14 subsection (4) of this section.

15 “(7) Notwithstanding subsections (4) and (6) of this section, any person who is the subject of a
16 record within a criminal identification database maintained under the authority of this section may,
17 upon request, inspect that information at a time and location designated by the department. The
18 department may deny inspection if it determines that there is a reasonable likelihood that such in-
19 spection would prejudice a pending criminal investigation. In any case, the department is not re-
20 quired to allow the person or anyone acting on the person’s behalf to test any blood or buccal
21 sample or other physical evidence. The department shall adopt procedures governing the inspection
22 of records and samples and challenges to the accuracy of records. The procedures shall accommo-

32 person has otherwise become obligated to submit a blood or buccal sample as a result of a separate
33 conviction, juvenile adjudication or finding of guilty except for insanity for an offense listed in ORS
34 137.076 (1). When the department destroys a sample, physical evidence or criminal identification
35 record under this paragraph, the department shall notify any public agency or person to whom the
36 sample, physical evidence or criminal identification information was transferred or disclosed under
37 subsection (4) of this section of the reversal of the conviction, judgment or order.

38 “(c) The department is not required to destroy an item of physical evidence obtained from a
39 blood or buccal sample if evidence relating to another person subject to the provisions of ORS
40 137.076, 161.325, 181.085, 419A.260 and 419C.473 (1) would thereby be destroyed. Notwithstanding
