4 On page 8, after line 40, insert:

5 “**SECTION 8.** ORS 757.247 is amended to read:

6 “757.247. (1) The Public Utility Commission may authorize a public utility to file and place into  
7 effect tariff schedules establishing rates or charges for **renewable energy generation facilities,**  
8 **or for** energy conservation measures, services or payments, provided to individual property owners  
9 or customers. Application of the schedule shall be subject to agreement between the public utility  
10 and the property owner or customer receiving service at the time the **renewable energy gener-**  
11 **ation facilities or** conservation measures, services or payments are initially provided.

12 “(2) [*The*] **A tariff schedule under this section** may include provisions for the payment of the  
13 rates or charges over a period of time and for the application of the payment obligation to succes-  
14 sive property owners or customers at the premises where the **renewable energy generation facil-**  
15 **ities or** conservation measures or services were installed or performed or with respect to which the  
16 [*conservation*] payments were made.

17 “(3) [*The*] **A public utility shall record a notice of [*the*] any payment obligation required of a**  
18 **property owner or customer under this section** in the records maintained by the county clerk  
19 under ORS 205.130. The commission may prescribe by rule [*under the applicable provisions of ORS*  
20 *183.325 to 183.400*] other methods by which the public utility shall notify property owners or cus-  
21 tomers of any such payment obligation.

22 “(4) **A public utility may use moneys obtained through a rate established under ORS**  
23 **757.603 (2)(a) to provide renewable energy generation facilities to property owners or cus-**  
24 **tomers under this section. A public utility may not charge interest to a property owner or**  
25 **customer for facilities acquired with moneys obtained through a rate established under ORS**  
26 **757.603 (2)(a).”.**

27 In line 41, delete “8” and insert “9”.
