4 services and trauma care, including but not limited to the development of state and regional  
5 standards of care;

6 (i) Evaluate the adequacy of care provided within the emergency medical services and  
7 trauma care systems, including the inspection of facilities, equipment and patient records;

8 (j) Design, establish and maintain a system for obtaining and receiving appropriate data  
9 from emergency medical services agencies and hospitals;

10 (k) Utilize data obtained pursuant to this section for agency or hospital evaluation, sys-  
11 tem evaluation, quality improvement and assuring cost efficiency;

12 (L) Implement measures to ensure the confidentiality of data obtained pursuant to this  
13 section, in accordance with ORS 41.675, 41.685 and 192.501 to 192.505;

14 (m) Identify quality improvement needs and develop emergency medical services system  
15 quality improvement initiatives;

16 (n) Develop an emergency medical services emergency response plan that addresses the  
17 ability of the state to respond to emergencies that exceed the response capability of local or  
18 regional resources, and modify the plan at least every three years; and

19 (o) Adopt rules as necessary for the administration of ORS 431.607 to 431.671 and ORS  
20 chapter 682.

21 (4) The program shall be administered by a State Emergency Medical Services Director  
22 who shall be appointed by the Public Health Officer. The director shall be responsible for all  
23 administrative and managerial aspects of the Emergency Medical Services and Trauma Sys-  
24 tems Program.

25 (5) The Public Health Officer shall appoint an individual to be responsible for medical and  
26 paramedical aspects of the Emergency Medical Services and Trauma Systems Program. The  
27 individual appointed shall provide support and technical assistance for local emergency  
28 medical services medical directors and hospital trauma directors to coordinate and stand-  
29 ardize prehospital care and trauma medical care throughout the state. The individual ap-  
30 pointed shall report to the State Emergency Medical Services Director.

31 (6) The State Emergency Medical Services Director may adopt rules necessary for the  
32 administration of ORS 431.607 to 431.671 and ORS chapter 682.

33 **SECTION 3.** ORS 431.607, 431.611, 431.623 and 431.671 and sections 4 to 12 of this 2007 Act  
34 are added to and made a part of ORS 431.607 to 431.671.

35 **SECTION 4.** As used in ORS 431.607 to 431.671:

36 (1) "Ambulance" means any privately or publicly owned motor vehicle, aircraft or marine  
37 craft that is licensed by the Department of Human Services, operated by an emergency  
38 medical services agency or an ambulance service and that is regularly provided or offered  
39 to be provided for the emergency and nonemergency transportation of persons who are ill  
40 or injured or who have disabilities.

41 (2) "Ambulance service" means any individual, partnership, corporation, association,  
42 governmental agency or unit or other entity that holds a license issued by the Department  
43 of Human Services to provide emergency care and nonemergency care and transportation to  
44 persons who are ill or injured or who have disabilities.

45 (3) "Ambulance service area" means an area that is served by one or more ambulance

1 services providing ground ambulance service in all or a portion of a county or in all or  
2 portions of two or more contiguous counties.

3 (4) "Critical illness care system hospital" means a hospital that has been granted a  
4 speciality designation for providing care for a specific patient population, illness or injury by  
5 the Department of Human Services.

6 (5) "Emergency care" means the performance of acts or procedures under emergency  
7 conditions relating to the observation, care and counsel of persons who are ill or injured or  
8 who have disabilities, and the administration of care or medications as prescribed by a li-  
9 censed physician, insofar as any of these acts is based upon knowledge and application of the  
10 principles of biological, physical and social science as required by a completed course utilizing  
11 an approved curriculum in prehospital emergency care. However, "emergency care" does not  
12 mean acts of medical diagnosis or prescription of therapeutic or corrective measures.

13 (6) "Emergency medical services agency" means any person, partnership, corporation,  
14 governmental agency or unit, sole proprietorship or other entity that utilizes emergency  
15 medical technicians or first responders to provide prehospital emergency or nonemergency  
16 care. An emergency medical services agency may be either an ambulance service or a  
17 nontransporting service.

18 (7) "Emergency medical services director" means a medical or osteopathic physician ac-  
19 tively licensed under ORS chapter 677, and in good standing with the Board of Medical Ex-  
20 aminers, who provides direction of emergency care or nonemergency care provided by  
21 emergency medical technicians, registered nurses or physician assistants associated with a  
22 licensed emergency medical services agency.

23 (8) "Emergency medical technician" means a person who has received formal training in  
24 prehospital care and emergency care and is state certified to attend any person who is ill or  
25 injured or who has a disability. Police officers, fire fighters, funeral home employees and  
26 other personnel serving in a dual capacity, one of which meets the definition of "emergency  
27 medical technician," are "emergency medical technicians" within the meaning of ORS chap-  
28 ter 682.

29 (9) "First responder" means a person who has received formal training and state certif-  
30 ication in the on-scene stabilization of any person who is ill or injured or who has a disability  
31 prior to the arrival of an individual who can provide prehospital care and emergency care.  
32 Police officers, fire fighters, funeral home employees and other personnel serving in a dual  
33 capacity, one of which meets the definition of a "first responder," are "first responders"  
34 within the meaning of ORS chapter 682.

35 (10) "Medical emergency response vehicle" means any privately or publicly owned motor  
36 vehicle, aircraft or marine craft operated by an emergency medical services agency that is  
37 licensed by the Department of Human Services and that is regularly provided or offered to  
38 be provided for the emergency care and nonemergency care, excluding transportation, of  
39 persons who are ill or injured or who have disabilities.

40 (11) "Nonemergency care" means the performance of acts or procedures on a patient who  
41 is not expected to die, become permanently disabled or suffer permanent harm within the  
42 next 24 hours, including but not limited to observation, care and counsel of a patient and the  
43 administration of medications prescribed by a physician licensed under ORS chapter 677, in-  
44 sofar as any of those acts are based upon knowledge and application of the principles of bi-  
45 ological, physical and social science and are performed in accordance with scope of practice

1 rules adopted by the Board of Medical Examiners in the course of providing prehospital care  
2 as defined by this section.

3 (12) "Nontransporting service" means any individual, partnership, corporation, associ-  
4 ation, governmental agency or unit or other entity that holds an emergency medical services  
5 agency license to provide emergency care and nonemergency care, excluding transportation,  
6 to persons who are ill or injured or who have disabilities.

7 (13) "Patient" means a person who is ill or injured or who has a disability who is cared  
8 for through an emergency medical services agency or hospital trauma service.

9 (14) "Patient care report form" means a form approved by the Department of Human  
10 Services that is completed for all patients receiving prehospital assessment, care or trans-  
11 portation to a medical facility.

12 (15) "Prehospital care" means patient care that is rendered through a licensed emergency  
13 medical services agency that includes both emergency care and nonemergency care, and that  
14 may involve an ambulance or a medical emergency response vehicle.

15 (16) "Provider" means a person who provides medical care to a patient.

16 (17) "Public Health Officer" means the administrator appointed by the Director of Human  
17 Services under ORS 431.045 to be responsible for state public health activities.

18 (18) "State Emergency Medical Services Director" means the director appointed under  
19 ORS 431.623.

20 (19) "Teaching institution" means a two-year community college, a four-year degree-  
21 granting college or university or a career school licensed by the Department of Education  
22 under ORS 345.010 to 345.450.

23 **SECTION 5.** (1) The Public Health Officer shall appoint a State Critical Illness and Seri-  
24 ous Injury Steering Committee composed of 17 members as follows:

25 (a) Five physicians licensed under ORS chapter 677. Of the five:

26 (A) One must specialize in the surgical care of trauma patients;

27 (B) One must specialize in emergency medicine;

28 (C) One must specialize in the care of patients under 18 years of age;

29 (D) One must specialize in the treatment of cardiovascular and cerebrovascular illness;  
30 and

29 even-numbered year;

30 (g) Develop a prioritized list of emergency medical services and trauma services clinical  
31 concerns, present the list to the program in June of every even-numbered year and work  
32 with the State Emergency Medical Services Director to address these concerns with emer-  
33 gency medical services agencies and medical directors; and

34 (h) Participate in emergency preparedness planning, conduct exercises based on the plans  
35 developed and enlist the participation of appropriate emergency medical services agencies,  
36 medical directors and hospitals in these activities.

37 (7) The State Critical Illness and Serious Injury Steering Committee shall appoint and  
38 convene subcommittees that may be comprised of members and nonmembers of the steering  
39 committee. The chairperson of each subcommittee must be a member of the steering com-  
40 mittee. Subcommittees shall include, but are not limited to:

41 (a) An emergency medical services subcommittee;

42 (b) A trauma advisory subcommittee;

43 (c) An emergency medical services for children subcommittee; and

44 (d) Other medical specialty subcommittees.

