7 vision of services under a health benefit plan.

21 “(b) **When a small employer carrier offers coverage to a small employer with at least 26**  
22 **but not more than 50 eligible employees, the small employer carrier may limit coverage to**  
23 **the categories of employees that the small employer has established as eligible for coverage,**  
24 **provided that the categories are based on bona fide employment-based classifications that**  
25 **are consistent with the employer’s usual business practice.**

26 “[b] (c) If the small employer elects to offer coverage to dependents of eligible employees, the  
27 small employer carrier shall offer coverage to all dependents of eligible employees, without regard  
28 to the actual or expected health status of any eligible dependent.

29 “**SECTION 6.** ORS 743.737 is amended to read:

31 visions:

32 “(1) A preexisting conditions provision in a small employer health benefit plan shall apply only  
33 to a condition for which medical advice, diagnosis, care or treatment was recommended or received

3 coverage if the most recent period of creditable coverage is ongoing or ended within 63 days of the  
4 enrollment date in the new small employer health benefit plan. The crediting of prior coverage in  
5 accordance with this subsection shall be applied without regard to the specific benefits covered  
6 during the prior period. This subsection does not preclude, within a small employer health benefit  
7 plan, application of:

9 a late enrollee; or

10 “(b) An exclusion period for specified covered services, as established by the Health Insurance  
11 Reform Advisory Committee, applicable to all individuals enrolling for the first time in the small  
12 employer health benefit plan.

13 “(4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to  
14 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period  
15 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall  
16 not exceed 12 months.

17 “(5) Each small employer health benefit plan shall be renewable with respect to all eligible  
18 enrollees at the option of the policyholder, small employer or contract holder except:

19 “(a) For nonpayment of the required premiums by the policyholder, small employer or contract

21 “(b) For fraud or misrepresentation of the policyholder, small employer or contract holder or,  
22 with respect to coverage of individual enrollees, the enrollees or their representatives.

23 “(c) When the number of enrollees covered under the plan is less than the number or percentage  
24 of enrollees required by participation requirements under the plan.

25 “(d) For noncompliance with the small employer carrier's employer contribution requirements  
26 under the health benefit plan.

27 “(e) When the carrier discontinues offering or renewing, or offering and renewing, all of its  
28 small employer health benefit plans in this state or in a specified service area within this state. In  
29 order to discontinue plans under this paragraph, the carrier:

30 “(A) Must give notice of the decision to the Director of the Department of Consumer and Busi-  
31 ness Services and to all policyholders covered by the plans;

32 “(B) May not cancel coverage under the plans for 180 days after the date of the notice required  
33 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except  
34 as provided in subparagraph (C) of this paragraph, in a specified service area;

35 “(C) May not cancel coverage under the plans for 90 days after the date of the notice required  
36 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area

38 health care providers to provide services under the plans within the service area; and

39 “(D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans  
40 issued by the carrier in the small employer market in this state or in the specified service area.

41 “(f) When the carrier discontinues offering and renewing a small employer health benefit plan  
42 in a specified service area within this state because of an inability to reach an agreement with the  
43 health care providers or organization of health care providers to provide services under the plan  
44 within the service area. In order to discontinue a plan under this paragraph, the carrier:

45 “(A) Must give notice to the director and to all policyholders covered by the plan;

1 “(B) May not cancel coverage under the plan for 90 days after the date of the notice required  
2 under subparagraph (A) of this paragraph; and

3 “(C) Must offer in writing to each small employer covered by the plan, all other small employer  
4 health benefit plans that the carrier offers in the specified service area. The carrier shall issue any  
5 such plans pursuant to the provisions of ORS 743.733 to 743.737. The carrier shall offer the plans  
6 at least 90 days prior to discontinuation.

7 “(g) When the carrier discontinues offering or renewing, or offering and renewing, a health  
8 benefit plan for all small employers in this state or in a specified service area within this state,  
9 other than a plan discontinued under paragraph (f) of this subsection. With respect to plans that are

14 “(C) Offer the plans at least 90 days prior to discontinuation.

