

# Senate Bill 923

Sponsored by Senator WESTLUND

## SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Increases maximum cost of facility eligible for renewable energy resource facility tax credit certification.

## A BILL FOR AN ACT

1  
2 Relating to renewable energy; creating new provisions; and amending ORS 469.200.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 469.200 is amended to read:

5 469.200. The total cost of a facility that receives a preliminary certification from the Director  
6 of the State Department of Energy for tax credits in any calendar year shall not exceed [*\$10*] **\$10.1**  
7 million. The director shall determine the dollar amount certified for any facility and the priority  
8 between applications for certification based upon the criteria contained in ORS 469.185 to 469.225  
9 and applicable rules and standards adopted under ORS 469.185 to 469.225. The director may consider  
10 the status of a facility as a research, development or demonstration facility of new renewable re-  
11 source generating and conservation technologies or a qualified transit pass contract in the deter-  
12 mination.

13 **SECTION 2.** The amendments to ORS 469.200 by section 1 of this 2007 Act apply to facil-  
14 ities that receive certifications on or after January 1, 2008.