45 (8) The emergency medical services subcommittee shall:

- 1 (a) Approve ambulance service area plans;
- 2 (b) Approve regional plans that include the designation level of health care facilities
- 3 within the region;
- 4 (c) Make the final determination on designation surveys; and
- 5 (d) Identify quality improvement needs through the analysis of emergency medical ser-
- 6 vices data collected from emergency medical services agencies and hospitals by the Emer-
- 7 gency Medical Services and Trauma Systems Program as authorized under section 10 of this
- 8 2007 Act.
- 9 (9) The trauma advisory subcommittee shall, in accordance with section 8 of this 2007
- 10 Act:
- 11 (a) Approve area trauma advisory board plans and plan modifications;
- 12 (b) Make the final determination on trauma designation surveys; and
- 13 (c) Identify trauma system quality improvement needs through the analysis of data col-
- 14 lected as authorized by section 10 of this 2007 Act.
- 15 (10) The State Critical Illness and Serious Injury Steering Committee is prohibited from
- 16 discussing confidential data during an open meeting, and from using or disclosing confiden-
- 17 tial data for any purpose other than to carry out the duties established in this section.
- 18 (11) Subcommittees established under this section may share data collected by the pro-
- 19 gram with other subcommittees of the program.
- 20 (12) The program may assign other specific duties for the subcommittees by rule after
- 21 consultation with the State Critical Illness and Serious Injury Steering Committee.
- 22 (13) Members of the subcommittees established as authorized by this section are entitled
- 23 to compensation as provided in ORS 292.495.
- 24 **SECTION 6.** Notwithstanding the term of office specified for members of the State Crit-
- 25 ical Illness and Serious Injury Steering Committee specified in section 5 of this 2007 Act, of
- 26 the members first appointed to the board:
- 27 (1) Five shall serve for a term ending on January 1, 2009.
- 28 (2) Six shall serve for a term ending on January 1, 2010.
- 29 (3) Six shall serve for a term ending on January 1, 2011.
- 30 **SECTION 7.** (1) After consultation with the trauma advisory subcommittee established
- 31 in section 5 of this 2007 Act, the Emergency Services and Trauma Systems Program shall:
- 32 (a) Develop and monitor a statewide trauma system; and
- 33 (b) Designate trauma areas within the state consistent with local resources, geography
- 34 and current patient referral patterns.
- 35 (2) Each trauma area shall include two or more hospitals designated or categorized ac-
- 36 cording to trauma care capabilities using standards modeled after the American College of
- 37 Surgeons Committee on Trauma standards that have been adopted by the program by rule.
- 38 (3) The trauma advisory subcommittee shall establish area trauma advisory boards in
- 39 accordance with section 8 of this 2007 Act to:
- 40 (a) Develop trauma systems plans;
- 41 (b) Oversee regional quality improvement activities;
- 42 (c) Implement central medical control for all field care and transportation consistent
- 43 with geographic limitations and current communications capability; and
- 44 (d) Develop regional triage protocols.
- 45 (4) Prior to approval and implementation of area trauma plans submitted by area trauma

1 advisory boards, the program shall adopt rules pursuant to ORS chapter 183 that specify  
2 state trauma objectives and standards, hospital categorization criteria and criteria and pro-  
3 cedures to be utilized in designating trauma system hospitals.

4 **SECTION 8.** (1) The Emergency Services and Trauma Systems Program shall designate  
5 trauma centers in areas that are within the jurisdiction of trauma advisory boards.

6 (2) The program shall adopt rules pursuant to ORS chapter 183 that specify state trauma  
7 objectives and standards, hospital categorization criteria, triage criteria, procedures to be  
8 utilized in designating trauma system hospitals and procedures for data collection, evaluation  
9 and quality improvement.

10 (3) A designated hospital must:

11 (a) Provide and maintain the resources, services and standards adopted by the program  
12 by rule for the designation level of the hospital; and

13 (b) Notify the program if resources, services and standards are not maintained.

14 **SECTION 9.** (1) In consultation with the trauma advisory subcommittee established by  
15 section 5 of this 2007 Act, the Public Health Officer shall select a minimum of seven members  
16 for each area trauma advisory board from lists submitted by regional emergency medical  
17 technicians, emergency nurses, emergency physicians, surgeons, hospital administrators,  
18 emergency medical services agencies and citizens at large. Members of each advisory board  
19 shall be representative of the trauma area as a whole.

20 (2) Area trauma advisory boards established in section 7 of this 2007 Act shall meet as  
21 often as necessary to identify specific trauma area needs and problems and to propose to the  
22 Emergency Medical Services and Trauma System Program area trauma system plans and  
23 changes to plans that meet state standards and objectives. A trauma area advisory board  
24 must implement the area trauma system plan following approval of the plans by the pro-  
25 gram.

26 **SECTION 10.** (1) The Emergency Medical Services and Trauma Systems Program shall  
27 develop and maintain reporting systems, including the Emergency Medical Services and  
28 Trauma Systems Database, to collect and analyze information on patient care and outcomes  
29 as part of a quality improvement process and to allow for appropriate research as defined  
30 by the program by rule.

31 (2) A designated trauma hospital must report data on each patient presented to the  
32 hospital who is determined by the hospital to exceed the injury severity score specified by  
33 the program by rule.

34 (3) An emergency medical services agency may report data on each patient served by  
35 using the patient care report form.

36 (4) A hospital must report data on each patient presented to the hospital who is deter-  
37 mined by the hospital to meet trauma inclusion criteria specified by the program by rule.

38 (5) All data collected or developed by the program under this section that identifies or  
39 may be used to identify a patient, provider or facility is confidential and not subject to civil  
40 or administrative subpoena or to discovery in a civil action, including but not limited to a  
41 judicial, administrative, arbitration or mediation proceeding.

42 (6) The program shall publish a biennial report that includes an analysis of available ag-  
43 gregate data in the Emergency Medical Services and Trauma Systems Database.

44 (7) Notwithstanding the confidentiality provisions in subsection (5) of this section, the  
45 program may provide data to subcommittees established under section 5 of this 2007 Act and

1 to researchers who meet the criteria for access to collected data established by the program  
2 by rule in a manner that ensures information on individual patients, providers or facilities  
3 remains confidential.

4 (8) The program, in collaboration with the State Critical Illness and Serious Injury  
5 Steering Committee, shall continuously identify the causes of trauma and critical illness in  
6 Oregon, and propose programs to prevent trauma and critical illness for consideration by the  
7 Legislative Assembly or others.

8 (9) The Emergency Medical Services and Trauma System Program shall adopt rules es-  
9 tablishing:

10 (a) The data elements to be reported;

11 (b) Injury and illness severity criteria;

12 (c) Objectives, standards, criteria and procedures to be utilized in administering the re-  
13 porting and data systems, and to the extent possible establish standards that are consistent  
14 with nationally recognized guidelines; and

15 (d) Procedures for maintaining the confidentiality of the data collected.

16 **SECTION 11.** (1) Area trauma advisory boards shall conduct peer review of individual  
17 cases to monitor and assure quality of care for trauma patients.

18 (2) Designated trauma centers, other hospitals and emergency medical services agencies  
19 may conduct peer review on individual cases to monitor and assure quality of care for  
20 trauma patients and critically ill patients.

21 (3) Any information regarding patient care quality assurance activities that identifies or  
22 may be used to identify a patient, provider or facility collected or received by the Emergency  
23 Medical Services and Trauma Systems Program, an area trauma advisory board or the State  
24 Critical Illness and Serious Injury Steering Committee or its subcommittees shall be confi-  
25 dential and not subject to civil or administrative subpoena or to discovery in a civil action,  
26 including but not limited to a judicial, administrative, arbitration or mediation proceeding.

27 (4)(a) A person communicating information to the program or serving on or communi-  
28 cating information to the State Critical Illness and Serious Injury Steering Committee or its  
29 subcommittees or an area trauma advisory board may not be examined in any civil action,  
30 including but not limited to a judicial, administrative, arbitration or mediation proceeding  
31 as to whether a communication of any kind, including oral or written communication, has  
32 been made or shared with the program, the State Critical Illness and Serious Injury Steering  
33 Committee or its subcommittees or an area trauma advisory board regarding patient care  
34 quality assurance activities.

35 (b) A person communicating information to the program or serving on or communicating  
36 information to the State Critical Illness and Serious Injury Steering Committee or its sub-  
37 committees or an area trauma advisory board shall not be subject to an action for civil  
38 damages for actions taken or statements made in good faith.

39 (5) Nothing in this section affects the admissibility in evidence of a party's medical re-  
40 cords not otherwise confidential or privileged concerning the party's medical care.

41 (6) As used in this section, "information" includes but is not limited to written reports,  
42 notes, records, findings and recommendations.

43 (7) Final reports developed by the program, the State Critical Illness and Serious Injury  
44 Steering Committee or its subcommittees or an area trauma advisory board on peer-reviewed  
45 cases may be available to the public if the report does not identify or cannot be used to

1 identify any patient, provider or facility.

2 **SECTION 12.** (1) Subject to the availability of funds, the Emergency Medical Services and  
3 Trauma Systems Program may reimburse designated trauma centers, emergency services  
4 providers, trauma care providers, hospitals, emergency departments, emergency medical  
5 services agencies and physical rehabilitation centers for unsponsored or inadequately insured  
6 trauma patients.

