlord to defraud the tax collector. ORS 90.255 does not authorize an award of attorney fees to  
41 the prevailing party in any action arising under this paragraph.

42 (18) The provisions of this section regarding the rights and responsibilities of a tenant to the  
43 abandoned personal property also apply to any lienholder, except that the lienholder may not sell  
44 or remove the dwelling or home unless:

45 (a) The lienholder has foreclosed the lien on the manufactured dwelling or floating home;

1 (b) The tenant or a personal representative or designated person described in subsection (20)  
2 of this section has waived all rights under this section pursuant to subsection (22) of this section;  
3 or

4 (c) The notice and response periods provided by subsections (6) and (8) of this section have ex-  
5 pired.

6 (19)(a) Except as provided by subsection (20)(d) and (e) of this section, if a lienholder makes a  
7 timely response to a notice of abandoned personal property pursuant to subsections (6) and (8) of  
8 this section and so requests, a landlord shall enter into a written storage agreement with the  
9 lienholder providing that the personal property may not be sold or disposed of by the landlord for  
10 up to 12 months. A storage agreement entitles the lienholder to store the personal property on the  
11 previously rented space during the term of the agreement, but does not entitle anyone to occupy the  
12 personal property.

13 (b) The lienholder's right to a storage agreement arises upon the failure of the tenant or, in the  
14 case of a deceased tenant, the personal representative, designated person, heir or devisee to remove  
15 or sell the dwelling or home within the allotted time.

16 (c) To exercise the right to a storage agreement under this subsection, in addition to contacting  
17 the landlord with a timely response as described in paragraph (a) of this subsection, the lienholder  
18 must enter into the proposed storage agreement within 60 days after the landlord gives a copy of  
19 the agreement to the lienholder. The landlord shall give a copy of the proposed storage agreement  
20 to the lienholder in the same manner as provided by subsection (4)(b) of this section. The landlord  
21 may include a copy of the proposed storage agreement with the notice of abandoned property re-  
22 quired by subsection (4) of this section. A lienholder enters into a storage agreement by signing a  
23 copy of the agreement provided by the landlord and personally delivering or mailing the signed copy  
24 to the landlord within the 60-day period.

25 (d) The storage agreement may require, in addition to other provisions agreed to by the landlord  
26 and the lienholder, that:

27 (A) The lienholder make timely periodic payment of all storage charges, as described in sub-  
28 section (7)(b) of this section, accruing from the commencement of the 45-day period described in  
29 subsection (6) of this section. A storage charge may include a utility or service charge, as described  
30 in ORS 90.532, if limited to charges for electricity, water, sewer service and natural gas and if in-  
31 cidental to the storage of personal property. A storage charge may not be due more frequently than  
32 monthly;

33 (B) The lienholder pay a late charge or fee for failure to pay a storage charge by the date re-  
34 quired in the agreement, if the amount of the late charge is no greater than for late charges imposed  
35 on facility tenants;

36 (C) The lienholder maintain the personal property and the space on which the personal property  
37 is stored in a manner consistent with the rights and obligations described in the rental agreement  
38 that the landlord currently provides to tenants as required by ORS 90.510 (4); and

39 (D) The lienholder repair any defects in the physical condition of the personal property that  
40 existed prior to the lienholder entering into the storage agreement, if the defects and necessary re-  
41 pairs are reasonably described in the storage agreement and, for homes that were first placed on  
42 the space within the previous 24 months, the repairs are reasonably consistent with facility stan-  
43 dards in effect at the time of placement. The lienholder shall have 90 days after entering into the  
44 storage agreement to make the repairs. Failure to make the repairs within the allotted time consti-  
45 tutes a violation of the storage agreement and the landlord may terminate the agreement by giving

1 at least 14 days' written notice to the lienholder stating facts sufficient to notify the lienholder of  
2 the reason for termination. Unless the lienholder corrects the violation within the notice period, the  
3 agreement terminates as provided and the landlord may sell or dispose of the property without fur-  
4 ther notice to the lienholder.

5 (e) Notwithstanding subsection (7)(b) of this section, a landlord may increase the storage charge  
6 if the increase is part of a facility-wide rent increase for all facility tenants, the increase is no  
7 greater than the increase for other tenants and the landlord gives the lienholder written notice  
8 consistent with the requirements of ORS 90.600 (1).

