26 advances are optional or obligatory advances:

27 (a) Principal advances made any time pursuant to the credit agreement, to the extent the total
28 outstanding advances do not exceed the maximum principal amount stated in the line of credit in-
29 strument under subsection (1)(b)(B) of this section;

30 (b) Interest, lawful charges and advances made any time pursuant to the credit agreement for
31 the reasonable protection of the real property including, but not limited to, advances to pay real
32 property taxes, hazard insurance premiums, maintenance charges imposed under a declaration or
33 restrictive covenant and reasonable attorney fees, whether or not [*such*] **the** interest, lawful charges
34 or advances [*shall exceed*] **exceed** the maximum principal amount stated in the line of credit in-
35 strument under subsection (1)(b)(B) of this section; and

36 (c) Advances made any time after the date of recording and pursuant to a credit agreement that
37 is not secured by a residential line of credit instrument to complete construction of previously
38 agreed-upon improvements on the real property, whether or not [*such*] **the** advances exceed the
39 maximum principal amount stated in the line of credit instrument under subsection (1)(b)(B) of this
40 section provided, however, that the front page of the instrument states that the maximum principal
41 amount to be advanced pursuant to the credit agreement may be exceeded by advances to complete
42 construction pursuant to this subsection.

43 (3) Actions that do not affect the priority granted to the advances set forth in subsection (2) of
44 this section shall include, but not be limited to, those actions set forth in ORS 86.095 (1). If any
45 modification to a credit agreement increases the maximum principal amount to be advanced pursu-

1 ant to the credit agreement, then principal advances that are made that exceed the original maxi-
2 mum principal amount stated in the line of credit instrument shall have priority as of the date of
3 recording an amendment to the line of credit instrument that states the increased maximum princi-
4 pal amount.

5 (4) In the case of a residential line of credit instrument, the debtor may limit the indebtedness
6 secured by that line of credit instrument to the amount of the credit outstanding by delivering a
7 notice by personal service upon the lienholder or trust deed beneficiary or by mailing a notice by
8 certified mail, return receipt requested, to the lienholder or trust deed beneficiary at the address
9 given for payment or, if none, to the address of the lienholder or trust deed beneficiary indicated in
10 the line of credit instrument or deed of trust. To be sufficient to limit indebtedness under this sub-
11 section, the notice must:

12 (a) State that it is made under this section;

13 (b) Contain the legal description in the line of credit instrument or the street address of the real
14 property;

15 (c) Provide the information necessary to locate the line of credit instrument in the public record;

16 (d) State the debtor's intention to limit the amount of credit secured by the line of credit in-
17 strument to the amount owed at the time the notice is received;

18 (e) State the date sent; and

19 (f) Be signed and acknowledged by all debtors obligated under the line of credit instrument.

20 (5) Not later than the 20th day after receipt of the notice described in subsection (4) of this
21 section, the lienholder or trust deed beneficiary shall:

22 (a) Indorse on the notice, or on an addendum to the notice, the principal amount of the indebt-
23 edness secured by the line of credit instrument on the date the lienholder or trust deed beneficiary
24 received notice;

25 (b) Sign and acknowledge the notice or the addendum, if applicable; and

26 (c) Record the notice and addendum in the public record where the line of credit instrument
27 was originally recorded.

28 (6) If the lienholder or trust deed beneficiary fails to record the notice and addendum, if appli-
29 cable, within the time period specified in subsection (5) of this section, the debtor may record the
30 notice in the public record where the line of credit instrument was originally recorded, together
31 with proof of receipt by, or personal delivery to, the lienholder or trust deed beneficiary.

32 (7) Notwithstanding subsection (4) of this section, the line of credit instrument shall continue
33 to have priority as of its date of recording as to:

34 (a) Principal advances, including any advance the creditor is required to honor, that were made
35 before a notice under subsection (4) of this section is received;

36 (b) Interest, lawful charges and advances described in subsection (2)(b) and (c) of this section;
37 and

38 (c) All advances made after a notice under subsection (4) of this section is received [*which*] **that**
39 are within the amount owed at the time the notice under subsection (4) of this section is given.

40 **NOTE:** Corrects and updates word choice in (1)(a), (1)(b) lead-in, (1)(b)(C), (2) lead-in, (2)(b), (2)(c)
41 and (7)(c).

42 **SECTION 19.** ORS 87.242 is amended to read:

43 87.242. (1) A person claiming a lien created by ORS 87.216, 87.222 or 87.232 shall file a written
44 notice of claim of lien with the recording officer of the county in which the lien debtor resides, or,
45 if the lien debtor is a business, the county in which the lien debtor has its principal place of busi-

ness, not later than 60 days after the close of the furnishing of the labor, services or materials. A person claiming a lien created by ORS 87.226 shall file a written notice of claim of lien with the Secretary of State not later than 75 days after the close of the furnishing of the labor, services or materials. The Secretary of State shall include a notice of claim of lien that is filed with the secretary under this subsection in the index maintained by the secretary for filing financing statements pursuant to ORS chapter 79.

(2) The notice of claim of lien required under subsection (1) of this section shall be a statement in writing verified by the oath of the lien claimant and must contain:

(a) A true statement of the lien claimant’s demand after deducting all credits and offsets;

(b) The name of the owner of the chattel to be charged with the lien;

(c) A description of the labor, services or materials provided by the lien claimant for the benefit of the owner of the chattel to be charged with the lien;

(d) A description of the chattel to be charged with the lien sufficient for identification;

(e) A statement that the amount claimed is a true and bona fide existing debt as of the date of the filing of notice of claim of lien;

(f) The date on which payment was due to the lien claimant for labor, services or materials;

(g) The terms of extended payment; and

(h) Such other information as the Secretary of State may require for the written notice of claim of lien created by ORS 87.226.

(3) If the person entitled to a lien under ORS 87.216 to 87.232 does not properly file a notice of claim of lien within the time required by subsection (1) of this section, the person waives the right to the lien.

NOTE: Supplies missing comma in (2)(c).

20 **SECTION 21.** ORS 87.705 is amended to read:

21 87.705. (1) An agricultural producer that delivers or transfers agricultural produce for consid-
22 eration to a purchaser has a lien for the contract price of that produce, or for the reasonable value
23 of the produce if there is no contract price. The lien created by this section attaches to all agri-
24 cultural produce, whether in a raw or processed condition, delivered or transferred to the purchaser
25 by any agricultural producer and to all other inventory of the purchaser. The lien also attaches to
26 proceeds received by the purchaser from the sale by the purchaser to a third party of any raw or
27 processed agricultural produce. If the agricultural produce that an agricultural producer delivers to
28 the purchaser consists of meat animals, the lien also attaches to all accounts receivable by the
29 purchaser from the sale of any agricultural produce to a third party. The lien on the agricultural
30 produce, inventory, proceeds or accounts receivable attaches on the date physical possession of the
31 agricultural produce is delivered or transferred by the agricultural producer to the purchaser or an
32 agent of the purchaser.

33 (2) An agricultural producer that claims a lien under subsection (1) of this section need not file
34 any notice in order to perfect the lien. The agricultural producer must file a notice of lien as pro-
35 vided in ORS 87.710 to extend the lien beyond the normal expiration date.

36 (3) The lien created by this section is subject to the provisions of ORS [79.3070 (1)] **79.0320 (1)**.

37 (4) An agreement by an agricultural producer purporting to waive the right to file notice under
38 ORS 87.710 of a lien created by this section is void as contrary to public policy.

39 **NOTE:** Replaces reference to repealed statute in (3) with comparable active statute.

40 **SECTION 22.** ORS 87.930 is amended to read:

41 87.930. If the Secretary of State receives notice of a lien created under ORS 87.226, 87.705 or
42 87.755, the Secretary of State, upon request, shall furnish the person who filed the lien with a list
43 of persons who have filed a financing statement under ORS [79.4010] **79.0501** that perfects a security
44 interest in the inventory, proceeds or accounts receivable of the lien debtor or purchaser. The list
45 must include:

1 (1) The name and address of the secured party for each statement or notice;

2 (2) The filing number and date of filing for the financing statement in the index maintained by
3 the Secretary of State; and

4 (3) Other information that the Secretary of State considers necessary or proper.

5 **NOTE:** Replaces reference to repealed statute in lead-in with comparable active statute.

