 21 **(3)(d)**, unless [the other] **this state or another** state [has] **having** statutory and regulatory long
 22 term care insurance requirements substantially similar to those adopted in this state [and the Di-
 23 rector of the Department of Consumer and Business Services] has made a determination that such
 24 requirements [are substantially similar] **have been met**.

25 **SECTION 4.** ORS 743.655 is amended to read:

26 743.655. (1)(a) The Director of the Department of Consumer and Business Services shall adopt
 27 rules that include standards for full and fair disclosure setting forth the manner, content and re-
 28 quired disclosures for the sale of long term care insurance policies, terms of renewability, initial and
 29 subsequent conditions of eligibility, nonduplication of coverage provisions, coverage of dependents,
 30 preexisting conditions, termination of insurance, program for public understanding, continuation or
 31 conversion, probationary periods, limitations, exceptions, reductions, elimination periods, underwrit-
 32 ing at time of application, requirements for replacement, recurrent conditions and definitions of
 33 terms. [The director shall adopt rules establishing standards for loss ratios and reserves, provided that
 34 a specific reference to long term care insurance is contained in the rules.]

35 (b) In adopting rules setting standards under this section, the director [shall] **must** give timely
 36 notice to, and shall consider recommendations from the Director of Human Services.

37 (2) [No] **A** long term care insurance policy [shall] **may not**:

38 (a) Be canceled, nonrenewed or otherwise terminated on the grounds of the age or the deteri-
 39 oration of the mental or physical health of the insured individual or certificate holder;

40 (b) Contain a provision establishing a new waiting period in the event existing coverage is
 41 converted to or replaced by a new or other form within the same company, except with respect to
 42 an increase in benefits voluntarily selected by the insured individual or group policyholder;

43 (c) Provide coverage for skilled nursing care only or provide significantly more coverage for
 44 skilled care in a facility than coverage for lower levels of care[. This evaluation of the amount of
 45 coverage provided shall be based on aggregate days of care covered for lower levels of care, when

1 *compared to days of care covered for skilled care*;

2 (d) Exclude coverage for Alzheimer's disease and related dementias;

3 (e) Be nonrenewed or otherwise terminated for nonpayment of premiums until 31 days overdue
4 and then only after notice of nonpayment is given the policyholder prior to expiration of the 31
5 days, **except as otherwise provided by rule**; or

6 (f) Be sold *[after December 31, 1989,]* to provide less than 24 months' coverage.

7 (3)(a) *[No]* A long term care insurance policy or certificate other than a policy or certificate
8 issued to a group, *as defined* **described** in ORS 743.652 *[(6)(a)]* **(3)(a)**, (b) or (c), *shall* **may not**
9 use a definition of "preexisting condition" *[which]* **that** is more restrictive than the following:
10 "Preexisting condition" means *[the existence of symptoms which would cause an ordinarily prudent*
11 *person to seek diagnosis, care or treatment, or]* a condition for which medical advice or treatment
12 was recommended by, or received from a provider of health care services, within six months pre-
13 ceding the effective date of coverage of an insured person.

14 (b) *[No]* A long term care insurance policy or certificate other than a policy or certificate
15 thereunder issued to a group *[as defined]* **described** in ORS 743.652 *[(6)(a)]* **(3)(a)**, (b) or (c) may **not**
16 exclude coverage for a loss or confinement *[which]* **that** is the result of a preexisting condition un-
17 less *[such]* **the** loss or confinement begins within six months following the effective date of coverage
18 of an insured person.

19 (c) The Director **of the Department of Consumer and Business Services** may extend the
20 limitation periods set forth in paragraphs (a) and (b) of this subsection as to specific age group
21 categories or specific policy forms upon findings that the extension is in the best interest of the
22 public.

23 (d) The definition of preexisting condition does not prohibit an insurer from using an application
24 form designed to elicit the complete health history of an applicant, over the 10 years immediately
25 prior to the date of application, and, on the basis of the answers on the application, from under-
26 writing in accordance with that insurer's established underwriting standards. Unless otherwise pro-
27 vided in the policy or certificate, a preexisting condition, regardless of whether it is disclosed on
28 the application, need not be covered until the waiting period described in paragraph (b) of this
29 subsection expires. *[No]* A long term care insurance policy or certificate may **not** exclude or use
30 waivers or riders of any kind to exclude, limit or reduce coverage or benefits for specifically named
31 or described preexisting diseases or physical conditions beyond the waiting period described in
32 paragraph (b) of this subsection, *unless such waiver or rider has been specifically approved by the*
33 *director*].