9 (f) During the term of an agreement described under this subsection, the lienholder has the right  
10 to remove or sell the property, subject to the provisions of the lien. Selling the property includes a  
11 sale to a purchaser who wishes to leave the property on the rented space and become a tenant,  
12 subject to the provisions of ORS 90.680. The landlord may condition approval for occupancy of any  
13 purchaser of the property upon payment of all unpaid storage charges and maintenance costs.

14 (g)(A) Except as provided in paragraph (d)(D) of this subsection, if the lienholder violates the  
15 storage agreement, the landlord may terminate the agreement by giving at least 90 days' written  
16 notice to the lienholder stating facts sufficient to notify the lienholder of the reason for the termi-  
17 nation. Unless the lienholder corrects the violation within the notice period, the agreement termi-  
18 nates as provided and the landlord may sell or dispose of the property without further notice to the  
19 lienholder.

20 (B) After a landlord gives a termination notice pursuant to subparagraph (A) of this paragraph  
21 for failure of the lienholder to pay a storage charge and the lienholder corrects the violation, if the  
22 lienholder again violates the storage agreement by failing to pay a subsequent storage charge, the  
23 landlord may terminate the agreement by giving at least 30 days' written notice to the lienholder  
24 stating facts sufficient to notify the lienholder of the reason for termination. Unless the lienholder  
25 corrects the violation within the notice period, the agreement terminates as provided and the land-  
26 lord may sell or dispose of the property without further notice to the lienholder.

27 (C) A lienholder may terminate a storage agreement at any time upon at least 14 days' written  
28 notice to the landlord and may remove the property from the facility if the lienholder has paid all  
29 storage charges and other charges as provided in the agreement.

30 (h) Upon the failure of a lienholder to enter into a storage agreement as provided by this sub-  
31 section or upon termination of an agreement, unless the parties otherwise agree or the lienholder  
32 has sold or removed the property, the landlord may sell or dispose of the property pursuant to this  
33 section without further notice to the lienholder.

34 (20) If the personal property is considered abandoned as a result of the death of a tenant who  
35 was the only tenant, this section applies, except as follows:

36 (a) The provisions of this section regarding the rights and responsibilities of a tenant to the  
37 abandoned personal property shall apply to any personal representative named in a will or appointed  
38 by a court to act for the deceased tenant or any person designated in writing by the tenant to be  
39 contacted by the landlord in the event of the tenant's death.

40 (b) The notice required by subsection (3) of this section must be:

41 (A) Sent by first class mail to the deceased tenant at the premises; and

42 (B) Personally delivered or sent by first class mail to any personal representative or designated  
43 person if actually known to the landlord.

44 (c) The notice described in subsection (5) of this section must refer to any personal represen-  
45 tative or designated person, instead of the deceased tenant, and must incorporate the provisions of

1 this subsection.

2 (d) If a personal representative, designated person or other person entitled to possession of the  
3 property, such as an heir or devisee, responds by actual notice to a landlord within the 45-day period  
4 provided by subsection (6) of this section and so requests, the landlord shall enter into a written  
5 storage agreement with the representative or person providing that the personal property may not  
6 be sold or disposed of by the landlord for up to 90 days or until conclusion of any probate pro-  
7 ceedings, whichever is later. A storage agreement entitles the representative or person to store the  
8 personal property on the previously rented space during the term of the agreement, but does not  
9 entitle anyone to occupy the personal property. If such an agreement is entered, the landlord may  
10 not enter a similar agreement with a lienholder pursuant to subsection (19) of this section until the  
11 agreement with the personal representative or designated person ends.

12 (e) If a personal representative or other person requests that a landlord enter into a storage  
13 agreement, subsection (19)(c) to (e) and (g)(C) of this section applies, with the representative or  
14 person having the rights and responsibilities of a lienholder with regard to the storage agreement.

15 (f) During the term of an agreement described under paragraph (d) of this subsection, the rep-  
16 resentative or person has the right to remove or sell the property, including a sale to a purchaser  
17 or a transfer to an heir or devisee where the purchaser, heir or devisee wishes to leave the property  
18 on the rented space and become a tenant, subject to the provisions of ORS 90.680. The landlord also  
19 may condition approval for occupancy of any purchaser, heir or devisee of the property upon pay-  
20 ment of all unpaid storage charges and maintenance costs.