7 (2) In order to be eligible for reimbursement, designated trauma centers, emergency  
8 services providers and trauma care providers must:

9 (a) Provide data to the program as required by section 10 of this 2007 Act;

10 (b) Comply with other reporting requirements established by the program by rule; and

11 (c) Participate in quality improvement activities as required by the program by rule.

12 (3) Reimbursement may not be made until:

13 (a) All data required by program rules is submitted;

14 (b) The program confirms that the care provided meets reimbursement criteria estab-  
15 lished by the program by rule; and

16 (c) Funds are made available for distribution.

17 (4) Reimbursement may be made in a manner prescribed by rule.

18 **SECTION 13.** ORS 431.611 is amended to read:

19 431.611. [(1) Prior to approval and implementation of area trauma plans submitted to the Depart-  
20 ment of Human Services by area trauma advisory boards, the department shall adopt rules pursuant  
21 to ORS chapter 183 which specify state trauma objectives and standards, hospital categorization crite-  
22 ria and criteria and procedures to be utilized in designating trauma system hospitals.]

23 [(2) For approved area trauma plans recommending designation of trauma system hospitals, the  
24 department rules shall provide for:] **For approved area trauma plans with designated trauma  
25 system hospitals, rules adopted by the Emergency Medical Services and Trauma Systems  
26 Program shall provide for:**

27 [(a)] (1) The transport of a member of a health maintenance organization, or other managed  
28 health care system, as defined by rule, to a hospital that contracts with the health maintenance  
29 organization when central medical control determines that the condition of the member permits such  
30 transport; and

31 [(b)] (2) The development and utilization of protocols between designated trauma hospitals and  
32 health maintenance organizations, or other managed health care systems, as defined by rule, in-  
33 cluding notification of admission of a member to a designated trauma hospital within 48 hours of  
34 admission, and coordinated discharge planning between a designated trauma hospital and a hospital  
35 that contracts with a health maintenance organization to facilitate transfer of the member when the  
36 medical condition of the member permits.

37 **SECTION 14.** ORS 682.204, 682.208, 682.212, 682.216, 682.220, 682.224, 682.245 and 682.265 and  
38 sections 15, 17 and 18 of this 2007 Act are added to and made a part of ORS 682.204 to 682.265.

39 **SECTION 15.** (1) There is created within the Department of Human Services an Oregon  
40 State Board of Emergency Responders appointed by the Governor and composed of 11 mem-  
41 bers as follows:

42 (a) Five physicians licensed under ORS chapter 677 whose practice consists of emergency  
43 medicine, at least two of whom are local emergency medical services directors and at least  
44 one of whom is a member of the emergency medical services subcommittee established under  
45 section 5 of this 2007 Act.

1 (b) One emergency medical technician with a valid Oregon paramedic certification.

2 (c) One emergency medical technician with a valid Oregon intermediate paramedic cer-  
3 tification.

4 (d) One emergency medical technician with a valid Oregon basic paramedic certification.

5 (e) One first responder.

6 (f) One nurse who provides air medical response service.

7 (g) One member of the public with an interest in emergency medical services who is not  
8 employed as a health professional or in any health-related industry.

9 (2) In making appointments to the board, the Governor shall give consideration to rep-  
10 resentation of the different geographic regions of the state.

11 (3)(a) The members of the board shall be appointed by the Governor for terms of four  
12 years, beginning on January 1. Members of the board serve at the pleasure of the Governor.  
13 Members of the board may be reappointed, but a member may not serve for more than three  
14 consecutive terms. At the time of appointment, the appointee to the board must be a citizen  
15 of the United States and a resident of Oregon. Each professional member must be currently  
16 licensed or certified and not under disciplinary status with the professional regulatory board  
17 that regulates the member's profession. If a vacancy on the Oregon State Board of Emer-  
18 gency Responders occurs, a member shall be appointed in the same manner as the original  
19 appointee to complete the unexpired term.

20 (b) All appointments of members of the board by the Governor are subject to confirma-  
21 tion by the Senate pursuant to section 4, Article III of the Oregon Constitution.

22 (4) Members are entitled to compensation as provided in ORS 292.495.

23 **SECTION 16.** Notwithstanding the term of office specified for members of the Oregon  
24 State Board of Emergency Responders in section 15 of this 2007 Act, of the members first  
25 appointed to the board:

26 (1) Three shall serve for a term ending on January 1, 2009.

27 (2) Four shall serve for a term ending on January 1, 2010.

28 (3) Four shall serve for a term ending on January 1, 2011.

29 **SECTION 17.** (1) The Oregon State Board of Emergency Responders shall elect annually  
30 from its number a chairperson, a vice chairperson and a secretary, each of whom shall serve  
31 until a successor is elected and qualified. The board shall meet at the call of the chairperson  
32 or as the board may require. Special meetings of the board may be called by the secretary  
33 at the request of any three members of the board. Six members of the board constitutes a  
34 quorum for the transaction of business.

35 (2) The State Emergency Medical Services Director appointed under ORS 431.623 shall  
36 serve as the executive director of the board. The executive director may employ and define  
37 the duties of persons necessary to carry out the responsibilities of the board as required by  
38 ORS 682.204 to 682.265 and sections 15, 17 and 18 of this 2007 Act. The executive director, with  
39 approval of the board, may also contract with special consultants. All salaries, compensation  
40 and expenses incurred or allowed shall be paid out of funds received by the Emergency  
41 Medical Services and Trauma Systems Program.

42 (3) The board shall:

43 (a) Monitor the practice of emergency medical technicians and first responders.

44 (b) Prescribe standards and approve curricula for emergency medical technician and first  
45 responder programs preparing persons for licensing under ORS 682.204 to 682.265.

1 (c) Provide for surveys of nursing education programs at such times as may be neces-  
 2 sary.

3 (d) Approve emergency medical technician and first responder programs that meet the  
 4 requirements established by the board by rule.

5 (e) Deny or withdraw approval of emergency medical technician and first responder pro-  
 6 grams for failure to meet prescribed standards.

7 (f) Examine, certify and renew the certifications of qualified applicants for certification  
 8 as emergency medical technicians or first responders as provided in ORS 682.204 to 682.265.

9 (g) Provide a process for reciprocal certification for qualified emergency medical techni-  
 10 cians and first responders coming from outside the state who meet the standards established  
 11 by the board by rule.

12 (h) Undertake investigations as authorized by ORS 682.220.

13 (i) Deny certification to applicants or discipline certified emergency medical technicians  
 14 and first responders as provided in ORS 682.204 to 682.265.

15 (j) Enforce the provisions of ORS 682.204 to 682.265 and sections 15, 17 and 18 of this 2007  
 16 Act and incur necessary expenses therefor.

17 (k) Notify certificate holders at least annually of changes in legislative or board rules  
 18 that affect the certificate holders. Notice may be by newsletter or other appropriate means.

19 (4) The board may require applicants and certificate holders to provide to the board data  
 20 concerning the individual's employment and education.

21 (5) For the purpose of requesting a state or nationwide criminal records check under  
 22 ORS 181.534, the board may require the fingerprints of a person who is:

23 (a) Applying for a certificate that is issued by the board;

24 (b) Applying for renewal of a certificate that is issued by the board; or

25 (c) Under investigation by the board.

26 (6) The board shall keep a record of all its proceedings and of all persons certified and  
 27 schools or programs approved under this section.

28 (7) The board may enter into executive session to consider information obtained as part  
 29 of an investigation of an applicant or certificate holder as provided in ORS 192.660 (2)(k).

30 (8) The board must accept the scope of practice for emergency medical technicians and  
 31 first responders as established by the Board of Medical Examiners.

32 (9) The board shall accept the accreditation status of teaching institutions provided by  
 33 the Department of Education.

34 (10) Pursuant to ORS chapter 183, the board shall adopt rules necessary to carry out the  
 35 provisions of ORS 682.204 to 682.265 and sections 15, 17 and 18 of this 2007 Act.

36 **SECTION 18.** The lapse, suspension or revocation of a certificate by the operation of law,  
 37 by order of the Oregon State Board of Emergency Responders or by the decision of a court  
 38 of law, or the voluntary surrender of a certificate by a certificate holder, does not deprive  
 39 the board of jurisdiction to proceed with any investigation of, or any action or disciplinary  
 40 proceeding against, the certificate holder or to revise or render null and void an order of  
 41 disciplinary action against the certificate holder.

42 **SECTION 19.** ORS 682.025 is amended to read:

43 682.025. As used in this chapter, unless the context requires otherwise:

44 (1) "Ambulance" or "ambulance vehicle" means any privately or publicly owned motor vehicle,  
 45 aircraft or watercraft that is regularly provided or offered to be provided for the emergency trans-

1 portation of persons *[suffering from illness, injury or disability]* **who are ill or injured or who have**  
 2 **disabilities.**

3 (2) “Ambulance service” means any person, governmental unit, corporation, partnership, sole  
 4 proprietorship or other entity that operates ambulances and that holds itself out as providing pre-  
 5 hospital care or medical transportation to *[sick, injured or disabled persons]* **persons who are ill**  
 6 **or injured or who have disabilities.**

7 [(3) “Board” means the Board of Medical Examiners for the State of Oregon.]