16 health status of any current or prospective enrollee.

17 “(h) When the director orders the carrier to discontinue coverage in accordance with procedures  
18 specified or approved by the director upon finding that the continuation of the coverage would:

19 “(A) Not be in the best interests of the enrollees; or

20 “(B) Impair the carrier’s ability to meet contractual obligations.

21 “(i) When, in the case of a small employer health benefit plan that delivers covered services  
22 through a specified network of health care providers, there is no longer any enrollee who lives, re-  
23 sides or works in the service area of the provider network.

24 “(j) When, in the case of a health benefit plan that is offered in the small employer market only  
25 through one or more bona fide associations, the membership of an employer in the association ceases  
26 and the termination of coverage is not related to the health status of any enrollee.

27 “(k) For misuse of a provider network provision. As used in this paragraph, ‘misuse of a provider  
28 network provision’ means a disruptive, unruly or abusive action taken by an enrollee that threatens  
29 the physical health or well-being of health care staff and seriously impairs the ability of the carrier  
30 or its participating providers to provide services to an enrollee. An enrollee under this paragraph  
31 retains the rights of an enrollee under ORS 743.804.

32 “(L) A small employer carrier may modify a small employer health benefit plan at the time of  
33 coverage renewal. The modification is not a discontinuation of the plan under paragraphs (e) and (g)  
34 of this subsection.

35 “(6) Notwithstanding any provision of subsection (5) of this section to the contrary, any small  
36 employer carrier health benefit plan subject to the provisions of ORS 743.733 to 743.737 may be  
37 rescinded by a small employer carrier for fraud, material misrepresentation or concealment by a  
38 small employer and the coverage of an enrollee may be rescinded for fraud, material misrepresen-  
39 tation or concealment by the enrollee.

40 “(7) A small employer carrier may continue to enforce reasonable employer participation and  
41 contribution requirements on small employers applying for coverage. However, participation and  
42 contribution requirements shall be applied uniformly among all small employer groups with the same  
43 number of eligible employees applying for coverage or receiving coverage from the small employer  
44 carrier. In determining minimum participation requirements, a carrier shall count only those em-  
45 ployees who are not covered by an existing group health benefit plan, Medicaid, Medicare,

1 CHAMPUS, Indian Health Service or a publicly sponsored or subsidized health plan, including but  
2 not limited to the Oregon Health Plan.

3 “(8) Premium rates for small employer health benefit plans [*subject to ORS 743.733 to 743.737*]  
4 shall be subject to the following provisions:

5 “(a) Each small employer carrier issuing health benefit plans to small employers must file its  
6 geographic average rate for a rating period with the director [*on or before March 15 of each year*]  
7 **at least once every 12 months.**

8 “(b)(A) The premium rates charged during a rating period for health benefit plans issued to  
9 small employers may not vary from the geographic average rate by more than **50 percent on or**  
10 **after the operative date specified in section 10 of this 2007 Act, except as provided under**  
11 **subparagraph (D) of this paragraph.** [*the following:*]

12 “[*i*] 33 percent on or after October 1, 1999; and]

13 “[*ii*] 43 percent on or after July 1, 2004.]

14 “(B) The variations in premium rates described in subparagraph (A) of this paragraph shall be  
15 based solely on [*differences in the ages of participating employees, except that the premium rate may*  
16 *be adjusted to reflect the provision of benefits not required to be covered by the basic health benefit*  
17 *plan and differences in family composition. In addition:*]

18 “[*i*] A small employer carrier shall apply uniformly the carrier’s schedule of age adjustments for  
19 small employer groups as approved by the director; and]