21 (g) If the representative or person violates the storage agreement, the landlord may terminate  
22 the agreement by giving at least 30 days' written notice to the representative or person stating facts  
23 sufficient to notify the representative or person of the reason for the termination. Unless the rep-  
24 resentative or person corrects the violation within the notice period, the agreement terminates as  
25 provided and the landlord may sell or dispose of the property without further notice to the repre-  
26 sentative or person.

27 (h) Upon the failure of a representative or person to enter into a storage agreement as provided  
28 by this subsection or upon termination of an agreement, unless the parties otherwise agree or the  
29 representative or person has sold or removed the property, the landlord may sell or dispose of the  
30 property pursuant to this section without further notice to the representative or person.

31 (21) If a governmental agency determines that the condition of personal property abandoned  
32 under this section constitutes an extreme health or safety hazard under state or local law and the  
33 agency determines that the hazard endangers others in the facility and requires quick removal of  
34 the property, the landlord may sell or dispose of the property pursuant to this subsection. The  
35 landlord shall comply with all provisions of this section, except as follows:

36 (a) The date provided in subsection (6) of this section by which a tenant, lienholder, personal  
37 representative or designated person must contact a landlord to arrange for the disposition of the  
38 property must be not less than 15 days after personal delivery or mailing of the notice required by  
39 subsection (3) of this section.

40 (b) The date provided in subsections (8) and (9) of this section by which a tenant, lienholder,  
41 personal representative or designated person must remove the property must be not less than seven  
42 days after the tenant, lienholder, personal representative or designated person contacts the landlord.

43 (c) The notice required by subsection (3) of this section must be as provided in subsection (5)  
44 of this section, except that:

45 (A) The dates and deadlines in the notice for contacting the landlord and removing the property

1 must be consistent with this subsection;

2 (B) The notice must state that a governmental agency has determined that the property consti-  
3 tutes an extreme health or safety hazard and must be removed quickly; and

4 (C) The landlord shall attach a copy of the agency's determination to the notice.

5 (d) If the tenant, a lienholder or a personal representative or designated person does not remove  
6 the property within the time allowed, the landlord or a buyer at a sale by the landlord under sub-  
7 section (11) of this section shall promptly remove the property from the facility.

8 (e) A landlord is not required to enter into a storage agreement with a lienholder, personal  
9 representative or designated person pursuant to subsection (19) of this section.

10 (22)(a) A landlord may sell or dispose of a tenant's abandoned personal property without com-  
11 plying with the provisions of this section if, after termination of the tenancy or no more than seven  
12 days prior to the termination of the tenancy, the following parties so agree in a writing entered into  
13 in good faith:

14 (A) The landlord;

15 (B) The tenant, or for an abandonment as the result of the death of a tenant who was the only  
16 tenant, the personal representative, designated person or other person entitled to possession of the  
17 personal property, such as an heir or devisee, as described in subsection (20) of this section; and

18 (C) Any lienholder.

19 (b) A landlord may not, as part of a rental agreement, as a condition to approving a sale of  
20 property on rented space under ORS 90.680 or in any other manner, require a tenant, a personal  
21 representative, a designated person or any lienholder to waive any right provided by this section.

22 (23) Until personal property is conclusively presumed to be abandoned under subsection (9) of  
23 this section, a landlord does not have a lien pursuant to ORS 87.152 for storing the personal prop-  
24 erty.

25 **SECTION 35.** ORS 90.680 is amended to read:

26 90.680. (1) A landlord may not deny any manufactured dwelling or floating home space tenant  
27 the right to sell a manufactured dwelling or floating home on a rented space or require the tenant  
28 to remove the dwelling or home from the space solely on the basis of the sale.

29 (2) The landlord may not exact a commission or fee for the sale of a manufactured dwelling or  
30 floating home on a rented space unless the landlord has acted as agent for the seller pursuant to  
31 written contract.

32 (3) The landlord may not deny the tenant the right to place a "for sale" sign on or in a manu-  
33 factured dwelling or floating home owned by the tenant. The size, placement and character of such  
34 signs shall be subject to reasonable rules of the landlord.

