8
9 **PARAGRAPH 2.** Section 1, Article IV of the Constitution of the State of Oregon, is revised to
10 read:

11 **Sec. 1.** (1) The legislative power of the state, except for the initiative and referendum powers
12 reserved to the people, is vested in a Legislative Assembly, consisting of a Senate and a House of
13 Representatives.

14 (2)(a) The people reserve to themselves the initiative power, which is to propose laws and
15 amendments to the Constitution and enact or reject them at an election independently of the Leg-
16 islative Assembly.

17 (b) An initiative law may be proposed only by a petition signed by a number of qualified voters
18 equal to six percent of the total number of votes cast for all candidates for Governor at the election
19 at which a Governor was elected for a term of four years next preceding the filing of the petition.

20 (c) An initiative amendment to the Constitution may be proposed only by a petition signed by
21 a number of qualified voters equal to eight percent of the total number of votes cast for all candi-
22 dates for Governor at the election at which a Governor was elected for a term of four years next
23 preceding the filing of the petition.

24 (d) An initiative petition shall include the full text of the proposed law or amendment to the
25 Constitution. A proposed law or amendment to the Constitution shall embrace one subject only and
26 matters properly connected therewith.

27 (e) An initiative petition shall be filed not less than four months before the election at which
28 the proposed law or amendment to the Constitution is to be voted upon.

29 (3)(a) The people reserve to themselves the referendum power, which is to approve or reject at
30 an election any Act, or part thereof, of the Legislative Assembly that does not become effective
31 earlier than 90 days after the end of the session at which the Act is passed.

32 (b) A referendum on an Act or part thereof may be ordered by a petition signed by a number
33 of qualified voters equal to four percent of the total number of votes cast for all candidates for
34 Governor at the election at which a Governor was elected for a term of four years next preceding
35 the filing of the petition. A referendum petition shall be filed not more than 90 days after the end
36 of the session at which the Act is passed.

37 (c) A referendum on an Act may be ordered by the Legislative Assembly by law.
38 Notwithstanding section 15b, Article V of this Constitution, bills ordering a referendum and bills
39 on which a referendum is ordered are not subject to veto by the Governor.

40 (4)(a) Petitions or orders for the initiative or referendum shall be filed with the [*Secretary of*]
41 State **Controller**. The Legislative Assembly shall provide by law for the manner in which the [*Sec-*
42 *retary of*] State **Controller** shall determine whether a petition contains the required number of sig-
43 natures of qualified voters. The [*Secretary of*] State **Controller** shall complete the verification
44 process within the 30-day period after the last day on which the petition may be filed as provided
45 in paragraph (e) of subsection (2) or paragraph (b) of subsection (3) of this section.

1 (b) Initiative and referendum measures shall be submitted to the people as provided in this sec-
2 tion and by law not inconsistent therewith.

3 (c) All elections on initiative and referendum measures shall be held at the regular general
4 elections, unless otherwise ordered by the Legislative Assembly.

5 (d) Notwithstanding section 1, Article XVII of this Constitution, an initiative or referendum
6 measure becomes effective 30 days after the day on which it is enacted or approved by a majority
7 of the votes cast thereon. A referendum ordered by petition on a part of an Act does not delay the
8 remainder of the Act from becoming effective.

9 (5) The initiative and referendum powers reserved to the people by subsections (2) and (3) of this
10 section are further reserved to the qualified voters of each municipality and district as to all local,
11 special and municipal legislation of every character in or for their municipality or district. The
12 manner of exercising those powers shall be provided by general laws, but cities may provide the
13 manner of exercising those powers as to their municipal legislation. In a city, not more than 15
14 percent of the qualified voters may be required to propose legislation by the initiative, and not more
15 than 10 percent of the qualified voters may be required to order a referendum on legislation.

16
17 **PARAGRAPH 3.** Section 6, Article IV of the Constitution of the State of Oregon, is revised to
18 read:

19 **Sec. 6.** (1) *[At the regular session of the Legislative Assembly next following an enumeration of*
20 *the inhabitants by the United States Government, the number of Senators and Representatives shall be*
21 *fixed by law]* **In each year ending in the number one:**

22 (a) **Senators and Representatives shall be** *[and]* apportioned among legislative districts ac-
23 cording to population **and a redistricting plan adopted in the manner provided in this section.**
24 A senatorial district shall consist of two representative districts. Any Senator whose term continues
25 through the next regular legislative session after the *[effective]* **operative** date of the *[reapportion-*
26 *ment]* **redistricting plan** shall be specifically assigned to a senatorial district. The ratio of Senators
27 and Representatives, respectively, to population shall be determined by dividing the total population
28 of the state by the number of Senators and by the number of Representatives. *[A reapportionment*
29 *by the Legislative Assembly shall become operative no sooner than September 1 of the year of reap-*
30 *portionment.]*

31 (b) **Representatives to Congress shall be apportioned among congressional districts ac-**
32 **ording to population and a redistricting plan adopted in the manner provided in this section.**

