13 **(b) The superintendent shall include data in the report in disaggregated form.**

14 [(2)] (3) The purpose of the Oregon Report Card is to monitor trends among school districts and
15 Oregon's progress toward achieving the goals stated in this chapter. The report on the state of the
16 public schools shall be designed to:

17 (a) Allow educators and local citizens to determine and share successful and unsuccessful school
18 programs;

19 (b) Allow educators to sustain support for reforms demonstrated to be successful;

20 (c) Recognize schools for their progress and achievements; and

21 (d) Facilitate the use of educational resources and innovations in the most effective manner.

22 [(3)] (4) The report shall contain, but need not be limited to:

23 (a) Demographic information on public school children in this state.

24 (b) Information pertaining to student achievement, including statewide assessment data, gradu-
25 ation rates and dropout rates, including progress toward achieving the education benchmarks es-
26 tablished by the Oregon Progress Board, with arrangements by minority groupings where applicable.

27 (c) Information pertaining to special program offerings.

28 (d) Information pertaining to the characteristics of the school and school staff, including as-
29 signment of teachers, experience of staff and the proportion of minorities and women represented
30 on the teaching and administrative staff.

31 (e) Budget information, including source and disposition of school district operating funds and