35 (4) If the prospective purchaser of a manufactured dwelling or floating home desires to leave the  
36 dwelling or home on the rented space and become a tenant, the landlord may require in the rental  
37 agreement:

38 (a) Except when a termination or abandonment occurs, that a tenant give not more than 10 days'  
39 notice in writing prior to the sale of the dwelling or home on a rented space;

40 (b) That prior to the sale, the prospective purchaser submit to the landlord a complete and ac-  
41 curate written application for occupancy of the dwelling or home as a tenant after the sale is fi-  
42 nalized and that a prospective purchaser may not occupy the dwelling or home until after the  
43 prospective purchaser is accepted by the landlord as a tenant;

44 (c) That a tenant give notice to any lienholder, prospective purchaser or person licensed to sell  
45 dwellings or homes of the requirements of paragraphs (b) and (d) of this subsection, the location of

1 all properly functioning smoke alarms and any other rules and regulations of the facility such as  
2 those described in ORS 90.510 (5)(b), (f), (h) and (i); and

3 (d) If the sale is not by a lienholder, that the prospective purchaser pay in full all rents, fees,  
4 deposits or charges owed by the tenant as authorized under ORS 90.140 and the rental agreement,  
5 prior to the landlord's acceptance of the prospective purchaser as a tenant.

6 (5) If a landlord requires a prospective purchaser to submit an application for occupancy as a  
7 tenant under subsection (4) of this section, at the time that the landlord gives the prospective pur-  
8 chaser an application the landlord shall also give the prospective purchaser copies of the statement  
9 of policy, the rental agreement and the facility rules and regulations, including any conditions im-  
10 posed on a subsequent sale, all as provided by ORS 90.510. The terms of the statement, rental  
11 agreement and rules and regulations need not be the same as those in the selling tenant's statement,  
12 rental agreement and rules and regulations.

13 (6) The following apply if a landlord receives an application for tenancy from a prospective  
14 purchaser under subsection (4) of this section:

15 (a) The landlord shall accept or reject the prospective purchaser's application within seven days  
16 following the day the landlord receives a complete and accurate written application. An application  
17 is not complete until the prospective purchaser pays any required applicant screening charge and  
18 provides the landlord with all information and documentation, including any financial data and ref-  
19 erences, required by the landlord pursuant to ORS 90.510 (5)(h). The landlord and the prospective  
20 purchaser may agree to a longer time period for the landlord to evaluate the prospective purchaser's  
21 application or to allow the prospective purchaser to address any failure to meet the landlord's  
22 screening or admission criteria. If a tenant has not previously given the landlord the 10 days' notice  
23 required under subsection (4)(a) of this section, the period provided for the landlord to accept or  
24 reject a complete and accurate written application is extended to 10 days.

25 (b) The landlord may not unreasonably reject a prospective purchaser as a tenant. Reasonable  
26 cause for rejection includes, but is not limited to, failure of the prospective purchaser to meet the  
27 landlord's conditions for approval as provided in ORS 90.510 (5)(h) or failure of the prospective  
28 purchaser's references to respond to the landlord's timely request for verification within the time  
29 allowed for acceptance or rejection under paragraph (a) of this subsection. Except as provided in  
30 paragraph (c) of this subsection, the landlord shall furnish to the seller and purchaser a written  
31 statement of the reasons for the rejection.

32 (c) If a rejection under paragraph (b) of this subsection is based upon a consumer report, as  
33 defined in 15 U.S.C. 1681a for purposes of the federal Fair Credit Reporting Act, the landlord may  
34 not disclose the contents of the report to anyone other than the purchaser. The landlord shall dis-  
35 close to the seller in writing that the rejection is based upon information contained within a con-  
36 sumer report and that the landlord may not disclose the information within the report.

37 (7) The following apply if a landlord does not require a prospective purchaser to submit an ap-  
38 plication for occupancy as a tenant under subsection (4) of this section or if the landlord does not  
39 accept or reject the prospective purchaser as a tenant within the time required under subsection (6)  
40 of this section:

41 (a) The landlord waives any right to bring an action against the tenant under the rental agree-  
42 ment for breach of the landlord's right to establish conditions upon and approve a prospective pur-  
43 chaser of the tenant's dwelling or home;

44 (b) The prospective purchaser, upon completion of the sale, may occupy the dwelling or home  
45 as a tenant under the same conditions and terms as the tenant who sold the dwelling or home; and

1 (c) If the prospective purchaser becomes a new tenant, the landlord may impose conditions or  
2 terms on the tenancy that are inconsistent with the terms and conditions of the seller's rental  
3 agreement only if the new tenant agrees in writing.