34 (4) *[No]* A long term care insurance policy *[shall]* **may not** be delivered or issued for delivery
35 in this state if the policy:

36 (a) Conditions eligibility for any benefits on a prior hospitalization requirement; *[or]*

37 (b) Conditions eligibility for benefits provided in an institutional care setting on the receipt of
38 a higher level of institutional care[.]; **or**

39 (c) **Conditions eligibility for any benefits other than waiver of premium or post-**
40 **confinement, post-acute care or recuperative benefits on a prior institutionalization re-**
41 **quirement.**

42 (5)(a) **A long term care insurance policy containing post-confinement, post-acute care or**
43 **recuperative benefits must clearly label in a separate paragraph of the policy or certificate**
44 **titled "Limitations or Conditions of Eligibility for Benefits" all such limitations or conditions,**
45 **including any required number of days of confinement.**

1 **(b) A long term care insurance policy or rider that conditions eligibility of noninstitu-**
 2 **tional benefits on the prior receipt of institutional care may not require a prior institutional**
 3 **stay of more than 30 days.**

4 [(5)(a)] **(6)** Individual long term care insurance [*policyholders*] **applicants** shall have the right
 5 to return the policy **or certificate** within 30 days of its delivery and to have the premium refunded
 6 if, after examination of the policy **or certificate**, the [*policyholder*] **applicant** is not satisfied for any
 7 reason. [*Individual*] Long term care insurance policies [*shall*] **and certificates must** have a notice
 8 prominently printed on the first page [*of the policy*] or attached thereto stating in substance that the
 9 [*policyholder shall have*] **applicant has** the right to return the policy **or certificate** within 30 days
 10 of its delivery and to have the premium refunded if, after examination of the policy[, *the*
 11 *policyholder*] **or certificate, other than a certificate issued pursuant to a policy issued to a**
 12 **group described in ORS 743.652 (3)(a), the applicant** is not satisfied for any reason. **This sub-**
 13 **section also applies to denials of applications. Any refund must be made within 30 days of the**
 14 **return or denial.**

15 [(b) *A person insured under a long term care insurance policy or certificate issued in this state or*
 16 *any other state to a group described in ORS 743.652 (6)(b), (c) or (d) shall have the right to return the*
 17 *policy within 30 days of its delivery and to have the premium refunded if, after examination, the in-*
 18 *sured person is not satisfied for any reason. Long term care insurance policies shall have a notice*
 19 *prominently printed in 10 point type on the first page or attached thereto stating in substance that the*
 20 *insured person shall have the right to return the policy within 30 days of its delivery and to have the*
 21 *premium refunded if after examination the insured person is not satisfied for any reason.*]

22 [(6)(a)] **(7)(a)(A)** An outline of coverage shall be delivered to a prospective applicant for long
 23 term care insurance at the time of initial solicitation through means [*which*] **that** prominently direct
 24 the attention of the recipient to the document and its purpose.

25 [(A)] **(B)** The director [*shall*] **by rule must** prescribe a standard format, including style, ar-
 26 rangement and overall appearance, and the content of an outline of coverage.

 28 deliver the outline of coverage prior to the presentation of an application or enrollment form.

 30 in conjunction with any application or enrollment form.

31 **(E) In the case of a policy issued to a group described in ORS 743.652 (3)(a), an outline**
 32 **of coverage is not required to be delivered as long as the information described in paragraph**
 33 **(b) of this subsection is contained in other materials related to the enrollment. Upon request,**
 34 **these other materials must be made available to the director.**

35 (b) The outline of coverage [*shall*] **must** include:

36 (A) A description of the principal benefits and coverage provided in the policy;

37 (B) A statement of the principal exclusions, reductions and limitations contained in the policy;

38 (C) A statement of the terms under which the policy or certificate, or both, may be continued
 39 in force or discontinued, including any reservation in the policy of a right to change premium.
 40 Continuation or conversion provisions of group coverage shall be specifically described;

41 (D) A statement that the outline of coverage is a summary only, not a contract of insurance,
 42 and that the policy or group master policy contains governing contractual provisions;