33 (2) **Not later than December 1 of each year ending in the number zero, the State Con-**
34 **troller shall appoint a commission to provide for the redistricting of state legislative and**
35 **congressional districts.**

36 (3) **The commission shall be composed of five members. In making appointments to the**
37 **commission, the State Controller shall consult with representatives of political parties and**
38 **with individuals who are not affiliated with a political party. The State Controller shall ap-**
39 **point a chairperson of the commission. The State Controller shall provide staff to the com-**
40 **mission.**

41 (4) **A person holding elected public office or political party office, or a person elected or**
42 **appointed to public office or political party office, may not be a member of the commission.**
43 **A commission member may not have held an elected public office or a political party office**
44 **within two years of the date of the member's appointment to the commission.**

45 (5) **The commission shall complete a state legislative redistricting plan and a congres-**

1 sional redistricting plan as soon as possible following an enumeration of the inhabitants by
2 the United States Government, but not later than June 1 of each year ending in the number
3 one. At least three members of the commission must vote to adopt a redistricting plan. The
4 state legislative redistricting plan adopted by the commission may not provide for a number
5 of legislative districts different from the number established by the Legislative Assembly.
6 On the next business day after completing a redistricting plan, the commission shall submit
7 the plan to the Legislative Assembly.

8 (6) After submission of a redistricting plan by the commission, the Legislative Assembly
9 shall have 30 calendar days to amend the plan submitted by the commission. If the Legisla-
10 tive Assembly amends the plan, the amendment must be adopted by an affirmative vote of
11 three-fifths of the members of each house.

12 (7) A redistricting plan adopted by the commission, with any amendment adopted by the
13 Legislative Assembly, shall be final upon adoption of the amendment or after expiration of
14 the time provided for legislative amendment under subsection (6) of this section, whichever
15 occurs first. A final plan constitutes the districting law applicable to this state for legislative
16 or congressional elections and becomes operative January 1 of the next calendar year.

17 (8) If the commission fails to adopt and submit a state legislative redistricting plan or a
18 congressional redistricting plan within the time limits provided in subsection (5) of this sec-
19 tion, the Supreme Court shall adopt a plan by July 1. The plan adopted by the court is final
20 and constitutes the districting law applicable to this state for legislative or congressional
21 elections, and becomes operative January 1 of the next calendar year.

22 (9) The Legislative Assembly may enact laws providing for the reconvening of a com-
23 mission for the purpose of modifying a districting law adopted under this section. A law
24 providing for the reconvening of the commission must be approved by an affirmative vote
25 of three-fifths of the members of each house. At least three members of the commission
26 must vote to adopt any modification of the districting law. Any modification adopted by the
27 commission may be amended by an affirmative vote of three-fifths of the members of each
28 house. The modified districting law shall include the modifications, with any amendment
29 adopted by the Legislative Assembly, and becomes operative on the date specified by the
30 commission or the Legislative Assembly.

31 (10) The Legislative Assembly shall enact laws implementing subsections (2) to (9) of this
32 section. The laws may set additional qualifications for members of the commission, additional
33 standards to govern the commission and the terms of office of members of the commission.
34 The Legislative Assembly shall appropriate moneys to enable the commission to carry out
35 its duties.

36 (11) Legislative and congressional districts may not be changed or established except
37 pursuant to this section. A redistricting plan adopted in the manner provided in this section
38 and any amendments to the plan by the Legislative Assembly are not subject to veto by the
39 Governor.

40 [(2)] (12) This subsection governs judicial review and correction of a [*reapportionment enacted*
41 *by the Legislative Assembly*] **state legislative redistricting plan adopted under this section.**

42 (a) Original jurisdiction is vested in the Supreme Court, upon the petition of any elector of the
43 state filed with the Supreme Court on or before August 1 of the year in which the [*Legislative As-*

9 **Court shall correct the redistricting plan as the court determines is necessary. The corrected**
10 **redistricting plan becomes operative January 1 of the next calendar year.** [*In its written opin-*
11 *ion, the Supreme Court shall specify with particularity wherein the reapportionment fails to comply.*

 10 shall] **redistricting plan may** not be operative before the date on which an appeal may be taken

 13 next regular legislative session following the [reapportionment] **operative date of a redistricting**
 14 **plan**, a Senator whose term continues through that legislative session is subject to recall by the
 15 electors of the district to which the Senator is assigned and not by the electors of the district ex-

 17 the recall petition is 15 percent of the total votes cast for all candidates for Governor at the most

 32 **becomes operative** under section 6 of this Article, the person must have been an inhabitant of the
 33 district for one year next preceding the date of the appointment or from January 1 of the year

6 person was elected.

7 (4) No person is eligible to be elected as a Senator or Representative if that person has been
8 convicted of a felony and has not completed the sentence received for the conviction prior to the
9 date that person would take office if elected. As used in this subsection, "sentence received for the
10 conviction" includes a term of imprisonment, any period of probation or post-prison supervision and
11 payment of a monetary obligation imposed as all or part of a sentence.