20 “[*ii*] Except as otherwise provided in this section, the premium rate established for a health benefit  
21 plan by a small employer carrier shall apply uniformly to all employees of the small employer enrolled  
22 in that plan.] **the factors specified in subparagraph (C) of this paragraph. A small employer**  
23 **carrier may elect which of the factors specified in subparagraph (C) of this paragraph apply**  
24 **to premium rates for small employers. The factors that are based on contributions or par-**  
25 **ticipation may vary with the size of the employer. All other factors must be applied in the**  
26 **same actuarially sound way to all small employers.**

27 “(C) The variations in premium rates described in subparagraph (A) of this paragraph  
28 may be based on one or more of the following factors:

29 “(i) The ages of enrolled employees and their dependents;

30 “(ii) The level at which the small employer contributes to the premiums payable for en-  
31 rolled employees and their dependents;

32 “(iii) The level at which eligible employees participate in the health benefit plan;

33 “(iv) The level at which enrolled employees and their dependents engage in tobacco use;

34 “(v) The level at which enrolled employees and their dependents engage in health pro-  
35 motion, disease prevention or wellness programs;

36 “(vi) The period of time during which a small employer retains uninterrupted coverage  
37 in force with the same small employer carrier; and

38 “(vii) Adjustments to reflect the provision of benefits not required to be covered by the  
39 basic health benefit plan and differences in family composition.

40 “(D)(i) The premium rates determined in accordance with this paragraph may be further  
41 adjusted by a small employer carrier to reflect the expected claims experience of a small  
42 employer, but the extent of this adjustment may not exceed five percent of the annual pre-  
43 mium rate otherwise payable by the small employer. The adjustment under this subpara-  
44 graph may not be cumulative from year to year.

45 “(ii) Except for small employers with 25 or fewer employees, the premium rates adjusted

1 under this subparagraph are not subject to the provisions of subparagraph (A) of this para-  
2 graph.

3 “(E) A small employer carrier shall apply the carrier’s schedule of premium rate vari-  
4 ations as approved by the Director of the Department of Consumer and Business Services  
5 and in accordance with this paragraph. Except as otherwise provided in this section, the  
6 premium rate established for a health benefit plan by a small employer carrier shall apply  
7 uniformly to all employees of the small employer enrolled in that plan.

8 “(c) Except as provided in paragraph (b) of this subsection, the variation in premium rates  
9 between different small employer health benefit plans offered by a small employer carrier must be  
10 based solely on objective differences in plan design or coverage and must not include differences  
11 based on the risk characteristics of groups assumed to select a particular health benefit plan.

12 “(d) A small employer carrier may not increase the rates of a health benefit plan issued to a  
13 small employer more than once in a 12-month period. Annual rate increases shall be effective on the  
14 plan anniversary date of the health benefit plan issued to a small employer. The percentage increase  
15 in the premium rate charged to a small employer for a new rating period may not exceed the sum  
16 of the following:

17 “(A) The percentage change in the geographic average rate measured from the first day of the  
18 prior rating period to the first day of the new period; and

19 “(B) Any adjustment attributable to changes in age, except an additional adjustment may be  
20 made to reflect the provision of benefits not required to be covered by the basic health benefit plan  
21 and differences in family composition.

22 “(e) Premium rates for health benefit plans shall comply with the requirements of this section.

23 “(f) A small employer carrier may apply a participation credit of five percent to the rates de-  
24 termined under paragraph (b) of this subsection for a small employer if all eligible employees enroll  
25 in the health benefit plan. If a carrier applies a participation credit under this paragraph, the carrier  
26 must apply the credit to each small employer that qualifies.

27 “(9) In connection with the offering for sale of any health benefit plan to a small employer, each  
28 small employer carrier shall make a reasonable disclosure as part of its solicitation and sales ma-  
29 terials of:

30 “(a) The full array of health benefit plans that are offered to small employers by the carrier;

31 “(b) The authority of the carrier to adjust rates, and the extent to which the carrier will con-  
32 sider age, family composition and geographic factors in establishing and adjusting rates;

33 “(c) Provisions relating to renewability of policies and contracts; and

34 “(d) Provisions affecting any preexisting conditions provision.