6 **SECTION 23.** ORS 90.396 is amended to read:

7 90.396. (1) Except as provided in subsection (2) of this section, after at least 24 hours' written
8 notice specifying the acts and omissions constituting the cause and specifying the date and time of
9 the termination, the landlord may terminate the rental agreement and take possession as provided
10 in ORS 105.105 to 105.168, if:

11 (a) The tenant, someone in the tenant's control or the tenant's pet seriously threatens to inflict
12 substantial personal injury, or inflicts any substantial personal injury, upon a person on the prem-
13 ises other than the tenant;

14 (b) The tenant or someone in the tenant's control recklessly endangers a person on the premises
15 other than the tenant by creating a serious risk of substantial personal injury;

16 (c) The tenant, someone in the tenant's control or the tenant's pet inflicts any substantial per-
17 sonal injury upon a neighbor living in the immediate vicinity of the premises;

18 (d) The tenant or someone in the tenant's control intentionally inflicts any substantial damage
19 to the premises or the tenant's pet inflicts substantial damage to the premises on more than one
20 occasion;

21 (e)(A) The tenant intentionally provided substantial false information on the application for the
22 tenancy within the past year;

23 (B) The false information was with regard to a criminal conviction of the tenant that would have
24 been material to the landlord's acceptance of the application; and

25 (C) The landlord terminates the rental agreement within 30 days after discovering the falsity
26 of the information; or

27 (f) The tenant, someone in the tenant's control or the tenant's pet commits any act that is out-
28 rageous in the extreme, on the premises or in the immediate vicinity of the premises. For purposes
29 of this paragraph, an act is outrageous in the extreme if the act is not described in paragraphs (a)
30 to (e) of this subsection, but is similar in degree and is one that a reasonable person in that com-
31 munity would consider to be so offensive as to warrant termination of the tenancy within 24 hours,
32 considering the seriousness of the act or the risk to others. An act that is outrageous in the extreme
33 is more extreme or serious than an act that warrants a 30-day termination under ORS 90.392. Acts
34 that are "outrageous in the extreme" include, but are not limited to, the following acts by a person:

35 (A) Prostitution or promotion of prostitution, as described in ORS 167.007 and 167.012;

36 (B) Manufacture, delivery or possession of a controlled substance, as described in ORS 475.005,
37 but not including:

38 (i) The medical use of marijuana in compliance with ORS 475.300 to 475.346;

39 (ii) Possession of, or delivery for no consideration of, less than one avoirdupois ounce of
40 marijuana as described in ORS [475.840 (2)(b) or (4)(f)] **475.860 (3) or 475.864 (3)**; or

41 (iii) Possession of prescription drugs;

42 (C) Intimidation, as described in ORS 166.155 and 166.165; or

43 (D) Burglary as described in ORS 164.215 and 164.225.

44 (2) If the cause for a termination notice given pursuant to subsection (1) of this section is based
45 upon the acts of the tenant's pet, the tenant may cure the cause and avoid termination of the

1 tenancy by removing the pet from the premises prior to the end of the notice period. The notice
2 must describe the right of the tenant to cure the cause. If the tenant returns the pet to the premises
3 at any time after having cured the violation, the landlord, after at least 24 hours' written notice
4 specifying the subsequent presence of the offending pet, may terminate the rental agreement and
5 take possession as provided in ORS 105.105 to 105.168. The tenant does not have a right to cure this
6 subsequent violation.

7 (3) For purposes of subsection (1) of this section, someone is in the tenant's control if that per-
8 son enters or remains on the premises with the tenant's permission or consent after the tenant
9 reasonably knows or should know of that person's act or likelihood to commit any act of the type
10 described in subsection (1) of this section.

11 (4) An act can be proven to be outrageous in the extreme even if the act is one that does not
12 violate a criminal statute. Notwithstanding the references to criminal statutes in subsection (1)(f)
13 of this section, the landlord's burden of proof in an action for possession under subsection (1) of this
14 section is the civil standard of proof by a preponderance of the evidence.

15 (5) If a good faith effort by a landlord to terminate the tenancy under subsection (1)(f) of this
16 section and to recover possession of the rental unit under ORS 105.105 to 105.168 fails by decision
17 of the court, the landlord may not be found in violation of any state statute or local ordinance re-
18 quiring the landlord to remove that tenant upon threat of fine, abatement or forfeiture as long as
19 the landlord continues to make a good faith effort to terminate the tenancy.

20 **NOTE:** Replaces references to deleted subsections in (1)(f)(B)(ii) with comparable active law.

21 **SECTION 24.** ORS 90.532 is amended to read:

22 90.532. (1) Subject to the policies of the utility or service provider, a landlord may provide for
23 utilities or services to tenants by one or more of the following billing methods:

24 (a) A relationship between the tenant and the utility or service provider in which:

25 (A) The provider provides the utility or service directly to the tenant's space, including any
26 utility or service line, and bills the tenant directly; and

27 (B) The landlord does not act as a provider.

28 (b) A relationship between the landlord, tenant and utility or service provider in which:

29 (A) The provider provides the utility or service to the landlord;

30 (B) The landlord provides the utility or service directly to the tenant's space or to a common
31 area available to the tenant as part of the tenancy; and

32 (C) The landlord includes the cost of the utility or service in the tenant's rent or bills the tenant
33 for a utility or service charge separately from the rent in an amount determined by apportioning the
34 provider's charge to the landlord as measured by a master meter.

35 (c) A relationship between the landlord, tenant and utility or service provider in which:

36 (A) The provider provides the utility or service to the landlord;

37 (B) The landlord provides the utility or service directly to the tenant's space; and

38 (C) The landlord uses a submeter to measure the utility or service actually provided to the space
39 and bills the tenant for a utility or service charge for the amount provided.

40 (2) To assess a tenant for a utility or service charge for any billing period, the landlord shall
41 give the tenant a written notice stating the amount of the utility or service charge that the tenant
42 is to pay the landlord[,] and the due date for making the payment. The due date may not be less than
43 14 days from the date of service of the notice.

44 (3) A utility or service charge is not rent or a fee. Nonpayment of a utility or service charge
45 is not grounds for termination of a rental agreement for nonpayment of rent under ORS [90.400]

1 **90.394**, but is grounds for termination of a rental agreement for cause under ORS 90.630.

2 (4) The landlord is responsible for maintaining the utility or service system, including any sub-
3 meter, consistent with ORS 90.730. After any installation or maintenance of the system on a tenant's
4 space, the landlord shall restore the space to a condition that is the same as or better than the
5 condition of the space before the installation or maintenance.

6 (5) A landlord may not assess a utility or service charge for water unless the water is provided
7 to the landlord by a:

8 (a) Public utility as defined in ORS 757.005;

9 (b) Municipal utility operating under ORS chapter 225;

10 (c) People's utility district organized under ORS chapter 261;

11 (d) Cooperative organized under ORS chapter 62;

12 (e) Domestic water supply district organized under ORS chapter 264; or

13 (f) Water improvement district organized under ORS chapter 552.

14 (6) A landlord who provides utilities or services only to tenants of the landlord in compliance
15 with this section and ORS 90.534 and 90.536 is not a public utility for purposes of ORS chapter 757.

16 **NOTE:** Strikes errant comma in (2); replaces reference to repealed statute in (3) with compa-
17 rable active statute.

18 **SECTION 25.** ORS 92.405 is amended to read:

19 92.405. (1) Unless the making of a public report has been waived, a person may not sell or lease
20 a lot, parcel or interest in a subdivision or series partition prior to the issuance of the report.

21 (2) A copy of the public report, when issued, must be given to the prospective purchaser by the
22 subdivider, series partitioner or developer, or *[their agents]* **an agent of the subdivider, series**
23 **partitioner or developer**, prior to the execution of a binding contract or agreement for the sale
24 or lease of a lot, parcel[,] or interest in a subdivision or series partition. The subdivider, series
25 partitioner or developer, or *[their agents]* **an agent of the subdivider, series partitioner or de-**
26 **veloper**, shall take a receipt from the prospective purchaser or lessee upon delivery of a copy of the
27 Real Estate Commissioner's public report[, *and*]. The receipt must be kept on file within this state
28 in the possession of the subdivider, series partitioner or developer subject to inspection by the
29 commissioner for a period of three years from the date the receipt is taken.

30 (3) The commissioner's public report may not be used for advertising purposes unless the report
31 is used in its entirety. No portion of the report shall be underscored, italicized or printed in larger
32 or heavier type than the balance of the report unless the true copy of the report so emphasizes such
33 portion.

34 (4) The commissioner may furnish at cost copies of the public report for the use of subdividers,
35 series partitioners and developers.

36 (5) The requirements of this section extend to lots, parcels or other interests sold by the subdi-
37 vider, series partitioner or developer after repossession.

38 (6) In addition to other sanctions provided by law, a violation of subsection (1), (2) or (3) of this
39 section is an unlawful practice subject to ORS 646.608.

40 **NOTE:** Corrects grammar, strikes serial comma and truncates lengthy sentence in (2).

41 **SECTION 26.** ORS 94.585 is amended to read:

42 94.585. A declarant may amend the declaration or initial bylaws in order to comply with re-
43 quirements of the Federal Housing Administration, the United States Department of Veterans Af-
44 fairs, *[the Farmer's Home Administration of the United States]* **Rural Development or the Farm**
45 **Service Agency of the United States Department of Agriculture**, the Federal National Mortgage

1 Association, the Government National Mortgage Association, the Federal Home **Loan** Mortgage
 2 [*Loan*] Corporation, any department, bureau, board, commission or agency of the United States or
 3 the State of Oregon or any corporation wholly owned, directly or indirectly, by the United States
 4 or the State of Oregon [*which*] **that** insures, guarantees or provides financing for a planned com-
 5 munity or lots in a planned community. However, if the need to amend the declaration or the initial
 6 bylaws occurs after the turnover to the homeowners association has occurred, the amendment must
 7 be approved by the association in accordance with the approval provisions of the declaration or
 8 bylaws.

9 **NOTE:** Corrects names of federal agencies and word choice.

10 **SECTION 27.** ORS 107.105 is amended to read:

11 107.105. (1) Whenever the court renders a judgment of marital annulment, dissolution or sepa-
 12 ration, the court may provide in the judgment:

13 (a) For the future care and custody, by one party or jointly, of all minor children of the parties
 14 born, adopted or conceived during the marriage[,] and for minor children born to the parties prior
 15 to the marriage, as the court may deem just and proper under ORS 107.137. The court may hold a
 16 hearing to decide the custody issue prior to any other issues. When appropriate, the court shall
 17 recognize the value of close contact with both parents and encourage joint parental custody and
 18 joint responsibility for the welfare of the children.