43 (E) A description of the terms under which the policy or certificate may be returned and pre-
 44 mium refunded; [*and*]

45 (F) A brief description of the relationship of cost of care and benefits; **and**

11 **date of approval.**

12 **(10) At the time of policy delivery, a policy summary must be delivered for an individual**
13 **life insurance policy that provides long term care benefits within the policy or by rider. In**
14 **the case of direct response solicitations, the insurer must deliver the policy summary upon**
15 **the applicant's request, but regardless of request must make delivery not later than at the**
16 **time of policy delivery. In addition to complying with all applicable requirements, the sum-**
17 **mary must also include the provisions required in this subsection. The required provision**
18 **may be incorporated into a basic illustration or into the life insurance policy summary if**
19 **required by rule. The following provisions must be included in the summary:**

20 (a) An explanation of how the long term care benefit interacts with other components
21 of the policy, including deductions from death benefits;

22 (b) An illustration of the amount of benefits, the length of benefits and the guaranteed
23 lifetime benefits, if any, for each covered person;

24 (c) Any exclusions, reductions and limitations on benefits of long term care;

31 **(11) When a long term care benefit that is funded through a life insurance policy by an**

45 **750.055].**

1 [(9) *ORS 743.414 applies to long term care insurance regulated under ORS 743.650 to 743.656,*
 2 *748.603 and 750.055.*]

3 [(10)] (14) Rules adopted pursuant to ORS 743.650 to 743.656[, 748.603 and 750.055] shall be in
 4 accordance with the provisions of ORS chapter 183.

5 (15) This section is exempt from ORS 743.700.

6 **SECTION 5.** Sections 6 and 7 of this 2007 Act are added to and made a part of ORS 743.650
 7 to 743.656.

8 **SECTION 6.** (1) For a policy or certificate that has been in force for less than six months,
 9 an insurer may rescind a long term care insurance policy or certificate or deny an otherwise
 10 valid long term care insurance claim upon a showing of a misrepresentation that is material
 11 to the acceptance for coverage.

12 (2) For a policy or certificate that has been in force for at least six months but less than
 13 two years, an insurer may rescind a long term care insurance policy or certificate or deny
 14 an otherwise valid long term care insurance claim upon a showing of a misrepresentation
 15 that is material to the acceptance for coverage and also pertains to the condition for which
 16 benefits are sought.

17 (3) After a policy or certificate has been in force for two years, the policy or certificate
 18 is not contestable upon the ground of misrepresentation alone. The policy or certificate may
 19 be contested only upon a showing that the insured knowingly and intentionally misrepres-
 20 ented relevant facts relating to the insured's health.

21 (4) A long term care insurance policy or certificate may not be field issued based on
 22 medical or health status. A policy or certificate is field issued for the purposes of this sub-
 23 section if the policy or certificate is issued by an insurance producer or a third party ad-
 24 ministrators pursuant to underwriting authority granted to the insurance producer or third
 25 party administrator by an insurer.

26 (5) If an insurer has paid benefits under the long term care insurance policy or certif-
 27 icate, the insurer may not recover the benefit payments in the event that the policy or cer-
 28 tificate is rescinded.

29 (6) This section does not apply to the remaining death benefit of a life insurance policy
 30 in the event of the death of the insured if the policy accelerates benefits for long term care,
 31 but this section otherwise applies to a life insurance policy that accelerates benefits for long
 32 term care. In the event of the death of an insured, the remaining death benefits under the
 33 life insurance policy are governed by ORS 743.168.

34 (7) This section is exempt from ORS 743.700.

35 **SECTION 7.** (1) Except as provided in subsection (2) of this section, a long term care in-
 36 surance policy may not be delivered or issued for delivery in this state unless the
 37 policyholder or certificate holder has been offered the option of purchasing a policy or cer-
 38 tificate including a nonforfeiture benefit. The offer of a nonforfeiture benefit may be in the
 39 form of a rider that is attached to the policy. If the policyholder or certificate holder declines
 40 the nonforfeiture benefit, the insurer must provide a contingent benefit upon lapse that is
 41 available for a specified period of time following a substantial increase in premium rates.

42 (2) When a group long term care insurance policy is issued, the offer required in sub-
 43 section (1) of this section must be made to the group policyholder. However, if the policy is
 44 issued as group long term care insurance as described in ORS 743.652 (3)(d), other than to a
