Printed pursuant to Senate Interim Rule 213.28 by order of the President of the Senate in conformance with pre-session filing rules, indicating neither advocacy nor opposition on the part of the President (at the request of Governor Theodore R. Kulongoski for State Department of Agriculture)

## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Eliminates certain land use regulations relating to agricultural quarantines and embargoes and to animal and plant disease control from list of land use regulations for which owner may claim compensation because land use regulation restricts use of private real property and reduces fair market value of private real property.

Declares emergency, effective on passage.