8 [(4) “Department” means the Department of Human Services.]

9 [(5)] (3) “Emergency care” means the performance of acts or procedures under emergency con-  
 10 ditions *[in]* **relating to** the observation, care and counsel of *[the ill, injured or disabled; in]* **persons**  
 11 **who are ill or injured or who have disabilities, and** the administration of care or medications as  
 12 prescribed by a licensed physician, insofar as any of these acts is based upon knowledge and appli-  
 13 cation of the principles of biological, physical and social science as required by a completed course  
 14 utilizing an approved curriculum in prehospital emergency care. However, “emergency care” does  
 15 not *[include]* **mean** acts of medical diagnosis or prescription of therapeutic or corrective measures.

16 [(6)] (4) “Emergency medical technician” or “EMT” means a person who has received formal  
 17 training in prehospital *[and emergency]* **care, emergency care and nonemergency** care, and is  
 18 state certified to attend any *[ill, injured or disabled]* person **who is ill or injured or who has a**  
 19 **disability.** Police officers, firefighters, funeral home employees and other personnel serving in a dual  
 20 capacity one of which meets the definition of “emergency medical technician” are “emergency  
 21 medical technicians” within the meaning of this chapter.

22 (5) **“Emergency responder” means a person certified by the Oregon State Board of**  
 23 **Emergency Responders to provide medical care and who responds to emergencies.**

24 [(7)] (6) “First responder” means a person who has successfully completed a first responder  
 25 training course approved by the *[department]* **Oregon State Board of Emergency Responders**  
 26 **and[.]**

27 [(a)] has been examined and certified as a first responder by *[an authorized representative of the*  
 28 *department]* **the board** to perform basic emergency **care** and nonemergency care procedures[; or]

29 [(b)] *Has been otherwise designated as a first responder by an authorized representative of the de-*  
 30 *partment to perform basic emergency and nonemergency care procedures[.]*

31 [(8)] (7) “Fraud or deception” means the intentional misrepresentation or misstatement of a  
 32 material fact, concealment of or failure to make known any material fact, or any other means by  
 33 which misinformation or false impression knowingly is given.

34 [(9)] (8) “Governmental unit” means the state or any county, municipality or other political  
 35 subdivision or any department, board or other agency of any of them.

36 [(10)] (9) “Highway” means every public way, thoroughfare and place, including bridges, viaducts  
 37 and other structures within the boundaries of this state, used or intended for the use of the general  
 38 public for vehicles.

39 [(11)] (10) “Nonemergency care” means the performance of acts or procedures on a patient who  
 40 is not expected to die, become permanently disabled or suffer permanent harm within the next 24  
 41 hours, including but not limited to observation, care and counsel of a patient and the administration  
 42 of medications prescribed by a physician licensed under ORS chapter 677, insofar as any of those  
 43 acts are based upon knowledge and application of the principles of biological, physical and social  
 44 science and are performed in accordance with scope of practice rules adopted by the Board of  
 45 Medical Examiners in the course of providing prehospital care as defined by this section.

1 [(12)] (11) "Owner" means the person having all the incidents of ownership in an ambulance  
 2 service or an ambulance vehicle or where the incidents of ownership are in different persons, the  
 3 person, other than a security interest holder or lessor, entitled to the possession of an ambulance  
 4 vehicle or operation of an ambulance service under a security agreement or a lease for a term of  
 5 10 or more successive days.

6 (12) "**Paramedic**" means a certified emergency medical technician who has reached a  
 7 level of competency established by the Oregon State Board of Emergency Responders.

8 (13) "Patient" means [*an ill, injured or disabled person*] a person who is ill or injured or who  
 9 has a disability and who is transported in an ambulance.

10 (14) "Person" means any individual, corporation, association, firm, partnership, joint stock com-  
 11 pany, group of individuals acting together for a common purpose or organization of any kind and  
 12 includes any receiver, trustee, assignee or other similar representative thereof.

13 (15) "Prehospital care" means that care rendered by emergency medical technicians as an inci-  
 14 dent of the operation of an ambulance as defined by this chapter and that care rendered by emer-  
 15 gency medical technicians as incidents of other public or private safety duties, and includes, but is  
 16 not limited to, "emergency care" as defined by this section.

17 (16) "Scope of practice" means the maximum level of emergency care or nonemergency care that  
 18 an emergency medical technician may provide as established by the Board of Medical  
 19 Examiners.

20 (17) "Standing orders" means the written protocols that an emergency medical technician fol-  
 21 lows to treat patients when direct contact with a physician is not maintained.

22 (18) "Supervising physician" means a medical or osteopathic physician licensed under ORS  
 23 chapter 677, actively registered and in good standing with the board, who provides direction of  
 24 emergency care or nonemergency care provided by emergency medical technicians.

25 (19) "Unprofessional conduct" means conduct unbecoming a person applying to become or a  
 26 person certified in emergency care or nonemergency care, or conduct detrimental to the best  
 27 interests of the public, and includes:

28 (a) Any conduct or practice contrary to recognized standards of ethics of the medical profession  
 29 or any conduct or practice [*which*] that does or might constitute a danger to the health or safety  
 30 of a patient or the public or any conduct, practice or condition [*which*] that does or might impair  
 31 an emergency medical technician's ability safely and skillfully to practice emergency care or none-  
 32 mergency care;

33 (b) Willful performance of any medical treatment [*which*] that is contrary to acceptable medical  
 34 standards; and

35 (c) Willful and consistent utilization of medical service for treatment [*which*] that is or may be  
 36 considered inappropriate or unnecessary.

37 **SECTION 20.** ORS 682.028 is amended to read:

38 682.028. (1) It is unlawful for any person or governmental unit to:

39 (a) Intentionally make any false statement on an application for an ambulance service license,  
 40 ambulance vehicle license or for certification as an emergency medical technician or first responder  
 41 or on any other documents required by the Department of Human Services, **the Emergency Med-**  
 42 **ical Services and Trauma Systems Program or the Oregon State Board of Emergency**  
 43 **Responders;** or

44 (b) Make any misrepresentation in seeking to obtain or retain a certification or license.

45 (2) Any violation described in subsection (1) of this section is also grounds for denial, suspension

1 or revocation of a certification or license under ORS 682.220.

2 **SECTION 21.** ORS 682.075 is amended to read:

3 682.075. (1) Subject to any law or rule pursuant thereto relating to the construction or equip-  
4 ment of ambulances, the Department of Human Services shall, with the advice of the State [*Emer-*  
5 *gency Medical Service*] **Critical Illness and Serious Injury Steering** Committee appointed under  
6 [*ORS 682.039*] **section 5 of this 2007 Act** and in accordance with ORS chapter 183, adopt and when  
7 necessary amend or repeal rules relating to the construction, maintenance, capacity, sanitation,  
8 emergency medical supplies and equipment of ambulances.

9 (2) In order for an owner to secure and retain a license for an ambulance under this chapter,  
10 it shall meet the requirements imposed by rules of the department. The requirements may relate to  
11 construction, maintenance, capacity, sanitation and emergency medical supplies and equipment on  
12 ambulances. Such requirements shall include, but are not limited to, requirements relating to space  
13 in patient compartments, access to patient compartments, storage facilities, operating condition,  
14 cots, mattresses, stretchers, cot and stretcher fasteners, bedding, oxygen and resuscitation equip-  
15 ment, splints, tape, bandages, tourniquets, patient convenience accessories, cleanliness of vehicle  
16 and laundering of bedding.

17 **SECTION 22.** ORS 682.079 is amended to read:

18 682.079. (1) The Department of Human Services may grant exemptions or variances from one or  
19 more of the requirements of ORS 820.330 to 820.380 or this chapter or the rules adopted thereunder  
20 to any class of vehicles if it finds that compliance with such requirement or requirements is inap-  
21 propriate because of special circumstances which **that** would render compliance unreasonable, bur-  
22 densome or impractical due to special conditions or cause, or because compliance would result in  
23 substantial curtailment of necessary ambulance service. [*Such*] Exemptions or variances may be  
24 limited in time or may be conditioned as the department considers necessary to protect the public  
25 welfare.

26 (2) In determining whether or not a variance shall be granted, the advice of the State [*Emer-*  
27 *gency Medical Service*] **Critical Illness and Serious Injury Steering** Committee shall be received  
28 and in all cases the equities involved and the advantages and disadvantages to the welfare of pa-  
29 tients and the owners of vehicles shall be weighed by the department.

30 (3) Rules under this section shall be adopted, amended or repealed in accordance with ORS  
31 183.330.

32 **SECTION 23.** ORS 682.204 is amended to read:

33 682.204. (1) [*On and after September 13, 1975,*] It shall be unlawful:

34 (a) For any person to act as an emergency medical technician without being certified under this  
35 chapter.

36 (b) For any person or governmental unit [*which*] **that** operates an ambulance to authorize a  
37 person to act for it as an emergency medical technician without being certified under this chapter.

38 (c) For any person or governmental unit to operate or allow to be operated in this state any  
39 ambulance unless it is operated with at least one certified emergency medical technician.

