41 **SECTION 2.** ORS 248.008 is amended to read:

42 248.008. (1) An affiliation of electors becomes a minor political party in the state, a county or
43 other electoral district, qualified to make nominations for public office in that electoral district and
44 in any other electoral district wholly contained within the electoral district, when either of the
45 following events occurs:

1 (a) When the affiliation of electors has filed with the Secretary of State a petition with the
2 signatures of at least a number of electors equal to one and one-half percent of the total votes cast
3 in the electoral district for all candidates for Governor at the most recent election at which a candi-
4 dicate for Governor was elected to a full term. The petition also shall state the intention to form
5 a new political party and give the designation of it. The filed petition shall contain only original
6 signatures. The petition shall be filed not later than two years following the date the prospective
7 petition is filed. The circulator shall certify on each signature sheet that the individuals signed the
8 sheet in the presence of the circulator and that the circulator believes each individual is an elector
9 registered in the electoral district. The Secretary of State shall verify whether the petition contains
10 the required number of signatures of electors. The petition shall not be accepted for filing if it
11 contains less than 100 percent of the required number of signatures. The Secretary of State by rule
12 shall designate a statistical sampling technique to verify whether a petition contains the required
13 number of signatures of electors. A petition shall not be rejected for the reason that it contains less
14 than the required number of signatures unless two separate sampling processes both establish that
15 the petition lacks the required number of signatures. The second sampling must contain a larger
16 number of signatures than the first sampling. The Secretary of State may employ professional as-
17 sistance to determine the sampling technique. The statistical sampling technique may be the same
18 as that adopted under ORS 250.105. Before circulating the petition, the chief sponsor of the petition
19 shall file with the Secretary of State a signed copy of the prospective petition. The chief sponsor
20 shall include with the prospective petition a statement declaring whether one or more persons will
21 be paid money or other valuable consideration for obtaining signatures of electors on the petition.
22 After the prospective petition is filed, the chief sponsor shall notify the filing officer not later than
23 the 10th day after the chief sponsor first has knowledge or should have had knowledge that:

24 (A) Any person is being paid for obtaining signatures, when the statement included with the
25 prospective petition declared that no such person would be paid.

26 (B) No person is being paid for obtaining signatures, when the statement included with the
27 prospective petition declared that one or more such persons would be paid.

28 (b) When the affiliation of electors has polled for any one of its candidates for any public office
29 in the electoral district at least one percent of the total votes cast in the electoral district for all
30 candidates for:

31 (A) Presidential elector at the last general election at which candidates for President and Vice
32 President of the United States were listed on the ballot; or

33 (B) Any single state office to be voted upon in the state at large for which nominations by pol-
34 itical parties are permitted by law at the most recent election at which a candidate for the office
35 was elected to a full term.

36 (2) After satisfying either requirement of subsection (1) of this section, the minor political party
37 may nominate candidates at the next general election if at any time during the period beginning on
38 the date of the next primary election and ending on the 90th day before the next general election,
39 a number of electors equal to at least one-tenth of one percent of the total votes cast in the state
40 or electoral district for all candidates for Governor at the most recent election at which a candidate
41 for Governor was elected to a full term are registered as members of the party.

42 (3) A filing officer shall not accept a certificate of nomination of a candidate nominated by a
43 minor political party unless the minor political party has satisfied the registration requirement of
44 subsection (2) of this section.

45 (4) After a minor political party qualifies to nominate candidates, in order to maintain status

1 as a minor political party:

2 (a) A candidate or candidates of the party must poll a number of votes described in subsection
3 (1)(b) of this section at each subsequent general election and following each general election, the
4 registration requirement of subsection (2) of this section must be satisfied; or

5 (b) Following each general election, at any time during the period beginning on the date of the
6 next primary election and ending on the 90th day before the next general election, a number of
7 electors equal to at least one-half of one percent of the total number of registered electors in this
8 state must be registered as members of the party.

9 (5) An affiliation of electors ceases to be a minor political party in the state or electoral district
10 if:

11 (a) The registration requirement of subsection (2) or (4)(b) of this section is not satisfied. The
12 affiliation of electors ceases to be a minor political party on the date of the deadline for satisfying
13 the registration requirement; or

14 (b) Except as provided in subsection (4)(b) of this section, in the case of a minor political party
15 qualified to nominate candidates, a candidate or candidates of the minor political party do not sat-
16 isfy the one percent requirement specified in subsection (1)(b) of this section at the next general
17 election. The affiliation of electors ceases to be a minor political party on the date of the election.

18 (6) During the period beginning on the date of the primary election and ending on the 90th day
19 before the date of the general election, the Secretary of State shall determine not less than once
20 each month whether the registration requirement of subsection (2) or (4)(b) of this section has been
21 satisfied. If the party changes its name, only those electors who register on or after the effective
22 date of the name change as members of the party under the new party name shall be counted as
23 members of the party under this subsection.

24 (7) *[An affiliation of electors or a minor political party may not satisfy the one percent requirement*
25 *referred to in subsection (1)(b) of this section by nominating a candidate who is the nominee of another*
26 *political party at the same election]* **For purposes of satisfying the one percent requirement re-**
27 **ferred to in subsection (1)(b) of this section, only votes cast for a candidate of an affiliation**
28 **of electors or a minor political party on the ballot line marked under ORS 254.135 for that**
29 **affiliation or political party name shall be counted.**

30 **SECTION 3.** ORS 254.505 is amended to read:

31 254.505. (1) Only official ballots *[shall]* **may** be counted. Any vote from which it is impossible
32 to determine the elector's choice for the office or measure *[shall]* **may** not be counted. Any ballot
33 that has a sticker or other device in violation of ORS 254.405 (2) *[shall be void and shall]* **is void**
34 **and may** not be counted. Counting board clerks shall disregard misspelling or abbreviations of the
35 names of candidates if it can be ascertained from the ballot for whom the vote was intended.

36 **(2) If an elector votes for a candidate more than once on the same ballot for the same**
37 **office by voting for the candidate opposite multiple, different political party affiliations, the**
38 **ballot shall be counted as if the elector voted for the candidate only once on a ballot line with**
39 **a major political party designation.**

40 *[(2)]* (3) When ballots are counted by counting boards, the board chairperson, using ink, imme-
41 diately shall initial the back of the wholly or partially void ballot and write on it "Not counted
42 for _____" (stating the office or measure). The election board shall seal the wholly void ballots
43 in an envelope.