12 (5) Notwithstanding sections 11 and 15, Article IV of this Constitution:

13 (a) The office of a Senator or Representative convicted of a felony during the term to which the
14 Senator or Representative was elected or appointed shall become vacant on the date the Senator
15 or Representative is convicted.

16 (b) A person elected to the office of Senator or Representative and convicted of a felony during
17 the period beginning on the date of the election and ending on the first day of the term of office to
18 which the person was elected shall be ineligible to take office and the office shall become vacant

39 Speaker of the House of Representatives, who shall open, and publish them in the presence of both
40 houses of the Legislative Assembly.[-]

41
42 **PARAGRAPH 7.** Section 1, Article XVII of the Constitution of the State of Oregon, is revised
43 to read:

44 **Sec. 1.** Any amendment or amendments to this Constitution may be proposed in either branch
45 of the legislative assembly, and if the same shall be agreed to by a majority of all the members

1 elected to each of the two houses, such proposed amendment or amendments shall, with the yeas
 2 and nays thereon, be entered in their journals and referred by the [*secretary of state*] **State Con-**
 3 **troller** to the people for their approval or rejection, at the next regular general election, except
 4 when the legislative assembly shall order a special election for that purpose. If a majority of the
 5 electors voting on any such amendment shall vote in favor thereof, it shall thereby become a part
 6 of this Constitution. The votes for and against such amendment, or amendments, severally, whether
 7 proposed by the legislative assembly or by initiative petition, shall be canvassed by the [*secretary*
 8 *of state*] **State Controller** in the presence of the governor, and if it shall appear to the governor that
 9 the majority of the votes cast at said election on said amendment, or amendments, severally, are
 10 cast in favor thereof, it shall be his duty forthwith after such canvass, by his proclamation, to de-
 11 clare the said amendment, or amendments, severally, having received said majority of votes to have
 12 been adopted by the people of Oregon as part of the Constitution thereof, and the same shall be in
 13 effect as a part of the Constitution from the date of such proclamation. When two or more amend-

 15 they shall be so submitted that each amendment shall be voted on separately. No convention shall
 16 be called to amend or propose amendments to this Constitution, or to propose a new Constitution,
 17 unless the law providing for such convention shall first be approved by the people on a referendum
 18 vote at a regular general election. This article shall not be construed to impair the right of the
 19 people to amend this Constitution by vote upon an initiative petition therefor.

20
 21 **PARAGRAPH 8.** Section 2, Article XVII of the Constitution of the State of Oregon, is revised
 22 to read:

23 **Sec. 2.** (1) In addition to the power to amend this Constitution granted by section 1, Article IV,
 24 and section 1 of this Article, a revision of all or part of this Constitution may be proposed in either
 25 house of the Legislative Assembly and, if the proposed revision is agreed to by at least two-thirds
 26 of all the members of each house, the proposed revision shall, with the yeas and nays thereon, be
 27 entered in their journals and referred by the [*Secretary of*] State **Controller** to the people for their
 28 approval or rejection, notwithstanding section 1, Article IV of this Constitution, at the next regular
 29 state-wide primary election, except when the Legislative Assembly orders a special election for that
 30 purpose. A proposed revision may deal with more than one subject and shall be voted upon as one
 31 question. The votes for and against the proposed revision shall be canvassed by the [*Secretary of*]
 32 State **Controller** in the presence of the Governor and, if it appears to the Governor that the ma-
 33 jority of the votes cast in the election on the proposed revision are in favor of the proposed revision,
 34 he shall, promptly following the canvass, declare, by his proclamation, that the proposed revision
 35 has received a majority of votes and has been adopted by the people as the Constitution of the State
 36 of Oregon or as a part of the Constitution of the State of Oregon, as the case may be. The revision
 37 shall be in effect as the Constitution or as a part of this Constitution from the date of such procla-

 40 section 1, Article IV, or under section 1 of this Article may be submitted to the people in the form
 41 of alternative provisions so that one provision will become a part of the Constitution if a proposed
 42 revision is adopted by the people and the other provision will become a part of the Constitution if
 43 a proposed revision is rejected by the people. A proposed amendment submitted in the form of al-
 44 ternative provisions as authorized by this subsection shall be voted upon as one question.

45 (3) Subsection (2) of this section applies only when:

1 (a) The Legislative Assembly proposes and refers to the people a revision under subsection (1)
2 of this section; and

3 (b) An amendment is proposed under section 1, Article IV, or under section 1 of this Article;
4 and

5 (c) The proposed amendment will be submitted to the people at an election held during the pe-
6 riod between the adjournment of the legislative session at which the proposed revision is referred
7 to the people and the next regular legislative session.

9 **PARAGRAPH 9. The revision proposed by this resolution shall be submitted to the people**
10 **for their approval or rejection at the next primary election.**
