Sponsored by JOINT COMMITTEE ON EMERGENCY PREPAREDNESS AND OCEAN POLICY

## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Directs Office of Emergency Management to develop and operate statewide first responder building mapping information system.

## A BILL FOR AN ACT

1  
2 Relating to first responder building mapping information systems; creating new provisions; and  
3 amending ORS 401.270.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1. Sections 2 and 3 of this 2007 Act are added to and made a part of ORS 401.260**  
6 **to 401.325.**

7 **SECTION 2. (1) As used in this section and section 3 of this 2007 Act:**

8 (a) **"First responder" means an individual who, as a regular function of the individual's**  
9 **employment or in a voluntary capacity as an emergency service worker, provides initial re-**  
10 **sponse to the scene of an emergency.**

11 (b) **"School building" means a building used by a school district to provide educational**  
12 **services.**

13 (c) **"School district" means a school district as that term is defined in ORS 332.002 or a**  
14 **public charter school as that term is defined in ORS 338.005.**

15 (2) **The Office of Emergency Management shall, as authorized in ORS 401.280, seek mon-**  
16 **eys to create and implement a statewide first responder building mapping information sys-**  
17 **tem, including moneys for grants to state agencies, local governments and school districts**  
18 **to cover the costs of mapping buildings.**

19 (3) **The office, in consultation with the State Fire Marshal, the Department of State Po-**  
20 **lice and emergency service agencies as defined in ORS 401.025, shall develop guidelines for**  
21 **and create a statewide first responder building mapping information system. In developing**  
22 **the guidelines the office shall consider:**

23 (a) **The type of information to be included in the statewide first responder building map-**  
24 **ping information system including, but not limited to, building floor plans, fire protection**  
25 **information, evacuation plans, utility information, known hazards and text and digital images**  
26 **showing emergency personnel contact information;**

27 (b) **Standards for building mapping software to be used by entities participating in the**  
28 **statewide first responder building mapping information system;**

29 (c) **The order in which buildings are mapped;**

30 (d) **The method for making the information in the statewide first responder building**  
31 **mapping information system available including, but not limited to, detailed procedures and**

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 security systems to ensure that the information is made available only to the entity that  
 2 owns the building or to a first responder responding to an emergency at the building; and

3 (e) Training guidelines for use of the statewide first responder building mapping infor-  
 4 mation system by first responders, emergency service agencies and other providers of  
 5 emergency services.

6 **SECTION 3.** (1) The Office of Emergency Management shall operate the statewide first  
 7 responder building mapping information system created under section 2 of this 2007 Act.

8 (2) State agencies, local governments and school districts shall utilize building mapping  
 9 software that complies with the standards for building mapping software that are developed  
 10 under section 2 of this 2007 Act for all buildings mapped.

11 (3) If, prior to the date when the statewide first responder building mapping information  
 12 system becomes operational, a state agency, local government or school district has utilized  
 13 building mapping software that is compatible with the standards developed under section 2  
 14 of this 2007 Act, the state agency, local government or school district may continue to use  
 15 its own building mapping software unless the office provides funds to bring the state agency,  
 16 local government or school district's building mapping software in full compliance with the  
 17 standards developed under section 2 of this 2007 Act.

18 (4) When sufficient moneys are available to the office:

19 (a) The office shall make grants available to state agencies, local governments and school  
 20 districts to cover the costs of mapping buildings; and

21 (b) A state agency, a local government or a school district that is provided with grant  
 22 funding by the office shall map all buildings that:

23 (A) Are owned by a state or local government and are occupied by state or local gov-  
 24 ernment employees.

25 (B) School buildings.

26 (5) Indian tribes or tribal organizations, federal government agencies and private persons  
 27 that own buildings in this state may participate in the statewide first responder building  
 28 mapping information system. The office shall adopt rules pertaining to the participation.

29 (6) After the statewide first responder building mapping information system is opera-  
 30 tional:

31 (a) State agencies, local governments and school districts that have mapped buildings  
 32 shall forward the building mapping information to the office.

33 (b) Participating Indian tribes or tribal organizations, federal government agencies and  
 34 private persons may voluntarily forward the building mapping information to the office.

35 (c) The office may refuse building mapping information that does not comply with the  
 36 guidelines developed under section 2 of this 2007 Act.

37 (7) Consistent with the guidelines developed under section 2 of this 2007 Act, the office  
 38 shall make the building mapping information electronically available to state, local, federal  
 39 and tribal law enforcement agencies, to the Oregon Military Department and to fire depart-  
 40 ments and districts within the State of Oregon.

41 (8) The office may not disclose building mapping information provided to the office under  
 42 this section except to the entity that owns the building and to a first responder that is re-  
 43 sponding to an emergency at the building.

44 (9) Neither this section nor section 2 of this 2007 Act:

45 (a) Requires that a state agency, local government or school district map any building

1 **unless the entire cost incurred to map the building is provided by the office.**

2 **(b) Supersedes or alters the authority of state agencies, local governments or school**  
 3 **districts to maintain and control access to information within their own independent building**  
 4 **mapping systems.**

5 **SECTION 4.** ORS 401.270 is amended to read:

6 401.270. The Director of the Office of Emergency Management shall be responsible for coordi-  
 7 nating and facilitating emergency planning, preparedness, response and recovery activities with the  
 8 state and local emergency services agencies and organizations, and shall, with the approval of the  
 9 Superintendent of State Police or as directed by the Governor:

10 (1) Make rules that are necessary and proper for the administration and implementation of ORS  
 11 401.015 to 401.105, 401.260 to 401.325, 401.355 to 401.580 and 401.706;

 17 401.105, 401.260 to 401.325 and 401.355 to 401.580 or as may be directed by the Governor;

18 (5) Administer grants relating to emergency program management, seismic rehabilitation, emer-  
 19 gency services for the state and the statewide 2-1-1 system as provided in ORS 401.294;

20 (6) Provide for and staff a State Emergency Operations Center to aid the Governor and the Of-  
 21 fice of Emergency Management in the performance of duties under ORS 401.015 to 401.105, 401.260  
 22 to 401.325, 401.355 to 401.580 and 401.706;

23 (7) Serve as the Governor's authorized representative for coordination of certain response ac-  
 24 tivities and managing the recovery process;

25 (8) Establish training and professional standards for local emergency program management per-  
 26 sonnel;

27 (9) Establish task forces and advisory groups to assist the office in achieving mandated respon-  
 28 sibilities;

29 (10) Enforce compliance requirements of federal and state agencies for receiving funds and  
 30 conducting designated emergency functions;

31 (11) Oversee the design, implementation and support of a statewide 2-1-1 system as provided  
 32 under ORS 401.288; *[and]*

33 (12) Coordinate the activities of state and local governments to enable state and local govern-  
 34 ments to work together during domestic incidents as provided in the National Incident Management  
 35 System established by the Homeland Security Presidential Directive 5 of February 28, 2003; **and**

36 **(13) Create and operate the statewide first responder building mapping information sys-**  
 37 **tem as provided in section 2 and 3 of this 2007 Act.**