40 (2) It is a defense to any charge under this section that there was a reasonable basis for be-  
41 lieving that the performance of services contrary to this section was necessary to preserve human  
42 life, that diligent effort was made to obtain the services of a certified emergency medical technician  
43 and that the services of a certified emergency medical technician were not available or were not  
44 available in time as under the circumstances appeared necessary to preserve such human life.

45 (3) Subsection (1) of this section is not applicable to any individual, group of individuals, part-

nership, entity, association or other organization otherwise subject thereto providing a service to the public exclusively by volunteer unpaid workers, nor to any person who acts as an ambulance attendant therefor, provided that in the particular county in which the service is rendered, the county court or board of county commissioners has by order, after public hearing, granted exemption from such subsection to the individual, group, partnership, entity, association or organization. When exemption is granted under this section, any person who attends an *[ill, injured or disabled person]* **individual who is ill or injured or who has a disability** in an ambulance may not purport to be an emergency medical technician or use the designation "EMT."

**SECTION 24.** ORS 682.208 is amended to read:

682.208. (1) For any person to be certified as an emergency medical technician or first responder, an application for certification shall be made to the *[Department of Human Services]* **Oregon State Board of Emergency Responders**. The application shall be upon forms prescribed by the *[department]* **board** and shall contain:

(a) The name and address of the applicant.

(b) The name and location of the training course successfully completed by the applicant and the date of completion.

(c) Certification that to the best of the applicant's knowledge the applicant is physically and mentally qualified to act as an emergency medical technician or first responder, is free from addiction to controlled substances or alcoholic beverages, or if not so free, has been and is currently rehabilitated and is free from epilepsy or diabetes, or if not so free, has been free from any lapses of consciousness or control occasioned thereby for a period of time as prescribed by rule of the *[department]* **board**.

(d) *[Such]* Other information *[as]* **that** the *[department]* **board** may reasonably require to determine compliance with applicable provisions of this chapter and the rules adopted thereunder.

(2) The application shall be accompanied by proof as prescribed by rule of the *[department]* **board** of the applicant's successful completion of a training course approved by the *[department]* **board**, and if an extended period of time has elapsed since the completion of the course, of a satisfactory amount of continuing education.

(3) The *[department]* **board** shall adopt a schedule of minimum educational requirements in emergency **care** and nonemergency care for emergency medical technicians and first responders. The *[department, with the advice of the State Emergency Medical Service Committee,]* **board** may establish levels of emergency medical technician certification as may be necessary to serve the public interest. A course approved by the *[department]* **board** shall be designed to protect the welfare of out-of-hospital patients, to promote the health, well-being and saving of the lives of such patients and to reduce their pain and suffering.

**SECTION 25.** ORS 682.212 is amended to read:

682.212. (1) A nonrefundable initial application fee shall be submitted with the initial application for emergency medical technician and first responder certification. In addition, a nonrefundable examination fee shall be submitted for the following purposes:

(a) First responder written examination;

(b) Emergency medical technician written examination;

(c) Emergency medical technician practical examination; and

(d) A fee deemed necessary by the *[Department of Human Services]* **Oregon State Board of Emergency Responders** to cover the fee charged by the national examination agency or other examination service utilized by the department for the purpose of examining candidates for emergency

1 medical technician certification.

2 **(2) The board shall establish by rule a fee for:**

3 **(a) Renewal of a certificate.**

4 **(b) Late renewal of a certificate.**

5 **(c) Certification by indorsement.**

6 **(d) Issuance of a duplicate certificate.**

7 [(2)] **(3)** Subject to the review of the Oregon Department of Administrative Services, the fees and  
8 charges established under this section shall not exceed the cost of administering the regulatory  
9 program of the [*Department of Human Services*] **board** pertaining to the purpose for which the fee  
10 or charge is established, as authorized by the Legislative Assembly for the [*department's*] **board's**  
11 budget, as the budget may be modified by the Emergency Board.

12 [(3)] **(4)** All moneys received by the [*department*] **board** under this chapter shall be paid into the  
13 General Fund in the State Treasury and placed to the credit of the [*department account and such*  
14 *moneys hereby*] **Oregon State Board of Emergency Responders Account, which is established.**  
15 **Moneys in the account** are appropriated continuously **to the board** and shall be used only for the  
16 administration and enforcement of this chapter.

17 **SECTION 26.** ORS 682.216 is amended to read:

18 682.216. (1) When application has been made as required under ORS 682.208, the [*Department of*  
19 *Human Services*] **Oregon State Board of Emergency Responders** shall certify the applicant as an  
20 emergency medical technician or as a first responder if it finds:

21 (a) The applicant has successfully completed a training course approved by the [*department*]  
22 **board.**

23 (b) The applicant's physical and mental qualifications have been certified as required under ORS  
24 682.208.

25 (c) No matter has been brought to the attention of the [*department which*] **board that** would  
26 disqualify the applicant.

27 (d) A nonrefundable fee has been paid to the department pursuant to ORS 682.212.

28 (e) The applicant for emergency medical technician certification is 18 years of age or older and  
29 the applicant for first responder is 16 years of age or older.

30 (f) The applicant has successfully completed examination as prescribed by the [*department*]  
31 **board.**

32 (g) The applicant meets other requirements prescribed **by the board** by rule [*of the*  
33 *department*].

34 (2) The [*department*] **board** may provide for the issuance of a provisional certification for emer-  
35 gency medical technicians.

36 (3) The [*department*] **board** may issue by indorsement certification for emergency medical tech-  
37 nician without proof of completion of an approved training course to an emergency medical techni-  
38 cian who is licensed **or certified** to practice emergency care in another state of the United States  
39 or a foreign country if, in the opinion of the [*department*] **board**, the applicant meets the require-  
40 ments of certification in this state and can demonstrate to the satisfaction of the [*department*] **board**  
41 competency to practice emergency care. The [*department*] **board** shall be the sole judge of creden-  
42 tials of any emergency medical technician applying for certification without proof of completion of  
43 an approved training course.

44 (4) Each person holding a certificate under ORS 682.208 and this section shall submit, at the  
45 time of application for renewal of the certificate to the [*department*] **board**, evidence of the appli-

1 cant's satisfactory completion of a [department] **board** approved program of continuing education  
2 and other requirements prescribed by rule by the [department] **board**.

3 (5) The [department] **board** shall prescribe **by rule** criteria and approve programs of continuing  
4 education in emergency **care** and nonemergency care to meet the requirements of this section.

5 (6) The [department] **board** shall include a fee pursuant to ORS 682.212 for late renewal and for  
6 issuance of any duplicate certificate. Each certification issued under this section, unless sooner  
7 suspended or revoked, shall expire and be renewable after a period of two years. Each certificate  
8 must be renewed on or before June 30 of every second year. The [department] **board** by rule shall  
9 establish a schedule of certificate renewals under this subsection and shall prorate the fees to re-  
10 flect any shorter certificate period.

11 (7) Nothing in this chapter authorizes an emergency medical technician or first responder to  
12 operate an ambulance without a driver license as required under the Oregon Vehicle Code.

13 **SECTION 27.** ORS 682.220 is amended to read:

14 682.220. (1) The Department of Human Services may deny, suspend or revoke licenses for am-  
15 bulances and ambulance services in accordance with the provisions of ORS chapter 183 for a failure  
16 to comply with any of the requirements of ORS 820.350 to 820.380 and this chapter or the rules  
17 adopted thereunder.

18 (2) The **Oregon State Board of Emergency Responders may deny, suspend or revoke the**  
19 certification of an emergency medical technician [*may be denied, suspended or revoked*] **or first**  
20 **responder** in accordance with [*the provisions of*] ORS chapter 183 **and ORS 682.224** for any of the  
21 following reasons:

22 (a) A failure to have completed successfully a [department] **board** approved course.

23 (b) In the case of provisional certifications, failure to have completed successfully a  
24 [department] **board** approved course.

25 (c) Failure to meet or continue to meet the physical and mental qualifications required to be  
26 certified under ORS 682.208.

27 (d) The use of fraud or deception in receiving a certificate.

28 (e) Practicing skills beyond the scope of practice established by the Board of Medical Examiners  
29 for the State of Oregon under ORS 682.245.

30 (f) Rendering emergency **care** or nonemergency care under an assumed name.

31 (g) The impersonation of another EMT **or first responder**.

32 (h) Unprofessional conduct.

33 (i) Obtaining a fee by fraud or misrepresentation.

34 (j) Habitual or excessive use of intoxicants or **use of illegal** drugs.

35 (k) The presence of a mental disorder that demonstrably affects an EMT's **or first responder's**  
36 performance, as certified by two psychiatrists retained by the [department] **board**.

37 (L) Subject to ORS 670.280, conviction of any criminal offense that reasonably raises questions  
38 about the ability of the EMT **or first responder** to perform the duties of an EMT **or first**  
39 **responder** in accordance with the standards established by this chapter. A copy of the record of  
40 conviction, certified to by the clerk of the court entering the conviction, shall be conclusive evi-  
41 dence of the conviction.

