9 director's designee shall maintain a record of the lots and parcels that do not qualify for the siting
10 of a new dwelling under the provisions of this paragraph, including a copy of the deed restrictions
11 and release statements filed under this paragraph; and

12 (ii) For which the applicant has requested a deferred replacement permit, is removed or demol-
13 ished within three months after the deferred replacement permit is issued. A deferred replacement
14 permit allows construction of the replacement dwelling at any time. If, however, the established

16 is issued, the permit becomes void. The replacement dwelling must comply with applicable building
17 codes, plumbing codes, sanitation codes and other requirements relating to health and safety or to

44 preparation, storage or other farm use or devote more than 10,000 square feet to the processing
