5 **SECTION 1.** ORS 291.349 is amended to read:

6 291.349. (1) As soon as practicable after adjournment sine die of the regular session of the
7 Legislative Assembly, the Oregon Department of Administrative Services shall report to the Emer-
8 gency Board the estimate as of July 1 of the first year of the biennium of General Fund and State
9 Lottery Fund revenues that will be received by the state during that biennium. The Oregon De-
10 partment of Administrative Services shall base its estimate on the last forecast given to the Legis-

12 budget prepared in the Oregon Department of Administrative Services is based, adjusted only insofar
13 as necessary to reflect changes in laws adopted at that session. The report shall contain the esti-
14 mated revenues from corporate income and excise taxes separately from the estimated revenues from
15 other General Fund sources. The Oregon Department of Administrative Services may revise the es-
16 timate if necessary following adjournment sine die of any special or emergency session of the Leg-
17 islative Assembly but any revision does not affect the basis of the computation described in
18 subsection (3) or (4) of this section.

19 (2) As soon as practicable after the end of the biennium, the Oregon Department of Adminis-
20 trative Services shall report to the Emergency Board, or the Legislative Assembly if it is in session,
21 the amount of General Fund revenues collected as of the last June 30 of the preceding biennium.
22 The report shall contain the collections from corporate income and excise taxes separately from
23 collections from other sources.

24 (3) If the revenues received from the corporate income and excise taxes during the biennium
25 exceed the amounts estimated to be received from such taxes for the biennium, as estimated after
26 adjournment sine die of the regular session, by two percent or more, the total amount of that excess
27 shall be credited to corporate income and excise taxpayers in a percentage amount of **prior year**

2 ever, no credit shall be allowed against tax liability imposed by ORS 317.090.

3 (4) If the revenues received from General Fund revenue sources, exclusive of those described in
4 subsection (3) of this section, during the biennium exceed the amounts estimated to be received from
5 such sources for the biennium, as estimated after adjournment sine die of the regular session, by two
6 percent or more, there shall be refunded from personal income tax revenues an amount equal to the
7 total amount of that excess, reduced by the cost certified by the Department of Revenue under ORS

9 refunded shall be paid to personal income taxpayers in a percentage amount of prior year personal
10 income tax liability as determined under subsection (6) of this section.

11 (5)(a) If there is an excess to be credited under subsection (3) of this section, on or before Oc-
12 tober 1, following the end of each biennium, the Oregon Department of Administrative Services shall
13 determine and certify to the Department of Revenue the percentage amount of credit for purposes
14 of subsection (3) of this section. The percentage amount determined shall be a percentage amount
15 to the nearest one-tenth of a percent that will distribute the excess to be credited to corporate ex-
16 cise and income taxpayers [*for taxable years beginning in the calendar year during which the excess*
17 *is determined*].

18 (b) **The percentage amount shall equal the amount distributed under subsection (3) of**
19 **this section divided by the estimated total corporate income and excise tax liability for all**
20 **corporate income and excise taxpayers for tax years beginning in the calendar year imme-**
21 **diately preceding the calendar year in which the excess is determined.**

22 (c) **The amount of the surplus credit is determined by multiplying the percentage amount**
23 **determined under paragraph (b) of this subsection by the total amount of a corporate income**
24 **or excise taxpayer's tax liability for the tax year beginning in the calendar year immediately**
25 **preceding the calendar year in which the excess is determined in order to calculate the**
26 **amount to be credited to the taxpayer.**

27 (d) **The credit shall be determined based on the tax liability as shown on the return of**
28 **the taxpayer or as corrected by the Department of Revenue.**

29 (e) The credit shall be computed after the allowance of any other credit or offset against tax
30 liability allowed or allowable under any provision of law of this state, and before the application
31 of estimated tax payments, withholding or other advance tax payments.

32 (f) **If the credit is applied against tax liability as described in paragraph (e) of this sub-**
33 **section and reduces the tax liability to zero and an amount of the credit remains unused, the**
34 **unused amount shall be carried forward and applied against tax liability as prescribed in**
35 **paragraph (e) of this subsection in the succeeding tax year. Following application of the**
36 **credit against tax liability in a succeeding tax year, any amount continuing to remain unused**
37 **shall be carried forward and applied against tax liability in a succeeding tax year until all**
38 **remaining amounts of unused credit are offset against tax liability.**

39 (g) **If an excess is credited under subsection (3) of this section for a tax year and an**
40 **unused credit amount from a prior tax year is carried forward to the tax year as prescribed**
41 **under paragraph (f) of this subsection, the amount of the carryforward credit shall be applied**
42 **against tax liability prior to applying the new credit.**

43 (h) **The Department of Revenue may prescribe by rule the manner of calculating and**
44 **claiming a credit if the filing status of a corporation changes between the tax year described**
45 **in paragraph (b) of this subsection and the succeeding tax year.**

1 **(i) Notwithstanding any other provision of law, if the tax liability of the taxpayer for the**
2 **tax year described in paragraph (b) of this subsection is adjusted by the Department of Re-**
3 **venue or the taxpayer, the allowable credit under this subsection for a succeeding tax year**
4 **may also be adjusted to reflect the adjustment to tax liability.**

5 (6)(a) If there is an excess to be refunded under subsection (4) of this section, on or before
6 September 15, following the end of each biennium, the Oregon Department of Administrative Ser-
7 vices shall determine and certify to the Department of Revenue the percentage amount of refund
8 payment for purposes of subsection (4) of this section. The percentage amount so determined shall
9 be a percentage amount to the nearest one-hundredth of a percent that will distribute the excess to
10 be refunded to personal income taxpayers under subsection (4) of this section. The percentage
11 amount shall equal the amount distributed under subsection (4) of this section divided by the esti-
12 mated total personal income tax liability for all personal income taxpayers for tax years beginning
13 in the calendar year immediately preceding the calendar year in which the excess is determined.

14 (b) The Department of Revenue shall multiply the percentage amount determined under para-
15 graph (a) of this subsection by the total amount of a personal income taxpayer's tax liability for the
16 tax year beginning in the calendar year immediately preceding the calendar year in which the ex-

19 **or as adjusted by the Department of Revenue, and is determined:**

20 **(A) After the allowance of any other credit or offset against tax liability allowed or al-**

30 mail the refund at the earliest date of practicable convenience in the case of a return:

32 which the excess is determined for which refund is being made; and

33 (B) That is first filed on or after August 15 after the end of the biennium.

34 (7) No refund shall be made to a taxpayer if, after making the calculation described under sub-