42 (m) Suspension or revocation of an emergency medical technician **or first responder** certificate  
43 issued by another state:

44 (A) For a reason that would permit the [department] **board** to suspend or revoke a certificate  
45 issued under this chapter; and

1 (B) Evidenced by a certified copy of the order of suspension or revocation.

2 (n) Gross negligence or repeated negligence in rendering emergency medical assistance.

3 (o) Rendering emergency **care** or nonemergency care without being certified except as provided  
4 in ORS 30.800.

5 (p) Rendering emergency **care** or nonemergency care as an EMT **or first responder** without  
6 written authorization and standing orders from a supervising physician who has been approved by  
7 the board in accordance with ORS 682.245.

8 (q) **Failing to cooperate with a board investigation, including but not limited to** refusing  
9 an invitation for an interview with the *[department]* **board** as specified in this section.

10 (r) **Violating an order of the board.**

11 (3)(a) The *[department]* **board** may investigate any evidence that appears to show that an **ap-**  
12 **plicant for certification or an EMT or first responder** certified by the *[department]* **board** is or  
13 may be medically incompetent, guilty of unprofessional or dishonorable conduct or mentally or  
14 physically unable to safely function as an EMT **or first responder**.

15 (b) **The board may require a certificate holder or applicant for certification to undergo**  
16 **a psychological, physical, psychiatric or alcohol or chemical dependency assessment if the**  
17 **board has reasonable cause to believe that a certificate holder or applicant has a psycholog-**  
18 **ical, physical, psychiatric or alcohol or chemical dependency problem that may effect the**  
19 **ability of the certificate holder or applicant to perform the duties of an EMT or first**  
20 **responder.**

21 (c) The *[department]* **board** may investigate the off-duty conduct of an EMT **or first responder**  
22 to the extent that such conduct may reasonably raise questions about the ability of the EMT **or**  
23 **first responder** to perform the duties of an EMT **or first responder** in accordance with the stan-  
24 dards established by this chapter.

25 (d) Upon receipt of a complaint about an EMT, **first responder** or applicant, the *[department]*  
26 **board** shall conduct an investigation as described under ORS 676.165. An investigation shall be  
27 conducted in accordance with ORS 676.175.

28 (4) Any health care facility licensed under ORS 441.015 to 441.087 and 441.820, any medical or  
29 osteopathic physician licensed under ORS chapter 677, any owner of an ambulance licensed under  
30 this chapter or any EMT certified under this chapter shall report to the *[department]* **board** any  
31 information the person may have that appears to show that an EMT **or first responder** is or may  
32 be medically incompetent, guilty of unprofessional or dishonorable conduct or mentally or physically  
33 unable to safely function as an EMT **or first responder**.

34 (5) If, in the opinion of the *[department]* **board**, it appears that the information provided to *[it]*  
35 **the board** under provisions of this section is or may be true, the *[department]* **board** may request  
36 an interview with the EMT **or first responder**. At the time the *[department]* **board** requests an  
37 interview, the EMT **or first responder** shall be provided with a general statement of the issue or  
38 issues of concern to the *[department]* **board**. The request shall include a statement of the procedural  
39 safeguards available to the EMT **or first responder**, including the right to end the interview on  
40 request, the right to have counsel present and the following statement: "Any action proposed by the  
41 *[Department of Human Services]* **Oregon State Board of Emergency Responders** shall provide for  
42 a contested case hearing."

43 (6) Information regarding an ambulance service provided to the **board or Department of Human**  
44 **Services** pursuant to this section is confidential and shall not be subject to public disclosure, nor  
45 shall it be admissible as evidence in any judicial proceeding. Information that the **board or de-**

1 partment obtains as part of an investigation into emergency medical technician, **first responder** or  
 2 applicant conduct or as part of a contested case proceeding, consent order or stipulated agreement  
 3 involving emergency medical technician, **first responder** or applicant conduct is confidential as  
 4 provided under ORS 676.175. Information regarding an ambulance service does not become confi-  
 5 dential due to its use in a disciplinary proceeding against an emergency medical technician **or first**  
 6 **responder**.

7 (7) Any person who reports or provides information to the **board** or Department of **Human**  
 8 **Services** under this section and who provides information in good faith shall not be subject to an  
 9 action for civil damage as a result thereof.

10 (8) In conducting an investigation under subsection (3) of this section, the [*department*] **board**  
 11 may:

12 (a) Take evidence;

13 (b) Take depositions of witnesses, including the person under investigation, in the manner pro-  
 14 vided by law in civil cases;

15 (c) Compel the appearance of witnesses, including the person under investigation, in the manner  
 16 provided by law in civil cases;

17 (d) Require answers to interrogatories; [*and*]

18 (e) Compel the production of books, papers, accounts, documents and testimony pertaining to the  
 19 matter under investigation[.]; **and**

20 (f) **Require physical, mental or other evaluations at the applicant's or certificate holder's**  
 21 **expense**.

22 (9) The [*department*] **board** may issue subpoenas to compel compliance with the provisions of  
 23 subsection (8) of this section. If any person fails to comply with a subpoena issued under this sub-  
 24 section, or refuses to testify on matters on which the person may lawfully be interrogated, a court  
 25 may compel obedience as provided in ORS 183.440.

26 (10) **Failure to cooperate with an Oregon State Board of Emergency Responders investi-**  
 27 **gation may be considered unprofessional conduct**.

28 **SECTION 28.** ORS 682.224 is amended to read:

29 682.224. (1) The Department of Human Services may discipline[, *as provided in this section,*] an  
 30 ambulance service [*or*] **and the Oregon State Board of Emergency Responders may discipline**  
 31 any person certified as an emergency medical technician or first responder in this state who has:

32 (a) Admitted the facts of a complaint which alleges facts which establish that such person is  
 33 guilty of violation of one or more of the grounds for suspension or revocation of a certificate as set  
 34 forth in ORS 682.220 or that an ambulance service has violated the provisions of this chapter or the  
 35 rules adopted thereunder.

36 (b) [*Been found guilty*] In accordance with ORS chapter 183, [*of violation of*] **been found to have**  
 37 **violated** one or more of the grounds for suspension or revocation of certification as set forth in ORS  
 38 682.220 or that an ambulance service has violated the provisions of this chapter or the rules adopted  
 39 thereunder.

40 (2) The purpose of disciplining an EMT **or first responder** under this section is to ensure that  
 41 the EMT **or first responder** will provide services that are consistent with the obligations of this  
 42 chapter. Prior to taking final disciplinary action, the [*department*] **board** shall determine if the EMT  
 43 **or first responder** has been disciplined for the questioned conduct by the EMT's **or first**  
 44 **responder's** employer or supervising physician. The [*department*] **board** shall consider any such  
 45 discipline or any other corrective action in deciding whether additional discipline or corrective

1 action by the *[department]* **board** is appropriate.

2 (3) In disciplining an EMT, **first responder** or ambulance service as authorized by subsection  
3 (1) of this section, the **board or** department may use any or all of the following methods:

4 (a) Suspend judgment.

5 (b) Issue a letter of reprimand.

6 (c) Issue a letter of instruction.

7 (d) Place the EMT, **first responder** or ambulance service on probation.

8 (e) Suspend the EMT **or first responder** certificate or **the** ambulance service license.

9 (f) Revoke the EMT **or first responder** certificate or **the** ambulance service license.

10 (g) Place limitations on the certificate of the EMT **or first responder** to practice emergency  
11 **care** or nonemergency care in this state or place limitations on the license of the ambulance service.

12 (h) Take such other disciplinary action as the **board or** department in its discretion finds  
13 proper, including assessment of the costs of the disciplinary proceedings as a civil penalty or as-  
14 sessment of a civil penalty not to exceed \$5,000, or both.

15 (4) In addition to the action authorized by subsection (3) of this section, the **board or** depart-  
16 ment may temporarily suspend a certificate or license without a hearing, simultaneously with the  
17 commencement of proceedings under ORS chapter 183 if the **board or** department finds that evi-  
18 dence in its possession indicates that a continuation in practice of the EMT **or first responder** or  
19 operation of the ambulance service constitutes an immediate danger to the public.

20 (5) If, **as set forth in subsection (3)(d) of this section**, the *[department]* **board** places any  
21 EMT **or first responder on probation** or **the department places an** ambulance service on pro-  
22 bation [*as set forth in subsection (3)(d) of this section*], the **board or** department may determine, and  
23 may at any time modify, the conditions of the probation and may include among them any reasonable  
24 condition for the purpose of protection of the public and for the purpose of the rehabilitation of the  
25 EMT, **first responder** or ambulance service, or both. Upon expiration of the term of probation,  
26 further proceedings shall be abated if the EMT, **first responder** or ambulance service has complied  
27 with the terms of the probation.

28 (6) If an EMT **or first responder** certified in this state is suspended, the holder of the certif-  
29 icate may not practice during the term of suspension.

30 (7) If an ambulance service licensed in this state is suspended, the ambulance service may not  
31 operate in this state during the term of the suspension, provided that the department shall condition  
32 such suspension upon such arrangements as may be necessary to assure the continued availability  
33 of ambulance service in the area served by that ambulance service. Upon expiration of the term of  
34 suspension, the certificate or license shall be reinstated by the department if the conditions for  
35 which the certificate or license was suspended no longer exist.