19 (b) For parenting time rights of the parent not having custody of such children[,] and for
 20 visitation rights pursuant to a petition filed under ORS 109.119. When a parenting plan has been
 21 developed as required by ORS 107.102, the court shall review the parenting plan and, if approved,
 22 incorporate the parenting plan into the court's final order. When incorporated into a final order, the
 23 parenting plan is determinative of parenting time rights. If the parents have been unable to develop
 24 a parenting plan or if either of the parents requests the court to develop a detailed parenting plan,
 25 the court shall develop the parenting plan in the best interest of the child, ensuring the noncustodial
 26 parent sufficient access to the child to provide for appropriate quality parenting time and
 27 [*assuring*] **ensuring** the safety of the parties, if implicated. The court may deny parenting time to
 28 the noncustodial parent under this subsection only if the court finds that parenting time would en-
 29 danger the health or safety of the child. The court shall recognize the value of close contact with
 30 both parents and encourage, when practicable, joint responsibility for the welfare of such children
 31 and extensive contact between the minor children of the divided marriage and the parties. If the
 32 court awards parenting time to a noncustodial parent who has committed abuse, the court shall
 33 make adequate provision for the safety of the child and the other parent in accordance with the
 34 provisions of ORS 107.718 (6).

35 (c) For the support of the children of the marriage by the parties. In ordering child support, the
 36 formula established [*by ORS 25.270 to 25.287*] **under ORS 25.275** shall apply. The court may at any
 37 time require an accounting from the custodial parent with reference to the use of the money re-
 38 ceived as child support. The court is not required to order support for any minor child who has
 39 become self-supporting, emancipated or married[,] or who has ceased to attend school after becoming
 40 18 years of age.

41 (d) For spousal support, an amount of money for a period of time as may be just and equitable
 42 for one party to contribute to the other, in gross or in installments or both. The court may approve
 43 an agreement for the entry of an order for the support of a party. In making the spousal support
 44 order, the court shall designate one or more categories of spousal support and shall make findings
 45 of the relevant factors in the decision. The court may order:

1 (A) Transitional spousal support as needed for a party to attain education and training neces-
2 sary to allow the party to prepare for reentry into the job market or for advancement therein. The
3 factors to be considered by the court in awarding transitional spousal support include but are not
4 limited to:

- 5 (i) The duration of the marriage;
- 6 (ii) A party's training and employment skills;
- 7 (iii) A party's work experience;
- 8 (iv) The financial needs and resources of each party;
- 9 (v) The tax consequences to each party;
- 10 (vi) A party's custodial and child support responsibilities; and
- 11 (vii) Any other factors the court deems just and equitable.

12 (B) Compensatory spousal support when there has been a significant financial or other contri-
13 bution by one party to the education, training, vocational skills, career or earning capacity of the
14 other party and when an order for compensatory spousal support is otherwise just and equitable in
15 all of the circumstances. The factors to be considered by the court in awarding compensatory
16 spousal support include but are not limited to:

- 17 (i) The amount, duration and nature of the contribution;
- 18 (ii) The duration of the marriage;
- 19 (iii) The relative earning capacity of the parties;
- 20 (iv) The extent to which the marital estate has already benefited from the contribution;
- 21 (v) The tax consequences to each party; and
- 22 (vi) Any other factors the court deems just and equitable.

23 (C) Spousal maintenance as a contribution by one spouse to the support of the other for either
24 a specified or an indefinite period. The factors to be considered by the court in awarding spousal
25 maintenance include but are not limited to:

- 26 (i) The duration of the marriage;
- 27 (ii) The age of the parties;
- 28 (iii) The health of the parties, including their physical, mental and emotional condition;
- 29 (iv) The standard of living established during the marriage;
- 30 (v) The relative income and earning capacity of the parties, recognizing that the wage earner's
31 continuing income may be a basis for support distinct from the income that the supported spouse
32 may receive from the distribution of marital property;
- 33 (vi) A party's training and employment skills;
- 34 (vii) A party's work experience;
- 35 (viii) The financial needs and resources of each party;
- 36 (ix) The tax consequences to each party;
- 37 (x) A party's custodial and child support responsibilities; and
- 38 (xi) Any other factors the court deems just and equitable.

39 (e) For the delivery to one party of such party's personal property in the possession or control
40 of the other at the time of the giving of the judgment.

41 (f) For the division or other disposition between the parties of the real or personal property, or
42 both, of either or both of the parties as may be just and proper in all the circumstances. A retire-
43 ment plan or pension or an interest therein shall be considered as property. The court shall consider
44 the contribution of a spouse as a homemaker as a contribution to the acquisition of marital assets.
45 There is a rebuttable presumption that both spouses have contributed equally to the acquisition of

1 property during the marriage, whether such property is jointly or separately held. Subsequent to the
2 filing of a petition for annulment or dissolution of marriage or separation, the rights of the parties
3 in the marital assets shall be considered a species of coownership, and a transfer of marital assets
4 under a judgment of annulment or dissolution of marriage or of separation entered on or after Oc-
5 tober 4, 1977, shall be considered a partitioning of jointly owned property. The court shall require
6 full disclosure of all assets by the parties in arriving at a just property division. In arriving at a
7 just and proper division of property, the court shall consider reasonable costs of sale of assets, taxes
8 and any other costs reasonably anticipated by the parties. If a spouse has been awarded spousal
9 support in lieu of a share of property, the court shall so state on the record[,] and shall order the
10 obligor to provide for and maintain life insurance in an amount commensurate with the obligation
11 and designating the obligee as beneficiary for the duration of the obligation. If the obligor dies prior
12 to the termination of such support and such insurance is not in force, the court may modify the
13 method of payment of spousal support under the judgment or order of support from installments to
14 a lump sum payment to the obligee from the estate of the obligor in an amount commensurate with
15 the present value of the spousal support at the time of death. The obligee or attorney of the obligee
16 shall cause a certified copy of the judgment to be delivered to the life insurance company or com-
17 panies. If the obligee or the attorney of the obligee delivers a true copy of the judgment to the life
18 insurance company or companies, identifying the policies involved and requesting such notification
19 under this section, the company or companies shall notify the obligee, as beneficiary of the insur-
20 ance policy, whenever the policyholder takes any action that will change the beneficiary or reduce
21 the benefits of the policy. Either party may request notification by the insurer when premium pay-
22 ments have not been made. If the obligor is ordered to provide for and maintain life insurance, the
23 obligor shall provide to the obligee a true copy of the policy. The obligor shall also provide to the
24 obligee written notice of any action that will reduce the benefits or change the designation of the
25 beneficiaries under the policy.

26 (g) For the creation of trusts as follows:

27 (A) For the appointment of one or more trustees to hold, control and manage for the benefit of
28 the children of the parties, of the marriage or otherwise[,] such of the real or personal property of
29 either or both of the parties, as the court may order to be allocated or appropriated to their support
30 and welfare, [:] and to collect, receive, expend, manage or invest any sum of money awarded for the
31 support and welfare of minor children of the parties.

32 (B) For the appointment of one or more trustees to hold, manage and control such amount of
33 money or such real or personal property of either or both of the parties, as may be set aside, allo-
34 cated or appropriated for the support of a party.

35 (C) For the establishment of the terms of the trust and provisions for the disposition or distrib-
36 ution of such money or property to or between the parties, their successors, heirs and assigns after
37 the purpose of the trust has been accomplished. Upon petition of a party or a person having an in-
38 terest in the trust showing a change of circumstances warranting a change in the terms of the trust,
39 the court may make and direct reasonable modifications in its terms.

40 (h) To change the name of either spouse to a name the spouse held before the marriage. The
41 court shall order a change if it is requested by the affected party.

42 (i) For a money award for any sums of money found to be then remaining unpaid upon any order
43 or limited judgment entered under ORS 107.095. If a limited judgment was entered under ORS
44 107.095, the limited judgment shall continue to be enforceable for any amounts not paid under the
45 limited judgment unless those amounts are included in the money award made by the general judg-

1 ment.

2 (j) For an award of reasonable attorney fees and costs and expenses reasonably incurred in the
3 action in favor of a party or in favor of a party's attorney.

4 (2) In determining the proper amount of support and the proper division of property under sub-
5 section (1)(c), (d) and (f) of this section, the court may consider evidence of the tax consequences
6 on the parties of its proposed judgment.

7 (3) Upon the filing of the judgment, the property division ordered shall be deemed effective for
8 all purposes. This transfer by judgment, which shall [*effect*] **affect** solely owned property transferred
9 to the other spouse as well as commonly owned property in the same manner as would a declaration
10 of a resulting trust in favor of the spouse to whom the property is awarded, [*shall not be deemed*]
11 **is not** a taxable sale or exchange.

12 (4) If an appeal is taken from a judgment of annulment or dissolution of marriage or of sepa-
13 ration or from any part of a judgment rendered in pursuance of the provisions of ORS 107.005 to
14 107.086, 107.095, 107.105, 107.115 to 107.174, 107.405, 107.425, 107.445 to 107.520, 107.540 and 107.610,
15 the court rendering the judgment may provide in a supplemental judgment for any relief provided
16 for in ORS 107.095 and shall provide that the relief granted in the judgment is to be in effect only
17 during the pendency of the appeal. A supplemental judgment under this subsection may be enforced
18 as provided in ORS 33.015 to 33.155 and ORS chapter 18. A supplemental judgment under this sub-
19 section may be appealed in the same manner as provided for supplemental judgments modifying a
20 domestic relations judgment under ORS 19.275.