35 “(10)(a) Each small employer carrier shall maintain at its principal place of business a complete  
36 and detailed description of its rating practices and renewal underwriting practices, including infor-  
37 mation and documentation that demonstrate that its rating methods and practices are based upon  
38 commonly accepted actuarial practices and are in accordance with sound actuarial principles.

39 “(b) Each small employer carrier shall file with the director [*annually on or before March 15*]  
40 **at least once every 12 months** an actuarial certification that the carrier is in compliance with  
41 ORS 743.733 to 743.737 and that the rating methods of the small employer carrier are actuarially  
42 sound. Each such certification shall be in a uniform form and manner and shall contain such infor-  
43 mation as specified by the director. A copy of such certification shall be retained by the small em-  
44 ployer carrier at its principal place of business.

45 “(c) A small employer carrier shall make the information and documentation described in para-

1 graph (a) of this subsection available to the director upon request. Except in cases of violations of  
2 ORS 743.733 to 743.737, the information shall be considered proprietary and trade secret information  
3 and shall not be subject to disclosure by the director to persons outside the Department of Con-  
4 sumer and Business Services except as agreed to by the small employer carrier or as ordered by a  
5 court of competent jurisdiction.

6 “(11) A small employer carrier shall not provide any financial or other incentive to any insur-  
7 ance producer that would encourage the insurance producer to market and sell health benefit plans  
8 of the carrier to small employer groups based on a small employer group’s anticipated claims expe-  
9 rience.

10 “(12) For purposes of this section, the date a small employer health benefit plan is continued  
11 shall be the anniversary date of the first issuance of the health benefit plan.

12 “(13) A small employer carrier must include a provision that offers coverage to all eligible em-  
13 ployees and to all dependents to the extent the employer chooses to offer coverage to dependents.

14 “(14) All small employer health benefit plans shall contain special enrollment periods during  
15 which eligible employees and dependents may enroll for coverage, as provided in 42 U.S.C. 300gg  
16 as amended and in effect on July 1, 1997.

17 “**SECTION 7.** ORS 743.737, as amended by section 6, chapter 599, Oregon Laws 2003, is  
18 amended to read:

19 “743.737. Health benefit plans covering small employers shall be subject to the following pro-  
20 visions:

21 “(1) A preexisting conditions provision in a small employer health benefit plan shall apply only  
22 to a condition for which medical advice, diagnosis, care or treatment was recommended or received  
23 during the six-month period immediately preceding the enrollment date of an enrollee or late  
24 enrollee. As used in this section, the enrollment date of an enrollee shall be the earlier of the ef-  
25 fective date of coverage or the first day of any required group eligibility waiting period and the  
26 enrollment date of a late enrollee shall be the effective date of coverage.

27 “(2) A preexisting conditions provision in a small employer health benefit plan shall terminate  
28 its effect as follows:

29 “(a) For an enrollee, not later than the first of the following dates:

30 “(A) Six months following the enrollee’s effective date of coverage; or

31 “(B) Ten months following the start of any required group eligibility waiting period.

32 “(b) For a late enrollee, not later than 12 months following the late enrollee’s effective date of  
33 coverage.

34 “(3) In applying a preexisting conditions provision to an enrollee or late enrollee, except as  
35 provided in this subsection, all small employer health benefit plans shall reduce the duration of the  
36 provision by an amount equal to the enrollee’s or late enrollee’s aggregate periods of creditable  
37 coverage if the most recent period of creditable coverage is ongoing or ended within 63 days of the  
38 enrollment date in the new small employer health benefit plan. The crediting of prior coverage in  
39 accordance with this subsection shall be applied without regard to the specific benefits covered  
40 during the prior period. This subsection does not preclude, within a small employer health benefit  
41 plan, application of:

42 “(a) An affiliation period that does not exceed two months for an enrollee or three months for  
43 a late enrollee; or

44 “(b) An exclusion period for specified covered services, as established by the Health Insurance  
45 Reform Advisory Committee, applicable to all individuals enrolling for the first time in the small

1 employer health benefit plan.