4 (8) A landlord may not, because of the age, size, style or original construction material of the  
5 dwelling or home or because the dwelling or home was built prior to adoption of the National  
6 Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5403), in compli-  
7 ance with the standards of that Act in effect at that time or in compliance with the state building  
8 code as defined in ORS 455.010:

9 (a) Reject an application for tenancy from a prospective purchaser of an existing dwelling or  
10 home on a rented space within a facility; or

11 (b) Require a prospective purchaser of an existing dwelling or home on a rented space within  
12 a facility to remove the dwelling or home from the rented space.

13 (9) A tenant who has received a notice pursuant to ORS 90.632 may sell the tenant's dwelling  
14 or home in compliance with this section during the notice period. The tenant shall provide a pro-  
15 spective purchaser with a copy of any outstanding notice given pursuant to ORS 90.632 prior to a  
16 sale. The landlord may also give any prospective purchaser a copy of any such notice. The landlord  
17 may require as a condition of tenancy that a prospective purchaser who desires to leave the dwell-  
18 ing or home on the rented space and become a tenant must comply with the notice within the notice  
19 period consistent with ORS 90.632. If the tenancy has been terminated pursuant to ORS 90.632, or  
20 the notice period provided in ORS 90.632 has expired without a correction of cause or extension of  
21 time to correct, a prospective purchaser does not have a right to leave the dwelling or home on the  
22 rented space and become a tenant.

23 (10) Except as provided by subsection (9) of this section, after a tenancy has ended and during  
24 the period provided by ORS 90.675 (6) and (8), a former tenant retains the right to sell the tenant's  
25 dwelling or home to a purchaser who wishes to leave the dwelling or home on the rented space and  
26 become a tenant as provided by this section, if the former tenant makes timely periodic payment of  
27 all storage charges as provided by ORS 90.675 (7)(b), maintains the dwelling or home and the rented  
28 space on which it is stored and enters the premises only with the written permission of the landlord.  
29 Payment of the storage charges or maintenance of the dwelling or home and the space does not  
30 create or reinstate a tenancy or create a waiver pursuant to [ORS 90.415] **section 27 or 29 of this**  
31 **2007 Act**. A former tenant may not enter the premises without the written permission of the land-  
32 lord, including entry to maintain the dwelling or home or the space or to facilitate a sale.

33 **SECTION 36.** ORS 105.120 is amended to read:

34 105.120. (1) **As used in this section, "rent" does not include funds paid under the United**  
35 **States Housing Act of 1937 (42 U.S.C. 1437f).**

36 [(1)] (2) Except as provided in subsection [(2)] (3) of this section, an action for the recovery of  
37 the possession of the premises may be maintained in cases provided in ORS 105.115 (1)(b), when the  
38 notice to terminate the tenancy or to quit has been served upon the tenant or person in possession  
39 in the manner prescribed by ORS 91.110 and for the period prescribed by ORS 91.060 to 91.080 before  
40 the commencement of the action, unless the leasing or occupation is for the purpose of farming or  
41 agriculture, in which case the notice must be served for a period of 90 days before the commence-  
42 ment of the action. Any person entering into the possession of real estate under written lease as the  
43 tenant of another may, by the terms of the lease, waive the giving of any notice required by this  
44 subsection.

45 [(2)] (3) An action for the recovery of the possession of a dwelling unit to which ORS chapter

1 90 applies may be maintained in situations described in ORS 105.115 (2) when the notice to terminate  
2 the tenancy or to quit has been served by the tenant upon the landlord or by the landlord upon the  
3 tenant or person in possession in the manner prescribed by ORS 90.155.

4 [(3)] (4) Except when a tenancy involves a dwelling unit subject to ORS chapter 90, the service  
5 of a notice to quit upon a tenant or person in possession does not authorize an action to be main-  
6 tained against the tenant or person in possession for the possession of premises before the expiration  
7 of any period for which the tenant or person has paid the rent of the premises in advance.

8 [(4)] (5) An action to recover possession of a dwelling unit subject to ORS chapter 90 may not  
9 be brought or filed against a tenant or person in possession based upon a notice under ORS 90.427  
10 to terminate the tenancy until after the expiration of any period for which the tenant or person has  
11 paid the rent of the dwelling unit in advance, unless:

12 (a) The only other money paid by the tenant was collected as a last month's rent deposit as  
13 provided under ORS 90.300; or

14 (b) The only unused rent was paid by the tenant for a rental period extending beyond the ter-  
15 mination date specified in a valid outstanding notice to terminate the tenancy and the landlord re-  
16 funded the unused rent within six days after receipt by delivering the unused rent to the tenant in  
17 person or by first class mailing.