21 (5) If an appeal is taken from the judgment or other appealable order in a suit for annulment
22 or dissolution of a marriage or for separation[,] and the appellate court awards costs and disburse-
23 ments to a party, [*it*] **the court** may also award to that party, as part of the costs, such additional
24 sum of money as it may adjudge reasonable as an attorney fee on the appeal.

25 (6) If, as a result of a suit for the annulment or dissolution of a marriage or for separation, the
26 parties to such suit become owners of an undivided interest in any real or personal property, or
27 both, either party may maintain supplemental proceedings by filing a petition in such suit for the
28 partition of such real or personal property, or both, within two years from the entry of the judgment,
29 showing among other things that the original parties to the judgment and their joint or several
30 creditors having a lien upon any such real or personal property, if any there be, constitute the sole
31 and only necessary parties to such supplemental proceedings. The procedure in the supplemental
32 proceedings, so far as applicable, shall be the procedure provided in ORS 105.405[,] for the partition
33 of real property, and the court granting the judgment shall have in the first instance and retain
34 jurisdiction in equity therefor.

40 under ORS 109.125 to 109.230 and 416.400 to 416.465, in which paternity is a relevant fact, the court
41 or administrator, as defined in ORS 25.010, upon [*his or her*] **the court's or administrator's** own
42 initiative or upon suggestion made by or on behalf of any person whose blood is involved may, or
43 upon motion of any party to the action made at a time so as not to delay the proceedings unduly[,]
44 shall, order the mother, child, alleged father and any other named respondent who may be the father
45 to submit to blood tests. If any person refuses to submit to such tests, the court or administrator

 5 In any such proceedings the director may seek and the court may award a sum of money sufficient
 6 to compensate the public for any destruction or infringement of any public right of navigation,
 7 fishery or recreation resulting from [*such*] **the** violation. Proceedings thus brought by the director
 8 shall set forth if applicable the dates of notice and hearing and the specific rule or order of the di-

 11 from [*such*] **the** violation.

12 (2)(a) In addition to the administrative action the director may take under subsection (1) of this
 13 section, the director may enter an order requiring any person to cease and desist from any violation
 14 if the director determines that [*such*] **the** violation presents an imminent and substantial risk of in-

 24 the director shall hold a contested case hearing according to the applicable provisions of ORS
 25 chapter 183. If the person fails to request a hearing, the order shall be entered as a final order upon
 26 prima facie case made on the record of the agency.

 31 this subsection and shall require no further authority or warrant in executing or enforcing [*such*]
 32 **the** order. If any person fails to comply with an order issued under this subsection, the circuit court
 33 of the county in which the violation occurred or is threatened shall compel compliance with the
 34 director's order in the same manner as with an order of that court.

35 (3) As used in this section, "violation" means removing material from or placing fill in[,] any of
 36 the waters of this state without a permit or in a manner contrary to the conditions set out in a
 37 permit issued under ORS 196.825.

38 **NOTE:** Standardizes terminology in (1) lead-in to correspond with definition in 196.800; updates
 39 word and punctuation choice in (1)(b) and (f), (2)(a), (b)(D) and (e) and (3); restructures (2) to conform
 40 to legislative style.

41 **SECTION 67.** ORS 197.646 is amended to read:

42 197.646. (1) A local government shall amend its acknowledged comprehensive plan, regional
 43 framework plan and land use regulations implementing either plan by a self-initiated post-
 44 acknowledgment process under ORS 197.610 to 197.625 to comply with:

45 (a) A new statutory requirement; or

1 (b) A new land use planning goal or rule requirement adopted by the Land Conservation and
2 Development Commission.

3 (2) Periodic review is not the implementation process for new statutory, land use planning goal
4 or rule requirements.

5 (3)(a) The Department of Land Conservation and Development shall notify local governments
6 when a new statutory requirement or a new land use planning goal or rule requirement adopted by
7 the commission requires changes to an acknowledged comprehensive plan, a regional framework
8 plan and land use regulations implementing either plan.

9 (b) The commission shall establish, by rule, the time period within which an acknowledged
10 comprehensive plan, a regional framework plan and land use regulations implementing either plan
11 must be in compliance with:

12 (A) A new statutory requirement, if the legislation does not specify a time period for compliance;
13 and

14 (B) A new land use planning goal or rule requirement adopted by the commission.

15 (4) When a local government does not adopt amendments to a comprehensive plan, a regional
16 framework plan and land use regulations implementing either plan as required by subsection (1) of
17 this section, the new statutory, land use planning goal or rule requirements apply directly to the
18 local government's land use decisions. The failure to adopt amendments to a comprehensive plan, a
19 regional framework plan and land use regulations implementing either plan required by subsection
20 (1) of this section is a basis for initiation of enforcement action pursuant to ORS 197.319 to 197.335.

21 **NOTE:** Supplies missing articles in (3) and (4).

22 **SECTION 68.** ORS 197.732 is amended to read:

23 197.732. (1) **As used in this section:**

24 (a) **"Compatible" is not intended as an absolute term meaning no interference or adverse**
25 **impacts of any type with adjacent uses.**

26 (b) **"Exception" means a comprehensive plan provision, including an amendment to an**
27 **acknowledged comprehensive plan, that:**

28 (A) **Is applicable to specific properties or situations and does not establish a planning or**
29 **zoning policy of general applicability;**

30 (B) **Does not comply with some or all goal requirements applicable to the subject prop-**
31 **erties or situations; and**

32 (C) **Complies with standards under subsection (2) of this section.**

33 [(1)] (2) A local government may adopt an exception to a goal if:

34 (a) The land subject to the exception is physically developed to the extent that it is no longer
35 available for uses allowed by the applicable goal;

36 (b) The land subject to the exception is irrevocably committed as described by Land Conserva-
37 tion and Development Commission rule to uses not allowed by the applicable goal because existing
38 adjacent uses and other relevant factors make uses allowed by the applicable goal impracticable;

39 or

40 (c) The following standards are met:

41 (A) Reasons justify why the state policy embodied in the applicable goals should not apply;

42 (B) Areas [which] **that** do not require a new exception cannot reasonably accommodate the use;

43 (C) The long term environmental, economic, social and energy consequences resulting from the
44 use at the proposed site with measures designed to reduce adverse impacts are not significantly
45 more adverse than would typically result from the same proposal being located in areas requiring

1 a goal exception other than the proposed site; and

2 (D) The proposed uses are compatible with other adjacent uses or will be so rendered through
3 measures designed to reduce adverse impacts.

4 [(2) “Compatible,” as used in subsection (1)(c) of this section, is not intended as an absolute term
5 meaning no interference or adverse impacts of any type with adjacent uses.]

6 (3) The commission shall adopt rules establishing:

7 (a) That an exception may be adopted to allow a use authorized by a statewide planning goal
8 that cannot comply with the approval standards for that type of use;

9 (b) Under what circumstances particular reasons may or may not be used to justify an exception
10 under subsection [(1)(c)(A)] **(2)(c)(A)** of this section; and

11 (c) Which uses allowed by the applicable goal must be found impracticable under subsection
12 [(1)] **(2)** of this section.

13 (4) A local government approving or denying a proposed exception shall set forth findings of fact
14 and a statement of reasons [which] **that** demonstrate that the standards of subsection [(1)] **(2)** of this
15 section have or have not been met.

16 (5) Each notice of a public hearing on a proposed exception shall specifically note that a goal
17 exception is proposed and shall summarize the issues in an understandable manner.

18 (6) Upon review of a decision approving or denying an exception:

19 (a) The [board] **Land Use Board of Appeals** or the commission shall be bound by any finding
20 of fact for which there is substantial evidence in the record of the local government proceedings
21 resulting in approval or denial of the exception;

22 (b) The board upon petition, or the commission, shall determine whether the local government’s
23 findings and reasons demonstrate that the standards of subsection [(1)] **(2)** of this section have or
24 have not been met; and

25 (c) The board or commission shall adopt a clear statement of reasons [which] **that** sets forth the
26 basis for the determination that the standards of subsection [(1)] **(2)** of this section have or have not
27 been met.

28 (7) The commission shall by rule establish the standards required to justify an exception to the
29 definition of “needed housing” authorized by ORS 197.303 (3).

30 [(8) As used in this section, “exception” means a comprehensive plan provision, including an
31 amendment to an acknowledged comprehensive plan, that:]

32 [(a) Is applicable to specific properties or situations and does not establish a planning or zoning
33 policy of general applicability;]

34 [(b) Does not comply with some or all goal requirements applicable to the subject properties or
35 situations; and]

36 [(c) Complies with standards under subsection (1) of this section.]

37 [(9)] **(8)** An exception acknowledged under ORS 197.251, 197.625 or 197.630 (1) (1981 Replacement
38 Part) on or before August 9, 1983, continues to be valid and is not [be] subject to this section.

39 **NOTE:** Moves definitions to conform with legislative style; adjusts internal references to reflect
40 restructuring; corrects word choice in (2)(c)(B), (4) and (6)(c); sets forth official title in (6)(a); cor-
41 rects syntax in (8).

42 **SECTION 69.** ORS 198.360 is amended to read:

43 198.360. (1) After the hearing, if the county board finds that the district is in fact operating as
44 an active district, or that there is need for the district, the board shall continue the hearing until
45 the reports required under ORS 294.555 and 297.405 to 297.555 are properly filed. When the county

1 board finds that the reports have been filed, it may:

2 (a) Enter an order terminating all further proceedings under ORS 198.345 to 198.365; or

3 (b) If the functions of the district could be performed by a county service district, [it may] con-
4 tinue the hearing and initiate proceedings to incorporate or annex the area within the district in a
5 county service district organized under ORS 451.410 to 451.610.