2 “(4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to  
3 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period  
4 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall  
5 not exceed 12 months.

6 “(5) Each small employer health benefit plan shall be renewable with respect to all eligible  
7 enrollees at the option of the policyholder, small employer or contract holder except:

8 “(a) For nonpayment of the required premiums by the policyholder, small employer or contract  
9 holder.

10 “(b) For fraud or misrepresentation of the policyholder, small employer or contract holder or,  
11 with respect to coverage of individual enrollees, the enrollees or their representatives.

12 “(c) When the number of enrollees covered under the plan is less than the number or percentage  
13 of enrollees required by participation requirements under the plan.

14 “(d) For noncompliance with the small employer carrier’s employer contribution requirements  
15 under the health benefit plan.

16 “(e) When the carrier discontinues offering or renewing, or offering and renewing, all of its  
17 small employer health benefit plans in this state or in a specified service area within this state. In  
18 order to discontinue plans under this paragraph, the carrier:

19 “(A) Must give notice of the decision to the Director of the Department of Consumer and Busi-  
20 ness Services and to all policyholders covered by the plans;

21 “(B) May not cancel coverage under the plans for 180 days after the date of the notice required  
22 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except  
23 as provided in subparagraph (C) of this paragraph, in a specified service area;

24 “(C) May not cancel coverage under the plans for 90 days after the date of the notice required  
25 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area  
26 because of an inability to reach an agreement with the health care providers or organization of  
27 health care providers to provide services under the plans within the service area; and

28 “(D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans  
29 issued by the carrier in the small employer market in this state or in the specified service area.

30 “(f) When the carrier discontinues offering and renewing a small employer health benefit plan  
31 in a specified service area within this state because of an inability to reach an agreement with the  
32 health care providers or organization of health care providers to provide services under the plan  
33 within the service area. In order to discontinue a plan under this paragraph, the carrier:

34 “(A) Must give notice to the director and to all policyholders covered by the plan;

35 “(B) May not cancel coverage under the plan for 90 days after the date of the notice required  
36 under subparagraph (A) of this paragraph; and

37 “(C) Must offer in writing to each small employer covered by the plan, all other small employer  
38 health benefit plans that the carrier offers in the specified service area. The carrier shall issue any  
39 such plans pursuant to the provisions of ORS 743.733 to 743.737. The carrier shall offer the plans  
40 at least 90 days prior to discontinuation.

41 “(g) When the carrier discontinues offering or renewing, or offering and renewing, a health  
42 benefit plan for all small employers in this state or in a specified service area within this state,  
43 other than a plan discontinued under paragraph (f) of this subsection. With respect to plans that are  
44 being discontinued, the carrier must:

45 “(A) Offer in writing to each small employer covered by the plan, all health benefit plans that

1 the carrier offers in the specified service area.

2 “(B) Issue any such plans pursuant to the provisions of ORS 743.733 to 743.737.

3 “(C) Offer the plans at least 90 days prior to discontinuation.

4 “(D) Act uniformly without regard to the claims experience of the affected policyholders or the  
5 health status of any current or prospective enrollee.

6 “(h) When the director orders the carrier to discontinue coverage in accordance with procedures  
7 specified or approved by the director upon finding that the continuation of the coverage would:

8 “(A) Not be in the best interests of the enrollees; or

9 “(B) Impair the carrier’s ability to meet contractual obligations.

10 “(i) When, in the case of a small employer health benefit plan that delivers covered services  
11 through a specified network of health care providers, there is no longer any enrollee who lives, re-  
12 sides or works in the service area of the provider network.