18 **SECTION 37.** ORS 90.300 is amended to read:

19 90.300. (1) As used in this section, "security deposit" includes any last month's rent deposit.

20 (2) Except as otherwise provided in this section, a landlord may require the payment of a secu-  
21 rity deposit. A security deposit or prepaid rent shall be held by the landlord for the tenant who is  
22 a party to the rental agreement. The claim of a tenant to the security deposit or prepaid rent shall  
23 be prior to the claim of any creditor of the landlord, including a trustee in bankruptcy. The holder  
24 of the landlord's interest in the premises at the time of termination of the tenancy is responsible to  
25 the tenant for any security deposit or prepaid rent and is bound by this section.

26 (3)(a) A landlord may not change the rental agreement to require the payment of a new or in-  
27 creased security deposit during the first year after the tenancy has begun, except that an additional  
28 deposit may be required if the landlord and tenant agree to modify the terms and conditions of the  
29 rental agreement to permit a pet or for other cause and the additional deposit relates to that mod-  
30 ification. This paragraph does not prevent the collection of a security deposit that was provided for  
31 under an initial rental agreement but remained unpaid at the time the tenancy began.

32 (b) If a landlord requires a new or increased security deposit after the first year of the tenancy,  
33 the landlord shall allow the tenant at least three months to pay that deposit.

34 (4) The landlord may claim all or part of the security deposit only if the security deposit was  
35 made for any or all of the purposes provided by subsection (5) of this section.

36 (5) The landlord may claim from the security deposit only the amount reasonably necessary:

37 (a) To remedy the tenant's defaults in the performance of the rental agreement including, but  
38 not limited to, unpaid rent; and

39 (b) To repair damages to the premises caused by the tenant, not including ordinary wear and  
40 tear.

41 (6) A landlord may not require that a security deposit or prepaid rent be required or forfeited  
42 to the landlord upon the failure of the tenant to maintain a tenancy for a minimum number of  
43 months in a month-to-month tenancy.

44 (7) Any last month's rent deposit must be applied to the rent due for the last month of the  
45 tenancy:

1 (a) Upon either the landlord or tenant giving to the other a notice of termination, pursuant to  
2 this chapter, other than a notice of termination under ORS 90.394;

3 (b) Upon agreement by the landlord and tenant to terminate the tenancy; or

4 (c) Upon termination pursuant to the provisions of a written rental agreement for a term  
5 tenancy.

6 (8) Any portion of a last month's rent deposit not applied as provided under subsection (7) of this  
7 section shall be accounted for and refunded as provided under subsections (10) to (12) of this section.  
8 Unless the tenant and landlord agree otherwise, a last month's rent deposit shall not be applied to  
9 rent due for any period other than the last month of the tenancy. A last month's rent deposit shall  
10 not operate to limit the amount of rent charged unless a written rental agreement provides other-  
11 wise.

12 (9) Upon termination of the tenancy, a landlord shall account for and refund to the tenant the  
13 unused balance of any prepaid rent not previously refunded to the tenant as required by ORS 90.380  
14 and 105.120 [(4)(b)] **(5)(b)** or any other provision of this chapter, in the same manner as required for  
15 security deposits by this section. The landlord may claim from the remaining prepaid rent only the  
16 amount reasonably necessary to pay the tenant's unpaid rent.

17 (10) In order to claim all or part of any prepaid rent or security deposit, within 31 days after  
18 the termination of the tenancy and delivery of possession the landlord shall give to the tenant a  
19 written accounting that states specifically the basis or bases of the claim. The landlord shall give  
20 a separate accounting for security deposits and for prepaid rent.

21 (11) The security deposit or prepaid rent or portion thereof not claimed in the manner provided  
22 by subsections (9) and (10) of this section shall be returned to the tenant not later than 31 days after  
23 the termination of the tenancy and delivery of possession to the landlord.

24 (12) The landlord shall give the written accounting as required by subsection (10) of this section  
25 or shall return the security deposit or prepaid rent as required by subsection (11) of this section by  
26 personal delivery or by first class mail.