6 (2) If the county board proceeds as provided by subsection (1)(b) of this section and the district
7 is terminated as provided by ORS 451.577, the county board shall thereafter enter an order termi-
8 nating all further proceedings under ORS 198.345 to 198.365.

9 **NOTE:** Corrects read-in problem in (1)(b).

10 **SECTION 70.** ORS 209.200 is amended to read:

12 surveyor or a registered professional land surveyor shall observe the following rules:

13 (1) Section and quarter-section corners, and all other corners established and approved by the
14 General Land Office or its successors, must stand as the legal and permanent corners.

15 (2) [They] **A legal and permanent corner** must be reestablished at the identical spot where the
16 original corner was located by the government survey, when [this] **the identical spot** can be de-
17 termined.

18 (3) When [this cannot be done, then such corners] **the identical spot cannot be determined, the**

35 operator does or will require the assistance of the relative in the management of the farm use and
36 the dwelling is located on the same lot or parcel as the dwelling of the farm operator.
37 Notwithstanding ORS 92.010 to 92.190 or the minimum lot or parcel size requirements under ORS
38 215.780, if the owner of a dwelling described in this paragraph obtains construction financing or
39 other financing secured by the dwelling and the secured party forecloses on the dwelling, the se-

7 (i) Operations for the exploration for minerals as defined by ORS 517.750. Any activities or

29 jection is received, the governing body shall set the matter for hearing in the manner prescribed in

1 238A.400. (1) Upon retirement on or after the earliest retirement date, as described in ORS
 2 238A.165, a member of the individual account program shall receive in a lump sum the amounts in
 3 the member's employee account, rollover account and employer account to the extent the member
 4 is vested in those accounts under ORS 238A.320.

5 (2) In lieu of a lump sum payment under subsection (1) of this section, a member of the individ-
 6 ual account program may elect to receive the amounts in the member's employee account and em-

 8 substantially equal installments paid over a period of 5, 10, 15 or 20 years. Installments may be made

 17 the minimum monthly amounts specified by the rule.

18 (3) A member of the individual account program electing to receive installments under sub-
 19 section (2) of this section must designate a beneficiary or beneficiaries. In the event the member dies

 22 may elect to receive a lump sum distribution of the remaining amounts.

23 (4) A member who is entitled to receive retirement benefits under ORS chapter 238 may receive
 24 vested amounts in the member's employee account, rollover account and employer account in the
 25 manner provided by this section when the member retires for service under the provisions of ORS
 26 chapter 238.

27 (5) Notwithstanding any other provision of ORS 238A.300 to 238A.415, the entire interest of a
 28 member of the individual account program must be distributed over a time period commencing no
 29 later than the latest retirement date set forth in ORS 238A.170, and must be distributed in a manner
 30 that satisfies all other minimum distribution requirements of 26 U.S.C. 401(a)(9) and regulations im-
 31 plementing that section, as in effect on August 29, 2003. The board shall adopt rules implementing
 32 those minimum distribution requirements.

 44 thereof, or by contracts for investments in mutual funds.

45 (2) The State Board of Higher Education shall select at least two life insurance companies pro-

1 viding fixed and variable annuities and at least two investment companies providing mutual funds,
 2 but not more than five companies in total, for the purpose of providing benefits under the Optional
 3 Retirement Plan. The State Board of Higher Education shall establish selection criteria for the
 4 purpose of this subsection.

5 (3) An administrative or academic employee may make an irrevocable election to participate in
 6 the Optional Retirement Plan within six months after being employed. An election under this sub-
 7 section is effective on the first day of the month following six full months of employment.

8 (4) An administrative or academic employee who does not elect to participate in the Optional
 9 Retirement Plan:

10 (a) Remains or becomes a member of the Public Employees Retirement System in accordance
 11 with ORS chapters 238 and 238A; or

12 (b) Continues to be assisted by the State Board of Higher Education under ORS 243.920 if the
 13 employee is being so assisted.

14 (5) Except as provided in subsection (6) of this section, employees who elect to participate in the
 15 Optional Retirement Plan are ineligible for active membership in the Public Employees Retirement
 16 System or for any assistance by the State Board of Higher Education under ORS 243.920 as long as
 17 those employees are employed in the Oregon University System and the plan is in effect.

18 (6)(a) An administrative or academic employee who elects to participate in the Optional Retire-
 19 ment Plan, who has creditable service under ORS chapter 238 as defined by ORS 238.005 and who

 27 vested shall be considered to be an inactive member by the Public Employees Retirement Board and
 28 shall retain all the rights, privileges and options under ORS chapter 238 unless the employee makes
 29 a written request to the Public Employees Retirement Board for a transfer of the amounts credited
 30 to the member account of the member to the Optional Retirement Plan. A request for a transfer
 31 must be made at the time the member elects to participate in the Optional Retirement Plan. Upon
 32 receiving the request, the Public Employees Retirement Board shall transfer all amounts credited
 33 to the member account of the member directly to the Optional Retirement Plan, and shall terminate
 34 all rights, privileges and options of the employee under ORS chapter 238.

35 (c) An administrative or academic employee who elects to participate in the Optional Retirement
 36 Plan, and who is not a vested member of the pension program of the Oregon Public Service Retire-

 44 the effective date of the election. An employee who is subject to the provisions of this paragraph
 45 retains all the rights, privileges and options of an inactive member of the pension program. If the

1 actuarial equivalent of the employee's benefit under the pension program at the time that the
 2 election becomes effective is \$5,000 or less, the employee may make a written request to the Public
 3 Employees Retirement Board for a transfer of the employee's interest under the pension program to
 4 the Optional Retirement Plan. The request must be made at the time the member elects to partic-
 5 ipate in the Optional Retirement Plan. Upon receiving the request, the Public Employees Retirement
 6 Board shall transfer the amount determined to be the actuarial equivalent of the employee's benefit
 7 under the pension program directly to the Optional Retirement Plan, and shall terminate the mem-
 8 bership of the employee in the pension program.

9 (e) An administrative or academic employee who elects to participate in the Optional Retirement
 10 Plan, and who is a vested member of the individual account program of the Oregon Public Service
 11 Retirement Plan as described in ORS 238A.320 on the date that the election becomes effective, shall
 12 be considered an inactive member of the individual account program by the Public Employees Re-
 13 tirement Board as of the effective date of the election. An employee who is subject to the provisions
 14 of this paragraph retains all the rights, privileges and options of an inactive member of the indi-
 15 vidual account program. An administrative or academic employee who elects to participate in the
 16 Optional Retirement Plan, and who is a member of the individual account program of the Oregon
 17 Public Service Retirement Plan, may make a written request to the Public Employees Retirement
 18 Board that all amounts in the member's employee account, rollover account and employer account,
 19 to the extent the member is vested in those accounts under ORS 238A.320, be transferred to the

 21 in the Optional Retirement Plan. Upon receiving the request, the Public Employees Retirement
 22 Board shall transfer the amounts directly to the Optional Retirement Plan, and shall terminate the
 23 membership of the employee in the individual account program upon making the transfer.

24 (f) Notwithstanding paragraphs (b), (d) and (e) of this subsection, the Public Employees Retire-
 25 ment Board *[shall]* **may** not treat any employee as an inactive member under the provisions of this
 26 subsection for the purpose of receiving any benefit under ORS chapter 238 or 238A that requires
 27 that the employee be separated from all service with participating public employers and with em-
 28 ployers who are treated as part of a participating public employer's controlled group under the
 29 federal laws and rules governing the status of the system and the Public Employees Retirement Fund
 30 as a qualified governmental retirement plan and trust.

31 (7) Any amounts transferred from the Public Employees Retirement Fund under subsection (6)
 32 of this section shall be transferred directly to the Optional Retirement Plan by the Public Employees
 33 Retirement Board and *[shall]* **may** not be made available to the employee.

 37 had not elected to participate in the Optional Retirement Plan.

38 (9) The State Board of Higher Education shall contribute monthly to the Optional Retirement
 39 Plan the percentage of salary of each employee participating in the plan equal to the percentage

 41 employee to the Public Employees Retirement System, before any offset under ORS ~~[238.225 (9)]~~

43 (10) Both employee and employer contributions to an Optional Retirement Plan shall be remitted
 44 directly to the companies that have issued annuity contracts to the participating employees or di-

3 ance with the terms of the annuity contracts or the terms of the contract with the mutual fund.
4 Employees electing to participate in the plan agree that benefits payable under the plan are not
5 obligations of the State of Oregon or of the Public Employees Retirement System.

6 (12) The percentage of salary contributed by the State Board of Higher Education under sub-
7 section (9) of this section on behalf of an employee is not affected by reason of the employee having

23 **paragraph (C) or (D) of this paragraph** by four. The resulting amount shall be the additional
24 payment required for each quarter.

25 **(b)** Only one such determination shall be made in any four-quarter period. If the negative bal-
26 ance is eliminated before the end of the four quarters in which the additional payments were de-

22 419B.090. (1) The juvenile court is a court of record and exercises jurisdiction as a court of
23 general and equitable jurisdiction and not as a court of limited or inferior jurisdiction. The juvenile
24 court is called "The _____ Court of _____ County, Juvenile Department."