13 “(j) When, in the case of a health benefit plan that is offered in the small employer market only  
14 through one or more bona fide associations, the membership of an employer in the association ceases  
15 and the termination of coverage is not related to the health status of any enrollee.

16 “(k) For misuse of a provider network provision. As used in this paragraph, ‘misuse of a provider  
17 network provision’ means a disruptive, unruly or abusive action taken by an enrollee that threatens  
18 the physical health or well-being of health care staff and seriously impairs the ability of the carrier  
19 or its participating providers to provide services to an enrollee. An enrollee under this paragraph  
20 retains the rights of an enrollee under ORS 743.804.

21 “(L) A small employer carrier may modify a small employer health benefit plan at the time of  
22 coverage renewal. The modification is not a discontinuation of the plan under paragraphs (e) and (g)  
23 of this subsection.

24 “(6) Notwithstanding any provision of subsection (5) of this section to the contrary, any small  
25 employer carrier health benefit plan subject to the provisions of ORS 743.733 to 743.737 may be  
26 rescinded by a small employer carrier for fraud, material misrepresentation or concealment by a  
27 small employer and the coverage of an enrollee may be rescinded for fraud, material misrepresen-  
28 tation or concealment by the enrollee.

29 “(7) A small employer carrier may continue to enforce reasonable employer participation and  
30 contribution requirements on small employers applying for coverage. However, participation and  
31 contribution requirements shall be applied uniformly among all small employer groups with the same  
32 number of eligible employees applying for coverage or receiving coverage from the small employer  
33 carrier. In determining minimum participation requirements, a carrier shall count only those em-  
34 ployees who are not covered by an existing group health benefit plan, Medicaid, Medicare,  
35 CHAMPUS, Indian Health Service or a publicly sponsored or subsidized health plan, including but  
36 not limited to the Oregon Health Plan.

37 “(8) Premium rates for small employer health benefit plans [*subject to ORS 743.733 to 743.737*]  
38 shall be subject to the following provisions:

39 “(a) Each small employer carrier issuing health benefit plans to small employers must file its  
40 geographic average rate for a rating period with the director [*on or before March 15 of each year.*]  
41 **at least once every 12 months.**

42 “(b)(A) The premium rates charged during a rating period for health benefit plans issued to  
43 small employers may not vary from the geographic average rate by more than **50 percent on or**

4 based solely on [*differences in the ages of participating employees, except that the premium rate may*

43 fered by a small employer carrier must be based solely on objective differences in plan design or

45 select a particular health benefit plan.

1 “(d) A small employer carrier may not increase the rates of a health benefit plan issued to a  
2 small employer more than once in a 12-month period. Annual rate increases shall be effective on the  
3 plan anniversary date of the health benefit plan issued to a small employer. The percentage increase  
4 in the premium rate charged to a small employer for a new rating period may not exceed the sum  
5 of the following:

6 “(A) The percentage change in the geographic average rate measured from the first day of the  
7 prior rating period to the first day of the new period; and

8 “(B) Any adjustment attributable to changes in age, except an additional adjustment may be  
9 made to reflect the provision of benefits not required to be covered by the basic health benefit plan  
10 and differences in family composition.

11 “(e) Premium rates for health benefit plans shall comply with the requirements of this section.

12 “(9) In connection with the offering for sale of any health benefit plan to a small employer, each

23 commonly accepted actuarial practices and are in accordance with sound actuarial principles.

24 “(b) Each small employer carrier shall file with the director [*annually on or before March 15*]  
25 **at least once every 12 months** an actuarial certification that the carrier is in compliance with  
26 ORS 743.733 to 743.737 and that the rating methods of the small employer carrier are actuarially  
27 sound. Each such certification shall be in a uniform form and manner and shall contain such infor-  
28 mation as specified by the director. A copy of such certification shall be retained by the small em-  
29 ployer carrier at its principal place of business.

30 “(c) A small employer carrier shall make the information and documentation described in para-
