4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1.** ORS 801.041 is amended to read:

6 801.041. The following apply to the authority granted to counties by ORS 801.040 to establish  
7 registration fees for vehicles:

8 (1) **Notwithstanding ORS 203.055 or any provision of a county charter**, an ordinance estab-  
9 lishing registration fees under this section must be enacted by the county imposing the registration  
10 fee and filed with the Department of Transportation. [*Any ordinance establishing registration fees*  
11 *that is enacted by the governing body of a county must be submitted to the electors of the county for*  
12 *their approval.*] The governing body of the county imposing the registration fee shall enter into an  
13 intergovernmental agreement under ORS 190.010 with the department by which the department shall  
14 collect the registration fees, pay them over to the county and, if necessary, allow the credit or  
15 credits described in ORS 803.445 (5). The intergovernmental agreement must state the date on which  
16 the department shall begin collecting registration fees for the county.

17 (2) The authority granted by this section allows the establishment of registration fees in addition  
18 to those described in ORS 803.420. There is no authority under this section to affect registration  
19 periods, qualifications, cards, plates, requirements or any other provision relating to vehicle regis-  
20 tration under the vehicle code.

21 (3) Except as otherwise provided for in this subsection, when registration fees are imposed under  
22 this section, they must be imposed on all vehicle classes. Registration fees as provided under this  
23 section may not be imposed on the following:

24 (a) Snowmobiles and Class I all-terrain vehicles.

25 (b) Fixed load vehicles.

13 tablishing the registration fees as provided in ORS 802.110. The county ordinance shall provide for  
14 payment of at least 40 percent of the money to cities within the county unless a different distrib-  
15 ution is agreed to between the county and the cities within the jurisdiction of the county. The  
16 moneys shall be used for any purpose for which moneys from registration fees may be used.

18 ordinance of each county acting jointly with another under this subsection must provide for the  
19 distribution of moneys collected through a joint registration fee.

20 (7) Before the governing body of a county that overlaps a district can impose a registration fee