25 (2)(a) It is the policy of the State of Oregon to recognize that children are individuals who have
26 legal rights. Among those rights are the right to:

27 (A) Permanency with a safe family;

28 (B) Freedom from physical, sexual or emotional abuse or exploitation; and

29 (C) Freedom from substantial neglect of basic needs.

30 (b) Parents and guardians have a duty to afford their children the rights listed in paragraph (a)
31 of this subsection. Parents and guardians have a duty to remove any impediment to their ability to
32 perform parental duties that afford these rights to their children. When a parent or guardian fails
33 to fulfill these duties, the juvenile court may determine that it is in the best interests of the child
34 to remove the child from the parent or guardian either temporarily or permanently.

35 (c) The provisions of this chapter shall be liberally construed to the end that a child coming
36 within the jurisdiction of the court may receive such care, guidance, treatment and control as will
37 lead to the child's welfare and the protection of the community.

39 the Fourteenth Amendment to the United States Constitution and to protect the rights and interests
40 of children, as provided in subsection (2) of this section. The provisions of this chapter shall be
41 construed and applied in compliance with federal constitutional limitations on state action estab-
42 lished by the United States Supreme Court with respect to interference with the rights of parents
43 to direct the upbringing of their children, including, but not limited to, **the right to:**

44 (a) Guide the secular and religious education of their children;

45 (b) Make health care decisions for their children; and

1 (c) Discipline their children.

2 (4) It is the policy of the State of Oregon, in those cases not described as extreme conduct under
3 ORS 419B.502, to offer appropriate reunification services to parents and guardians to allow them the
4 opportunity to adjust their circumstances, conduct or conditions to make it possible for the child to
5 safely return home within a reasonable time. Although there is a strong preference that children live
6 in their own homes with their own families, the state recognizes that it is not always possible or in
7 the best interests of the child or the public for children who have been abused or neglected to be
8 reunited with their parents or guardians. In those cases, the State of Oregon has the obligation to
9 create or provide an alternative, safe and permanent home for the child.

10 (5) The State of Oregon recognizes the value of the Indian Child Welfare Act[, 25 U.S.C. 1901
11 to 1923,] and hereby incorporates the policies of that Act.

39 (1) The Office for Oregon Health Policy and Research may request, by July 1 of each year, each
40 general hospital to file with the office ambulatory surgery and inpatient discharge abstract records
41 covering all patients discharged during the preceding calendar year. The ambulatory surgery and
42 inpatient discharge abstract record for each patient must include the following information, and may
43 include other information deemed necessary by the office for developing or evaluating statewide
44 health policy:

45 (a) Date of birth;

- 1 (b) Sex;
- 2 (c) Zip code;
- 3 (d) Inpatient admission date or outpatient service date;
- 4 (e) Inpatient discharge date;
- 5 (f) Type of discharge;
- 6 (g) Diagnostic related group or diagnosis;
- 7 (h) Type of procedure performed;
- 8 (i) Expected source of payment, if available;
- 9 (j) Hospital identification number; and
- 10 (k) Total hospital charges.

11 (2) By July 1 of each year, the office may request from ambulatory [*surgery*] **surgical** centers
12 licensed under ORS 441.015 ambulatory surgery discharge abstract records covering all patients
13 admitted during the preceding year. Ambulatory surgery discharge abstract records must include
14 information similar to that requested from general hospitals under subsection (1) of this section.

15 (3) In lieu of abstracting and compiling the records itself, the office may solicit the voluntary
16 submission of such data from Oregon hospitals or other sources to enable it to carry out its re-
17 sponsibilities under this section. If such data [*is*] **are** not available to the office on an annual and
18 timely basis, the office may establish by rule a fee to be charged **to** each hospital.

19 (4) Subject to prior approval of the Oregon Department of Administrative Services and a report

24 (5) The office may specify by rule the form in which the records are to be submitted. If the form
25 adopted by rule requires conversion from the form regularly used by a hospital, reasonable costs of
26 such conversion shall be paid by the office.

27 (6) Abstract records must include a patient identifier that allows for the statistical matching of
28 records over time to permit public studies of issues related to clinical practices, health service
29 utilization and health outcomes. Provision of such a patient identifier must not allow for identifica-
30 tion of the individual patient.

31 (7) In addition to the records required in subsection (1) of this section, the office may obtain
32 abstract records for each patient that identify specific services, classified by International Classi-
33 fication of Disease Code, for special studies on the incidence of specific health problems or diag-
34 nostic practices. However, nothing in this subsection shall authorize the publication of specific data
35 in a form that allows identification of individual patients or licensed health care professionals.

36 (8) The office may provide by rule for the submission of records for enrollees in a health main-
37 tenance organization from a hospital associated with such an organization in a form the office de-
38 termines appropriate to the office's needs for such data and the organization's record keeping and

17 479.220, 479.510 to 479.945, 479.990 and 479.995 and ORS chapter 480:

18 (1) The Director of the Department of Consumer and Business Services shall coordinate, inter-
19 pret and generally supervise the adoption, administration and enforcement of the state building code.

30 there is no nationally recognized model code, consideration shall be given to the existing specialty
31 codes presently in use in this state. Such model codes with modifications considered necessary and
32 specialty codes may be adopted by reference. The codes so promulgated and any amendments thereof
33 shall be based on the application of scientific principles, approved tests and professional judgment
34 and, to the extent that it is practical to do so, the codes shall be promulgated in terms of desired
35 results instead of the means of achieving such results, avoiding wherever possible the incorporation
36 of specifications of particular methods or materials. To that end the codes shall encourage the use
37 of new methods, new materials and maximum energy conservation.

38 (4) The director shall adopt rules requiring a journeyman plumber [*who holds a certificate of*
39 *competency issued*] **licensed** under ORS chapter 693 or an apprentice plumber, as defined in ORS

29 **SECTION 142.** ORS 459.311 is amended to read:

30 459.311. A local government unit responsible for conducting a remedial action or removal or
31 related activities under ORS 465.260 at a solid waste disposal site, or a local government unit that
32 contributed solid waste to a solid waste disposal site for which the local government is liable under
33 ORS 465.255 or other applicable law, shall impose a charge to be added to all billings for collection
34 services rendered within the boundaries of that local government unit unless the local government
35 unit provides an equivalent amount of funding through another source. A charge imposed under this
36 section shall be subject to the following requirements:

37 (1) The charge shall be:

38 (a) An amount equal to a maximum amount of \$12 per capita per year and \$60 per capita per
39 local government unit;

40 (b) Collected for each volumetric or weight unit of solid waste collected;

41 (c) Imposed equitably on all persons who dispose of solid waste; and

42 (d) For a local government unit imposing and collecting a charge on behalf of another local
43 government unit responsible for remedial action or related activities at a disposal site, an amount
44 that, as a proportion of the total cost, equals the proportion of solid waste the local government unit
45 contributed to such disposal site.

1 (2) The charge shall be collected on behalf of the local government unit by solid waste collectors
2 who are subject to franchising, licensing or permitting requirements adopted by the local govern-
3 ment unit. Notwithstanding any restriction on rates contained in a franchise or other local regu-
4 lations, a solid waste collector may add the charge to bills for solid waste collection. The local
5 government unit may enter into an intergovernmental agreement with any other local government
6 unit to provide for imposition and collection of the charge on behalf of the local government unit.

7 (3) The solid waste collector shall remit the proceeds of the charge to the local government unit
8 according to procedures adopted by the local government unit by ordinance. However, solid waste
9 collectors shall not be responsible for covering any shortage caused by failure of a customer to pay
10 charges for solid waste collection.

11 (4) A local government unit imposing a charge under this subsection may require solid waste
12 collectors to submit reports or other documentation necessary to establish compliance with the re-
13 quirements of this section or the ordinance adopted by the local government unit. All information
14 contained in such reports relating to the number of accounts served by the solid waste collector or
15 the revenue produced from such accounts shall be exempt from public disclosure.

16 (5) A solid waste collector required to collect charges under this section may retain five percent
17 of the charge in order to defray the costs of collecting and accounting for the proceeds of the
18 charge.

19 (6) If a person disposes of solid waste at a disposal site within the boundaries of a local gov-
20 ernment unit imposing a *[fee]* **charge** under this section without using the services of a solid waste
21 collector, the person shall pay the *[fee]* **charge** established by this section at the time the person
22 disposes of solid waste at the disposal site. That portion of the charge attributable to administrative
23 costs as provided in subsection (5) of this section shall be retained by the operator of the solid waste
24 disposal site. The operator of the solid waste disposal site shall remit the balance of the charge
25 according to procedures established by ordinance by the local government unit imposing the charge.

26 (7) Except for the amount allocated to defray the administrative expenses of a solid waste col-
27 lector or disposal site operator under subsections (5) and (6) of this section, proceeds of the charge
28 shall be placed into a dedicated local government remedial action fund established by the local
29 government unit and may be used only to pay for remedial action costs. As used in this subsection,
30 “remedial action costs” also includes the cost of retiring debt incurred in connection with a reme-
31 dial action.

32 (8) The amount collected by imposing a charge under this section shall be the amount necessary
33 to fund the local government unit’s remedial action costs at one or more solid waste disposal sites
34 for which the local government unit is responsible for conducting a remedial action or removal or
35 related activities under ORS 465.260, or is liable under ORS 465.255 or other applicable law and
36 necessary administrative expenses incurred under this section, and may include an increment to
37 cover any delinquencies in collections. The amount of the charge may be adjusted from time to time
38 as necessary to maintain the remedial action fund at the level necessary to accommodate the local
39 government unit’s remedial action responsibilities, but *[shall]* **may** not exceed the maximum amounts
40 provided in subsection (1)(a) of this section.