36 (8) Whenever an EMT **or first responder** certificate or ambulance service license is denied or  
37 revoked for any cause, the **board or** department may, in *[its]* **the board's or department's** dis-  
38 cretion, after the lapse of two years from the date of such **denial or** revocation, upon written ap-  
39 plication by the person **denied**, formerly certified or licensed and after a hearing, issue or restore  
40 the EMT **or first responder** certificate or ambulance service license.

41 (9) Civil penalties under this section shall be imposed as provided in ORS 183.745.

42 **SECTION 29.** ORS 682.245 is amended to read:

43 682.245. (1) The Board of Medical Examiners for the State of Oregon shall adopt by rule a scope  
44 of practice for emergency medical technicians **and first responders** at such levels as may be es-  
45 tablished by the *[Department of Human Services and for first responders]* **Oregon State Board of**

1 **Emergency Responders.**

2 (2) The Board of **Medical Examiners** shall adopt by rule standards for the qualifications and  
3 responsibilities of supervising physicians.

4 (3) The standing orders for emergency medical technicians and first responders may not exceed  
5 the scope of practice defined by the Board of **Medical Examiners**.

6 (4) No emergency medical technician shall provide patient care or treatment without written  
7 authorization and standing orders from a supervising physician who has been approved by the Board  
8 of **Medical Examiners**.

9 (5) The policies and procedures for applying and enforcing this section may be delegated in  
10 whole or in part to the [*department*] **Oregon State Board of Emergency Responders**.

11 **SECTION 30.** ORS 682.991 is amended to read:

12 682.991. (1) Violation of any provision of ORS 682.028, 682.047 (5) or 682.204 is a Class A  
13 misdemeanor. Each day of continuing violation shall be considered a separate offense.

14 (2) Violation of any provision of this chapter is a misdemeanor. In any prosecution for such vi-  
15 olation it shall be sufficient to sustain a conviction to show a single act of conduct in violation of  
16 any of the provisions of this chapter and it shall not be necessary to show a general course of such  
17 conduct.

18 (3) In addition to the penalties under this section, the **Oregon State Board of Emergency**  
19 **Responders or the** Department of Human Services may assess civil penalties of up to \$5,000 per  
20 violation against any entity or person licensed under this chapter or subject to licensure under this  
21 chapter.

22 **SECTION 31.** ORS 146.015 is amended to read:

23 146.015. (1) There is hereby established the State Medical Examiner Advisory Board.

24 (2) The advisory board shall make policies for the administration of ORS 146.003 to 146.165 and  
25 the Department of State Police shall make rules to effectuate such policies.

26 (3) The advisory board shall recommend the name or names of pathologists to the Superinten-  
27 dent of State Police from which the superintendent shall appoint the State Medical Examiner.

28 (4) The State Medical Examiner Advisory Board shall consist of 10 members appointed by the  
29 Governor and shall include:

30 (a) The Chairman of the Department of Anatomic Pathology at the Oregon Health and Science  
31 University, who shall be the chairperson of the board;

32 (b) The State Health Officer;

33 (c) A sheriff;

34 (d) A trauma physician recommended by the [*State Trauma Advisory Board*] **Emergency Med-**  
35 **ical Services and Trauma Systems Program**;

36 (e) A pathologist;

37 (f) A district attorney;

38 (g) A funeral service practitioner and embalmer licensed by the State Mortuary and Cemetery  
39 Board;

40 (h) A chief of police;

41 (i) A member of the defense bar; and

42 (j) A member of the public at large.

43 (5) The persons described in subsection (4)(a) and (b) of this section shall serve as long as they  
44 hold their respective positions. The terms of the persons described in subsection (4)(c), (f) and (h)  
45 of this section shall be for four years, except that they shall become vacant if the person ceases to

1 be a sheriff, district attorney or chief of police, respectively. The terms of the other members of the  
2 board shall be four years.

3 (6) A member of the advisory board is entitled to compensation and expenses as provided in ORS  
4 292.495.

5 (7) The advisory board shall meet annually at a time and place determined by the chairperson.  
6 The chairperson or any four members of the board may call a special meeting upon not less than  
7 one week's notice to the members of the board.

8 (8) Six members of the board shall constitute a quorum.

9 **SECTION 32.** ORS 353.450 is amended to read:

10 353.450. (1) It is the finding of the Legislative Assembly that there is need to provide programs  
11 that will assist a rural community to recruit and retain physicians, physician assistants and nurse  
12 practitioners. For that purpose:

13 (a) The Legislative Assembly supports the development at the Oregon Health and Science Uni-  
14 versity of an Area Health Education Center program as provided for under the United States Public  
15 Health Service Act, Section 781.

16 (b) The university shall provide continuing education opportunities for persons licensed to  
17 practice medicine under ORS chapter 677 who practice in rural areas of this state in cooperation  
18 with the respective professional organizations, including the Oregon Medical Association and the  
19 Oregon Society of Physician Assistants.

20 (c) The university shall seek funding through grants and other means to implement and operate  
21 a fellowship program for physicians, physician assistants and nurse practitioners intending to prac-  
22 tice in rural areas.

23 (2) With the moneys transferred to the Area Health Education Center program by ORS 442.625,  
24 the program shall:

25 (a) Establish educational opportunities for emergency medical technicians in rural counties;

26 (b) Contract with educational facilities qualified to conduct emergency medical training pro-  
27 grams using a curriculum approved by the Emergency Medical Services and Trauma Systems Pro-  
28 gram; and

29 (c) Review requests for training funds with input from the [*State Emergency Medical Service*  
30 *Committee*] **Emergency Medical Services and Trauma Systems Program** and other individuals  
31 with expertise in emergency medical services.

32 **SECTION 33.** ORS 431.671 is amended to read:

33 431.671. (1) Subject to available funding from gifts, grants or donations, the Emergency Medical  
34 Services for Children Program is established in the Department of Human Services. The Emergency  
35 Medical Services for Children Program shall operate in cooperation with the Emergency Medical  
36 Services and Trauma Systems Program to promote the delivery of emergency medical and trauma  
37 services to the children of Oregon.

38 (2) The Department of Human Services shall:

39 (a) Employ or contract with professional, technical, research and clerical staff as required to  
40 implement this section.

41 (b) Provide technical assistance to the [*State Trauma Advisory Board*] **emergency medical**  
42 **services for children subcommittee of the State Critical Illness and Serious Injury Steering**  
43 **Committee** on the integration of an emergency medical services for children program into the  
44 statewide emergency medical services and trauma [*system*] **systems**.

45 (c) Provide advice and technical assistance to [*area trauma advisory boards*] **the emergency**

1 **medical services for children subcommittee of the State Critical Illness and Serious Injury**  
 2 **Steering Committee** on the integration of an emergency medical services for children program into  
 3 area trauma system plans.

4 (d) Establish an Emergency Medical Services for Children Advisory Committee.

5 (e) Establish guidelines for:

6 (A) The approval of emergency and critical care medical service facilities for pediatric care, and  
 7 for the designation of specialized regional pediatric critical care centers and pediatric trauma care  
 8 centers.

9 (B) Referring children to appropriate emergency or critical care medical facilities.

10 (C) Necessary prehospital and other pediatric emergency and critical care medical service  
 11 equipment.

12 (D) Developing a coordinated system that will allow children to receive appropriate initial sta-  
 13 bilization and treatment with timely provision of, or referral to, the appropriate level of care, in-  
 14 cluding critical care, trauma care or pediatric subspecialty care.

15 (E) Protocols for prehospital and hospital facilities encompassing all levels of pediatric emer-  
 16 gency services, pediatric critical care and pediatric trauma care.

17 (F) Rehabilitation services for critically ill or injured children.

18 (G) An interfacility transfer system for critically ill or injured children.

19 (H) Initial and continuing professional education programs for emergency medical services per-  
 20 sonnel, including training in the emergency care of infants and children.

21 (I) A public education program concerning the Emergency Medical Services for Children Pro-  
 22 gram including information on emergency access telephone numbers.

23 (J) The collection and analysis of statewide pediatric emergency and critical care medical ser-  
 24 vices data from emergency and critical care medical service facilities for the purpose of quality  
 25 improvement by such facilities, subject to relevant confidentiality requirements.

26 (K) The establishment of cooperative interstate relationships to facilitate the provision of ap-  
 27 propriate care for pediatric patients who must cross state borders to receive emergency and critical  
 28 care services.

29 (L) Coordination and cooperation between the Emergency Medical Services for Children Pro-  
 30 gram and other public and private organizations interested or involved in emergency and critical  
 31 care for children.

32 **SECTION 34.** ORS 442.507 is amended to read:

33 442.507. (1) With the moneys transferred to the Office of Rural Health by ORS 442.625, the office  
 34 shall establish a dedicated grant program for the purpose of providing assistance to rural commu-  
 35 nities to enhance emergency medical service systems.

