 43 governing body that calls the election shall confer about the rate limit with the governing bodies  
 44 of all counties and cities having territory in the proposed district and shall then determine the rate  
 45 limit to be proposed for the district. The proposition submitted to the electors of the district for the

1 purpose of establishing the district shall propose the rate limit specified by the county governing  
 2 body. The rate limit so proposed shall be the permanent rate limit for operating taxes for the district  
 3 within the meaning of section 11 (3), Article XI of the Oregon Constitution, if the district is estab-  
 4 lished in an election that is in compliance with [section 11 (8), Article XI of] the Oregon Constitution.

5 **SECTION 12.** ORS 280.060 is amended to read:

6 280.060. (1) Upon approval of a majority of the electors of a subdivision [*in a manner that qual-*  
 7 *ifies under section 11 (8), Article XI of the Oregon Constitution*], a subdivision may levy local option  
 8 taxes outside the limitation imposed by section 11 (3), Article XI, Oregon Constitution, over the pe-  
 9 riod of time that is authorized by the electors. The amount levied each year shall be:

10 (a) Uniform, or substantially so, throughout the period during which the taxes are levied; or

11 (b) Computed annually at the same dollar rate per thousand dollars assessed value in the sub-  
 12 division, such rate to be declared in and made a part of the ballot measure to be submitted to the  
 13 electorate.

14 (2) Notwithstanding subsection (1) of this section, a subdivision may certify for extension on the  
 15 assessment and tax roll under ORS 310.060 a lesser amount of local option tax or a lesser rate of  
 16 local option tax if the subdivision decides to collect less than the entire local option tax authorized  
 17 by electors. The subdivision shall certify the lesser amount or rate in the written notice required  
 18 to be made under ORS 310.060.

19 (3)(a) The period of time authorized by the electors shall not exceed five years or, if the local  
 20 option tax is for capital projects, the lesser of:

21 (A) The expected useful life of the capital projects to be financed by the tax; or

22 (B) Ten years.

23 (b) A local option tax for capital projects does not exceed the expected useful life of the capital  
 24 projects financed by the tax if the estimated weighted average life of the tax does not exceed the  
 25 estimated dollar weighted average of the capital assets comprising the capital projects that are to  
 26 be financed by the tax. The estimated dollar weighted average life of capital projects shall be cal-  
 27 culated under rules of the Department of Revenue that ensure that a local option tax for capital  
 28 projects is levied for no more than 10 years and no more than the useful life of the component of  
 29 the capital projects financed by the tax that has the longest useful life.

30 (4)(a) All local option taxes authorized by ORS 280.040 to 280.145 that are for capital projects  
 31 and that have a term of more than five years shall be submitted to electors separately from local  
 32 option taxes with a term of five years or less.

33 (b) For purposes of this subsection, "capital project" means the acquisition of land upon which  
 34 to construct an improvement, the acquisition of a building, the acquisition or construction of im-

 38 equipment which will become an integral part of a building or an addition to a building, the pur-  
 39 chase of furnishings, equipment or other tangible property with an expected useful life of more than  
 40 one year or a combination of those items.

41 (5) If a ballot measure authorizing a local option tax states that the taxing district may issue  
 42 bonds that are payable from that tax, voter approval of the tax shall constitute voter approval of  
 43 the bonds, except that the approval shall not entitle the taxing district to collect a greater amount  
 44 of tax than the taxing district would have been entitled to collect if the ballot measure only au-  
 45 thorized local option taxes and did not authorize bonds. If the local option tax is approved by voters

1 *[in a manner that qualifies under section 11 (8), Article XI of the Oregon Constitution]*, then the taxing  
 2 body may issue the bonds in a principal amount that, together with the estimated interest to be paid  
 3 on the bonds while the bonds are outstanding, does not exceed the revenues estimated to be received  
 4 from the local option tax levy. A taxing district may pledge the revenues received from the local  
 5 option tax and the taxing district's full faith and credit to pay bonds authorized under this sub-  
 6 section.

40 310.140. The Legislative Assembly finds that section 11b, Article XI of the Oregon Constitution,  
 41 was drafted by citizens and placed before the voters of the State of Oregon by initiative petition.  
 42 Section 11b, Article XI of the Oregon Constitution, uses terms that do not have established legal  
 43 meanings and require definition by the Legislative Assembly. Section 11b, Article XI of the Oregon

 45 intended to interpret the terms of section 11b, Article XI of the Oregon Constitution, as originally

1 adopted and as amended by section 11 (11), Article XI of the Oregon Constitution, consistent with  
2 the intent of the people in adopting these provisions, so that the provisions of section 11b, Article

4 minimal confusion and misunderstanding by citizens and affected units of government. As used in the

45 control over the quantity;

1 (B) The goods or services are provided only on the specific request of the property owner; or

2 (C) The goods or services are provided by the government unit only after the individual property  
3 owner has failed to meet routine obligations of ownership of the affected property, and such action  
4 is deemed necessary by an appropriate government unit to enforce regulations pertaining to health  
5 or safety.

6 (b) For purposes of this subsection, an owner of property may control or avoid an incurred  
7 charge if the owner is capable of taking action to affect the amount of a charge that is or will be

22 (b) For purposes of paragraph (a) of this subsection, the status of a capital construction project