41 (9) Any local government unit located within the boundaries of a metropolitan service district
42 may enter into an intergovernmental agreement with the district to transfer to the district the
43 funding authority granted under this section and the responsibility for performing all remedial
44 action obligations for which the local government unit may be responsible.

45 (10) As used in this section, “remedial action,” “remedial action costs” and “removal” have the

1 meaning given those terms in ORS 465.200.

2 **NOTE:** Makes terminology consistent in (6); updates word choice in (8).

30 stallation or alteration is:

31 (A) \$1,000 or under, \$98.

32 (B) Over \$1,000 but under \$15,000, \$98 plus \$13 for each \$1,000 or fraction of \$1,000 by which

37 \$50,000.

38 (2) Whenever an owner or user of any elevator equipment fails to pay a fee required under this
39 section within 90 days after the date of depositing written notification in the United States mail,
40 postage prepaid, and addressed to the last-known address of said owner or user, the fee shall be
41 considered delinquent and the fee shall be doubled unless the owner or user of the elevator equip-
42 ment establishes to the satisfaction of the department justification for failure to pay. The court may
43 award reasonable attorney fees to the department if the department prevails in an action for the
44 collection of a fee required by this section. The court may award reasonable attorney fees to a de-
45 fendant who prevails in an action for the collection of a fee required by this section if the court

1 determines that the department had no objectively reasonable basis for asserting the claim or no
2 reasonable basis for appealing an adverse decision of the trial court.

9 undertake all required removal or remedial action; or

10 (b) Revenues from the sale of bonds cannot be used to pay for activities related to removal or

23 **SECTION 174.** ORS 530.490 is amended to read:

24 530.490. (1) Notwithstanding the provisions of any other law, or authority granted thereunder,
 25 after the [*board*] **State Board of Forestry and State Land Board** resolutions and legal de-
 26 scriptions are filed with the Secretary of State as required by ORS 530.480, the State Forester
 27 hereby shall be authorized, under the supervision of the State Board of Forestry and the regulations
 28 of [*said*] **that** board, to manage, control and protect the Common School Forest Lands. Also,
 29 notwithstanding the provisions of any other law, or authority granted thereunder, the State Forester
 30 hereby is authorized, under the supervision of the State Board of Forestry and the regulations of
 31 [*said*] **that** board, to manage, control and protect the Elliott State Forest Lands. In each instance
 32 the State Forester shall manage, control and protect such forests and forestlands so as to secure the
 33 greatest permanent value of the lands to the whole people of the State of Oregon, particularly for
 34 the dedicated purposes of the lands and the common schools to which the resources of the lands are
 35 devoted.

36 (2) Easements on, over and across the Common School Forest Lands and the Elliott State Forest
 37 Lands may be granted as follows:

38 (a) Permanent easements determined by the State Forester and State Board of Forestry as nec-
 39 essary to accomplish the dedicated purposes of such lands may be granted by the Department of
 40 State Lands.

41 (b) Easements other than permanent may be granted by the State Forester under joint rules of
 42 the State Board of Forestry and Department of State Lands.

43 (3) The authority granted the State Forester in this section shall not supersede the authority
 44 of the Department of State Lands to grant easements on or leases for the Common School Forest
 45 Lands and Elliott State Forest Lands for grazing purposes or for the exploration and development

1 of minerals, oil or gas, and any consideration received by the Department of State Lands therefor
 2 shall be excepted from the provisions of ORS 530.520[; *provided,*]. However, the Department of State
 3 Lands shall cooperate with the forestry program of the State Forester in granting such easements
 4 and leases and make provisions therein for continuing the primary purposes for which such land has
 5 been dedicated.

6 **NOTE:** Sets out full titles and improves word choice in (1); cures run-on sentence in (3).

7 **SECTION 175.** ORS 530.628 is amended to read:

8 530.628. (1) ORS 530.600 to 530.628 contain complete authority for the organization of a com-
 9 munity forest authority and for the issuance and sale of revenue bonds, including refunding revenue
 10 bonds, and other revenue obligations.

11 (2) [*ORS 288.320 and*] ORS chapters 198, 279A, 279B and 294 do not apply to the organization
 12 of an authority and the issuance and sale of revenue bonds pursuant to ORS 530.600 to 530.628.

13 (3) Nothing in ORS 530.600 to 530.628 restricts or limits a power that an authority has under a
 14 law of this state or the charter of the municipality creating the authority except as explicitly pro-
 15 vided in ORS 530.600 to 530.628.

16 **NOTE:** Deletes reference to repealed statute in (2).

17 **SECTION 176.** ORS 543.017 is amended to read:

18 543.017. (1) In order to carry out the policy set forth in ORS 543.015, the following minimum
 19 standards shall apply to any action of the Water Resources Commission relating to the development
 20 of hydroelectric power in Oregon:

21 (a) The anadromous salmon and steelhead resources of Oregon shall be preserved. The commis-
 22 sion shall not approve activity that may result in mortality or injury to anadromous salmon and
 23 steelhead resources or loss of natural habitat of any anadromous salmon and steelhead resources
 24 except when an applicant proposes to modify an existing facility or project in such a manner that
 25 can be shown to restore, enhance or improve anadromous fish populations within that river system.

26 (b) Any activity related to hydroelectric development shall be consistent with the provisions of
 27 the Columbia River Basin Fish and Wildlife Program providing for the protection, mitigation and
 28 enhancement of the fish and wildlife resources of the region as adopted by the Pacific Northwest
 29 Electric Power and Conservation Planning Council pursuant to Public Law 96-501.

30 (c) Except as provided in this paragraph, no activity may be approved that results in a net loss
 31 of wild game fish or recreational opportunities. If a proposed activity may result in a net loss of any
 32 of the above resources, the commission may allow mitigation if the commission finds the proposed
 33 mitigation in the project vicinity is acceptable. Proposed mitigation [*which*] **that** may result in a
 34 wild game fish population, or the fishery the wild game fish population provides, being converted to
 35 a hatchery dependent resource is not acceptable mitigation. A water dependent recreational oppor-
 36 tunity must be mitigated by another water dependent recreational opportunity. Mitigation of water
 37 dependent recreational opportunities [*which*] **that**, in the judgment of the commission, are of state-
 38 wide significance with a recreational opportunity that is readily available on other waters of this
 39 state is not acceptable mitigation. In deciding whether mitigation is acceptable, the commission shall
 40 consult with other local, state and federal agencies.

41 (d) Other natural resources in the project vicinity, including water quality, wildlife, scenic and
 42 aesthetic values, **and** historic, cultural and archaeological sites, shall be maintained or enhanced.
 43 No activity may be approved [*which*] **that**, in the judgment of the commission after balancing gains
 44 and losses to all affected natural resources, may result in a net loss of natural resources. In deter-
 45 mining whether the proposed activity may result in a net loss of natural resources, the commission

1 may consider mitigation if the commission determines the proposed mitigation in the project vicinity
 2 is acceptable. Mitigation may include appropriate measures considered necessary to meet the net
 3 loss standard. In determining whether mitigation is acceptable, the commission shall consult with
 4 appropriate state, federal and local agencies.

5 (e) In determining whether it is in the public interest to allocate water for a proposed hydro-
 6 electric development, the commission shall consider present and future power needs and shall make
 7 a finding on the need for the power. For a hydroelectric project with a nominal electric generating
 8 capacity of 25 megawatts or more, the Water Resources Commission shall consider any recommen-
 9 dation by the Energy Facility Siting Council. The Energy Facility Siting Council's recommendation
 10 shall be based solely on information contained in the hearing record of the Water Resources Com-
 11 mission. The commission's order on the proposed hydroelectric development shall describe the En-
 12 ergy Facility Siting Council's recommendations on the need for the power. If the commission's
 13 decision on the need for power is contrary to the Energy Facility Siting Council's recommendation,
 14 the commission's order shall explain the commission's failure to follow the recommendation of the
 15 Energy Facility Siting Council. The commission also shall consult with the Energy Facility Siting
 16 Council on other matters within the expertise of the Energy Facility Siting Council.

17 (2) The commission shall adopt all necessary rules to carry out the policy set forth in ORS
 18 543.015 and to implement the minimum standards set forth in subsection (1) of this section. In the
 19 absence of implementing rules, any action of the commission relating to hydroelectric development
 20 shall comply with the standards as set forth in this section.

21 (3) Nothing in this section limits the authority of any state agency to make recommendations
 22 regarding appropriate license conditions during the consideration of the issuance of a license or
 23 permit for an existing hydroelectric project.

24 *[(4) The Water Resources Department and other state agencies shall not apply subsections (1) and*
 25 *(2) of this section to existing water rights or state licenses for existing hydroelectric facilities until*
 26 *January 1, 1998.]*

27 **NOTE:** Improves grammar and punctuation in (1)(c) and (d); removes obsolete provision in (4).

28 **SECTION 177.** ORS 561.144 is amended to read:

29 561.144. (1) The State Treasurer shall establish a Department of Agriculture Service Fund,
 30 which shall be a trust fund separate and distinct from the General Fund. The State Department of
 31 Agriculture shall deposit all license and service fees paid to it under the provisions of the statutes
 32 identified in subsection (3) of this section in the Department of Agriculture Service Fund. The State
 33 Treasurer is the custodian of this trust fund, which shall be deposited by the treasurer in such de-
 34 positories as are authorized to receive deposits of the General Fund, and which may be invested by
 35 the treasurer in the same manner as authorized by ORS 293.701 to 293.820.