36 (2) Communities, as well as nonprofit or governmental agencies serving those communities, may  
 37 apply to the office for grants on forms developed by the office.

38 (3) The office shall make the final decision concerning which entities receive grants, but the  
 39 office may seek advice from the Rural Health Coordinating Council, the [*State Emergency Medical*  
 40 *Service Committee*] **Emergency Medical Services and Trauma Systems Program** and other ap-  
 41 propriate individuals experienced with emergency medical services.

42 (4) The office may make grants to entities for the purchase of equipment, the establishment of  
 43 new rural emergency medical service systems or the improvement of existing rural emergency med-  
 44 ical service systems.

45 (5) With the exception of printing and mailing expenses associated with the grant program, the

1 Office of Rural Health shall pay for administrative costs of the program with funds other than those  
2 transferred under ORS 442.625.

3 **SECTION 35.** ORS 682.031 is amended to read:

4 682.031. (1) As used in this section, “political subdivision” includes counties, cities, districts,  
5 authorities and other public corporations and entities organized and existing under statute or  
6 charter.

7 (2) An ordinance of any political subdivision regulating ambulance services or emergency med-  
8 ical technicians shall not require less than is required under ORS 820.300 to 820.380, or this chapter  
9 or the rules adopted by the Department of Human Services **or the Oregon State Board of Emer-**  
10 **gency Responders** under this chapter.

11 (3) When a political subdivision enacts an ordinance regulating ambulance services or emer-  
12 gency medical technicians, the ordinance must comply with the county plan for ambulance services  
13 and ambulance service areas adopted under ORS 682.062 by the county in which the political sub-  
14 division is situated and with the rules of the department relating to such services and service areas.  
15 The determination of whether the ordinance is in compliance with the county plan shall be made  
16 by the county governing body.

17 **SECTION 36.** ORS 682.051 is amended to read:

18 682.051. (1) A person or governmental unit commits the offense of unlawful operation of an un-  
19 licensed ambulance if, on and after July 1, 1983, or the offense of unlawful operation of an unli-  
20 censed ambulance service if, on and after July 1, 1994, the person or governmental unit advertises  
21 or operates in this state a motor vehicle, aircraft or watercraft ambulance that:

22 (a) Is not operated by an ambulance service licensed under this chapter;

23 (b) Is not licensed under this chapter; and

24 (c) Does not meet the minimum requirements established under this chapter by the Department  
25 of Human Services in consultation with the [*State Emergency Medical Service Committee*] **Emer-**  
26 **gency Medical Services and Trauma Systems Program** for that type of ambulance.

27 (2) As used in this section, “governmental unit” and “person” have the meaning given those  
28 terms in ORS 682.025.

29 (3) This section does not apply to any ambulance or any person if the ambulance or person is  
30 exempted by ORS 682.035 or 682.079 from regulation by the Department of Human Services.

31 (4) Authority of political subdivisions to regulate ambulance services or to regulate or allow the  
32 use of ambulances is limited under ORS 682.031.

33 (5) The offense described in this section, unlawful operation of an unlicensed ambulance or am-  
34 bulance service, is a Class A misdemeanor. Each day of continuing violation shall be considered a  
35 separate offense.

36 (6) In addition to the penalties prescribed by subsection (5) of this section, the Department of  
37 Human Services may impose upon a licensed ambulance service a civil penalty not to exceed \$5,000  
38 for each violation of this chapter and the rules adopted thereunder. Each day of continuing violation  
39 shall be considered a separate violation for purposes of this subsection.

40 **SECTION 37.** ORS 682.068 is amended to read:

41 682.068. (1) The Department of Human Services, in consultation with the [*State Emergency*  
42 *Medical Service Committee*] **Emergency Medical Services and Trauma Systems Program**, shall  
43 adopt rules specifying minimum requirements for ambulance services, and for staffing and medical  
44 and communications equipment requirements for all types of ambulances. The rules shall define the  
45 requirements for advanced life support and basic life support units of emergency vehicles, including

1 equipment and emergency medical technician staffing of the passenger compartment when a patient  
2 is being transported in emergency circumstances.

3 (2) The department may waive any of the requirements imposed by this chapter in medically  
4 disadvantaged areas as determined by the Director of Human Services, or upon a showing that a  
5 severe hardship would result from enforcing a particular requirement.

6 (3) The department shall exempt from rules adopted under this section air ambulances that do  
7 not charge for the provision of ambulance services.

8 **SECTION 38. Sections 39 to 46 of this 2007 Act are added to and made a part of ORS**  
9 **431.607 to 431.671.**

10 **SECTION 39. If the Governor is unavailable to exercise in a timely manner the authority**  
11 **granted under section 40 of this 2007 Act, the Director of Human Services may exercise that**  
12 **authority, and if the director is unavailable a designee of the director within the Department**  
13 **of Human Services may exercise the authority. Any orders, rules or regulations issued by**  
14 **the director or the designee of the director have the same force and effect as if issued by**  
15 **the Governor.**

16 **SECTION 40. The Governor may assign and make available for use and duty, in any**  
17 **county, city or political subdivision, under the direction and command of an officer desig-**  
18 **ned by the Governor, any emergency medical care provider staff or equipment of an**  
19 **emergency medical services agency in this state, other than staff or equipment of an agency**  
20 **that possesses only one ambulance or one medical emergency response vehicle. The Governor**  
21 **may make any emergency medical care provider staff or an emergency medical services**  
22 **agency, or any equipment of an emergency medical services agency, available under this**  
23 **section in response to a request for aid from a county, city or other political subdivision that**  
24 **indicates there is an emergency medical situation that overwhelms local emergency medical**  
25 **service resources of the jurisdiction making the request for aid.**

26 **SECTION 41. When any equipment is used pursuant to section 40 of this 2007 Act, the**  
27 **state shall be liable for any loss of or damage to the equipment and shall pay any expense**  
28 **incurred in the operation or maintenance of the equipment. No claim for any loss, damage**  
29 **or expense shall be allowed unless, within 60 days after the loss, damage or expense has been**  
30 **sustained or incurred, or within an extension of time as may have been obtained from the**  
31 **Department of Human Services, an itemized notice of the claim, under oath, is served by**  
32 **mail or in person upon the Department of Human Services. The loss, damage or expense**  
33 **shall be payable from the Emergency Fund of the state.**

34 **SECTION 42. Whenever aid is supplied pursuant to section 40 of this 2007 Act, the state**  
35 **shall reimburse the emergency medical services agency supplying the aid for the compen-**  
36 **sation paid to employees supplied under section 40 of this 2007 Act while the rendering of the**  
37 **aid prevents the employees from performing their duties for the agency by which they are**  
38 **employed and shall defray the actual traveling and maintenance expenses of the employees**  
39 **while they are rendering the aid. The provisions of sections 40 to 42 of this 2007 Act apply**  
40 **with equal effect to all employees who are rendering aid under those provisions. As used in**  
41 **this section, "employees" means all emergency medical care providers, whether paid, volun-**  
42 **teer or on call.**

43 **SECTION 43. The Governor may make, amend and rescind any orders, rules and regu-**  
44 **lations as are necessary or advisable to carry out the provisions of sections 40 to 42 of this**  
45 **2007 Act. Any order issued by the Governor in relation to carrying out the provisions of**

1 sections 40 to 42 of this 2007 Act may be either written or oral. If written, a copy of an order  
2 shall be filed in the office of the Secretary of State and another copy dispatched as soon as  
3 possible to the emergency medical services agency affected. Immediately thereafter the or-  
4 der, rule or regulation shall be in effect. Oral orders may be made by the Governor when,  
5 in the opinion of the Governor, the emergency is such that delay in issuing a written order  
6 would be dangerous to the welfare of the people of the state. Written copies of the oral order  
7 shall be filed and dispatched as soon after issuing the oral order as is conveniently possible  
8 in the manner provided in this section for written orders.

9 SECTION 44. The Department of Human Services shall prepare plans for effectively car-  
10 rying out sections 40 to 42 of this 2007 Act and provide advice and counsel to the Governor  
11 for the most practical utilization of the emergency medical services of this state as author-  
12 ized under section 40 of this 2007 Act.

13 SECTION 45. Neither the state nor any county, city, other political subdivision or emer-  
14 gency medical services agency, or any emergency medical care provider acting as the agent  
15 of any of the foregoing is liable for any injury to person or property resulting from the per-  
16 formance of any duty imposed by the authority of sections 40 to 42 of this 2007 Act. A person  
17 carrying out the provisions of sections 40 to 42 of this 2007 Act, or acting within the scope  
18 of any duty imposed by authority of the provisions of sections 40 to 42 of this 2007 Act, is  
19 not subject to civil liability for those actions. However, a person may be liable for injury to  
20 person or property resulting from the willful misconduct or gross negligence of the person.

21 SECTION 46. The state shall draw warrants on the State Treasurer for the payment of  
22 all duly approved claims lawfully incurred pursuant to sections 40 to 42 of this 2007 Act.

23 SECTION 47. ORS 431.609, 431.613, 431.617, 431.619, 431.627, 431.633 and 682.039 are re-  
24 pealed.