27 (13) If a security deposit or prepaid rent secures a tenancy for a space for a tenant owned and  
28 occupied manufactured dwelling or floating home, whether or not in a facility, and the dwelling or  
29 home is abandoned as described in ORS 90.425 (2) or 90.675 (2), the 31-day period described in sub-  
30 sections (10) and (11) of this section commences on the earliest of:

31 (a) Waiver of the abandoned property process under ORS 90.425 (25) or 90.675 (22);

32 (b) Removal of the manufactured dwelling or floating home from the rented space;

33 (c) Destruction or other disposition of the manufactured dwelling or floating home under ORS  
34 90.425 (10)(b) or 90.675 (10)(b); or

35 (d) Sale of the manufactured dwelling or floating home pursuant to ORS 90.425 (10)(a) or 90.675  
36 (10)(a).

37 (14) If the landlord fails to comply with subsection (11) of this section or if the landlord in bad  
38 faith fails to return all or any portion of any prepaid rent or security deposit due to the tenant  
39 under this chapter or the rental agreement, the tenant may recover the money due in an amount  
40 equal to twice the amount:

41 (a) Withheld without a written accounting under subsection (10) of this section; or

42 (b) Withheld in bad faith.

43 (15)(a) A security deposit or prepaid rent in the possession of the landlord is not garnishable  
44 property, as provided in ORS 18.618.

45 (b) If a security deposit or prepaid rent is delivered to a garnishor in violation of ORS 18.618

1 (2), the landlord that delivered the security deposit or prepaid rent to the garnishor shall allow the  
2 tenant at least 30 days after a copy of the garnishee response required by ORS 18.680 is delivered  
3 to the tenant under ORS 18.690 to restore the security deposit or prepaid rent. If the tenant fails  
4 to restore a security deposit or prepaid rent under the provisions of this paragraph before the  
5 tenancy terminates, and the landlord retains no security deposit or prepaid rent from the tenant  
6 after the garnishment, the landlord is not required to refund or account for the security deposit or  
7 prepaid rent under subsection (9) of this section.

8 (16) This section does not preclude the landlord or tenant from recovering other damages under  
9 this chapter.

12  
13 **SECTION 38.** Section 2, chapter 619, Oregon Laws 2005, is amended to read:

14 **Sec. 2.** (1) Every landlord of a facility shall register in writing with the Housing and Community  
15 Services Department. The registration shall consist of the following information:

16 (a) The name and business mailing address of the landlord and of any person authorized to  
17 manage the premises.

18 (b) The name of the facility.

19 (c) The physical address of the facility or, if different from the physical address, the mailing  
20 address.

21 (d) A telephone number of the facility.

23 (2)(a) **The landlord of a new facility shall register with the department no later than 60**  
24 **days after the opening of the facility.**

25 (b) A landlord shall notify the department in writing of any change in the required registration  
26 information no later than 60 days after the change.

27 (3) The department shall confirm receipt of a registration or a change in registration informa-  
28 tion.

29 (4) Notwithstanding subsections (1) to (3) of this section, the department may provide for regis-  
30 tration, registration changes and confirmation of registration to be accomplished by electronic  
31 means instead of in writing.

32 **SECTION 39.** Section 3, chapter 619, Oregon Laws 2005, is amended to read:

33 **Sec. 3.** (1) At least one person for each facility who has authority to manage the premises shall,  
34 every two years, complete six hours of continuing education relating to the management of facilities.  
35 The following apply for a person whose continuing education is required:

36 (a) If there is any manager or owner who lives in the facility, the person completing the con-  
37 tinuing education must be a manager or owner who lives in the facility.

38 (b) If no manager or owner lives in the facility, the person completing the continuing education  
39 must be a manager who lives outside the facility or, if there is no manager, an owner of the facility.

40 (c) [An] **A manager or** owner may satisfy the continuing education requirement for more than  
41 one facility[,] if those facilities do not have a manager or owner who lives in the facility [*or a*  
42 *manager who lives outside the facility*].

43 (2) If a person becomes the facility manager or owner who is responsible for completing con-  
44 tinuing education, and the person does not have a current certificate of completion issued under  
45 subsection (3) of this section, the person shall complete the continuing education requirement by

1 taking the next regularly scheduled continuing education class or by taking a continuing education  
2 class held within 75 days.

3 (3) The Housing and Community Services Department shall ensure that continuing education  
4 classes:

5 (a) Are offered at least once every six months;

6 (b) Are taught by persons approved by the department and affiliated with a statewide nonprofit  
7 trade association that represents manufactured housing interests;

8 (c) Have at least one-half of the class instruction on *[the]* **one or more** provisions of ORS