36 (2) Interest received on deposits credited to the Department of Agriculture Service Fund shall

16 but shall be subject to audit and review by the department. An applicant for an original license or
17 for a renewal license, without a full calendar year of prior nursery stock sales or purchase experi-

19 of sales or purchases of nursery stock by the applicant. Notwithstanding the provisions of ORS
20 571.075, upon application by such person for a renewal of license for a subsequent year, the fees for
21 the previous license year shall be adjusted to reflect the actual annual gross dollar volume of sales
22 or purchases of nursery stock by such applicant. Any additional fees found to be due shall be paid
23 to the department at the time of application for renewal of license, or the department shall refund

30 (b) The license fees shall not be less than \$65 nor more than \$20,000. The millage rate shall be
31 not less than one-tenth mill nor more than 5 mills. The fees shall be established in such amount as
32 shall be sufficient to allow the department to administer and enforce the provisions of ORS 564.040,
33 564.991, 571.005 to 571.230 and 571.991.

34 (c) [*For license years beginning July 1, 1994, and thereafter,*] In addition to and at the time of

39 (4) For florists and landscape contractors, dealer and agent fees will be computed on the basis
40 of gross purchases of plants. For greenhouse operators and growers, including persons collecting
41 native plants, fees will be computed on the basis of gross sales of plants or sales value of plants
42 produced in Oregon.

43 (5) Each grower or dealer shall be entitled to one sales location under the license of the grower
44 or dealer. Each additional sales location, yard, branch store, stall or peddling vehicle maintained
45 by such person shall require the payment of the full license fee for each of such additional sales

1 outlets. A grower who is also a dealer shall be licensed only as a grower.

13 **SECTION 240.** ORS 743.556, as amended by section 1, chapter 705, Oregon Laws 2005, is
14 amended to read:

15 743.556. A group health insurance policy providing coverage for hospital or medical expenses
16 shall provide coverage for expenses arising from treatment for chemical dependency, including
17 alcoholism, and for mental or nervous conditions at the same level as, and subject to limitations no
18 more restrictive than, those imposed on coverage or reimbursement of expenses arising from treat-
19 ment for other medical conditions. The following apply to coverage for chemical dependency and for
20 mental or nervous conditions:

21 (1) As used in this section:

22 (a) "Chemical dependency" means the addictive relationship with any drug or alcohol charac-
23 terized by a physical or psychological relationship, or both, that interferes on a recurring basis with
24 the individual's social, psychological or physical adjustment to common problems. For purposes of
25 this section, "chemical dependency" does not include addiction to, or dependency on, tobacco, to-
26 bacco products or foods.

27 (b) "Facility" means a corporate or governmental entity or other provider of services for the
28 treatment of chemical dependency or for the treatment of mental or nervous conditions.

29 (c) "Group health insurer" means an insurer, a health maintenance organization or a health care
30 service contractor.

31 (d) "Program" means a particular type or level of service that is organizationally distinct within
32 a facility.

33 (e) "Provider" means a person that has met the credentialing requirement of a group health
34 insurer, is otherwise eligible to receive reimbursement for coverage under the policy and is:

35 (A) A health care facility;

36 (B) A residential program or facility;

37 (C) A day or partial hospitalization program;

38 (D) An outpatient service; or

39 (E) An individual behavioral health or medical professional authorized for reimbursement under
40 Oregon law.

41 (2) The coverage may be made subject to provisions of the policy that apply to other benefits
42 under the policy, including but not limited to provisions relating to deductibles and coinsurance.
43 Deductibles and coinsurance for treatment in health care facilities or residential programs or facil-
44 ities may not be greater than those under the policy for expenses of hospitalization in the treatment
45 of other medical conditions. Deductibles and coinsurance for outpatient treatment may not be

1 greater than those under the policy for expenses of outpatient treatment of other medical conditions.

2 (3) The coverage may not be made subject to treatment limitations, limits on total payments for
3 treatment, limits on duration of treatment or financial requirements unless similar limitations or
4 requirements are imposed on coverage of other medical conditions. The coverage of eligible expenses
5 may be limited to treatment that is medically necessary as determined under the policy for other
6 medical conditions.

7 (4)(a) Nothing in this section requires coverage for:

8 (A) Educational or correctional services or sheltered living provided by a school or halfway
9 house;

10 (B) A long-term residential mental health program that lasts longer than 45 days;

11 (C) Psychoanalysis or psychotherapy received as part of an educational or training program,
12 regardless of diagnosis or symptoms that may be present;

13 (D) A court-ordered sex offender treatment program; or

14 (E) A screening interview or treatment program under ORS 813.021.

16 tient services under the terms of the insured's policy while the insured is living temporarily in a
17 sheltered living situation.

18 (5) A provider is eligible for reimbursement under this section if:

19 (a) The provider is approved by the Department of Human Services;

20 (b) The provider is accredited for the particular level of care for which reimbursement is being
21 requested by the Joint Commission on Accreditation of Hospitals or the Commission on Accredi-
22 tation of Rehabilitation Facilities;

23 (c) The patient is staying overnight at the facility and is involved in a structured program at
24 least eight hours per day, five days per week; or

25 (d) The provider is providing a covered benefit under the policy.

26 (6) Payments may not be made under this section for support groups.

27 (7) If specified in the policy, outpatient coverage may include follow-up in-home service or out-
28 patient services. The policy may limit coverage for in-home service to persons who are homebound
29 under the care of a physician.

30 (8) Nothing in this section prohibits a group health insurer from managing the provision of
31 benefits through common methods, including but not limited to selectively contracted panels, health
32 plan benefit differential designs, preadmission screening, prior authorization of services, utilization
33 review or other mechanisms designed to limit eligible expenses to those described in subsection (3)
34 of this section.

35 (9) The Legislative Assembly has found that health care cost containment is necessary and in-
36 tends to encourage insurance policies designed to achieve cost containment by ensuring that re-
37 imbursement is limited to appropriate utilization under criteria incorporated into such policies,
38 either directly or by reference.

39 (10)(a) Subject to the patient or client confidentiality provisions of ORS 40.235 relating to phy-
40 sicians, ORS 40.240 relating to nurse practitioners, ORS 40.230 relating to psychologists and ORS
41 40.250 and 675.580 relating to licensed clinical social workers, a group health insurer may provide
42 for review for level of treatment of admissions and continued stays for treatment in health care fa-
43 cilities, residential programs or facilities, day or partial hospitalization programs and outpatient
44 services by either group health insurer staff or personnel under contract to the group health insurer,
45 or by a utilization review contractor, who shall have the authority to certify for or deny level of

1 payment.

2 (b) Review shall be made according to criteria made available to providers in advance upon re-
3 quest.

4 (c) Review shall be performed by or under the direction of a medical or osteopathic physician
5 licensed by the Board of Medical Examiners for the State of Oregon, a psychologist licensed by the
6 State Board of Psychologist Examiners or a clinical social worker licensed by the State Board of
7 Clinical Social Workers, in accordance with standards of the National Committee for Quality As-
8 surance or Medicare review standards of the Centers for Medicare and Medicaid Services.

9 (d) Review may involve prior approval, concurrent review of the continuation of treatment,
10 post-treatment review or any combination of these. However, if prior approval is required, provision
11 shall be made to allow for payment of urgent or emergency admissions, subject to subsequent re-
12 view. If prior approval is not required, group health insurers shall permit providers, policyholders
13 or persons acting on their behalf to make advance inquiries regarding the appropriateness of a
14 particular admission to a treatment program. Group health insurers shall provide a timely response
15 to such inquiries. Noncontracting providers must cooperate with these procedures to the same ex-
16 tent as contracting providers to be eligible for reimbursement.

17 (11) Health maintenance organizations may limit the receipt of covered services by enrollees to
18 services provided by or upon referral by providers contracting with the health maintenance organ-
19 ization. Health maintenance organizations and health care service contractors may create substan-
20 tive plan benefit and reimbursement differentials at the same level as, and subject to limitations no
21 more restrictive than, those imposed on coverage or reimbursement of expenses arising out of other
22 medical conditions and apply them to contracting and noncontracting providers.

23 (12) Nothing in this section prevents a group health insurer from contracting with providers of
24 health care services to furnish services to policyholders or certificate holders according to ORS
25 743.531 or 750.005, subject to the following conditions:

26 (a) A group health insurer is not required to contract with all eligible providers.

27 (b) An insurer or health care [*services*] **service** contractor shall, subject to subsections (2) and
28 (3) of this section, pay benefits toward the covered charges of noncontracting providers of services
29 for the treatment of chemical dependency or mental or nervous conditions. The insured shall, subject
30 to subsections (2) and (3) of this section, have the right to use the services of a noncontracting
31 provider of services for the treatment of chemical dependency or mental or nervous conditions,
32 whether or not the services for chemical dependency or mental or nervous conditions are provided
33 by contracting or noncontracting providers.

34 (13) The intent of the Legislative Assembly in adopting this section is to reserve benefits for
35 different types of care to encourage cost effective care and to ensure continuing access to levels
36 of care most appropriate for the insured's condition and progress.

37 (14) The Director of the Department of Consumer and Business Services, after notice and hear-
38 ing, may adopt reasonable rules not inconsistent with this section that are considered necessary for
39 the proper administration of these provisions.
